

Felling Cricket Club CIC

Important Update to all members: Membership Renewal for 2020 / 2021

The ongoing lockdown and closure of the club came just as the membership renewals for this year were about to be rolled out in late March. We had previously amended our membership period to align with the start of the cricket season as this is when we take the majority of subscriptions, as a result of this members gained an extra three months on their 2019 subscription and consequently the club has now been denied valuable funds which could prove vital over the coming months. We have therefore taken the decision to start taking subscriptions from existing full and social members for the current period through to March 2021.

We are trying not to speculate too much and it remains to be seen in what capacity we may be able to trade in the future however we have put several contingency plans in place in an attempt to pre-empt various Government measures. One of which may see us trading with a limited capacity upon opening therefore we have taken the decision to defer all new and playing membership applications until we have further clarity.

All members will be issued a new club card unique to them with a magnetic strip which will be swiped when purchasing at the bar. This is in response to requests by full members at the club AGM to tighten our system up and stop non-members cheating the two-tier pricing system. The till has been upgraded in your absence so purchasing without a membership card will now default to non-members prices, there is no override in place, no exceptions.

Membership will run annually starting each March subscriptions for this year can be paid immediately by crediting the club account with the relevant fee corresponding to their membership type and adding a reference as detailed below. We understand that not everyone has the facility or inclination to pay online and therefore existing membership cards will remain valid for one month from the date the club reopens therefore making provision for members wishing to renew in person and pay in cash.

2020 / 2021 Subscription Fees

Existing members who wish to renew online should credit bank account:

Sort Code: 04-00-04 **Account No.:** 71762582

Reference: 'Full £6', 'Social £3', or 'Life £50

Life Member with voting rights ¹	£50
Full CIC Member with voting rights ² :	£6
Social Member ³ (non-voting)	£3

¹ Life members receive the same voting rights as Full CIC members.

² Full CIC Members will receive the benefit of subsidised bar prices and are also entitled to attend, vote propose motions at the club's AGM.

³ Social Members will receive the benefit of subsidised bar prices however they will not have the right to attend the club's AGM, propose or vote on any motions affecting the club.

2019 memberships will cease to be valid one month from the date the club starts trading, any member who has not renewed their subscription by the cut-off date will be required to re-submit a new membership application form for consideration by the board of directors.
