

Curriculum vitae

Date Prepared: May 28, 2019

Name: Christy Boling Turer, MD, MHS

Office Address: Division of Combined Internal Medicine/Pediatrics
University of Texas Southwestern (UTSW)
5323 Harry Hines Blvd., MC 9063
Dallas, TX 75390-9063

Work Phone: (214) 648-8801

Work E-Mail: Christy.Turer@UTSouthwestern.edu

Work Fax: (214) 648-3220

Education

Year	Degree (Honors)	Field of Study	Institution
1999	B.S. (High Honors)	Natural Science	Loyola Marymount University
2004	M.D.	Medicine	Johns Hopkins School of Medicine
2010	M.H.S.	Health Services Research	Duke/NIH Clinical Research Training Program
2021	M.S.	Applied Clinical Informatics	UT Health Science Center Houston, School of Biomedical Informatics

Postdoctoral Training

Year(s)	Titles	Specialty/Discipline	Institution
2004-8	Resident	Combined Internal Medicine/Pediatrics	Duke University Hospital
2008-10	Fellow	Health Services Research in Primary Care	Duke University and Durham Veterans Affairs (VA) Medical Center

Current Licensure and Certification

Licensure

2008 – 2010 North Carolina State License
2010 – Texas State License

Board and Other Certification

2008 American Board of Pediatrics
2010 American Board of Internal Medicine
2015 American Board of Obesity Medicine

Honors and Awards

Year	Name of Honor/Award	Awarding Organization
1996	Undergraduate Research Fellowship	AIURP Fellowship sponsored by Merck Company Foundation
1997	Outstanding Organic Chemistry Student of the Year at Loyola Marymount University	American Chemical Society
1998	Excellence in Public Information and Communications (EPIC) Award for Outstanding Service and Leadership	Riordan Award for Community Service, Loyola Marymount University
1999	Outstanding Graduate of the Year in the Natural Sciences	Loyola Marymount University
2010	Inducted Member	American Society for Nutrition
2011	Inducted Member	Dannone Nutrition Leadership Institute
2011	Faculty Mentor, Top 10 Poster Award	UTSW Medical Student Summer Research Poster Competition
2014	First Author, Top 5 Poster Award	The Obesity Society, Clinical Management of Obesity Section Poster Competition
2014	Inducted Member	Society of Pediatric Research

Faculty Academic Appointments

Year(s)	Academic Title	Department	Academic Institution
2008-10	Instructor	Internal Medicine	Duke University
2010-13	Instructor	Pediatrics/Internal Medicine	UTSW
2013	Assistant Professor	Pediatrics/Internal Medicine	UTSW

Appointments at Hospitals/Affiliated Institutions

<u>Current</u>			
2010-	Medical Staff	Pediatrics	Children's Health
2010-	Medical Staff	Internal Medicine	UTSW Medical Center
2010-	Medical Staff	Internal Medicine	Parkland Health/Hospital System

Major Administrative/Leadership Positions

Year(s)	Position Title	Institution
2010-	Teacher	Medical and graduate school didactic and small-group teaching (see Presentations)
2015-17	Director, Academic Pediatric Fellowship	Children's Health/UTSW (ended upon dissolution of Division of General Pediatrics at UTSW)
2012-17	Lead Attending, Monday Pediatric Resident Continuity Clinic	Children's Health/UTSW (ended upon dissolution of hospital-based continuity-of-care clinic)

Committee Service

Year(s)	Name of Committee	Institution/Organization
<u>UTSW</u>		
2015-16	Department of Pediatrics Fellows Research Award Program	UTSW/Children's Health
<u>Hospital</u>		
2015-	Population Health Committee	Children's Health
2016-	Children's Clinical Research Advisory Committee (Reviewer 2016-17, Standing Member, 2018-present)	Children's Health
<u>State/Regional</u>		
2016-	A Patient-Centered PaTH to Addressing Diabetes: Impact of State Policies on Health Outcomes and Disparities	Pennsylvania State University Hershey Medical Center, Johns Hopkins, and Geisinger Health
<u>National/International</u>		
2016-21	Pediatric Advisory Committee	Food and Drug Administration (FDA)
2019-	Health Information Technology – Early Feeding Cooperative Taskforce	Centers for Disease Control and the Institute for Healthy Childhood Weight (affiliate of AAP)

