FIRST[®] isn't something you do, it's something you are

What is the *FIRST*[®] Scholarship Program?

- Partnership between *FIRST* and Colleges/Universities or other entities (**Scholarship Providers**) who make available **exclusive** scholarships to the *FIRST* Community
- Scholarship Providers make available post-secondary scholarships specifically for high-school **participants on** or **alumni of** high school *FIRST* Teams (*FIRST* Tech Challenge & *FIRST* Robotics Competition)
- Scholarship Providers set their own **Scholarship Opportunities** and application criteria/deadlines
- *FIRST* Promotes all opportunities within the Program to the *FIRST* Community

How does the *FIRST*[®] Scholarship Program Work?

- Scholarship Providers make available scholarships specifically for youth high school **participants on** and **alumni of** *FIRST* teams and share information with *FIRST* for posting at www.firstinspires.org/scholarships
- *FIRST* Promotes all opportunities within the Program to the *FIRST*Community
 - *FIRST* hosts Scholarship Opportunity information at www.firstinspires.org/scholarships
 - Information available with product orders, in Kit of Parts, at Events, and online
 - Scholarship Rows (college fairs of *FIRST* Scholarship Providers) held at *FIRST* Tech Challenge and *FIRST* Robotics Competition events where available and at *FIRST* Championship
- Participants and Alumni access information and applications at www.firstinspires.org/scholarships
 - Applications submitted directly to Scholarship Provider for selection

2021 *FIRST*® Scholarship Program Facts

- Over \$80,000,000 in potential scholarships are being made available
- By nearly 200 *FIRST* Scholarship Providers
- Over 2,500 individual Scholarship Opportunities
- 90% of *FIRST* Scholarship opportunities are available by specific Colleges/Universities for use at their institution
- 45% of *FIRST* Scholarships are available for any major
- 55% of *FIRST* Scholarships had specific major requirements in one or more STEM disciplines
