## Unpack the machine and check the components

### Ink Cartridges

- Black
- Yellow
- Cyan
- Magenta

### Quick Setup Guide Product Safety Guide

### Maintenance Sheet

### Brother Installation Disc

### Telephone Line Cord

### NOTE

Manuals in Spanish for this model are available at [support.brother.com](http://support.brother.com).  
Manuales en Español para este modelo están disponibles en [support.brother.com](http://support.brother.com).

- Save all packing materials and the box in case for any reason you must ship your machine.

- You must purchase the correct interface cable for the interface you want to use. A USB cable is included with some models.

### USB cable

We recommend using a USB 2.0 cable (Type A/B) that is no more than 16 feet (5 meters) long.

### Ethernet (Network) cable

Use a straight-through Category5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.

2

## Load plain Letter/A4 paper

Pull the paper tray completely out of the machine as shown by the arrow.

Fan the paper well.

Load the paper in the tray.

Slowly push the paper tray completely into the machine.

Pull out the paper support until it locks into place.

3

## Connect the power cord

Connect the power cord. The machine will power on automatically.

### NOTE

You can adjust the control panel angle to read the Touchscreen more easily.

4

## Set the date and time

Follow the Touchscreen instructions to set the date and time.

5

## Install the starter ink cartridges

Open the ink cartridge cover and remove the orange protective part from the machine.

Follow the Touchscreen instructions to unpack and install the ink cartridges. The machine will prepare the ink tube system for printing.

Quickly shake just the **black** ink cartridge horizontally 15 times as shown, before inserting it into the machine.

6

## Machine settings

7

## Connect the telephone line cord

If you are not using your machine as a fax, go to [8](#)

Lift the scanner cover.

Connect the telephone line cord. Use the jack marked **LINE** and guide the cord out the back of the machine.

### NOTE

If you are sharing one telephone line with an external telephone, connect it as shown below. Before you connect the external telephone, remove the white protective cap [③](#) from the **EXT.** jack of the machine.

Close the scanner cover.

8

## Choose your language (if needed)

9

## Choose the correct Receive Mode

If you are not using your machine as a fax, go to [11](#)

The correct Receive Mode is determined by the external devices and telephone subscriber services (Voice Mail, Distinctive Ring, etc.) you will be using on the same line as the Brother machine.

- Press [Settings] > [All Settings] > [Initial Setup] > [Local Language].
- Press your language.
- Press .

- Press [Settings] > [All Settings] > [Fax] > [Setup Receive] > [Receive Mode].
- Press your preferred Receive Mode.
- Press .

10

## Set your Station ID

If you are not using your machine as a fax, go to [11](#)

Store your name and fax number so the machine prints it on all outgoing fax pages.

- Press [Settings] > [All Settings] > [Initial Setup] > [Station ID] > [Fax].
- Enter your fax number (up to 20 digits) on the Touchscreen, and then press .
- Press .
- Enter your name (up to 20 characters) using the Touchscreen, and then press .
- Press .

11

## Select a device to connect to your machine

### Computer

Go to **12** and follow the instructions.

### Mobile Device

Go to **13** and follow the instructions.

12

## Connect your computer

Put the installation disc into your CD/DVD drive, or download the Full Driver & Software Package at:

For Windows®: [solutions.brother.com/windows](http://solutions.brother.com/windows)  
For Macintosh: [solutions.brother.com/mac](http://solutions.brother.com/mac)

If you are using a recently released operating system on your computer, visit the above websites for updated driver and software information.

### Follow the on-screen instructions and prompts.

#### For Windows®:

If the Brother screen does not appear automatically, go to **Computer (My Computer/This PC)**. Double-click the CD/DVD-ROM icon, and then double-click **start.exe**.

#### For Macintosh:

For full driver functionality, we recommend choosing the **CUPS driver** when adding a printer.

#### For Wired Network Connection and USB Connection:

Locate the correct port (based on the cable you are using) inside the machine as shown.

### Finished

#### For Network Users: Important Notice for Network Security

The default Web Based Management password is located on the back of the machine and marked "Pwd". We recommend immediately changing the default password to use network tools/utilities securely and to protect your machine from unauthorized access.

## Can't Connect? Check the following:

### Wireless network

Restart your wireless access point/router (if possible).

### Wired network

### USB connection

Disconnect the cable.

Restart your machine and computer, and then go to **12**

If still not successful, go to **13**

If still not successful, visit [support.brother.com](http://support.brother.com) for FAQs and Troubleshooting.

13

## Alternative wireless setup

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.

SSID (Network Name)	
Network Key (Password)	

If you cannot find this information, ask your network administrator or wireless access point/router manufacturer.

Go to your machine, and press **WIFI** > **[Setup Wizard]** > **[Yes]**.

Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).

When the wireless setup is successful, the Touchscreen displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **13**

### For Computer

Go to **12** to install software.

### For Mobile Device

Go to **14** to install apps.

14

## Print or scan using your mobile device

Download and install our free application "**Brother iPrint&Scan**" from a mobile application store, such as the App Store, Google Play™ or Windows Phone® Store using your mobile device.

#### NOTE

Your mobile device and machine must be connected to the same wireless network.

Brother SupportCenter is a mobile app that provides the latest support information for your Brother product. Visit the App Store or Google Play™ to download.

### Finished

#### Optional apps

You can print from and scan to your mobile device using various apps. For instructions, see the *Online User's Guide*.

(USA only) For more information on apps, visit [www.brother-usa.com/connect](http://www.brother-usa.com/connect).
