- You need a major organ transplant (excluding kidneys and corneal transplants)
- You are in a long-term care facility in excess of two months

To find out more, please call Indian Health Services at **1-916-930-3927** or visit the Indian Health Services website at www.ihs.gov.

How your plan works

KFHC is a health plan contracted with DHCS. KFHC is a managed care health plan. Managed care plans are a cost-effective use of health care resources that improve health care access and assure quality of care. KFHC works with doctors, hospitals, pharmacies and other health care providers in the KFHC service area to give health care to you, the member.

Call Member Services at 1-800-391-2000 (TTY 711).

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

Member Services will tell you how KFHC works, how to get the care you need, how to schedule provider appointments, and how to find out if you qualify for transportation services.

To learn more, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also find member service information online at www.kernfamilyhealthcare.com.

Changing health plans

You may leave KFHC and join another health plan at any time. Call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077) to choose a new plan. You can call between 8:00 a.m. and 6:00 p.m. Monday through Friday. Or visit <https://www.healthcareoptions.dhcs.ca.gov>.

It takes up to 45 days to process your request to leave KFHC. To find out when Health Care Options has approved your request, call 1-800-430-4263 (TTY 1-800-430-7077).

If you want to leave KFHC sooner, you may ask Health Care Options for an expedited (fast) disenrollment. If the reason for your request meets the rules for expedited disenrollment, you will get a letter to tell you that you are disenrolled.

Beneficiaries that can request expedited disenrollment include, but are not limited to, children receiving services under the Foster Care or Adoption Assistance programs; members with special health care needs, including, but not limited to major organ transplants; and members already enrolled in another Medi-Cal, Medicare or commercial managed care plan.

You may ask to leave KFHC in person at your local county health and human services office. Find your local office at www.dhcs.ca.gov/services/medical/Pages/CountyOffices.aspx. Or call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077). If you are having difficulty changing your health plan after contacting Health Care Options, you may call the Medi-Cal Managed Care Division, Office of the Ombudsman at 1-888-452-8609.

College students who move to a new county

If you move to a new county in California to attend college, KFHC will cover emergency services in your new county. Emergency services are available to all Medi-Cal enrollees statewide regardless of county of residence.

If you are enrolled in Medi-Cal and will attend college in a different county, you do not need to apply for Medi-Cal in that county. There is no need for a new Medi-Cal application as long as you are still under 21 years of age, are only temporarily out of the home and are still claimed as a tax dependent in the household.

Call Member Services at 1-800-391-2000 (TTY 711).
KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.
Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

When you temporarily move away from home to attend college there are two options available to you. You may:

- Notify your local county social services office that you are temporarily moving to attend college and provide your address in the new county. The county will update the case records with your new address and county code in the State's database. If KFHC does not operate in the new county, you will have to change your health plan to the available options in the new county. For questions and to prevent any delay in enrolling in the new health plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077).

OR

- Choose not to change your health plan when you temporarily move to attend college in a different county. You will only be able to access emergency room services in the new county. For routine or preventive health care, you would need to use the KFHC regular network of providers located in the head of the household's county of residence.

Continuity of care

If you now go to providers who are not in the KFHC network, in certain cases you may get continuity of care and be able to go to them for up to 12 months. If your providers do not join the KFHC network by the end of 12 months, you will need to switch to providers in the KFHC network.

To qualify for continuity of care, KFHC must have proof that:

- You were seen by the out of network provider for a non-emergency service at least once within 12 months before you became a member of KFHC;
- The provider is willing to accept KFHC rates;
- The provider meets KFHC standards with no quality of care issues that would make the provider unable to provide services to any of our other members;
- The provider is a California State Plan approved provider; and
- The provider sends us your medical records and treatment plan as allowed by law

KFHC is not required to provide continuity of care for:

- Services are not covered by Medi-Cal;
- Durable medical equipment;
- Other ancillary services such as laboratory tests;
- Transportation; and
- Carved out service providers, such as those contracted with California Children's Services (CCS) and are not a KFHC network provider

Providers who leave KFHC

If your provider stops working with KFHC, you may be able to keep getting services from that provider. This is another form of continuity of care. KFHC provides continuity of care services for:

Call Member Services at 1-800-391-2000 (TTY 711).

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

- An acute condition, for as long as the condition lasts
- A serious chronic condition, for a period of time necessary to finish a course of treatment and arrange for a safe transfer to a new participating doctor
- A pregnancy, during the pregnancy and the immediate postpartum period
- A terminal illness, for as long as the illness lasts
- The care of a newborn child between birth and age 36 months
- A surgery or other procedure that KFHC had approved as part of the documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the provider's contract termination date

KFHC provides continuity of care services if your PCP or other health care provider stops contracting with KFHC. We will let you know by mail 60 days before the contract termination date.

KFHC does **not** provide continuity of care services if the provider's contract was terminated due to medical disciplinary cause or reason, fraud or criminal activity.

To learn more about continuity of care and eligibility qualifications, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield), (TTY 711).

