## Driving Safety Display Monday

A driving safety program will be presented Monday, August 20, according to Dick Kenyon (Personnel Services) and Tom Williams (Plant Supporting Services).

The day-long program, which emphasizes use of seat belts as life-saving devices, includes displays of the Liberty Mutual Insurance co. "survival car" and auto seat belt installation (courtesy of Sanderson Seat Belt co.), a film showing safety belt use, and distribution of Portland Jaycee seat belt information.

Activities for the day are scheduled to coincide with coffee breaks and lunch periods so employees can participate without interrupting work schedules.

The "survival car" will be displayed at the Sunset plant parking lot, 8:30 a.m. to 10 a.m.; in the parking area between buildings 19 and 39, 11 a.m. to 1 p.m.; on the vacant lot between the IO building and Mears Electric, 1:45 p.m. to 5 p.m. The seat belt film will be shown in the building 45 cafeteria continuously from 11:20 a.m. to 12:15 p.m. The film lasts about 18 minutes.

Jaycee seat belt information will be distributed at all display points.

## IM Bulletin Announces Responsibility Changes

According to an Instrument Manufacturing bulletin published August 6, Tom Sly, department head of Assembly, Plant 3, announced that the assembly operation was divided under two unit managers, effective August 6. Bob Kubes, formerly Plant 3 Cost Accountant, was appointed unit manager to head one unit. Bill Hardin will continue to be unit manager of the other unit. This portion of the bulletin was signed by Plant 3 Manager Ken Spooner.

Ross Porter, manager of Instrument Manufacturing Planning, stated in the bulletin that Ed Davis, formerly of I. M. Q. A. Evaluation has been named Component Selection staff engineer, reporting to Warren Reimann. Any questions concerning CRT Evaluation should be directed to Dwayne Wolfe, extension 7617.

## Annual WESCON Exhibit Opens Tuesday In Los Angeles Arena

The annual WESCON (Western Electronics Show and Conference) exhibit opens Tuesday, August 21, at the Los Angeles Memorial Sports Arena, and will continue through Friday, August 24.

Dick Rhiger (Instrument Engineering) said this week that prior to the opening, Tek will hold technical sessions (Sunday and Monday) and a marketing session (Saturday) at the Statler-Hilton hotel, for the Western Region field engineers. A Tektronix, Inc. display in the Hartford room at the hotel will be a duplicate of most of the WESCON booth equipment.

Tek's booths (751-754) at the sports arena will feature the following instruments:

1. **Type 564 Storage Oscilloscope**—with conventional plug-in units as well as sampling units.
2. **Type 561A Oscilloscope**—with the new ceramic cathode-ray tube and an internally lighted graticule.
3. **Type 661 Sampling Oscilloscope**—with Type 4S1 and Type 22 dual-trace sampling units and Type 5T1 timing unit.
4. **Type 567 Oscilloscope**—with the Type 3S76, 3T77 and 6R1 plug-in units will feature a demonstration showing how to externally program the instrument and write out the information on an IBM electric typewriter.

5. **Type 565 Dual-Beam Oscilloscope**—with two plug-in vertical amplifier systems and two independent and identical sweep amplifiers and time bases.

6. **Type 581 Oscilloscope**—with a Type 82 plug-in unit and Type 86 plug-in unit (similar to 1/2 of a Type 82).

7. **Type 290 Transistor Switching-Time Tester**—and a Type 291 Diode Switching-Time Tester.

8. **Type 535A Oscilloscope**—in a plastic cabinet will be placed on a Type 204 Scope-mobile and will feature a Type M plug-in unit. A C-12 camera will be attached.

## Field Training Moves In Retirement Trust

Field Training has moved to a new area in Retirement Trust building. The new delivery station number is 76-810. Personnel affected by the change are Chuck Miller, Jackie Gossett, Paul Thompson, Jerry Kraxberger, Ralph Livermore, Fred Davey, Jack McQuain, Joan Bailey, Warren Beals, Bob Sadilek, Archie Brusich, Rollie Smith and Betty Nichols.

Following are new telephone extensions for four members of the group. Other extension numbers remain unchanged.

Ralph Livermore	234
Fred Davey	234
Jack McQuain	234
Joan Bailey	232

**DEMONSTRATION** showing how to externally program the Type 567 oscilloscope, and write out the information on an IBM electric typewriter, will be part of Tek's WESCON booth display.

## Tek Women's Bowling Starts September 5

Another Tek Women's bowling league is being organized, according to Eudene Rothenberger (Cost Services). Tek women employees and employees' wives and sisters are invited to join.

Bowling will be held at Diamond Lanes with babysitting services available at no charge. Tek Men's league will bowl on the same night. Free lessons for beginners are offered.

For further information contact Sue Robinson (Assembly, Plant 1, secretary), extension 670, or Eudene, ext. 616 or 7656. Bowling will begin September 5, 6:30 p.m.

## Tek Display Set Up In Sheraton Lobby

A Tektronix, Inc. display, coordinated by Mike Brand (Central Staff Services) and designed by Ken Ireland (Communications department) was set up last Friday morning in the lobby of the Sheraton-Portland hotel, 1000 N. E. Multnomah.

