2 Account Registration

- 2.1 You may need to register for a SignIQ account in order to place orders or access or receive any Products. Any registration information that you provide to us must be accurate, current and complete. You must also update your information so that we may send notices, statements and other information to you by email or through your account. You are responsible for all actions taken through your accounts. You acknowledge and agree that if you provide information that is intentionally inaccurate, not current or incomplete in a material way, or we

have reasonable grounds to believe that such information is untrue, inaccurate, not current or incomplete in a material way, we have the right to immediately suspend access to Products or terminate this Agreement.

The term "Order Form" also includes any applicable Product or Support and Maintenance renewal, or purchases you make to increase or upgrade your Scope of Use.
- 3.2 Reseller Orders. This Agreement applies whether you purchase Products directly from SignIQ or through SignIQ partners or resellers "Reseller". If you purchase through a Reseller, you will sign an Order Form with a Reseller and the Reseller is responsible for the accuracy of any such Order. Resellers are not authorized to make any commitments on SignIQ's behalf, and we are not bound by any obligations to you other than what we specify in this Agreement.

4 Authorised Users

- 4.1 Only the specific stores and individuals for whom you have paid the required fees and whom you designate through the applicable Product ("Authorized Users") may access and use the Products. Some Products may allow you to designate different types of Authorized Users, in which case pricing and functionality may vary according to the type of Authorized User. Authorized Users may be you or your Affiliates' employees, representatives, consultants, contractors, agents, or other third parties who are acting for your benefit or on your behalf. - 4.2 You may increase the number of Authorized Stores and Users permitted to access your instance of the Product by placing a new Order Form or, sending us written instructions, or in some cases, directly through the Product. In all cases, you must pay the applicable fee for the increased number of Authorized Users. You may decrease the number of Authorized Users under this Agreement but refunds for retrospective Authorized Users decreases will not be paid. You are responsible for compliance with this Agreement by all Authorized Users. All use of Products by you and your Authorized Users must be within the Scope of Use and solely for the benefit of you or your Affiliates.

We will generally alert you when we take such action and give you a reasonable opportunity to cure your breach, but if we determine that your actions endanger the operation of the Products or other users, we may suspend your access immediately without notice. You will continue to be charged for the Products during any suspension period. We have no liability to you for removing or deleting Your Data from or suspending your access to any Products as described in this section.

The terms and conditions on which you acquire any of those non-SignIQ applications are solely between you and the third party provider.
- 7.4 If you access non-SignIQ applications for use with our Software and Cloud Products, you authorise us to allow the third party providers of those non-SignIQ applications to access any and all data you provide to us in connection with these Terms, so that the non-SignIQ applications can be used by you in conjunction with our Software and Cloud Products.

Insofar as liability under or pursuant to any legislation may not be excluded, such liability is limited to replacement of the Product or correction of the defects in the Product or associated material, or refund of the fee, at the exclusive option of SignIQ.
