B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, dental and vision providers, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

give you a referral if you need to see a specialist or other provider.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your primary care provider (PCP) must give you approval before you can see the other someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.
 - Referrals from *your network PCP* are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - Services from a women's health specialist
 - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **care coordinator** and a **Care Team** that you help choose.
 - A **care coordinator** helps you manage your medical providers and services
 - Your **Care Team** is a group of advocates and providers working together to provide you with medical, behavioral health, psychosocial, social care, and long-term services and supports in the community or in a facility. You are a member of your Care Team, and you can tell us who else you would like to participate. Unless you tell us otherwise, your Care Team will include:
 - You
 - Your care coordinator
 - Your Primary Care Provider (PCP)
 - Your behavioral health clinician (if you have one)
 - Your long-term services and supports (LTSS) providers (if you have them). These include:

- Your Home Again Transition Coordinator
- Your waiver services provider
- Your Community Long Term Care (CLTC) waiver case manager
- A pharmacist, and
- Representatives from the facility where you get care
- Your Care Team **can also include** the following people, if it appropriate and if you agree:
 - Nurses, specialists, social workers, and other people who can provide expert advice
 - Family members
 - Other informal caregivers
 - Advocates
 - State agency or other case managers
- Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider.

To choose a PCP, go to the list of providers on page 27 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. TTY: 711. You can also call Member Services or visit our website using the information at the bottom of the page.

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

B3. Long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as environmental modification (minor changes to your home), pest control, home delivered meals, and respite care (relief for your primary caregiver, either in an in-patient facility or at your home).

LTSS help for people who need assistance to do everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

LTSS are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. Those waivers are:

- Community Choices waiver
- HIV/AIDS waiver
- Mechanical Ventilator Dependent waiver

Members on different waivers can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your care coordinator about how to access them and whether you can join one of these waivers. Your care coordinator can give you information about how to apply for an appropriate waiver, and all of the resources available to you under the plan.

B4. How to identify providers in Molina Dual Options' network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this Directory on page 5.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options' network (without prior authorization or approval from us), you will have to pay the bill.

A **prior authorization** is an approval from Molina Dual Options before you can get a specific service, drug, or see an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are during your first 180 days in our plan or when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States, except for emergency services requiring hospitalization in Canada or Mexico. You can

also go outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. All changes made will be in effect on the first day of the following month, with the following exceptions: 1. If the member is calling from the provider's office, the effective date will be the date of the phone call, 2. If the member is in their first month of enrollment, the effective date will be the first day of the current month.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your care coordinator for assistance.

B. Proveedores

B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeras, farmacéuticos, terapeutas, proveedores de atención dental y de la visión y otros proveedores que proporcionan cuidados y servicios. Los **servicios** incluyen atención médica, Servicios y Apoyo a Largo Plazo (LTSS, por sus siglas en inglés), suministros, medicamentos recetados, equipos y otros servicios.
 - El término “proveedores” también se refiere a centros, como hospitales,

Si tiene preguntas, llame Molina Dual Options al (855) 735-5831, TTY: 711, 7 días a la semana, de 8 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

clínicas y otros lugares que brindan servicios de atención médica, equipo médico y servicios y apoyo a largo plazo.

- Los proveedores que forman parte de la red de nuestro plan se denominan proveedores de la red.
- **Los proveedores de la red** son los proveedores que tienen un contrato con nosotros para prestar servicios a los miembros de nuestro plan. Por lo general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Cuando visita a un proveedor de la red, por lo general usted no paga nada por los servicios cubiertos.
- Un **proveedor de cuidados primarios (PCP)** es un doctor, una enfermera especializada u otro profesional de atención médica que le brinda atención de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una remisión si necesita ver a un especialista u otro proveedor.
- **Los especialistas** son doctores que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
 - Los oncólogos se ocupan de los pacientes con cáncer.
 - Los cardiólogos atienden a pacientes con afecciones cardíacas.
 - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Es posible que necesite una **remisión** para consultar a un especialista o a alguien que no sea su PCP. Una **remisión** significa que su proveedor de cuidados primarios debe darle la aprobación antes de poder recibir la atención otra persona que no sea su PCP. Si no recibe una remisión, Molina Dual Options podría no cubrir los servicios.
 - Las remisiones de parte de *su PCP de la red* no son necesarias para lo siguiente:
 - atención médica de emergencia;
 - atención médica requerida urgentemente;
 - servicios de diálisis renal que usted recibe en un centro de diálisis certificado por Medicare cuando se encuentre fuera del área de servicio del plan; o
 - servicios de un especialista en salud para la mujer.
 - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede acudir a estos proveedores sin una remisión previa. Debemos pagar al proveedor de salud para indígenas americanos por esos servicios, aunque estén fuera de la red de nuestro plan.

- Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.
- También tiene acceso a un **Coordinador de Cuidados** y a un **Equipo de Cuidados** que lo ayude a elegir.
 - Un **Coordinador de Cuidados** lo ayuda a gestionar sus proveedores y servicios médicos.
 - Su **Equipo de Cuidados** corresponde a un grupo de defensores o intercesores, además de proveedores, quienes trabajan juntos para proporcionarle servicios médicos, de salud conductual, psicosociales, de atención social y de largo plazo. Además, le brindan servicios de apoyo en la comunidad o en una instalación. Usted es un miembro de su Equipo de Cuidados, y usted nos puede decir quién más le gustaría que participara. A menos que nos indique lo contrario, el Equipo de Cuidados contará con los siguientes integrantes:
 - Usted
 - Su Coordinador de Cuidados
 - Su Proveedor de Cuidados Primarios (PCP)
 - Su doctor especialista en trastornos conductuales (si lo tiene)
 - Sus proveedores de servicios y apoyo a largo plazo (LTSS) (si tuviera). Algunas de ellas son las siguientes:
 - A su coordinador de transición de Home Again,
 - A su proveedor de servicios de exención,
 - A su administrador de casos de exención de atención a largo plazo en la comunidad (CLTC),
 - Al farmacéutico y
 - A los representantes del centro en el que recibe la atención
 - Su Equipo de Cuidados **también puede incluir** a las siguientes personas, si es apropiado y si usted está de acuerdo:
 - Enfermeras, especialistas, trabajadores sociales y otras personas que pueden proporcionar asesoramiento especializado
 - Integrantes de la familia
 - Otros proveedores de atención informal
 - Defensores
 - Organismos estatales u otros administradores de caso
 - Todos en el equipo de cuidados trabajan en conjunto para asegurarse de que su cuidado sea coordinado. Esto significa que se aseguran de que las

pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

B2. Proveedor de cuidados primarios (PCP)

Puede obtener servicios de cualquier proveedor que se encuentre en nuestra red y que acepte nuevos miembros.

Primero, deberá escoger un proveedor de atención primaria.

Para elegir un PCP, consulte la lista de proveedores en la página 27 y elija un proveedor:

- que lo esté atendiendo actualmente, **o**
- que le haya sido recomendado por alguien de confianza, **o**
- cuyo consultorio sea de fácil acceso para usted.
- Si necesita ayuda para elegir a un PCP, llame al (855) 735-5831, 7 días a la semana, de 8 a. m. a 8:00 p. m., hora local. Esta llamada es gratuita. TTY: 711. También puede llamar al Departamento de Servicios para Miembros o visitar nuestra página web utilizando la información que aparece en la parte inferior de la página.
- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros y pregunte **antes** de obtener el servicio o la atención.

B3. Servicios y Apoyo a Largo Plazo (LTSS, por sus siglas en inglés)

Puede optar a recibir Servicios y apoyo a Largo Plazo (LTSS, por sus siglas en inglés), tales como modificaciones ambientales (adaptaciones menores a su hogar), control de plagas, comidas a domicilio y servicios de cuidado de respiro (alivio para su cuidador primario, ya sea en un centro de internación o en su hogar).

Los LTSS brindan ayuda a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse y preparar las comidas. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Los LTSS están a disposición de los miembros en determinados programas de exención administrados por la División de atención a largo plazo en la comunidad (CLTC) de Healthy Connections Medicaid. Esas exenciones son las siguientes:

Si tiene preguntas, llame Molina Dual Options al (855) 735-5831, TTY: 711, 7 días a la semana, de 8 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

- Exención de opciones comunitarias
- Exención para VIH/SIDA
- Exención para dependiente de ventilación mecánica

Los miembros con diferentes exenciones pueden obtener distintas clases y sumas de LTSS. Si cree que necesita LTSS, puede consultar a su Coordinador de Cuidados cómo acceder a ellos y si puede unirse a una de estas exenciones. Su Coordinador de Cuidados puede proporcionarle información sobre cómo aplicar para una exención adecuada y todos los recursos que se encuentran a su disposición bajo el plan.

B4. Cómo identificar proveedores Molina Dual Options' en la red

Es posible que necesite una remisión para consultar a alguien que no sea un proveedor de cuidados primarios. Hay más información sobre remisiones en la Sección B1 de este Directorio en la página 4.

Usted debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina Dual Options' (sin aprobación o autorización previa de nuestra parte), usted tendrá que pagar la factura.

Una **autorización previa** es una aprobación de Molina Dual Options antes de que usted pueda recibir un servicio o medicamento específicos o consultar a un proveedor fuera de la red. Molina Dual Options podría no cubrir el servicio o el medicamento si usted no recibe esta aprobación.

Las excepciones a esta regla son durante sus primeros 180 días en nuestro plan o cuando necesita atención urgente o de emergencia o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. Ningún servicio está cubierto fuera de los Estados Unidos, excepto los servicios de emergencia que requieran de hospitalización en Canadá o México. También puede salir del plan para otros servicios que no sean de emergencia si Molina Dual Options le otorga el permiso con anterioridad.

- Puede cambiar de PCP dentro de la red, en cualquier momento. Si ha estado consultando a un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Todos los cambios que se realicen entrarán en vigor el primer día del mes siguiente, con las siguientes excepciones: 1. Si el miembro se está comunicando desde el consultorio del proveedor, la fecha de vigencia será la fecha de la llamada telefónica, 2. Si el miembro se encuentra en el primer mes de inscripción, la fecha de vigencia será el primer día del mes actual.
- Molina Dual Options trabaja junto con todos los proveedores de nuestra red para
