This recommended retail price list supersedes all previous recommended retail price lists and is effective from 30.1.2020. All recommended 'On the road' retail prices, recommended retail prices and specifications are correct at the time of going to press. These prices and specifications may be subject to change without notice.

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit volkswagen.co.uk

Front cover model shown is new up! beats with optional Winter pack and pearl effect paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 20.

3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

4 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

[‡] These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp.

S/S refers to Start/Stop function. RDE2 refers to Real Driving Emissions Step 2.

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

MODEL PRICES†‡

ALL-ELECTRIC 5-DOOR HATCHBACK.	RDE2 Compliant		Transmission	Output, PS	CO ₂ emission, g/km ¹	Basic Recommended Retail £	VAT £	Total Recommended Retail £	Additional 'On the road' Costs £ ²	Manufacturer's Recommended 'On the road' Retail £ ² excl. PICG ³	'On the road' Retail £ with PICG ³ deducted	P11D Value £ ⁴	BIK % ⁵	ABI Insurance Group ⁶
e-up! ^{†‡}	No	5-door	Single-speed gearbox	82	0	18,754.17	3,750.83	22,505.00	690.00	23,195.00	19,695.00	23,140.00	16	10E

1 These figures were obtained after the battery had been fully charged. The e-up! is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving.

2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 24.

3 The Plug In Vehicle Grant is a grant currently offered by the Office for Low Emission Vehicles (OLEV) to eligible manufacturers to promote the purchase of ultra low emission vehicles. The e-up! currently qualifies for this scheme. The £3,500 grant has already been deducted from the recommended 'On the road' price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is withdrawn, or eligibility for the grant or the grant amount changes, for any reason). Customers purchasing an e-up! will receive a maximum of £3,500 off the purchase price. Your authorised Volkswagen retailer will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen retailer or visit www.gov.uk/plug-in-car-van-grants/overview. The Government 'PICG' (Plug-in Car Grant) is not applicable to sales in the Channel Islands or Isle of Man. Vehicle eligibility and grant figure correct as at January 2020.

4 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates), not including the automatic 'PICG' deduction. P11D value is based on standard specification model with no factory-fitted options or other accessories.

5 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

6 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at volkswagen.co.uk/need-help/wltp.

RDE2 refers to Real Driving Emissions Step 2.

† The new e-up! is currently available from stock only. For full details please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

As of 11 October 2018 the government announced changes to the Plug-in Car Grant (PICG) that will affect e-up! models. The Plug-in Car Grant (PICG) rate for Category 1 vehicles, e-up!, will move from £4,500 to £3,500. These changes will be effective from 21 October 2018. For more information, please contact your authorised Volkswagen retailer or visit www.gov.uk/plug-in-car-van-grants/overview.

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

Model shown is new up! R-Line with optional 17" "Polygon Black" alloy wheels and Pure White non-metallic paint with Black roof.

EFFECTIVE FROM 30 JANUARY 2020.

The new up! - 05

MAIN ITEMS OF STANDARD SPECIFICATION

STANDARD ITEMS OF EQUIPMENT: up!

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty
(whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, please see
page 28 for more details

WHEELS AND SUSPENSION

Alloy wheels, four 5½J x 15" 'Fortaleza' with
185/55 R15 tyres and anti-theft wheel bolts

Full size steel spare wheel (not beats, GTI
and e-up!)

Luggage compartment light

INTERIOR (CONTINUED)

One-touch indicators

Rooflining, light grey

Seating

– Upholstery – 'Fusion' cloth

– Driver's and front passenger's 'easy
entry' sliding seat with memory function
(for access to rear seats – 3-door only)

– Driver's seat height adjustment

– Split folding rear seat backrest 60:40

Storage compartments in front doors
(for 1.0 litre bottles)

Variable boot floor (not e-up!)

