The terms and conditions of options granted under the Plan shall be set forth in written option agreements between the Corporation and the optionees. Such terms and conditions shall include the following and such other provisions, not inconsistent with the Plan, as may be deemed advisable by the Committee:

- (a) **Exercise Price:** The exercise price of an option granted under the Plan shall be fixed by the Committee which price shall not be less than the Market Price of the Shares on the trading day immediately preceding the date of the grant. The Committee may also determine that the exercise price per Share may escalate at a specified rate dependent upon the year in which any option to purchase Shares may be exercised by the optionee.
  - (b) **Payment:** The full purchase price of Shares purchased under the option shall be paid in cash upon the exercise thereof in the currency in which the Exercise Price is denominated. A holder of an option shall have none of the rights of a shareholder until the Shares are issued to him or her.
  - (c) **Exercise of Options:** The Committee may determine when an option will become exercisable and may determine that the option shall be exercisable in installments on such terms as to timing of vesting or otherwise as the Committee deems advisable provided that options granted under the Plan shall vest not more quickly than, in equal installments (computed in each case to the nearest full share), on each of the date of grant of the Option and each anniversary of the date of grant of the Option up to and including the second last anniversary date of the grant. Except as provided in paragraph 7(d) hereof, no option may be exercised unless that optionee is then an Eligible Person. The Plan shall not confer upon the optionee any right with respect to continuation of employment by the Corporation.
  - (d) **Termination of Options:** Any option granted pursuant hereto, to the extent not validly exercised, will terminate on the earliest of the following dates:
    - (i) the date of expiration specified in the option agreement, being not later than five years after the date the option was granted;
    - (ii) subject to subparagraph (d)(iv) below, 30 days after the date an optionee ceases to be an Eligible Person for any reason whatsoever other than death;
    - (iii) twelve months after the date of the optionee's death during which period the option may be exercised only by the optionee's legal representative or the person or persons to whom the deceased optionee's rights under the option shall pass by will or the applicable laws of descent and distribution, and only to the extent that the optionee would have been entitled to exercise it at the time of his death; and
    - (iv) where the optionee is a Grandfathered Director, four years from the date of the Grandfather Director's retirement or resignation, subject to any resolution that may be passed by the Board of Directors of the Corporation on the recommendation of the Committee shortening such term, and provided that in no event shall any option granted pursuant hereto expire later than five years after the date the option was granted.
-

- (e) **Assignment to Eligible Assignees:** Subject to obtaining approval in advance from the Corporation and from each stock exchange on which shares of the Corporation are listed and which reserves the right to approve such assignments, Eligible Persons may assign options granted to them under the Plan to Eligible Assignees and Eligible Assignees may, in turn, assign such options to other Eligible Assignees or the original optionee. The original optionee under the Plan must be an Eligible Person at the time of the assignment. Notwithstanding any such assignment, all options granted under the Plan shall be deemed to be the option of the original optionee for the purposes of applying the rules and policies of the stock exchanges on which shares of the Corporation are listed. No consideration may be given to any assignee in connection with any assignment of options granted under the Plan. Subject to the foregoing, no options shall be transferable by the optionee other than by will or the laws of descent and distribution and shall be exercisable during the optionee's lifetime only by him or her.
- (f) **Applicable Laws or Regulations:** The Corporation's obligation to sell and deliver Shares under each option is subject to the compliance by the Corporation and any optionee with applicable securities laws and the requirements of regulatory authorities having jurisdiction and is also subject to the acceptance for listing of the Shares which may be issued in exercise thereof by each stock exchange upon which Shares of the Corporation are listed for trading.
- (g) **Maximum Number of Options Granted Per Fiscal Year:** The maximum number of options which may be granted under the Plan in any fiscal year of the Corporation may not exceed 2% of the Outstanding Issue immediately prior to the grant of such options.

