Dress Code

Children must always have on appropriate attire and athletic, non-marking shoes to participate in The Link Learners' Academy or camps. Children that do not have closed-toe shoes will not get to participate in any gym or outdoor time. Please make sure your child wears their Camp Connect T-Shirt on field trip days.

Swim Days

The Link goes swimming once per week during summer camp (unless otherwise stated) at either the City of Hurst or City of Bedford pools. Each pool location has zero-entry areas that allow children to play in the water without getting lower than 18 inches deep, as well as, other areas that go down to 5 feet deep. Children that have not learned to swim must wear a lifejacket at all times. If a child is required to wear a lifejacket and chooses not to wear it then they will not be allowed into the water. Please inform us in writing should your child be required to wear a lifejacket. The Link recommends providing your own lifejacket.

Children should bring a bag or backpack on swim days that includes: swimsuit, towel, goggles (not mask) if needed, sunscreen, and flip-flops or sandals if needed. Please do not send your children with swim toys or flippers as they are prohibited at each pool.

Counselors are not allowed to help apply sunscreen to any part of a child's body, except for the face. With that said, counselors can and will suggest to children where to apply or re-apply sunscreen if needed.

At the end of each swimming session, campers will change into their dry clothes.

Field Trips

Parents who have missed the bus and want to drop-off their child at the off-site location must get approval from Link management before doing so. The Link will not have staff to watch children at The Link while the rest of camp is off-site.

Staff to Student Ratios

The staff to student ratio requirement for children ages 5-12 may not exceed 1:22 (state standard). The Link will work to maintain a ratio no greater than 1:15. For field trips and off-site swimming, the ratio will be closer to 1:10.

Daily Groups

Throughout most of the day, children will be split into groups of no more than 30 when and if feasible. Ideally our groups will be divided by age, but accommodations could be made for individuals with maturity or developmental needs.

Media and Entertainment

The Link will show and utilize PG and E10+ rated movies and games throughout camp and The Link Learners' Academy. In addition, we kindly ask that each family take the time to discuss what types of games are allowed and not allowed to be played with their children. This topic is important because The Link does travel to field trip venues that may or may not have arcade games that are not suitable for each family's individual requirements.

Health and Wellness

- Children shall have and maintain immunizations in accordance with those required by the Texas Department of Health for public school attendance according to age.
- All children must be fully potty-trained. Staff may not assist with children when using the bathroom. It is recommended that all children bring an extra set of clothes in their bags. Children who have consistent accidents may be removed from the program.
- Our programs are designed for well children. Parents should leave their child at home if the child has a temperature or has a communicable illness. Children showing signs or symptoms will be removed from the program and should not return to the program until they are deemed well by a physician.
- When an injury occurs, an incident report shall be filled out immediately after the incident and given to the recreation supervisor. In the case that an injury cannot be remedied with basic first aid, staff shall call 911 or parents based on the nature of the injury. Copies of all incident reports must be formally requested through an "open records" request.

Medications

Medications will only be administered with a parent consent form. Medications cannot be administered off-site. Prescription medications shall be left with staff in their original container, labeled with the child's name, date, directions and the child's physician's name. Medication can only be dispensed only as stated on the bottle unless stated in written form.

Non-prescription medicine with the child's name and date on the medication will be treated the same as prescribed medicines. Both types will be entered onto the medication form.

Support Services

Our goal is to provide safe, high quality programs in an environment where every child can thrive, grow, and have fun. To ensure success, we must work with you to maintain open and clear communication at all times so that we can deliver a positive experience for your child while they are in our care. Although the Link cannot provide a 1:1 staff to child ratio, we welcome the opportunity to work with you on a solution for your child's needs.

In some cases it may be necessary to evaluate if our programs are the right choice for your family. Completing a registration form is not a guarantee of admission to our program.

Breakfast, Lunch, and Snacks

Link Learners' Academy

Afternoon snack is scheduled to be served between 4-4:30 pm. Snacks normally consist of crackers or chips. Parents are always welcome to send their children with a snack from home. Snacks can only be eaten during snack time.

Children are required to bring their own sack lunch for all other camps. Staff will be unable to refrigerate or heat up individual lunches so please plan accordingly. You may also purchase a lunch from The Link for \$5 should you not want to pack or forget to bring a lunch. The Link lunches consist of a Lunchable, fruit, and chips.

Afternoon snacks are provided during camp. Snacks normally consist of crackers or chips. Parents are always welcome to send their children with a snack from home. Snacks can only be eaten during snack time.

The Link does have drinks and concessions available for purchase. We strongly encourage you to not send your children with money should they not be allowed to make purchases.

The Link is not responsible for holding, saving, or spending each child's money brought from home.

Special Occasions

The Link supports celebrating your child's special occasions. With that said, The Link will only allow store-bought cupcakes or cookies to be served to each individual child as they leave for the day. Every child should have the opportunity to take home a treat, so please check with staff to see how many children there are before making any purchases.

Parent to Child Contact

When a parent needs to contact their child, the parent should call The Link's childcare cell phone or front desk. Link staff will relay the message to that child. If a parent is needed, Link staff will contact the parent to discuss the situation and allow the child to speak to their parent. We do not allow children to call parents without staff supervision or from their cell phone.

Suspected Child Abuse

Texas state law requires that staff report any suspected abuse or neglect of a child to the Texas Department of Family and Protective Services.