Professional Societies

Dates	Society Name, member
1996-99	Sigma Xi Scientific Research Society
1997-99	Alpha Sigma Nu, Jesuit Honors Society President (1998-1999), Loyola Marymount University Chapter
2003-	American College of Physicians
2003-	<u>The Obesity Society</u> Member
2006-	Clinical Management of Obesity Section Member, Chair (2013-14)
2007-	Pediatric Obesity Section Member
2013	Fellow
2013-16	Abstract Reviewer
2013-18	Early Career Taskforce Representative, Strategic Planning Committee
2004-	<u>American Academy of Pediatrics (AAP)</u> Member, Fellow (2013-)
2011-	Section on Obesity Member, Elected National Advisor , COACH network (2014-)
2016-	Council on Clinical Information Technology Member
2018-	Writing member, Technical Report: Drug Prescribing in Children and Adolescents with Obesity, AAP Committee on Drugs, Section on Clinical Pharmacology and Therapeutics in collaboration with the FDA

Professional Societies (cont.)

Dates	Society Name, member
2008-	American Board of Pediatrics
2008-10	Society of General Internal Medicine
2010-	<u>Academic Pediatric Association</u>
2010-	Member
2010-	Obesity Special Interest Group Member
2010-	Abstract Reviewer, abstracts submitted to Obesity and to General Pediatrics
2010-	<u>Texas Pediatric Society</u>
	Committee on Childhood Obesity
2010-	American Board of Internal Medicine
2010-18	American Society of Nutrition
2014	Society of Pediatric Research
2015-	<u>American Heart Association</u>
2015-	Member
2015-17	Writing Group, "Childhood and Adolescent Adversity and Cardiometabolic Health Outcomes," AHOY Committee of the Council on Cardiovascular Disease in the Young, the Behavior Change Committee of the Lifestyle and Cardiometabolic Health and Epidemiology and Prevention Councils, the Social Determinants Committee of the Epidemiology and Prevention and Quality of Care, the Council on Functional Genomics and Translational Biology, and Outcomes Research Councils
2016-	Outcomes Population Committee
2016-	Peer Reviewer
2018-	American Medical Informatics Association

Grant Review Activities

Year(s)	Name of Review Committee	Organization
2016-	Children's Clinical Research Advisory Committee (Reviewer 2016-17, Standing Member, 2018-present)	Children's Health

Editorial Activities

Year(s)	Journal Name
<u>Editorial Board</u>	
2015-	Obesity Science and Practice
<u>Ad Hoc Reviewer</u>	
2008-10	North Carolina Medical Journal
2010-	American Journal of Clinical Nutrition
2011-	Pediatrics
2012-	Diabetes, Obesity, and Metabolism

Editorial Activities (cont.)

<u>Ad Hoc Reviewer (cont.)</u>	
Year(s)	Journal Name
2013-	British Journal of Nutrition
2013-	Journal of the Academy of Nutrition and Dietetics
2013-	Obesity
2014-	Journal of Pediatrics
2015-	Academic Pediatrics
2015-	Early Human Development
2016-	Journal of Adolescent Health
2016-	BMC Public Health
2016-	Circulation
2018-	Hypertension
2019-	American Heart Journal

Grant Support

<u>Present</u>	
1.	<i>Grantor:</i> NIH, NHLBI <i>Title of Project:</i> Primary Care, Communication, and Improving Children’s Health <i>ClinicalTrials.gov Identifiers:</i> NCT02278705 and NCT02277899 <i>Role:</i> Principal Investigator <i>Dates:</i> 1/1/14-12/31/19
2.	<i>Grantor:</i> National Heart, Lung, and Blood Institute, NIH (R03 HL144811-01) <i>Title of Project:</i> Development of Single-Screen Clinical Decision Support to Increase Guideline-Based Weight Management and Comorbidity Care <i>Role:</i> Principal Investigator <i>Dates:</i> 9/21/18-8/31/20
3.	<i>Grantor:</i> NIH, National Institute of Diabetes and Digestive and Kidney Diseases (R21 DK114764-01) <i>Title of Project:</i> Building Evidence for High-Quality Pediatric Primary Care Weight and Comorbidity Management <i>Role:</i> Principal Investigator <i>Dates:</i> 9/1/18-8/31/20
<u>Past</u>	
1.	<i>Grantor:</i> AAP Institute for Healthy Childhood Weight <i>Title of Project:</i> Promoting Healthy Active Living for the Children of Teen Parents <i>Role:</i> Co-Investigator <i>Dates:</i> 1/1/2014-12/31/2014

Grant Support (cont.)

