PRODUCT GUIDE 2021

apples to pears

Award-winning gifts for everyone

About Apples to Pears

At Apples to Pears we are proud of our products and achievements. From the Cotswolds, we have been designing award-winning gift ideas for nearly 20 years and continue to bring to market great-selling new products each season. We are well-known for our **Gift in a Tin** range, and have more recently extended the concept to include the **Gifts for Grown-Ups** and **Quiz in a Tin** collections. Our **Gifts for Gardeners** range continues to offer innovative and quality garden products, year after year.

Our brands

Gift in a Tin – Premium quality and fabulous gift ideas for children of all ages to build, craft, and play.

Gifts for Grown Ups – Excellent gift ideas for friends and family.

Quiz in a Tin – A series of quiz tins, each one packed with over 600 questions!

Heritage Gifts for Gardeners – Innovative gifts for garden lovers.

We are delighted that our trophy cabinet has had regular new additions over the years! Just ask about our award-winning lines.

In 2020 we added to our awards: **Wolf 'Em Down** & **Travel Dog** were **Winners** and **Bee Hotel** was a **Finalist**.

In 2021 we had two **Finalists**: **Storytime Tins** & **Make your Own Insect House!**

Take your **Pick & Magical Princess Castle** were also **Shortlisted** in 2021.

We can all agree that 2020 was probably the most challenging year for a generation. We'd like to thank all of our customers for their continued support throughout the year, and in return, we will continue to support you, with low minimum orders, quick delivery and our top-selling gift ideas. We are a small friendly team devoted to providing you with excellent customer service. We very much look forward to a successful 2021 for us all.

What makes our tins so special...?

-  Packed to the brim for great value
-  Unique concepts for year-round sales
-  Award-winning designs
-  Designed in the UK
-  Great stocking fillers
-  Easy to wrap & post

Bee & Insect House-stone

This lovely miniature house will make a great home for many of the bees and insects in your garden! Solitary bees are important pollinators and will lay their eggs inside the bamboo tubes along with balls of pollen. Other insects such as ladybirds may also overwinter in the tubes. Hang the insect house from a wall or stand on a shelf ideally around 1m from the ground.