For members with a share of cost

You may have to pay a share of cost each month. The amount of your share of cost depends on your income and resources. Each month you will pay your own medical bills until the amount that you have paid equals your share of cost. After that, your care will be covered by KFHC for that month. You will not be covered by KFHC until you have paid your entire share of cost for the month. After you meet your share of cost for the month, you can go to any KFHC doctor. If you are a member with a share of cost, you do not need to choose a PCP.

How a provider gets paid

KFHC pays providers in these ways:

- Capitation payments
 - KFHC pays some providers a set amount of money every month for each KFHC member. This is called a capitation payment. KFHC and providers work together to decide on the payment amount.
- Fee-for-service payments
 - Some providers give care to KFHC members and then send KFHC a bill for the services they provided. This is called a fee-for-service payment. KFHC and providers work together to decide how much each service costs.

To learn more about how KFHC pays providers, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield), (TTY 711).

Provider Incentive

KFHC has a payment arrangement with participating providers to encourage accessible, preventive and cost-effective quality health services for members. Participating providers are required to provide medically necessary services in a quality manner in accordance with professional, legal and contractual requirements. PCPs, hospitals, pharmacies and some specialty providers take part in an incentive bonus plan. KFHC does not use compensation arrangements that unduly influence or incent a participating provider to withhold medically necessary care. KFHC does not have a contract with a participating provider that contains an incentive plan that includes specific payment to the provider as an inducement to deny, reduce, limit, or delay medically necessary and appropriate services with respect to a member.

Asking KFHC to pay a bill

If you get a bill for a covered service, call Member services right away at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If you pay for a service that you think KFHC should cover, you can file a claim. Use a claim form and tell KFHC in writing why you had to pay. Call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) to ask for a claim form. KFHC will review your claim to decide if you can get money back.

You may also submit a claim online through your KFHC Member Portal account. Go to www.kernfamilyhealthcare.com and log in or create an account. Fill out the form and upload images of your receipts and other documents that will help us review your claim.

3. How To Get Care

Getting health care services

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

You can begin to get health care services on your effective date of coverage. Always carry your KFHC ID card and Medi-Cal BIC card with you. Never let anyone else use your KFHC ID card or BIC card.

New members must choose a primary care provider (PCP) in the KFHC network. The KFHC network is a group of doctors, hospitals and other providers who work with KFHC. You must choose a PCP within 30 days from the time you become a member in KFHC. If you do not choose a PCP, KFHC will choose one for you.

You may choose the same PCP or different PCPs for all family members in KFHC.

If you have a doctor you want to keep, or you want to find a new PCP, you can look in the Provider Directory. It has a list of all PCPs in the KFHC network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also find the Provider Directory on the KFHC website at www.kernfamilyhealthcare.com.

If you cannot get the care you need from a participating provider in the KFHC network, your PCP must ask KFHC for approval to send you to an out-of-network provider.

Read the rest of this chapter to learn more about PCPs, the Provider Directory and the provider network.

Initial health assessment (IHA)

KFHC recommends that, as a new member, you visit your new PCP within the first 120 days for an initial health assessment (IHA). The purpose of the IHA is to help your PCP learn your health care history and needs. Your PCP may ask you some questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that may help you.

When you call to schedule your IHA appointment, tell the person who answers the phone that you are a member of KFHC. Give your KFHC ID number.

Take your BIC card and your KFHC ID card to your appointment. It is a good idea to take a

list of your medications and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

Routine care

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular checkups and health education and counseling. In addition to preventive care, routine care also includes care when you are sick. KFHC covers routine care from your PCP.

Your PCP will:

- Give you all your routine care, including regular checkups, shots, treatment, prescriptions and medical advice
- Keep your health records
- Refer (send) you to specialists if needed
- Order X-rays, mammograms or lab work if you need them

When you need routine care, you will call your PCP for an appointment. Be sure to call your PCP before you get medical care, unless it is an emergency. For an emergency, call **911** or go to the nearest emergency room.

To learn more about health care and services your plan covers, and what it does not cover, read Chapter 4 in this handbook.

Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury or complication of a condition you already have. Urgent care appointments require care within 48 hours. If you are outside KFHC's service area, urgent care services may be covered. Urgent care needs could be a cold, sore throat, fever, ear pain, sprained muscle or maternity services.

For urgent care, call your PCP. If you cannot reach your PCP, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield), (TTY 711). Or you can call the KFHC 24 hour Advice Nurse line at 1-800-391-2000 to speak to an advice nurse or access our audio health library.

If you need urgent care out of the area, go to the nearest urgent care facility. You do not need pre-approval (prior authorization). If you need mental health urgent care, call the county Mental Health Plan at 1-800-991-5272 that is available 24 hours a day, 7 days a week. To find all counties' toll-free telephone numbers online, visit www.kernbhrs.org.

Call Member Services at 1-800-391-2000 (TTY 711).

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

Emergency care

For emergency care, call **911** or go to the nearest emergency room (ER). For emergency care, you do **not** need pre-approval (prior authorization) from KFHC.