<u>Past</u>	
2.	<p><i>Grantor:</i> Commercial Real Estate Women (CREW) Network <i>Title of Project:</i> What Pediatricians Can Do to Create the Biggest Winners: Primary Care Clinical Practices that Improve the Weight of Overweight School-Age Girls <i>Role:</i> Principal Investigator <i>Dates:</i> 1/1/2016-12/31/2016</p>
3.	<p><i>Grantor:</i> UTSW Center for Translational Medicine (CTM) Service Package Grant <i>Title of Project:</i> Primary Care, Communication, and Improving Children’s Health <i>Role:</i> Principal Investigator <i>Dates:</i> 2/1/2016-4/30/2016</p>
4.	<p><i>Grantor:</i> American Academy of Pediatrics <i>Title of Project:</i> Relative Importance of Parent/Child Characteristics and Specific Primary-Care Weight-Management Clinical Practices in Facilitating Weight-Status Improvement in 3-5 Year-Old Children with Overweight/Obesity <i>Role:</i> Faculty Sponsor; Co-Principal Investigator (with pediatrics resident) <i>Dates:</i> 8/1/2016-7/31/2017</p>

Teaching Activities

<u>Year(s)</u>	<u>Activity</u>
<u>Medical and graduate school didactic and small group teaching</u>	
2010-2014	Assessment of Overweight and Obesity in Primary Care Pediatrics. <i>Presented monthly at medical student pediatric clerkship noon conference, UTSW and Children's</i>
2011-2017	Assessment and Treatment of Overweight and Obesity in Primary Care Pediatrics. <i>Presented annually to bi-annually at pediatric resident noon conference, UTSW and Children's</i>
2011-	Lecturer, UTSW/Parkland Internal Medicine Residency Lecture Series, “Obesity in Primary Care,” presented annually
2014-2018	Facilitator, "Weight-Loss Talks: Using Patient-Centered Communication and Motivational Interviewing to Facilitate Discussions about Change." <i>Two-hour monthly interactive seminar with 2-4 pediatric interns rotating on Community Pediatrics rotation</i>
2015-	Facilitator and Discussant, UTSW Internal Medicine Ambulatory Case Conference, “Obesity,” bi-annually
2016-	Facilitator and Discussant, UTSW Internal Medicine Ambulatory Case Conference, “Primary Care of Patients Pre-/Post-Bariatric Surgery,” bi-annually. <i>One-hour case conference using Yale Ambulatory Case Conferences.</i>
2016-	Facilitator and Discussant, UTSW Internal Medicine Ambulatory Case Conference, “Primary Care of Patients with Hypertension,” bi-annually. <i>One-hour case conference using Yale Ambulatory Case Conferences.</i>

Teaching Activities (cont).

Year(s)	Activity
<u>Committees concerned with medical and graduate student education</u>	
2016-2017	Scholarly Oversight Committee for Valerie Blanco
2015-2017	Scholarly Oversight Committee for Hilda Loria
2018-	Scholarly Oversight Committee for Jessica Wickland
2019-	Scholarly Oversight Committee for Vy Do
<u>Undergraduate/graduate student rotations</u>	
2018-	Undergraduate student Karthika Venugopalan, UT Dallas, applied for and received permission for three dedicated semesters to conduct research
<u>Medical student rotations</u>	
2010-11	Faculty Co-Mentor (with Glenn Flores) of medical student Megha Mehta, funded through UTSW Medical Student Summer Research Program
2012-14	Faculty Co-Mentor (with Glenn Flores) of medical student Sergio Montano, funded through UTSW Medical Student Summer Research Program
2014-16	Faculty Mentor of medical student Carla Upperman, funded through UTSW Medical Student Summer Research Program
2016-17	Faculty Mentor of medical student Analise Doney, co-funded through UTSW Medical Student Summer Research Program and UTSW Department of Safety and Quality Improvement (led by Dr. Gary Reed)
2017-	Faculty Mentor of medical student Hannah Justice, funded through UTSW Medical Student Summer Research Program
2017-	Faculty Mentor of medical student Nora Bismar, funded through UTSW Medical Student Summer Research Program
<u>Postgraduate medical education (graduate & continuing medical education)</u>	
2014-2018	Faculty Mentor of pediatric resident Rachael Johnston
2015-2017	Academic Pediatric Fellowship Director, mentor for Hilda Loria

Invited Lectures

Year(s)	Title	Location
<u>National</u>		
2010	Workshop presentation. Adding Value: An Evidence-Based Approach to Addressing Obesity in Primary Care. <i>Presented as a workshop at the 2010 SGIM meeting, April 30, 2010.</i>	Minneapolis, MN
2015	The Biggest Winner: Successful Weight Management in Pediatric Primary Care. <i>Presented at the University of Missouri Medical Center Pediatric Grand Rounds, Columbia, MO, January 9, 2015</i>	Columbia, MO
2016	Studies on Childhood Overweight and Obesity. <i>Presented at Seattle Children's Research Institute, Seattle, WA, January 13, 2015</i>	Seattle, WA

Invited Lectures (cont.)