The display is one in a series of Oregon products exhibits. It includes a Tektronix Type 321 oscilloscope, four large photographs of Tek locations and operations, and a cathode-ray tube.

# Departmental News

## BUILDING SERVICE SUNSET SWINGERS

The newly-elected group officers are **Clay Donne**, group representative; **Chuck McComb**, alternate; **Virgil Winner**, social chairman; and **Tony Vanderzanden**, Tekweek reporter. **Tony Vanderzanden** served fresh apple pie to the group for no special reason.

## ASSEMBLY, PLANT 2 THE SHORT LINERS

**Florence Dye** treated Short Line to rolls at one of the morning coffee breaks last week. **Nona Dunn**, a former Tek employee, stopped in to visit her Short Liner friends.

## SUPPORT GROUP, PLANT 3

We have two new girls in our group—**Pat Cammeron** and **Helen Frey**.

We hope **Peggy Engstrom** will be able to return to work soon. She underwent surgery recently.

**Warren Newell** has been helping in our group. He is from Wirring.

## ASSEMBLY, PLANT 2 DERBY'S FILLIES

Cake was served honoring **Florance Schenk** and **John Rankin** who celebrated August birthdays. The group presented John, our utility man, with a shirt and a pair of socks.

## PLANT 2 PLANNING

The group had wedding cake for **Barbara Jackson**, Plant 2 receptionist, who was married August 10.

**Mary Lou Tucker** celebrated her birthday July 31. Cake was served to the group honoring **Terry Kingrey** and **Ron Rende** who celebrated August birthdays.

## ASSEMBLY, PLANT 3 FORREST MARTIN'S GROUP

We had pie in honor of **Lucy Swart** who transferred to Mechanical.

We welcome our new utility man, **Chuck Harding**, who transferred from Marshall Jackson's group.

## ASSEMBLY, PLANT 2 JAMES' GANG

**Joyce Weber** is in Emanuel hospital recuperating from surgery. We are glad to welcome **Elinor Hopper** back to QC from sick leave.

On August 3, we celebrated August birthdays with cake.

We had a bridal shower today for **Charlotte Sprauer** and **Tom Noe**, who will be married August 25.

## CAPACITORS

A pink and blue shower was held for **Pink Garrick**.

Cookies were served to honor **Esther Miner's** 25th wedding anniversary.

**Emma Lee Tucker** (new grandmother) and **Carol Young** (three-year Tek) served treats last week.

**Georgie Hatfield** of Resistors brought treats to celebrate the final steps of the legal adoption of a little girl, **Jodi**.

Election of officers was held. **Roselyn Garner** of Resistors is social chairman; **Maxine Medges** of QC is group representative; and **Meiba Manary** of Pots is alternate.

We were surprised with a cake treat from the Sanitation Engineers.

**Mike McHenry** is taking over the duties of supervisor while **Hal Krouth** is on vacation.

The winner of the **Diet Contest** treated the other three contestants to a Chinese dinner, accompanied by many other swing shifters.

## ASSEMBLY, PLANT 3 SHERWOOD'S MERRY MAIDS

**Bonnie Evans** and **Carrie Hicks** are working in Production Research for a few weeks.

Several of the girls treated us to toast with homemade jam.

**Viv Bernard** took a trip to Reno and hit the jackpot at Harrah's Club.

## MANUALS DEPARTMENT

Our department moved from Building 47 to the Sieberts building July 23.

**Della Sholz** is our new group representative, with **Bernie Marek** as alternate; **Dale Aufrecht** is social chairman and **Carol Cochran** is reporter.

**Sue Miller**, summer employee, left August 3 for a six-week visit to Brazil. A combination farewell party and "housewarming" was held the day before she left. Our neighbors, Customer Service Parts History and the Advertising department, attended. Cookies and ice cream were served.

## MCDOWELL'S LADS & LASSIES ASSEMBLY, PLANT 2

**Lauretta Webb** and **Rita Seaman** are new in our group.

**Judy Woodfall** returned from a vacation in Montana after catching six fish, shooting one gopher, and bending (slightly) one trailer hitch.

## ASSEMBLY, PLANT 3 EAST SIDE GANG

**Virginia Redford** terminated; we enjoyed watermelon when we wished her good-bye. **Ethel King** returned after a month's leave of absence. **Mickey O'Rourke** is new in Cables. **Pete Wells** returned to Unit Wiring after working in our group.

**Vince McKee** is our new utility man. He comes from **Fred Herb's** group to replace **Ron Runyen** who transferred to **Marshall Jackson's** group.

**Lucy Swart** joined Mechanical; she comes from **Forrest Martin's** group.

New group officers are: **Phyllis Burney**, group representative; **Carol Sledd**, alternate; **Betty Menard**, Tekweek reporter; and **Cecil Gayton**, social chairman.