Emergency care is for life-threatening medical conditions. This care is for an illness or injury that a reasonable layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you don't get care right away, your health (or your unborn baby's health) could be in danger, or a body function, body organ or body part could be seriously harmed. Examples include:

- Active labor
- Broken bone
- Severe pain, especially in the chest
- Severe burn
- Drug overdose
- Fainting
- Severe bleeding
- Psychiatric emergency condition

Do not go to the ER for routine care. You should get routine care from your PCP, who knows you best. If you are not sure if your medical condition is an emergency, call your PCP. You may also call the 24/7 Advice Nurse Line at 1-800-391-2000.

If you need emergency care away from home, go to the nearest emergency room (ER), even if it is not in the KFHC network. If you go to an ER, ask them to call KFHC. You or the hospital to which you were admitted should call KFHC within 24 hours after you get emergency care. If you are traveling outside the U.S., other than to Canada or Mexico, and need emergency care, KFHC will **not** cover your care.

If you need emergency transportation, call **911**. You do not need to ask your PCP or KFHC first before you go to the ER.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call KFHC.

Remember: Do not call **911** unless it is an emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room.

Sensitive care

Minor consent services

If you are under 18 years old, you can go to a doctor without consent from your parents or guardian for these types of care:

- Outpatient mental health (only minors 12 years or older) for:

- HIV/AIDS prevention/testing/treatment (only minors 12 years or older)
- Sexually transmitted infections prevention/testing/treatment (only minors 12 years or older)
- Drug and alcohol abuse treatment (only minors 12 years or older)

The doctor or clinic does not have to be part of the KFHC network and you do not need a referral from your PCP to get these services. For help finding a doctor or clinic giving these services, or for help getting to these services, you can call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You may also call the 24/7 Advice Nurse Line at 1-800-391-2000.

Minors can talk to a representative in private about their health concerns by calling the 24/7 Advice Nurse Line at 1-800-391-2000.

Adult sensitive services

As an adult, you may not want to see your PCP for certain sensitive or private care. If so, you may choose any doctor or clinic for these types of care:

- Family planning
- HIV/AIDS testing
- Sexually transmitted infections

The doctor or clinic does not have to be part of the KFHC network. Your PCP does not have to refer you for these types of service. For help finding a doctor or clinic giving these services, you can call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You may also call the 24/ Advice Nurse Line at 1-800-391-2000.

Advance directives

An advance health directive is a legal form. On it, you can list what health care you want in case you cannot talk or make decisions later on. You can list what care you do not want. You can name someone, such as a spouse, to make decisions for your health care if you cannot.

You can get an advance directive form at drugstores, hospitals, law offices and doctors' offices. You may have to pay for the form. You can also find and download a free form online. You can ask your family, PCP or someone you trust to help you fill out the form.

You have the right to have your advance directive placed in your medical records. You have

the right to change or cancel your advance directive at any time.

You have the right to learn about changes to advance directive laws. KFHC will tell you about changes to the state law no longer than 90 days after the change.

Where to get care

You will get most of your care from your PCP. Your PCP will give you all of your routine preventive (wellness) care. You will also go to your PCP for care when you are sick. Be sure to call your PCP before you get non-emergency medical care. Your PCP will refer (send) you to specialists if you need them.

To get help with your health questions, you can also call the KFHC Advice Nurse Line at 1-800-391-2000.

If you need urgent care, call your PCP. Urgent care is care you need within 48 hours but is not an emergency. It includes care for such things as cold, sore throat, fever, ear pain or sprained muscle.

For emergencies, call **911** or go to the nearest emergency room.

Moral Objection

Some providers have a moral objection to some services. This means they have a right to **not** offer some covered services if they morally disagree. If your provider has a moral objection, he or she will help you find another provider for the needed services. KFHC can also work with you to find a provider.

Some hospitals and other providers do not offer one or more of the services listed below. These services you or your family member might need may be covered under your plan contract:

- Family planning and contraceptive services, including emergency contraception
- Sterilization, including tubal ligation at the time of labor and delivery
- Infertility treatments
- Abortion

You should get more information before you make an appointment or go to be seen. Call the new doctor, medical group, independent practice association or clinic that you want. Or call KFHC at Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) to make sure you can get the health care services you need.

Provider Directory

The KFHC Provider Directory lists providers that participate in the KFHC network. The network is the group of providers that work with KFHC.

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

The Provider Directory has KFHC network provider names, addresses, phone numbers, business hours and languages spoken. It tells if the provider is taking new patients. It also gives the level of physical accessibility for the building, such as parking, ramps, stairs with handrails, and restrooms with wide doors and grab bars.

You can find the online Provider Directory at www.kernfamilyhealthcare.com or by logging into your Member Portal account.

If you need a printed Provider Directory, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Provider network

The provider network is the group of doctors, hospitals and other providers that work with KFHC. You will get your covered services through the KFHC network.

If your provider in the network, including a PCP, hospital or other provider, has a moral objection to providing you with a covered service, such as family planning or abortion, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Go to Chapter 4 for more about moral objections.

If your provider has a moral objection, he or she can help you find another provider who will give you the services you need. KFHC can also work with you to find a provider.

In network

You will use providers in the KFHC network for your health care needs. You will get preventive and routine care from your PCP. You will also use specialists, hospitals and other providers in the KFHC network.

