

S3500 Permit Control Station and S3502 Wall Mount Group Lock Box Custom Laser Engraving on Aluminum or Brass Tags

Custom engraved aluminum or brass tags can be added to your permit station or lock box. Engraving is limited to letters and numbers; logos cannot be engraved.

For orders with different text on each unit, please provide an Excel® spreadsheet with the information. Take note of the maximum number of characters for the selected line and provide the text so that each line does not exceed the maximum.

Characters exceeding the maximum per line will not be engraved.

Include this form with your order.

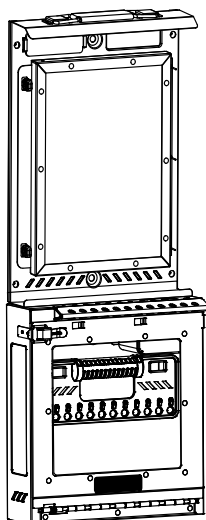

The minimum order quantity for engraving is 10 S3500 permit stations and/or S3502 lock boxes. The current list price to engrave characters and/or numbers is \$2.05 each.

This is an Editable PDF file. Your custom information can be typed into the fields using Adobe Acrobat Reader software, which you can download for free at <http://get.adobe.com/reader/>. You can also save your data for future use.

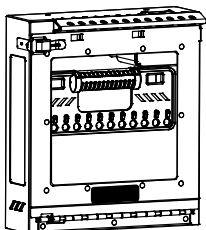

Choose Model and Engraving Tag - Provide Engraving Information

Select a model and tag material (aluminum or brass)
Three lines of text available, engrave up to 15 characters per line
