air fryer
KAF 5502

More Less Calorie
More Healthy Fried

3 in 1
fry
Roast
Bake

Now give your favorite fried foods a make over. Instead of using fat to make fries, the revolutionary Kiwi Air Fryer uses superheated air. It fries to a crispy golden-brown finish—and cuts the calories—in everything from fries, snacks, chicken, burgers, meat and more. That same mouth-watering taste. Crispy on the outside, moist on the inside—without the oil.