To get a Provider Directory of network providers, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also find the Provider Directory online at www.kernfamilyhealthcare.com or by logging into your Member Portal account where you can also request to change your PCP.

For emergency care, call **911** or go to the nearest emergency room.

Except for emergency care, you may have to pay for care from providers who are out of network.

Out of network or Out-of-service area

Out-of-network providers are those that do not have an agreement to work with KFHC. Except for emergency care, you may have to pay for care from providers who are out of the network. If you need covered health care services, you may be able to get them out of the network at no cost to you as long as they are medically necessary and not available in the network.

If you need help with out-of-network services, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If you are outside of the KFHC service area and need care that is **not** an emergency or urgent, call your PCP right away. Or call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). The KFHC service area includes Kern County with the exception of Ridgecrest.

For emergency care, call **911** or go to the nearest emergency room. KFHC covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency services requiring hospitalization, KFHC will cover your care. If you are traveling internationally outside of Canada or Mexico and need emergency care, KFHC will not cover your care.

If you have questions about out-of-network or out-of-service area care, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). If the office is closed and you want help from a representative, call the Advice Nurse at 1-800-391-2000.

Doctors

You will choose your doctor or a primary care provider (PCP) from the KFHC Provider Directory. The doctor you choose must be a participating provider. This means the provider is in the KFHC network. To get a copy of the KFHC Provider Directory, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Or find it online at www.kernfamilyhealthcare.com and log into your Member Portal account where you can search for a new PCP, see who is accepting new patients, and request to change your PCP.

You should also call if you want to check to be sure the PCP you want is taking new patients.

If you had a doctor before you were a member of KFHC, you may be able to keep that doctor for a limited time. This is called continuity of care. You can read more about continuity of care in this handbook. To learn more, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If you need a specialist, your PCP will refer you to a specialist in the KFHC network.

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.
Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

Remember, if you do not choose a PCP, KFHC will choose one for you. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, you do not have to choose a PCP.

If you want to change your PCP, you must choose a PCP from the KFHC Provider Directory. Be sure the PCP is taking new patients. To change your PCP, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Hospitals

In an emergency, call **911** or go to the nearest hospital.

If it is not an emergency and you need hospital care, your PCP will decide which hospital you go to. You will need to go to a hospital in the network. The hospitals in the KFHC network are listed in the Provider Directory. Hospital services, other than emergencies, require pre-approval (prior authorization).

Primary care provider (PCP)

Travel time and distance to care

KFHC must follow travel time and distance standards for your care. Those standards are based on the county you live in. KFHC will make sure you are able to get care without having to travel too long or too far from where you live. Travel time and distance standards are different depending on the county you live in.

If KFHC is not able to provide care to you within these travel time and distance standards, a different standard called an alternative access standard may be used. To see KFHC's time and distance standards for where you live, please, visit www.kernfamilyhealthcare.com or call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If you need care from a specialist and that specialist is located far from where you live, you can call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) to get help finding care with a specialist located closer to you. If KFHC cannot find care for you with a closer specialist, KFHC will arrange transportation for you to see a specialist even if that specialist is located far from where you live. It is considered far if you cannot get to that specialist within the KFHC's travel time and distance standards for your county, regardless of any alternative access standard KFHC may use for your ZIP Code.

Choosing Your Primary Care Provider (PCP)

assistant (PA) or certified nurse midwife may also act as your PCP. If you choose an NP, PA or certified nurse midwife, you may be assigned a doctor to oversee your care.

You can also choose an Indian Health Service Facility (IHF), Federally Qualified Health Center (FQHC) or a Rural Health Clinic (RHC) as your PCP. Depending on the type of the provider, you may be able to choose one PCP for your entire family who are members of KFHC.

If you do not choose a PCP within 30 days of enrollment, KFHC will assign you to a PCP. If you are assigned to a PCP and want to change, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) or visit www.kernfamilyhealthcare.com and log into your Member Portal account where you can search for a PCP and request the change. The change happens the next business day of the request.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer (send) you to a specialist if you need one
- Arrange for hospital care if you need it

You can look in the Provider Directory to find a PCP in the KFHC network. The Provider Directory has a list of IHFs, FQHCs and RHCs that work with KFHC.

You can find the KFHC Provider Directory online at www.kernfamilyhealthcare.com and by logging into your Member Portal account. Or you can request a Provider Directory to be mailed to you by calling Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also call to find out if the PCP you want is taking new patients.

Choice of doctors and other providers

You know your health care needs best, so it is best if you choose your PCP.

It is best to stay with one PCP so he or she can get to know your health care needs. However, if you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the KFHC provider network and is taking new patients.

Your new choice will become your PCP on the next business day after you make the change.

To change your PCP, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) visit www.kernfamilyhealthcare.com and log into your Member Portal account to request the change.

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.
Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

KFHC may ask you to change your PCP if the PCP is not taking new patients, has left the KFHC network or does not give care to patients your age. KFHC or your PCP may also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If KFHC needs to change your PCP, KFHC will tell you in writing.