<u>National (cont.)</u>		
2017	Adolescents with Obesity: Effectively Addressing the Unique Developmental and Mental Health Challenges. <i>Presented at the American Academy of Pediatrics National Conference, Sept 16, 2017</i>	Chicago, IL
2017	Tools for Successful Weight Management in Pediatric Primary Care. <i>Presented at the UTSW Department of Pediatrics Grand Rounds, November 29, 2017</i>	Dallas, TX
2017	Management of the Severely Obese Child. <i>Presented as a Project ECHO (Extension for Community Health Outcomes) Telemedicine Videoconference on Dec 14, 2017. These sessions include CME and are used by primary care clinicians in rural areas across the U.S.</i>	Broadcast from Project ECHO Omaha, NE
<u>Regional/Local</u>		
2008	Senior Residency Project: Addressing Obesity in Primary Care. <i>Presented to the Departments of Internal Medicine and Pediatrics, Duke University Hospital, October 21, 2008</i>	Durham, NC
2010	Assessment of Overweight and Obesity in Primary Care Pediatrics. <i>Presented at resident/faculty conference, UTSW, Apr 19, 2010</i>	Dallas, TX
2011	Turer, CB, Hennes M, Guth E. Obesity in Primary Care. <i>Presented at UTSW Internal Medicine resident noon conference, June 6, 2011</i>	Dallas, TX
2011	Weight-management in Primary Care. <i>Presented at UTSW Internal Medicine Resident Seminar Series, September 2, 2011</i>	Dallas, TX
2012	Studies on Childhood Overweight and Obesity. <i>UTSW Pediatric Department Faculty Research Conference, June 12, 2012</i>	Dallas, TX
2013	Prevention and Treatment of Overweight and Obesity in Pediatric Primary Care. <i>Presented at the CMC Pediatric Resident Noon Conference, January 21, 2013</i>	Dallas, TX
2013	Prevention and Treatment of Overweight and Obesity in Pediatric Primary Care. <i>Presented at the Children's Medical Center (CMC) Pediatric Resident Noon Conference, July 9, 2013</i>	Dallas, TX
2014	Weight Management in Primary Care. <i>Presented at UTSW Division of General Internal Medicine Grand Rounds, March 6, 2014</i>	Dallas, TX
2014	Weight Management in Primary Care. <i>Presented at UTSW Update in Internal Medicine, April 26, 2014</i>	Dallas, TX
2014	Nutritional Weight Management in Children with Obesity. <i>Presented at UTSW Center for Human Nutrition Conference, May 10, 2014</i>	Dallas, TX
2014	Weight Management in Primary Care. <i>Presented at UTSW Internal Medicine resident noon conference, May 13, 2014.</i>	Dallas, TX
2014	Weight Management in Primary Care. <i>Presented at UTSW Department of Internal Medicine Grand Rounds, October 3, 2014.</i>	Dallas, TX

Invited Lectures (cont.)

Year(s)	Title	Location
<u>Regional/Local (cont.)</u>		
2015	Successful Weight Management in Pediatric Primary Care. <i>Presented at the Agency for Healthcare Research and Quality site visit to the Center for Patient-Centered Outcomes Research, January 26, 2015</i>	Dallas, TX
2015	Tools for Successful Weight Management in Primary Care. <i>Presented at the Dallas Internist Club meeting, May 7, 2015.</i>	Dallas, TX
2015	Discrepancies between Communication and Documentation of Weight-Management Benchmarks. <i>Presented at the UTSW Department of Pediatrics retreat, June 13, 2015.</i>	Dallas, TX
2017	Addressing Prescription Medicines in Weight Management in Primary Care. <i>Presented at the UTSW/Children's Department of Pediatrics Grand Rounds, Nov 29, 2017</i>	Dallas, TX
2019	Weight Management in Children and Adults. <i>Presented to the UTSW Cardiology Research Conference on April 1, 2019.</i>	Dallas, TX
2019	Opportunities and Challenges: Weight Management in Children and Adults. <i>Presented to the Patient Services Committee of the Board of Visitors on April 1, 2019.</i>	Dallas, TX

Technological and Other Scientific Innovations
