COMPLIMENTARY START-UP

Most** new Jackson manufactured dishmachines qualify for a Complimentary Performance & Installation Check by a Jackson Authorized Service Agent (ASA)*. When the machine is installed by a Jackson ASA, this complimentary service is provided at the time of installation.

When the installation is not performed by the local Jackson ASA we will still conduct the Complimentary Performance & Installation Check to verify the installation was done correctly and that the machine is operating properly. Contact Jackson Technical Service with questions regarding this service.

*Jackson WWS limits travel time to two (2) hours and mileage to one hundred (100) miles round trip. Jackson WWS will not pay for travel time and mileage that exceed this, or any fees such as those for air or boat travel without prior authorization. For machines located beyond the above stated limitations, please contact Jackson Technical Service for assistance via phone, 1-888-800-5672.

**NXP Series models do not qualify

ABOUT JACKSON

Jackson WWS is a full-line supplier of high-quality commercial dishmachines including flights, conveyors, door-types, glasswashers and undercounters. Founded in 1925, Jackson stands by their "Clean the First Time®" commitment with dishmachines that deliver optimal cleaning performance while reducing labor, chemical and utility costs. With more standard features, lower operating and acquisition costs and our network of factory-certified technicians, Jackson sets the standard for warewashing.