Appointments

When you need health care:

- Call your PCP
- Have your KFHC ID number ready on the call
- Leave a message with your name and phone number if the office is closed
- Take your BIC and KFHC ID card to your appointment
- Ask for transportation to your appointment, if needed
- Ask for language assistance or interpretation services, if needed
- Be on time for your appointment
- Call right away if you cannot keep your appointment or will be late
- Have your questions and medication information ready in case you need them

If you have an emergency, call **911** or go to the nearest emergency room.

Payment

You do **not** have to pay for covered services. In most cases, you will not get a bill from a provider. You may get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Tell KFHC the amount charged, the date of service and the reason for the bill. You are **not** responsible to pay a provider for any amount owed by KFHC for any covered service. Except for emergency care or urgent care, you may have to pay for care from providers who are not in the network. If you need covered health care services, you may be able to get them at an out-of-network provider at no cost to you, as long as they are medically necessary and not available in the network.

If you get a bill or are asked to pay a co-pay that you think you did not have to pay, you can also file a claim form with KFHC. You will need to tell KFHC in writing why you had to pay for the item or service. KFHC will read your claim and decide if you can get money back. For questions or to ask for a claim form, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) or visit www.kernfamilyhealthcare.com and log into your Member Portal account where you can submit an emergency claim form and upload a copy of your bill for KFHC to review.

Referrals

Your PCP will give you a referral to send you to a specialist if you need one. Your PCP will

send the referral authorization request for the specialist to KFHC for review. This is called prior authorization review. A specialist is a doctor who has extra education in one area of medicine. Your PCP will work with you to choose a specialist that is a part of the KFHC provider network. Your PCP's office can help you set up a time to go to the specialist once approved by KFHC.

Other services that may require a referral and prior approval include in-office procedures, X-rays, lab work and imaging, second opinions, minor surgery, or other tests to understand your health and coordinate your care.

Your PCP may give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as he or she thinks you need treatment and it is approved by KFHC.

If you have a health problem that needs special medical care for a long time, you may need a standing referral. This means you can go to the same specialist more than once without getting a referral each time.

If you have trouble getting a standing referral or want a copy of the KFHC referral policy, call Member Services at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

You do not need a referral for:

- PCP visits

Pre-approval

For some types of care, your PCP or specialist will need to ask KFHC for permission before you get the care. This is called asking for prior authorization, prior approval, or pre-approval. It means that KFHC must make sure that the care is medically necessary or needed.

Care is medically necessary if it is reasonable and necessary to protect your life, keeps you from becoming seriously ill or disabled, or reduces severe pain from a diagnosed disease, illness or injury.

The following services always need pre-approval, even if you receive them from a provider in the KFHC network:

- Hospitalization, if not an emergency
- Services out of the KFHC service area
- Outpatient surgery
- Long-term care at a nursing facility
- Specialized treatments
- Specialized testing
- Wheelchairs and other similar assisting equipment
- Oxygen and other related breathing treatments
- Home health services
- Specialized medications
- Dental anesthesia/sedation when the use of a hospital or surgery center is required based on your medical need
- Prosthetics

For some services, you need pre-approval (prior authorization). Under Health and Safety Code Section 1367.01(h)(2), KFHC will decide routine pre-approvals within 5 working days of when KFHC gets the information reasonably needed to decide.

For requests in which a provider indicates or KFHC determines that following the standard timeframe could seriously jeopardize your life or health or ability to attain, maintain, or regain maximum function, KFHC will make an expedited (fast) pre-approval decision. KFHC will give notice as quickly as your health condition requires and no later than 72 hours after receiving the request for services.

KFHC does not pay the reviewers to deny coverage or services. If KFHC does not approve the request, KFHC will send you a Notice of Action (NOA) letter. The NOA letter will tell you how to file an appeal if you do not agree with the decision.

Call Member Services at 1-800-391-2000 (TTY 711).

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

KFHC will contact you if KFHC needs more information or more time to review your request.

You never need pre-approval for emergency care, even if it is out of the network. This includes labor and delivery if you are pregnant.

Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you may want a second opinion if you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked.

If you want to get a second opinion, you can choose an in-network provider of your choice. For help choosing a provider, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

KFHC will pay for a second opinion if you or your network provider asks for it and you get the second opinion from a network provider. You do not need permission from KFHC to get a second opinion from a network provider. You may request a second opinion when:

- You want to know if a surgery is wise or needed
- You question a diagnosis or plan of care for a serious illness, such as an illness that can lead to death, disability, loss of limb or loss of bodily function
- Your provider is unable to diagnose your condition
- Your current treatment plan is not working or you have doubts about the recommended plan of care

If there is no provider in the KFHC network to give you a second opinion, KFHC will pay for a second opinion from an out-of-network provider. KFHC will tell you within 5 business days if the provider you choose for a second opinion is approved. If you have a chronic, severe or serious illness, or face an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, KFHC will decide within 72 hours.

If KFHC denies your request for a second opinion, you may appeal. To learn more about appeals, go to page 54 in this handbook.

