

Paula Janine Adams Hillard, M.D.
CURRICULUM VITAE

Current Position:

Professor and Associate Chair for Medical Student Education
Department of Obstetrics and Gynecology
Stanford University School of Medicine

ADDRESS

Office

Department of Obstetrics and Gynecology
300 Pasteur Drive
Room HH333, MC: 5317
Stanford, CA 94305-5317

EDUCATION

| | |
|---------------|---|
| B.S., Zoology | University of North Carolina, 1970-73 Chapel Hill, North Carolina |
| M.D. | Stanford University School of Medicine, 1973-77 Stanford, California |

INTERNSHIP AND RESIDENCY

| | |
|--|---------|
| North Carolina Memorial Hospital University of North Carolina Chapel Hill, North Carolina Obstetrics and Gynecology | 1977-81 |
|--|---------|

ACADEMIC APPOINTMENTS

| | |
|--|------------------|
| Professor Stanford University School of Medicine Department of Obstetrics and Gynecology | 7/1/07 – present |
| Faculty Affiliate Michelle R. Clayman Institute for Gender Research Stanford University | 2007-present |
| Professor University of Cincinnati College of Medicine Department of Pediatrics Cincinnati, OH | 2000-2007 |
| Professor University of Cincinnati College of Medicine Department of Obstetrics and Gynecology Cincinnati, OH | 1997-2007 |

Affiliated Faculty 2002 - 2007
Cincinnati Children's Hospital Medical Center
Center for Epidemiology and Biostatistics
Department of Pediatrics

Associate Professor 1989 - 1997
University of Cincinnati College of Medicine
Department of Obstetrics and Gynecology
Cincinnati, OH

Assistant Professor 1984 - 1989
University of Cincinnati College of Medicine
Department of Obstetrics and Gynecology
Cincinnati, OH

Assistant Professor 1981- 1984
University of Virginia School of Medicine
Department of Obstetrics and Gynecology
Charlottesville, VA

BOARD CERTIFICATIONS

National Board of Medical Examiners 1978
American Board of Obstetrics and Gynecology 1983 (unlimited certification)
American Board of Obstetrics and Gynecology 1994, 2001-2014 (Annual Voluntary Re-certification)

LICENSURE

California

AWARDS AND FELLOWSHIPS

Phi Beta Kappa, University of North Carolina, Chapel Hill, NC, 1971
Mead Johnson Fellowship for Clinical Research, 1982, jointly sponsored by Mead Johnson and ACOG
Purdue Frederick Award Nominee, 1984
George B. Hayden Memorial Award 1996 for surgical teaching in the Department of Obstetrics & Gynecology
Alpha Omega Alpha, University of Cincinnati, Cincinnati, OH, 1997 (not offered at Stanford Univ. School of Medicine as a medical student)
Association of Professors of Gynecology and Obstetrics (APGO) Pfizer Award, 2002
Association of Professors of Gynecology and Obstetrics (APGO) Excellence in Teaching Award, 2017
Founder's Award, Rachel's Well, 2007
Physician Leadership Program Graduate, Stanford University School of Medicine, 2007-8
Educators for CARE (Compassion, Advocacy, Responsibility, and Empathy), Stanford University School of Medicine 2008-present
Advanced Physician Leadership Program Graduate, Stanford University School of Medicine, 2012
Excellence in Teaching, recognition from Stanford University School of Medicine medical students, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017

TEACHING ACTIVITIES

Stanford University School of Medicine

- Educator for CARE (Compassion, Advocacy, Responsibility, Empathy) E4C, 1 of 15 faculty selected as Mentor and Teacher, 2008-present-- .25 FTE support from Dean's Office
- Practice of Medicine (POM1) Faculty Preceptor, Yr 1, 4 hrs/wk, 2007-present
- Practice of Medicine (POM2) Faculty Preceptor, Yr 2, 4 hrs/wk, 2007-present
- Sexual Health Curriculum Advisor, 2014-present
- Leadership Project, Integrating Women's Health into School of Medicine, June 2008
- Course Director, Year 2, Women's Health block in Health & Human Disease, Integrated Curriculum, Stanford University School of Medicine, 2007-present
- Faculty Advisor, Medical Students for Choice
- Founding Faculty Advisor, Arbor Free Clinic, Women's Clinic
- Course Lecturer, Health and Human Disease – Stanford University School of Medicine, 2007-present
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2008-2009 entering class
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2009-10 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2010-11 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2011-12 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2012-2013 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2013-2014 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 6 Year 1 students, 2014-2015 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 5 Year 1 students, 2015-2016 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 5 Year 1 students, 2016-2017 entering class, ongoing
- Faculty, Educators for CARE (E4C) Mentor, 4 Year 1 students, 2017-2018 entering class, ongoing
- Medical Student Clinical Clerkship Remediation faculty, 2007-present
- Medical Student Standardized Family Scenario developer and preceptor, 2007-present
- Gynecology Pre-op Conference, 2007-present
- Gynecology in-patient attending, 2007-present
- Obstetrics & Gynecology Resident Lecturer, 2007-present
- Pediatric Resident Faculty Preceptor, 2008-present
- Pediatric Resident Faculty Lecturer, 2009-present
- Internal Medicine Resident Faculty Preceptor, 2008-2010
- Undergraduate Advisor, Human Biology, 2010-present ~1-2 students/year

