

You're Accepted!

And our Admissions package shows your school is a class act.

What a great opportunity – Admissions acceptance packages. Colleges, universities and other educational institutions like yours are competing for prized students. The Xerox® Color C60/C70 Printer and Xerox® D Series Copier/Printer or Printer give you full color and black-and-white printing options for even greater flexibility.

The Opportunity

An attractive, eye-catching, interesting package has a role in capturing students' attention and colors their view of the academic setting that has accepted them for admission. Take, for example, Sutton Pierce. The Admissions package includes a variety of items such as a student government flyer, acceptance letter, campus map and a form to gather additional information about the student.

Your Admissions acceptance package can make all the difference when it comes to enticing those very special students to accept your offer.

The Xerox Advantage

At Xerox, we have gone to school. We have the training, the education and the know-how to develop everything that's needed to make your school's Admissions package the best among schools competing for the students you want. We can shrink wrap an Admissions package that holds a color acceptance letter, a personalized color duplex bi-fold flyer, a monochrome carbonless form, a monochrome campus map and much more.

And that's thanks to the Xerox® Color C60/C70 Printer and the Xerox® D Series Copier/Printer or Printer. Together they give you the technology to produce high-impact quality color and cost-saving black-and-white output that will make an impact for your school.

Dear Cary:

On behalf of Sutton Pierce State College, congratulations! One of the 8,555 high school students who applied for admissions, we want you to be among the 1,300 members of our incoming freshman class.

With many applicants met our high academic standards and demonstrated a commitment to rigorous study, you are among those who commanded our attention and earned our admission. Your personal essay about your transformation from a lackluster student to a top academic achiever—particularly in technology and the sciences—moved us greatly. We were very impressed with the sentiment your essay conveyed—especially your sincere and humble gratitude to the educators who inspired you to take your education and yourself seriously.

Because we firmly believe that the educators at Sutton Pierce State College can and will continue to inspire you to achieve your career and life goals, we ask you to consider selecting Sutton Pierce State College as your next academic home.

As you will see in the accompanying material, we invite you to spend some time getting to know the campus community. During your visit, we will introduce you to the full range of our academic offerings, including some unique programs in technology and the sciences that may be of special interest to you. Our faculty members will be available to discuss your academic plans. Just a warning—their passion for Sutton Pierce State College is often contagious!

Cary, we believe that you are right for Sutton Pierce State College. We hope you decide that Sutton Pierce State College is right for you.

Sincerely,
Janice Hapewell