- Your PCP or mental health provider will make a referral for additional mental health screening to a specialist within the KFHC network to determine your level of impairment. If your mental health screening results determine you are in mild or moderate distress or have impairment of mental, emotional or behavioral functioning, KFHC can provide mental health services for you. KFHC covers these mental health services:
 - Individual and group mental health evaluation and treatment (psychotherapy)

Emergency services

Inpatient and outpatient services needed to treat a medical emergency

KFHC covers all services that are needed to treat a medical emergency that happens in the U.S. or requires you to be in a hospital in Canada or Mexico. A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, anyone with an average knowledge of health and medicine could expect it to result in:

- Serious risk to your health; **or**
- Serious harm to bodily functions; **or**
- Serious dysfunction of any bodily organ or part; **or**

Call Member Services at 1-800-391-2000 (TTY 711).

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

- In the case of a pregnant woman in active labor, meaning labor at a time when either of the following would occur:
 - There is not enough time to safely transfer you to another hospital before delivery.
 - The transfer may pose a threat to your health or safety or to that of your unborn child.

Emergency transportation services

KFHC covers ambulance services to help you get to the nearest place of care in emergency situations. This means that your condition is serious enough that other ways of getting to a place of care could risk your health or life. No services are covered outside the U.S., except for emergency services that require you to be in the hospital in Canada or Mexico.

Hospice and palliative care

KFHC covers hospice care and palliative care for children and adults, which help reduce physical, emotional, social and spiritual discomforts.

Hospice care is a benefit that services terminally ill members. It is intervention that focuses mainly on pain and symptom management rather than on a cure to prolong life.

Hospice care includes:

- Nursing services
- Physical, occupational or speech services
- Medical social services
- Home health aide and homemaker services
- Medical supplies and appliances
- Drugs and biological services
- Counselling services
- Continuous nursing services on a 24-hour basis during periods of crisis and as necessary to maintain the terminally ill member at home
- Inpatient respite care for up to five consecutive days at a time in a hospital, skilled nursing facility or hospice facility
- Short-term inpatient care for pain control or symptom management in a hospital, skilled nursing facility or hospice facility

Palliative care is patient- and family-centered care that improves quality of life by anticipating, preventing and treating suffering. Palliative care does not require the member to have a life expectancy of six months or less. Palliative care may be provided at the same time as curative care.

Prescription drugs

Covered drugs

Your doctor can prescribe you drugs that are on the KFHC preferred drug list (PDL) or Drug Formulary, subject to exclusions and limitations. The KFHC preferred drug list (PDL) is sometimes called a formulary. Drugs on the Drug Formulary are safe and effective for their prescribed use. A group of doctors and pharmacists update this list.

- Updating this list helps to make sure the drugs on it are safe and effective.
- If your doctor thinks you need to take a drug that is not on this list, your doctor will need to submit a Treatment Authorization Request (TAR) with information to support why you need the drug to KFHC to ask for pre-approval before you get the drug.

To find out if a drug is on the KFHC Drug Formulary or to get a copy of the Drug Formulary, call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You may also find the KFHC Drug Formulary online at www.kernfamilyhealthcare.com and by logging into your Member Portal account.

Sometimes KFHC needs to approve a drug before a pharmacy can fill your prescription. KFHC will review and decide these requests within 24 hours.

- A pharmacist or hospital emergency room may give you a 72-hour emergency supply if they think you need it. KFHC will pay for the emergency supply.
- If KFHC says no to the request, KFHC will send you a letter that lets you know why and what other drugs or treatments you can try.

Call Member Services at 1-800-391-2000 (TTY 711).

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

Or call the California Relay Line at 711. Visit online at www.kernfamilyhealthcare.com.

Even if a drug is on the formulary, that does not guarantee the provider will prescribe it. There are some limitations that may apply to the listed drugs, such as the reason your doctor prescribed it, your age or other medical conditions you may have.

Drugs on the KFHC formulary may have only certain strengths or formulations covered. If your doctor thinks you need to take a different strength or formulation, your doctor will need to ask for pre-approval by submitting a Treatment Authorization Request (TAR) with information to support why you cannot take the strength or formulation listed on the formulary.

Non-Formulary Drugs

Non-formulary drugs may be covered if your doctor asks for and receives prior approval for coverage from KFHC. Your doctor will let us know your current diagnosis, the drug requested, drugs that have not worked in the past, and/or any drug that is unacceptable. If we do not have enough information about your request, or if there is not sufficient medical reason for the request, the request will be denied. Your provider will be notified of our decision in one business day. If the request is denied, you will be mailed a letter within two business days of the decision. If you or your doctor disagrees with our decision, either may file a grievance. For more information, see “Grievance Process” on page 53.

Brand Name and Generic Drugs

If a drug is available in generic form, the brand name version of that drug will not be on the formulary. If a generic becomes available for a brand name drug during your treatment, you must change to the generic in order for it to be covered by KFHC. Your doctor may ask for prior authorization of coverage from KFHC for a brand name drug. You must fail a trial of the generic drug before prior authorization of coverage of the brand name will be considered. We will make an exception to this rule if your provider sends us a request, and we decide that it is medically necessary for you to have the brand name drug without trying the generic drug first. Drugs known as Biosimilars and Follow Ons will be treated in the same fashion as generic drugs.