- Pediatric Journal club faculty preceptor, 2012-present, annually

University of Cincinnati (Selected Activities)

- Founded and Directed Clinical Fellowship in Pediatric and Adolescent Gynecology with mentoring of 4 fellows: Dr. Helen Deitch, Dr. Jane Dopkins, Dr. Martina Chiodi, Dr. Rachel Miller
- Convened and co-chaired Women's Health in the Medical Curriculum Task Force, which later became a standing committee with the charge: to assure that women's health over the life span and gender-specific medicine are integrated into the medical school curriculum. Activities of the Women's Health Program included:
 - Surveying course directors regarding women's health/gender-specific medicine content in each course of the first two pre-clinical years
 - Surveying 1st and 2nd year medical students about their perceptions of the extent to which women's health/gender specific medicine is included in the curriculum. Survey repeated for two years.
 - Developing a set of core competencies in women's health/gender specific medicine for medical students throughout the 4 years of medical school.
 - Developing 2nd and 4th year electives in Women's Health
 - Focusing on curriculum reform/integration of gender-specific medicine into two major preclinical courses: Pathology and Brain/Behavior.
 - Focusing on integration between clinical clerkships around the topic of hormone replacement therapy
- Benign Gynecology - Resident and medical student supervision: inpatient, outpatient and operating room sites 1984-2000.
- Founder, Director and Coordinator, Continuity of Care Clinic, 1988-93
- Director of Adolescent & Pediatric Gynecology, Children's Hospital Medical Center-Teaching Obstetrics and Gynecology residents, pediatric residents, adolescent medicine fellows, and medical students
- Sexual Health Advisory Committee/Course preceptor, 2000-2007
- Medical Student Advisor - Second, third, and fourth year students, 1984-2007
- Founding Faculty Advisor, Medical Students for Choice, 2004-2007
- Department of Pediatrics residents, adolescent medicine fellows, and medical students—lectures, conferences, preceptor
- Department of Pediatrics: Consultant to residents in Emergency Department, Hematology/Oncology, Nephrology, Rheumatology, Adolescent Medicine, Pediatric Surgery
- Medical Student Lecturer - "Domestic Violence" second year Introduction to Clinical Practice course, 1999-2007
- Medical Student Lecturer - "Reproductive Choice" second year Women's Health Elective, 2000-2007
- Medical Student Elective Women's Health - 4th year - Founder and Course Director, 2000-2007
- Gynecology Teaching Associates (GTAs) - Program development, organization, recruitment and training of women to serve as instructors/patient models and evaluators of medical students' pelvic examination skills, 1987-88
- Director of Women's Health Program – University of Cincinnati 1998-2001

Cincinnati Children's Hospital Medical Center (Selected Activities)

- Clinical Fellowship, Pediatric and Adolescent Gynecology, Founder and Director, 2001-2007
- Pediatrics Department Medical Student Clerkship Committee

University of Virginia (Selected Activities):

- Director, Gynecology Ambulatory Care Clinical Clerkship
Coordinator and Founding Organizer, Gynecologic Teaching Associates teaching program, 1981-84

PROFESSIONAL CONSULTATION

American Civil Liberties Union (ACLU),

Legal Advising, Pro Bono. Consultant/Expert witness on adolescent abortion law in Alabama 2014-present
Legal Advising, Pro Bono. Consultant/Expert witness on transfer agreements abortion law in Kentucky 2017

Primary Care Medicine Residency, University of Virginia - 1981-84, consultant
Women's Health Center, Charlottesville, Virginia - 1981-83, consultant

GRANT SUPPORT AND RESEARCH STUDIES

Completed:

| | |
|--|-----------------------|
| Canary Foundation, (Hillard, Stanford PI multicenter study) “A Randomized Controlled Trial of Novel Markers to Predict Malignancy in Elevated-Risk Women” SPO# 46973, IRB# 17048 | 10/01/2012-10/01/13 |
| TEVA Women's Health Research, Inc. (Hillard, PI) “A Multicenter, Open-Label, Randomized, Controlled Study to Compare | 09/02/09 – 08/31/2011 |

The Effects on Bone Mineral Density of DR-105 and a 28-Day Cycle Oral Contraceptive in Healthy, Postmenarcheal, Adolescent Females.”