12V socket in centre console

COMFORT AND CONVENIENCE

Air conditioning, manual

Electric windows, front

Heated rear window

Heating and ventilation with 4 speed fan

Manually dimmable rear-view mirror

DRIVER'S ASSISTANCE

Hill hold function

Multifunction computer

Power-assisted steering, speed-sensitive

Rev counter

Speedo, electronic odometer, trip counter
and fuel gauge

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Composition Colour system

– 5.0" colour screen

– AUX-in socket for connection to an
external multimedia source (e.g. iPod
and MP3 player)

– Bluetooth telephone and audio
connection for compatible devices¹

– DAB digital radio receiver

– Music playback from MP3,
WMA and AAC files

– SD card reader

– Twin tuner

– USB connectivity²

– 4 x 20 watt output

– 6 speakers, front and rear

Smartphone³ navigation interface for
smartphones with a screen size up to 5.5"
with USB connection for charging and data
transfer. Including Volkswagen App 'Maps
+ More' for iOS and Android systems with
2D or 3D hands free navigation via TomTom
integrated navigation system, 'Think Blue.
Trainer.' Driver tips and journey analysis,
access to phone book and music library with
audio output via vehicle's speaker system

VOLKSWAGEN CONNECT®

DataPlug sends vehicle information via Bluetooth to the Volkswagen Connect® app displayed on your smartphone. Volkswagen Connect® app free to download from the App Store or Google Play Store, with DataPlug connection to OBD2 port underneath the steering wheel. Features include:

- My Volkswagen – vehicle information for service and maintenance intervals, warning message displays, fuel level and mileage
- Trips – business or private journey analysis. Provides detailed map views, journey details, statistics and journey cost
- Driving style – analysis of driving style to provide tips for more efficient driving
- Parking space – displays parking location and parking duration
- Fuel monitor – monitors fuel consumption and cost
- Service partner – locates and provides directions to local retailers. Direct dial access if required
- Assistance call – direct dial to Volkswagen's 24-hour Customer Service helpline with the ability to send the vehicle's location
- Challenges – sets efficiency and driving style targets. Collect points and trophies with bonus challenges to improve your scores

SAFETY AND SECURITY

Anti-lock Braking System (ABS), Electronic Differential Lock (EDL), Electronic Brake Pressure Distribution System (EBD) and Traction Control System (TCS)

Airbags

- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Curtain airbag system, for front and rear passengers
- Front seat side impact airbags

Disc brakes, front and drum brakes, rear

Electronic engine immobiliser

Front integrated head restraints

Front three-point seat belts with tensioners

High level 3rd brake light

Isofix child seat preparation (for 2 rear child seats)

Rear head restraints x 2, height-adjustable

Remote central locking with 2 remote folding keys

Tyre pressure loss indicator

Warning buzzer and light for front and rear seat belts if unfastened

2 rear three-point seat belts

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Start/Stop function

1. Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
2. Compatibility with devices may vary, please contact your authorised Volkswagen retailer for full details.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: White Edition (over up!)

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From carpet mats to dash pack, from climate control to winter pack, you'll find everything you need on the following pages to make your up! **your** up!, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

WHEELS AND SUSPENSION

17" 'Polygon Black'	Four 6½J x 17" 'Polygon Black' with 195/40 R17 tyres and anti-theft wheel bolts	up!	White Edition	Black Edition	beats	R-Line	GTI	e-up!	Basic RRP £ Excluding VAT	Total RRP £ Including VAT
		-	-	-	-	O	-	-	187.50	225.00

Please note, choosing optional alloy wheels does not affect CO₂ emissions on up! models. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 24 for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres.

Prices shown do not include the transfer of tyres.

¹ Price excludes painting.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VOLKSWAGEN SERVICE PLAN

AN ADDITIONAL WAY TO KEEP YOUR PERFECT CAR, PERFECT FOR LONGER

Exclusions and terms apply, please see page 28 for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit volkswagen.co.uk

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit volkswagen.co.uk

VED AND ADDITIONAL 'ON THE ROAD' COSTS

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2019. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2019 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – 'First year rate' VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total 'On the road' costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00
91-100	130.00	820.00
101-110	150.00	840.00
111-130	170.00	860.00
131-150	210.00	900.00
151-170	530.00	1,220.00
171-190	855.00	1,545.00
191-225	1,280.00	1,970.00
226-255	1,815.00	2,505.00
Over 255	2,135.00	2,825.00

Diesel[†] – 'First year rate' VED

CO ₂ emissions (g/km)	Diesel [†] VED £	Diesel total 'On the road' costs £
0	0.00	690.00

171-190	845.00	1,535.00
191-225	1,270.00	1,960.00
226-255	1,805.00	2,495.00
Over 255	2,125.00	2,815.00

[†] Diesel cars that are tested to RDE2 standards. [†] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	145.00
Alternative	1 - Over 255	135.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	320.00	320.00
Petrol/Diesel	145.00	320.00	465.00
Alternative	135.00	320.00	455.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £465 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £455 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £320 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above:

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £145 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £465 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £145 'Standard rate' and £320 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £455 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £135 'Standard rate' and £320 additional rate which reverts to £135 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £320 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

EFFECTIVE FROM 30 JANUARY 2020.