Drugs that may be covered through FFS Medi-Cal

Some drugs are not covered by KFHC but you can still get them through FFS Medi-Cal. These may include:

- Most antipsychotic or psychotherapeutic drugs
- Blood factors
- Most drugs for the treatment of HIV or AIDS
- Most drugs for the treatment of substance abuse

You still get a prescription from your doctor and the pharmacy will provide the drug. However, the pharmacy bills the state directly for these drugs.

KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is toll free.

You can find a list of pharmacies that work with KFHC in the KFHC online Provider Directory at www.kernfamilyhealthcare.com and by logging into your KFHC Member Portal account. You can also find a pharmacy near you by calling Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Once you choose a pharmacy, take your prescription to the pharmacy. Your provider may also send it to the pharmacy for you. Give the pharmacy your prescription with your KFHC ID card. You are entitled to use non-emergency medical transportation (NEMT) when you physically or medically are not able to get to your medical, dental, mental health and substance use disorder appointment by car, bus, train or taxi, and the plan pays for your medical or physical condition. Before getting NEMT, you need to request the service through your doctor, and they will prescribe the correct type of transportation to meet your medical condition.

NEMT is an ambulance, litter van, wheelchair van or air transport. NEMT is not a car, bus or taxi. KFHC allows the lowest cost NEMT for your medical needs when you need a ride to your appointment. That means, for example, if you can physically or medically be transported by a wheelchair van, KFHC will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

NEMT must be used when:

- It is physically or medically needed as determined with a written authorization by a doctor; or you are not able to physically or medically use a bus, taxi, car or van to get to your appointment.
- You need help from the driver to and from your residence, vehicle or place of treatment due to a physical or mental disability.
- It is approved in advance by KFHC with a written authorization by a doctor.

To ask for NEMT services that your doctor has prescribed, please call KFHC at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) and select option 3 at least five business days (Monday-Friday) before your appointment. For urgent

appointments, please call as soon as possible. Please have your member ID card ready when you call.

Limits of NEMT

There are no limits for receiving NEMT to or from medical, dental, mental health and substance use disorder appointments covered under KFHC when a provider has prescribed it for you. If the appointment type is covered by Medi-Cal but not through the health plan, your health plan will provide for or help you schedule your transportation.

What does not apply?

Transportation will not be provided if your physical and medical condition allows you to get to your medical appointment by car, bus, taxi or other easily accessible method of transportation. Transportation will not be provided if the service is not covered by Medi-Cal. A list of covered services is in this Member Handbook.

Cost to member

There is no cost when transportation is authorized by KFHC.

Non-medical transportation (NMT)

You can use non-medical transportation (NMT) when you are:

- Traveling to and from an appointment for a Medi-Cal service authorized by your provider.
- Picking up prescriptions and medical supplies.

KFHC allows you to use a car, taxi, bus or other public/private way of getting to your medical appointment for Medi-Cal-covered services. KFHC provides mileage reimbursement when transportation is in a private vehicle arranged by the member and not through a transportation broker, bus passes, taxi vouchers or train tickets.

Before getting approval for mileage reimbursement, you must state to KFHC by phone, by email or in person that you tried to get all other reasonable transportation choices and could not get one. KFHC allows the lowest cost NMT type that meets your medical needs.

To request NMT services that your provider authorized, call KFHC at 1-800-391-2000 and select option number 3 at least five business days (Monday-Friday) before your appointment or call as soon as you can when you have an urgent appointment. Please have your member ID card ready when you call.

Limits of NMT

There are no limits for receiving NMT to or from medical, dental, mental health and substance use disorder appointments when a provider has authorized it for you. If the appointment type is covered by Medi-Cal but not through the health plan, your health plan will provide for or help you schedule your transportation.

Rideshare

KFHC offers rideshare, such as Uber, as part of your NMT benefit. Rideshare is available for qualifying members as determined by KFHC.

KFHC has a Rider Restriction Policy for rideshare that will restrict this benefit if too many no-shows occur. A no-show will occur if you miss a scheduled ride and do not cancel at least 30 minutes before the scheduled arrival time. If restricted, you will still receive other types of the NMT benefit, such as bus passes as determined by KFHC. KFHC may also restrict rideshare if we see that there is a misuse of the benefit. Misuse may include using rideshare to go to or from a medical office or pharmacy location for purposes other than to receive medical care or fill a prescription.

What does not apply?

NMT does not apply if:

- An ambulance, litter van, wheelchair van, or other form of NEMT is medically needed to get to a covered service.
- You need assistance from the driver to and from the residence, vehicle or place of treatment due to a physical or medical condition.
- The service is not covered by Medi-Cal.

Cost to member

There is no cost when transportation is authorized by KFHC.

Telehealth services

KFHC may be able to provide some of your services through telehealth. Telehealth is a way of receiving services without being in the same physical location as your provider. Telehealth may involve having a live video conversation with your provider. Or telehealth may involve sharing information with your provider without a live conversation. It is important that both you and your provider agree that the use of telehealth for a particular service is appropriate for you. You can contact KFHC to determine which types of services KFHC may be able to provide to you through telehealth.

