CHAIR'S MESSAGE

As our local businesses and organizations begin to expand their operations back toward full capacity, we're so grateful for the community members who have come together in such strong support of the Chambersburg area. We are proud to be a part of that community.

Many locally-owned businesses have felt your support, but many continue to have challenges as well. On behalf of the Chamber, we encourage everyone to continue to stand behind our local businesses in any way you can.

One way we're supporting our businesses is to dedicate a portion of our website to offering guidance and support regarding various programs available from federal, state and local agencies. We know these options will provide support in the days ahead, and hope you'll take advantage of this great resource by visiting Chambersburg.org/BringingBusinessBack.

One of the great benefits of your Chamber membership is the opportunity to attend networking events. While we're not able to hold events in traditional formats, we have modified them to offer the benefits of attendance while maintaining a safe environment. We appreciate your patience as we navigate this new territory and continue to follow the recommended CDC and PA Dept of Health Guidelines.

As we begin to transition into the fall season, the seasons are also changing for our members as we move from limited operations to getting fully back to business. The Chamber community thanks you for the support you've shown thus far, and we look forward to the future as we continue to stand together and revitalize our economy.

About The Foundry // A collective for creatives that fosters, encourages and celebrates the diverse talents within the Cumberland Valley, giving artists an opportunity to network, create, exhibit and sell their work. The Foundry houses a retail shop and creative space featuring an eclectic mixture of handmade works. At the store in downtown Chambersburg, 100 S. Main St., guests can purchase unique, one-of-a-kind pieces that are made locally, view rotating exhibits of local and national artists, and enjoy a fun evening with friends by attending our wide array of classes.

Why We Need Your Support // Downtown Chambersburg Inc. launched the Foundry in the fall of 2015 as an economic development strategy to revitalize downtown. And it's working! The Foundry has spurred the artist community in the heart of our downtown, making it a destination for residents and visitors. More businesses have located downtown in recent years as a result of this cultivation of "placemaking." By supporting The Foundry, a nonprofit artist cooperative, you're not only supporting local artists and the art community, but contributing to the important revitalization efforts of our downtown which benefits our entire area.

Special Tribute to Ted Alexander

We are saddened to report our past program coordinator and co-founder of Chambersburg Civil War Seminars & Tours, Ted Alexander, passed away in early July. Ted had suffered a number of health issues over the years but was a champion for Civil War history and preservation throughout his life. At the Greater Chambersburg Chamber of Commerce, we had the opportunity to work with Ted for more than 30 years. With his input and passion, our Civil War programs raised more than \$215,000, which have been donated to preserve our nation's sacred history.

Ted had recently retired as the Chief Historian at Antietam National Battlefield, serving there for more than 30 years. He authored, edited and contributed to 10 books on the Civil War including Antietam: The Bloodiest Day. He offered more than 200 book reviews and articles in publications like Civil War Times, Blue & Gray Magazine and The Washington Times. Our thoughts are with his family during this difficult time.

On behalf of Chambersburg Civil War Seminars and the Chambersburg Chamber, we will be sending a Memory Book to Ted's family as a tribute to his legacy in the Civil War community. We invite you to please email us any contributions you would like included. Submissions may be sent to Lark at lkennedy@chambersburg.org.

A Virtual Tribute was held in Ted's honor on July 16 via Zoom with nearly 100 people in attendance from across the nation. Nationally recognized historians and Civil War enthusiasts reflected on the loss of their friend and mentor. As one participant stated, "Ted was a lion in the field of historical tours and his standard towers as an inspiration to all who met him." The Civil War history community has lost a great historian; he will be missed.

Congrats to our Award Winners

Our inaugural Economic Development Breakfast, sponsored by **ACNB Bank**, happened virtually on July 16! The event was created to focus exclusively on the construction and renovations of our region as well as focus on the importance of downtown as a major generator for Chambersburg. Thanks to some brainstorming, we offered a pick-up breakfast option the evening before, and met virtually the following morning for the event.

We presented four awards that recognized our members for their accomplishments in 2019 and enjoyed a keynote address by Mary Tate of PA Downtown Center.

Property Improvement \$150,000-\$500,000 Award went to **Second Street Development** for their redevelopment of 101-107 N. Main Street.

Property Improvement \$500,000-\$1M Award was given to **NETwork Ministries** for finishing their multi-phase renovation of 419 Hollywell Avenue.

Property Improvement \$10M Award was given to **Keystone Health** for their 68,000 square-foot facility at 111 Chambers Hill Drive.

The Downtowner Award, a brand-new award, was given to Penny Shaul for her contributions to downtown over the past 15 years.

**GREATER CHAMBERSBURG CHAMBER OF COMMERCE &
DOWNTOWN CHAMBERSBURG INC.
STATEMENT**

On behalf of the Greater Chambersburg Chamber of Commerce (Chamber) and Downtown Chambersburg Inc. (DCI), we would like to sincerely apologize for a mistaken application of the Chamber's advertising policy that resulted in the removal of artwork from The Foundry Art Market's (The Foundry) display window.