Model shown is new up! beats with optional Winter pack pearl effect paint.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer. For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your authorised Volkswagen retailer. Data correct at 23.1.20. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp. RDE2 refers to Real Driving Emissions Step 2.

ENVIRONMENTAL INFORMATION^{‡†}

ALL-ELECTRIC MOTOR	RDE2 Compliant	Output, PS	CO ₂ emission, g/km [*]	Trim level	Consumption, kWh/62 miles ¹ (100km), Combined	Range, miles (WLTP) ¹	Efficiency class ²
Electric motor ^{††}	No	82	0*	e-up!	14.5	159	A+

1 These figures were obtained after the battery had been fully charged. The e-up! is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 Efficiency classes assess vehicles according to CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles conforming to that are graded D. Vehicles that are better than today's average are graded A+, A, B or C. Vehicles that are worse than the average are graded E, F or G.

[‡] This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at volkswagen.co.uk/need-help/wltp.

[†] The new e-up! is currently available from stock only. For full details please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

* Zero emissions while driving.

RDE2 refers to Real Driving Emissions Step 2.

CO₂ EMISSIONS, BIK% AND VED BANDS WITH OPTIONAL WHEELS[‡]

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS, BIK% AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

3 AND 5-DOOR HATCHBACK RANGE.			Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size	CO ₂ emission, g/km ¹ , optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

[‡] These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp.

[†] The new e-up! is currently available from stock only. For full details please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

Model shown is new up! White Edition with optional Winter pack.

EFFECTIVE FROM 30 JANUARY 2020.

The new up! – 25

COMPANY CAR TAXATION CHART – TAX YEAR 2019/20

HOW TO CALCULATE YOUR COMPANY CAR INCOME TAX LIABILITY – EFFECTIVE 6.4.2019

Use the car's CO₂ emission figure to look up the Benefit in Kind (BIK) %

Multiply the BIK % by the sum of the car's P11D value¹

Multiply by employee income tax rating
(19%², 20%, 21%², 40%, 41%², 45% or 46%²)

That's the tax you'll pay for your car in 2019/2020

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 3%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO₂ emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit [volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator](https://www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator). Full details can be found at assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 29.

3 Subject to UK Government announcements.

4 Diesel cars that are tested to RDE2 standards.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration.

For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

3 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 29.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp.

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

The up! is serviced using the Fixed Service schedule. The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

Electric vehicles

Vehicles powered only by an electric motor require a Fixed Service schedule as follows:

- Inspection service – First after 2 years or 20,000 miles (30,000km), whichever is soonest.
- Subsequent services every 1 year or 20,000 miles (30,000km), whichever is soonest.

VOLKSWAGEN INSURANCE⁴

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit insurewithvolkswagen.co.uk/insurance

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty⁵. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit volkswagen.co.uk

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% - over £11,850 - £13,850
Basic rate of 20% - over £13,850 - £24,000
Intermediate rate 21% - over £24,000 - £44,273
Higher rate 41% - over £44,273 - £150,000
Top rate 46% - above £150,000

VOLKSWAGEN E-UP! EIGHT-YEAR BATTERY WARRANTY

1. A guarantee for eight years or 99,360 miles/160,000km (whichever is soonest), on all material or manufacturing defects.
2. Gradual reduction in battery capacity over time is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.
3. With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

EV AND PHEV VEHICLE HOME CHARGING

Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being 'tripped'. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

VOLKSWAGEN E-UP! SPECIALIST RETAILER NETWORK

The e-up! model is only available for sale through an authorised specialist Volkswagen retailer. These retailers have the ability to provide the highest levels of service when purchasing your e-up! model. For details of your nearest authorised specialist Volkswagen retailer, please visit volkswagen.co.uk for more details.
