VEHICLE PROTECTION PLAN

FREQUENTLY ASKED QUESTIONS

Q: IS THE PLAN TRANSFERABLE IF I DECIDE TO SELL MY VEHICLE BEFORE THE COVERAGE ENDS?

A: Yes, unlike many other plans you can transfer your coverage to the next owner. This may help you get a higher resale value because the next owner will know they are protected from unexpected high repair costs.

Q: WHEN DOES MY COVERAGE START?

A: Coverage begins Day One, Mile One, meaning you are fully protected against covered repair costs the day you purchase your vehicle.

Q: WHERE CAN I TAKE MY VEHICLE FOR REPAIRS?

A: Repairs can be made at any licensed and reputable service facility. We'll even help you locate a preferred provider if you have a breakdown while traveling.

Q: WHEN DO I HAVE TO PURCHASE THE PLAN?

A: For vehicles no longer covered under basic factory warranty, you must purchase the plan the same day you purchase the vehicle.

This brochure is not a contract or a service agreement. It provides only a general summary of the coverages available through GWC. The Vehicle Protection Plan will vary according to the coverage selected. For detailed information, please refer to the contract application for coverages, terms and conditions.