For those of you who may not be aware, in early June the Chamber received a complaint related to canvases on display at The Foundry. The Chamber staff, who responded to the complaint, misinterpreted the application of the Chamber's advertising policy and instructed The Foundry to remove the artwork. In response to an outpouring of heartfelt concern from community members and business owners, the Chamber and DCI leadership were alerted to the situation and acted promptly. The organizations have voted to formally exempt The Foundry from the application of this policy. We apologize for any negativity or feelings of animosity that were experienced before this came to the attention of Chamber and DCI leaders.

The Foundry is and will continue to be an environment that cultivates inclusion and freedom of artistic expression. Although funded by the Chamber through DCI, the Chamber recognizes The Foundry as a "member" instead of a controlled organization, consistent with the expressed goal of having The Foundry become an independent organization. The Foundry, therefore, is recognized as an organization that will make its own decisions regarding its expression.

The Chamber remains focused on creating an environment that enhances the quality of life for everyone in Franklin County and that allows our members to flourish and prosper. Our affiliate, DCI, is equally supportive of the Chamber's mission as well as their mission to revitalize the downtown core for all people. We believe that when businesses recognize and embrace the value of differences, they are better able to create value, serve customers and succeed and grow. By expanding opportunity to more individuals, businesses help lift up communities and contribute immeasurably to the health, prosperity and competitiveness of our community.

We appreciate the concern and thoughtfulness expressed by our community, and the Chamber and DCI boards are actively reviewing their policies to ensure they align with their mission and goals while cultivating inclusion for all.

The Tide, a global radio ministry, has a nut & coffee sale every fall as a fundraiser. The 1-pound bag of nuts are super high quality and sourced from all over the world. Support a local nonprofit while spreading joy and cheer! Orders taken Sept-Oct and will be ready before Thanksgiving. More details at www.thetide.org/nuts or call Mark D. Story at 717-264-7288. The Tide is a 501(c)3 nonprofit organization with world headquarters in Chambersburg, PA since 1946.

Patriot Federal Credit Union's Richard E. Baumunk Memorial Scholarship for 2020 has been awarded to Katelyn Jones from Fayetteville, Pennsylvania. She will be attending University of Pennsylvania, beginning in the fall semester. The winner receives a \$2,500 scholarship awarded over two years, with the second year's distribution contingent upon a first year GPA of 2.5 or higher.

Capital BlueCross and **WellSpan Health** recently announced a collaboration that gives pregnant women access to a convenient remote-monitoring application for prenatal care. The organizations are offering expectant mothers, who are WellSpan patients and Capital BlueCross members, access to Babyscripts™, a mobile app that allows them to have access to crucial prenatal health information throughout pregnancy through weekly tasks, resources and tracking.

The Foundation for Enhancing Communities (TFEC) and United Way of the Capital Region has awarded an additional \$20,816 in grants to 11 more nonprofit organizations providing essential services and support during the COVID-19 pandemic. In total, the COVID-19 Community Response Fund has awarded \$145,528 to 64 nonprofit organizations. Nonprofit organizations in Franklin County are invited to apply for assistance through the fund at TFEC.org/Covid19Resources.

The Franklin County Library System and Alexander Hamilton Memorial Free Library, as members of the American Library Association (ALA), affirm our commitment to embrace and celebrate diversity, equity and inclusion as they pertain to accepting and respecting all patrons, staff and community partners. We stand with the ALA and the Black Caucus of the ALA (BCALA) and support their recent public statement regarding racism in America and the ongoing mistreatment of people of color in our country.

The Franklin County Library System branches are getting back to normal schedules after our closure due to the COVID-19 outbreak that began in March. We are pleased that we will be able to again provide outlets to help residents of Franklin County pursue learning for both personal and community growth. Coyle Free Library and Grove Family Library in Chambersburg have been

open limited hours for curbside service. To reserve items please call your local branch library by phone or visit us at FCLSPa.org to reserve items online.

ACNB Bank launched a special initiative in April of this year---ACNB Helping Hands---that serves to reinforce the Bank's ongoing commitment to

community during the challenging times when the COVID-19 pandemic dramatically impacted local businesses and residents. This program, funded by both ACNB Bank and its affiliated employees, provided nearly 6,000 meals prepared by 16 restaurant and catering businesses which were then distributed during recent months to people in need through 16 local community organizations across the Bank's southcentral Pennsylvania and northern Maryland footprint. For more information regarding ACNB Bank, please visit ACNB.com.