California Children's Services (CCS)

CCS is a state program that treats children under 21 years of age with certain health conditions, diseases or chronic health problems and who meet the CCS program rules. If KFHC or your PCP believes your child has a CCS condition, he or she will be referred to the CCS county program to be assessed for eligibility.

CCS program staff will decide if your child qualifies for CCS services. If your child qualifies to get this type of care, CCS providers will treat him or her for the CCS condition. KFHC will continue to cover the types of service that do not have to do with the CCS condition such as physicals, vaccines and well-child checkups.

KFHC does not cover services provided by the CCS program. For CCS to cover these services, CCS must approve the provider, services and equipment.

CCS does not cover all health conditions. CCS covers most health conditions that physically disable or that need to be treated with medicines, surgery or rehabilitation (rehab). CCS covers children with health conditions such as:

- Congenital heart disease

KFHC stores health-related records about you, which includes your:

- Claims history,
- Health plan enrollment information,
- Case management records, and

responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are state and federal laws about the Medi-Cal program. Other federal and state laws may apply too.

Notice about Medi-Cal as a payer of last resort

Sometimes someone else has to pay first for the services KFHC provides you. For example, if you are in a car accident or if you are injured at work, insurance or Workers Compensation has to pay first.

DHCS has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. If you are injured, and someone else is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online:

- Personal Injury Program at <http://dhcs.ca.gov/PI>
- Workers Compensation Recovery Program at <http://dhcs.ca.gov/WC>

To learn more, call 1-916-445-9891.

The Medi-Cal program complies with state and federal laws and regulations relating to the legal liability of third parties for health care services to beneficiaries. KFHC will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

You must apply for and keep other health coverage (OHC) that is available to you for free or is state-paid coverage. If you do not apply for or keep no-cost or state-paid OHC, your Medi-Cal benefits and/or eligibility will be denied or stopped. If you do not report changes to your OHC promptly, and because of this, receive Medi-Cal benefits that you are not eligible for, you may have to repay DHCS.

Notice about estate recovery

The Medi-Cal program must seek repayment from the estates of certain deceased Medi-Cal members from payments made, including managed care premiums, nursing facility services, home and community-based services, and related hospital and prescription drug services provided to the deceased Medi-Cal member on or after the member's 55th birthday. If a deceased member does not leave an estate or owns nothing when they die, nothing will be owed.

To learn more about the estate recovery, call 1-916-650-0490. Or get legal advice.

Notice of Action

KFHC will send you a Notice of Action (NOA) letter any time KFHC denies, delays, terminates or modifies a request for health care services. If you disagree with the plan's decision, you can always file an appeal with KFHC.

6. Reporting and Solving Problems

There are two kinds of problems that you may have with KFHC:

- A **complaint** (or **grievance**) is when you have a problem with KFHC or a provider, or with the health care or treatment you got from a provider
- An **appeal** is when you don't agree with our decision not to cover or change your services

our decision, or you never received a letter telling you of our decision and it has been past 30 days, you can:

- Ask for a **State Hearing** from Department of Social Services, and a judge will review your case.
- Ask for an **Independent Medical Review (IMR)** from DMHC and an outside reviewer who is not part of KFHC will review your case.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

The sections below will provide you with more information on how to ask for a State Hearing or an IMR.

Independent Medical Reviews (IMR)

An IMR is when an outside reviewer who is not related to your health plan reviews your case. If you want an IMR, you must first file an appeal with KFHC. If you do not hear from your health plan within 30 calendar days, or if you are unhappy with your health plan's decision, then you may request an IMR. You must ask for an IMR within 6 months from the date on the notice telling you of the appeal decision.

You may be able to get an IMR right away without filing an appeal first. This is in cases where your health is in immediate danger.

Here is how to ask for an IMR. The term “grievance” is for “complaints” and “appeals.”

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield), (TTY 711) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-HMO-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's

State Hearings

A State Hearing is a meeting with people from the DSS. A judge will help to resolve your problem. You can ask for a State Hearing only if you have already filed an appeal with KFHC and you are still not happy with the decision or if you have not received a decision on your appeal after 30 days, and you have not requested an IMR.

You must ask for a State Hearing within 120 days from the date on the notice telling you of the appeal decision. Your PCP can ask for a State Hearing for you with your written permission and if he or she gets approval from DSS. You can also call DSS to ask the State to approve your PCP's request for a State Hearing.

You can ask for a State Hearing by phone or mail.

- **By phone:** Call the DSS Public Response Unit at 1-800-952-5253 (TTD 1-800-952-8349).
- **By mail:** Fill out the form provided with your appeals resolution notice. Send it to:
California Department of Social Services
State Hearings Division
P.O. Box 944243, MS 09-17-37
Sacramento, CA 94244-2430

If you need help asking for a State Hearing, we can help you. We can give you free language services. Call Member Services at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield), (TTY 711).

At the hearing, you will give your side. We will give our side. It could take up to 90 days for the judge to decide your case. KFHC must follow what the judge decides.

If you want the DSS to make a fast decision because the time it takes to have a State Hearing would put your life, health or ability to function fully in danger, you or your PCP can contact the DSS and ask for an expedited (fast) State Hearing. DSS must make a decision no later than 3 business days after it gets your complete case file from KFHC
