

SSI REPLACEMENT CARD PROCESS

Thank you for inquiring about receiving a Replacement Certification card from SSI – Scuba Schools International. We have a few options for you to consider based on when you were certified and what type of c-card you require.

SSI Divers Certified SINCE 2008:

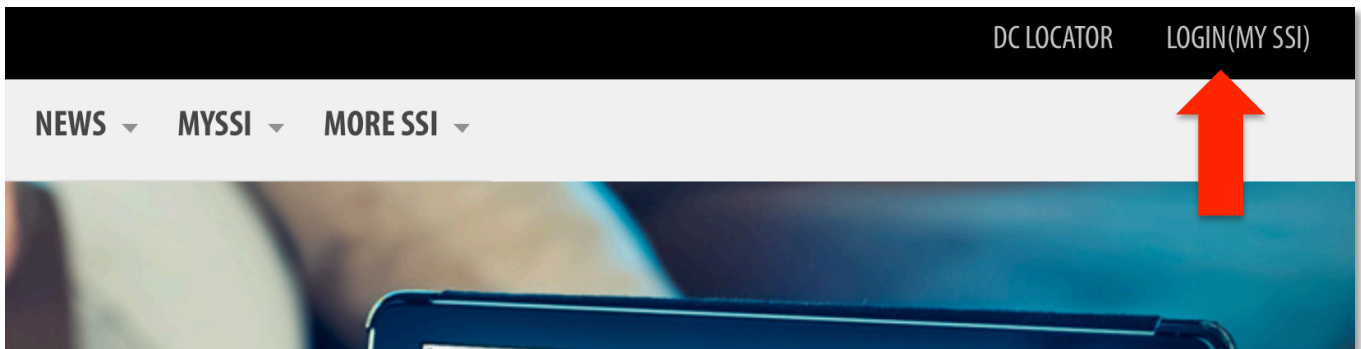

Figure 1

- A. Go to www.divessi.com. Go to the **sign in** section and log into your MYSSI account using the email and password used to set up your account (See Figure 1).
- B. All divers certified after the year 2008 should have an existing MYSSI profile. This profile consists of the email you used to set up your account and a password. If you forgot your password, there is a password recovery button under diver sign in (See Figure 2).
- C. After signing into your account, you can locate your digital certification card in the MYSSI section under the MYC-CARD tab of the website
- D. Download the DIVESSI App on your iOS or Android device by going to the App store. By downloading the App, you will have your digital c-card available on your device everywhere you go.
- E. After downloading the App and signing into your account, you can locate your digital certification card in the myCertifications tab on the App (See Figure 3).

- F. You will see all your certification cards that can be used just like the traditional plastic card.
- G. Contact your local SSI Dive center if you would like to purchase a plastic c-card.

SSI Divers Certified BEFORE 2008:

- A. Go to www.divessi.com
- B. Go to the Diver Sign In section.
- C. Most divers certified before 2008 have not set up an account, but if you have already created an account, skip steps D-F.
- D. Select the **No Login Data** button (See Figure 4).
- E. Complete the profile information (See Figure 5).