South Mountain Creamery, a thriving family-owned farm and creamery in Middletown, MD known for its glass-bottled milk and home-delivery services, announced the acquisition of **Trickling Springs Creamery** in Chambersburg, PA recently. The acquisition of Trickling Springs Creamery and its

The Market at Trickling Springs is expected to reopen in August 2020, and the plant, Trickling Springs Organic, will begin bottling operations in October 2020. B2B BONUS BUCKS PROGRAM

Is your business searching for a way to directly support other businesses and strengthen the economy? Introducing the B2B Bonus Bucks program – a way to buy local that allows merchants to receive double the cash!

Here's how it works:

1. An organization interested in supporting the business community **purchases Chamber dollars** (in \$10 and \$25 increments), at a 50% markup. For example, a business purchasing \$500 of Chamber dollars certificates would pay \$1,000.
2. The **donor business** will receive the \$500 in Chamber dollars, each marked with a "B2B Bonus Bucks" stamp, to **give away at their discretion**. Suggestions include providing a gift with purchase for customers, doing a social media giveaway or giving gifts to employees.
3. The **customer** who receives the certificate can **spend it, just like cash**, at participating businesses listed at Chambersburg.org/ChamberDollars.
4. The **participating merchant** where it is spent will make a copy of the certificate to turn in to the Chamber and receive a check for its value. Then, they will simply deposit the original in their bank after designating it "For Deposit Only." In this way, the participating business will **receive the value of the certificate TWICE**. For example, if a \$25 certificate is spent on products or services, the business will receive \$50 in return.

Special thanks to **Shively Motors, Inc.** for their initial support and donation to this program. If you're interested in participating, please contact Jordan Nace at jnace@chambersburg.org.

SCOOP-A-PALOOZA BRINGS SUMMER FUN

Scoop-a-Palooza presented by **ACNB Bank**, had a new format this year as a virtual month-long ice cream trail adventure in July during National Ice Cream Month. The new virtual format supported 21 local participating ice cream vendors while raising money for the Greater Chambersburg Chamber Foundation's educational programming in Franklin County. Vendor partners provided over \$2,100 in gift card prizes for the event, which were awarded weekly and monthly to map-followers who entered both virtually and via hard copy map.

In addition to the ice cream trail map, Scoop included a virtual Kids Coloring Contest sponsored by **Orrstown Bank** and a LIVE Celebrity Sundae event sponsored by **Volvo Construction Equipment**. Scoop coloring sheets were created by **The Foundry Art Market**.

LFC YOUTH VIRTUAL RETREAT

The new Leadership Franklin County (LFC) Youth class met in June via Zoom for their summer retreat. The 24 sophomores from all over Franklin County did a series of virtual activities including partner introductions, a virtual scavenger hunt, personality color assessments with break-out rooms (using Google Slides to create personality group posters) and had a program overview focused on the foundations of leadership. Students also shared how the COVID crisis may have positively impacted their life since spring. Their insight included more family time, slower pace allowing for deeper conversations, more time to read, picking up a new hobby and special projects like redesigns of their bedrooms. LFCY will resume sessions in Fall 2020.

FACADE GRANT PROGRAM

DCI has a five-year contract with the Pennsylvania Department of Community and Economic Development, but the cycle for these facade grants is one year. Recipients have a few months after receiving their funds to get their projects completed. A total of \$50,000 is expected to be granted to about 15 projects during the program's one-year life cycle. Residential buildings are not eligible, but owners of commercial spaces or those with mixed business and residential purposes may vie for funds to spruce up fronts that face Main Street. Each property may apply for up to two such grants per calendar year. Awardees may earn up to \$5,000 in matching funds on exterior improvements made to their buildings, though landscaping, sidewalks and paving are ineligible. DCI is seeking other sources of money for downtown facade improvements. Over the months of August and September, downtown Chambersburg will see facade improvements to their buildings.

COMMUNITY SURVEY RESULTS

Since the beginning of 2020, Downtown Chambersburg Inc. has been asking the community a series of questions through two public surveys. Results of the first survey and links to the second survey as well as updates on our efforts to achieve Keystone Community Designation can be found at DowntownChambersburgPa.com/Keystone-Community. These results as well as future public engagement meetings, stakeholder meetings and volunteer committee efforts will help DCI craft an updated 5-year Action Plan.

DOWNTOWN STRONG DONATION TO HEALTH CARE

Gift cards to businesses in downtown Chambersburg were presented on July 2 to employees of **WellSpan Health** and **Keystone Health** as tokens of appreciation for the countless hours they have worked during the coronavirus crisis. Downtown Chambersburg Inc. and **Beam Graphix Custom Print Co.** teamed up to sell apparel and mugs online bearing a logo featuring the downtown streetscape and iconic fountain. About 50 percent of the proceeds were used to buy gift cards to shop at downtown businesses. Part of the Downtown Strong movement, the fundraising sale was meant to benefit health care workers and retailers downtown, who lost money during the pandemic due to the closing of nonessential businesses.