The primary objective of this study is to determine the effects on BMD in healthy adolescent females using a 91-day extended regimen OC or a 28-day OC compared to healthy, adolescent females not using hormonal contraceptives by measuring the mean percent change in lumbar spine BMD via dual energy x-ray absorptiometry (DXA) over a 2-month period.

Completed:

Protocol # DR-PSE-306

Duramed Research, Inc. (Barr Labs) (Hillard, PI)

09/12/05 – 2007

“A Randomized, Multicenter, Double-blind Exploratory Study to Evaluate the Efficacy of an Extended Cycle Combination Oral Contraceptive, DP3-84/10, which Utilizes Ethinyl Estradiol during the Usual Hormone-free Interval, Compared to Placebo for the Treatment of Cyclic Pelvic Pain in Adolescents”

The primary objective of this study is to demonstrate a reduction in menstrual-related pelvic pain using an extended cycle combination oral contraceptive, DP3-84/10, which utilizes ethinyl estradiol monotherapy during the otherwise hormone-free interval at the end of each cycle, compared to placebo in adolescents for the treatment of moderate to severe cyclic pelvic pain.

FD-R-002369-01 (Brunner, PI)

09/30/03 – 09/29/06

Food and Drug Administration

“Triptorelin for Ovary Protection in Childhood Lupus”

The major goal of this project is to assess the safety and preliminary efficacy of the GnRH-agonist triptorelin (Trelstar) to provide ovarian protection during cyclophosphamide therapy of adolescent females with SLE.

ACOG/Berlex Laboratories (Hillard, Chiodi, Co-PIs)

5/01/04 – 04/30/05

Research Award in PMS/PMDD

“PMS in Adolescents”

This project is a community-based parallel survey of 100 mother-daughter pairs, where the daughter characterizes herself as having PMS.

Association of Professors of Gynecology and Obstetrics/Pfizer (Hillard, PI)

07/01/02 – 06/30/04

Women’s Health Curriculum Development Award

“Assessing the Integration of Women’s Health and Gender-Specific Medicine into the Medical School Curriculum”

The overall project goal is to develop a pilot program to assess the extent to which women’s health and gender-specific medicine core competencies are integrated into the longitudinal undergraduate medical curriculum.

R01-MH3632092 (Kowatch, PI)

09/01/00 – 08/31/04

National Institute of Mental Health

“Pediatric Bipolar Collaborative Moods Stabilizers Trials”

The goal is to evaluate the acute phase, comparative efficacy of two mood stabilizers, lithium and divalproex, versus placebo in outpatient children and adolescents with symptomatic, nonpsychotic BID I in the mixed or manic phase.

Berlex Laboratories (Hillard, PI)

10/01/00 – 9/30/03

“Insertion and Counseling Procedures of Levonorgestrel Releasing Intrauterine System”

The goal of the study is to evaluate the insertion and counseling procedures with Levonorgestrel releasing intrauterine system (LNG-IUS).

MCJ-00964 (Biro, PI)

07/01/97 – 06/30/02

Bureau of Maternal and Child Health

“Interdisciplinary Training Program in Adolescent Health Care”

The major goals of this project are to provide interdisciplinary leadership training to fellows and trainees in the

field of adolescent health and provide instruction in adolescent health in five disciplines: medicine, nursing, nutrition, psychology, and social work, using an experienced faculty and established model training program.

| | |
|--|-----------|
| MA 97-071 (Hillard, PI) Wyeth-Ayerst Protocol “A multi-center, open-label, randomized study to evaluate the acceptability and safety of Alesse levonorgestrel/ethinyl estradiol 100/20 Mcg in adolescents” | 1997-1998 |
| Purdue Frederick Co. (Bloomfield, PI) “Double-blind, randomized, single dose, parallel group, relative analgesic potency assay of MS Contin and Roxanol SR in pain due to abdominal hysterectomy or cesarean section” | 1989 |
| Miles, Inc. (Bloomfield, PI) Pilot study “A repeat dose, double-blind comparison of ketoprofen and placebo in patients with primary dysmenorrhea.” | 1989 |
| TAP Pharmaceutical (Liu, PI) “Preoperative treatment of women with uterine leiomyoma with Leuprolide” | 1989 |
| Syntex Research, Institute of Clinical Medicine Clinical Trials of Butaconazole Fungicide | 1986 |
