Customer will receive a Type Three Discount of 30% on its international Sprint Audio Conferencing Service usage charges.

For the above rates to be effective, Customer must complete the applicable Sprint Audio Conferencing corporate account order forms. Sprint Audio Conferencing Usage Charges incurred by Customer before these order forms are processed are not eligible for the rates set forth above. Customer will receive standard public list prices for other Sprint Audio Conferencing features and services, including international calling. Other Sprint Audio Conferencing standard policies may apply to Customer's purchase and use of Sprint Audio Conferencing services. Sprint Audio Conferencing is subject to availability in Sprint's discretion, which shall not unreasonably be withheld.

Customer will receive a waiver of its installation charges on T-1 and T-3 local access lines for voice service, Sprint Enhanced Frame Relay Service and T-3 local access lines for Clearline 45 private line circuits installed during the Term. Access lines will have a twelve-month continuous service minimum, with a pro-rated termination liability.

Customer will receive a waiver of its installation charges on its Sprint Enhanced Frame Relay Port and Sprint Enhanced Frame Relay Service for LAN and SNA PVC charges on PVCs and Ports installed during the Term. Ports and PVCs will have a twelve-month continuous service minimum, with a pro-rated termination liability.

1.0 Term:

The initial term ("Initial Term") of this Agreement will expire 36 months from the Twelfth Amendment Commencement Date.

The Term may be extended by one additional one-year period ("Renewal Term") provided that Customer provides Sprint with written notice of Customer's intent to extend the Term no less than 60 days prior to the expiration of the Initial Term. Customer must be in compliance with the Terms and Conditions of the Agreement, otherwise Sprint reserves the right to reject the Renewal Term by providing a 30 days' written notice to Customer. Sprint reserves the right to reject the renewal of certain Products and Services that are no longer part of Sprint's product portfolio.

Following the expiration of the Term, the Agreement will continue on a month-to-month basis for up to 6 months during which Sprint will cooperate with Customer to transition Customer's Services to a successor vendor ("Transition Period"). During the Transition Period, Sprint will continue to charge Customer for Services at the rates and Discounts set forth in this Agreement. No Credits or waivers will apply during the Transition Period.

Customer will receive a Credit of \$420 for each of the first six billing months after the Commencement Date for each T-1 Domestic Sprint ATM port in service for a maximum of 10 sites. If Sprint terminates this CNSA due to Customer's material breach, or Customer terminates this CNSA or ceases to use Services to a material extent (unless due to Sprint's material failure), Customer will pay Sprint, in addition to all other charges, a pro-rata portion of each Credit issued. The pro-rata portion of a Credit will be calculated based on the number of months remaining in the Term at the time of termination, divided by the number of months in the Term. In addition, Sprint will issue no further Credits.

After each calendar quarter of the Term, Customer will receive, based on the table below, a credit equal to the monthly cumulative MSC Contributory Service Usage Charges listed below incurred by the Customer multiplied by the Credit amount. This Credit will be applied in the 2nd billing month after the applicable calendar quarter ends for the entire quarter.

Customer will receive one of the following Type One Discounts off the dedicated rate on outbound originating and inbound terminating interstate calls for long distance usage when the dedicated access is provisioned for long distance traffic only at locations where Sprint is the Incumbent Local Exchange Carrier or Competitive Local Exchange Carrier. The discount will be in addition to and calculated after the discounts defined above have been applied. (SDS and FONCARD are not eligible.)

When the dedicated access is not provisioned for long distance traffic only, calls will be billed as switched, and the discounts for switched services will apply. However, at such time as the long distance calls are classified and billed as dedicated, the discounts for switched services will no longer apply, and the maximum discount applicable to long distance calls placed over switched access will be reduced.

Customer will receive a Credit of \$15,000 in the 2nd billing month and a Credit of \$15,000 in the 14th billing month after the Commencement Date. If Sprint terminates this CNSA due to Customer's material breach, or Customer terminates this CNSA or ceases to use Services to a material extent (unless due to Sprint's material failure), Customer will pay Sprint, in addition to all other charges, a pro-rata portion of each Credit issued. The pro-rata portion of a Credit will be calculated based on the number of months remaining in the Initial Term at the time of termination, divided by the number of months in the Initial Term. In addition, Sprint will issue no further Credits.

6.0 Other Classifications, Practices and Regulations:

On the Commencement Date, Customer must be an existing Sprint Customer.

Customer must meet the following conditions during each billing month of the Term:

Customer must have at least 1 Sprint-provided T-1 local access line for Services in NPA-NXX 336-631; and

Sprint must provide 100% of the local access lines for Services discounted in this CSA.