## ASSEMBLY, PLANT 3 GIPSON'S GIRLS

**Kathy Brown** returned to our group from C & M I.

A baby shower was given for **Karen Conn** who is terminating.

**Roger Stewart** is working in our Unit Wiring group until his injured hand is well. He is from Finals 3.

## ASSEMBLY, PLANT 1 ROGER'S SUPPORTERS

**Evelyn Hargrove** has taken leave from Cables.

**Mable Bean** became a grandmother July 15. New grandson's name is **Steven Russell**.

**Shirley Buchholz**, **Shirley Cadwell** and **Connie Anderson** were presented crazy hats to wear during our smorg to celebrate their birthdays.

## ELECTROCHEMICAL

**Al Newell** transferred to Manufacturing Engineering from Electrochemical Support.

**Bill Parker** received a letter from **Kwaku Mensah** from Ghana, Africa. Kwaku is now working for the railroad as a mechanical engineer with the Civil Service of Ghana.

**Ray Davis**, **Bruce Wong**, **Marlin Marsh** and **Morry Danford** played a record three and one-half hours for nine holes of golf. They claim that they spent their time looking for lost golf balls.

## TEST, PLANT 1

**Elvin Gudmundsen** and **Ray Linwood** are on loan to Test (scopes) from Plug-ins.

## TRANSFORMERS

We welcome **Ralph Seeberger** back into our winding group. He had been called back into the army for 7½ months.

## PLANT 2, SWING THE SOLDERETTES

**Mary Miklancic** is transferring to the Research department of Vacuum Devices. Cake was served in her honor.

**Sofia Filippi** and **Virginia Sipple** joined us from Training.

**Tom Gerbracht** is going on maternity leave.

**Chris Curtian** celebrated her 21st birthday August 10.

Our new social chairman is **Dulcie Long**. New Tekweek reporter is **Clara Martin**.

## SUPPORT GROUP PLANT 2 KIT PREP & CABLES

Two girls in the Cables area announced their engagements. **Carol Comstock** is engaged to **Jack Barnes**, and **Sharon Loving** received a ring from **John Clarno**.

**Helen Liesegang** had a double celebration—her daughter, **Betsy**, announced her engagement to **Walter Jones**; her son, **Gerald**, completed his military obligation and is home for good.

## ACCESSORIES

**Betsy Liesegang** transferred from swing shift to days.

**Vernon Coyle** (Accessories Test) transferred to swing shift.

## BOB'S VYNACOTERS FINALS, PLANT 2

New in our group are: **Davi Knight**, who graduated from Clackamas high school last spring, and **Ed Steele**, who just finished four years at Oregon State university. Ed plans to attend Portland State this fall.

Congratulations are in order to **Jim Tester** who entered and won second place in a contest sponsored by a Portland furniture company. He was awarded enough furniture for one room.

We have discovered why **Ar Comstock** looks so old—he just became a grandfather.

## ASSEMBLY, PLANT 3 JOHNSON'S JEWELS

New girls in our group are **Mickey DyFoon**, **Margaret Starr**, **Linda Lindquist**, **Judy Johnson** and **Mickey Harris**.

**Gary Siewell** is our new utility man.

## ASSEMBLY, PLANT 3 JERRY'S MIXWELLS

**Aris Silzars**, **Clark Hilden** and **Bob Wallace** served popcorn to group because Clark is leaving us.

Mr. and Mrs. Ward of Piedmont, Kansas, (aunt and uncle of **Etta Cook**) visited our plant last week. They said it was more interesting than going to the World's Fair.

## COILS GOILS

**Tom Wolf**, summer employee from Transformers, has been assigned to our department for the remainder of the summer. He is majoring in engineering at University of Portland.

**Les Petty**, also from Transformers, is working in the high voltage group under **Dick Jewett**.

**Gloria Coquillette**, **Olive Marshall** and **Loretta Hamel** from Test Plant 2, visited us recently. Gloria and Olive are former Coils

## CREDIT UNION LOANS

The Credit Union credit committee announced that the credit information section of every loan application must be filled out COMPLETELY. This must be done on car loans, signature loans and TEKEM loans. The only exception will be Credit Union share (savings) loans.

## Tekweek

TEK WEEK is published every Friday for Tektronix employees by the Communications department in cooperation with the Graphic Arts group, the Printing department and the Photography department. Send all copy to Tekweek, delivery station 74-298. Copy deadlines: ads and departmental news, Friday noon; general news, Monday noon. Carol Day, editor; Becky Short, co-editor; extension 405.

**MASS OF IRON AND STEEL** in photo is a new boiler for Tek which was installed last Friday morning. It was purchased from the Wickes Boiler Co. of Saginaw, Michigan, and was transported to Tek Industrial Park by rail. The boiler matches two existing boilers in Bldg. 28 (Facilities). It weighs 45,000 pounds and will supply 11,000,000 BTU/hour—enough heat to supply 110 homes.

## FOOTBALL

Sign-up sheets for intramural football have been posted on bulletin boards: Mike Gage (Stock Warehouse) encouraged employees and departments to register and said that an organizational meeting will be scheduled later.