## **8. Loans to Non-Management Eligible Persons**

Subject to Section 20 of the OBCA or any successor or similar legislation and other applicable laws, the Corporation may, at any time and from time to time, lend money (on a non-recourse or limited recourse basis or otherwise) or provide guarantees or other support arrangements to assist an Eligible Person who is not a Grandfathered Director or officer of the Corporation (a "Non-Management Eligible Person") to fund all or a part of the purchase price for Shares being purchased pursuant to an option granted to a Non-Management Eligible Person under the Plan on such terms and conditions as the Corporation may determine, provided that each loan made to such Non-Management Eligible Person shall become due and payable in full on the date a Non-Management Eligible Person becomes a director or officer of the Corporation.

## **9. Compulsory Acquisition or Going Private Transaction**

If and whenever there shall be a compulsory acquisition of the Shares of the Corporation following a takeover bid or issuer bid pursuant to Part XV of the OBCA or any successor or similar legislation, then following the date upon which the takeover bid or issuer bid expires, an optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Shares to which such optionee was theretofore entitled to purchase upon the exercise of his or her options, the aggregate amount of cash, shares, other securities or other property which such optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Shares to this bidder.

## **10. Certain Adjustments**

In the event:

- (a) of any change in the Shares through subdivision, consolidation, reclassification, amalgamation, merger or otherwise;
  - (b) of any stock dividend to holders of Shares;
  - (c) that any rights are granted to all holders of Shares to purchase Shares at prices substantially below fair market value;
-

- (d) of any distribution of evidences of indebtedness or assets of the Corporation (excluding dividends paid in the ordinary course) to all holders of Shares; or
- (e) that as a result of any recapitalization, merger, consolidation or otherwise, the Shares are converted into or exchangeable for any other securities;

then in any such case, subject to prior approval of the relevant stock exchanges, the number or kind of shares reserved for issuance and available for options under the Plan, the number or kind of shares subject to outstanding options and the exercise price per option shall be proportionally adjusted by the Committee to prevent substantial dilution or enlargement of the rights granted to, or available for, holders of options as compared to holders of Shares.

#### **11. Black Out Period**

Notwithstanding anything contained in the Plan or any option issued under the Plan, if the date on which an option expires occurs during, or within 10 days after the last day of a Black Out Period or other trading restriction imposed by the Corporation, in each case, that is applicable to the holder of the option, the date of termination or expiry of such option will be the last day of that 10-day period.

#### **12. Amendment and Discontinuance of Plan**

- (a) The Board of Directors of the Corporation may, insofar as permitted by law and subject to any required approval of any stock exchange or other authority, from time to time, without notice to or approval of the shareholders, amend or revise the terms of the Plan or discontinue the Plan at any time; provided, however, that no amendment or revisions may, without the consent of the optionee, in any manner adversely affect the rights of the optionee under any option theretofore granted under the Plan. Examples of the types of amendments that the Board of Directors of the Corporation may make without shareholder approval include, with limitation, the following:
    - (i) amendments of a “housekeeping” nature, including any amendment for the purpose of curing any ambiguity, error or omission in the Plan or to correct or supplement any provision of the Plan that is inconsistent with any other provision hereof;
    - (ii) amendments necessary to comply with applicable law, including, without limitation, the rules, regulations and policies of the TSX;
    - (iii) amendments respecting administration of the Plan;
    - (iv) any amendment to the vesting provisions of the Plan or any option issued under the Plan which does not entail an extension beyond the originally scheduled expiry date for any such option;
    - (v) any amendment to the early termination provisions of the Plan or any option issued under the plan, whether or not such option is held by an insider, provided such amendment does not entail an extension beyond the originally scheduled expiry date for any such option;
    - (vi) the addition or modification of a cashless exercise feature, payable in cash or common shares of the Corporation, which provides for a full deduction of the number of underlying common shares from the Plan reserve;
    - (vii) amendments necessary to suspend or terminate the Plan; or
    - (viii) any other amendment, whether fundamental or otherwise, not described in this subsection
  - (b) Notwithstanding subsection (a), without approval of the shareholders, no amendment or revision shall:
    - (i) increase the maximum number of Shares reserved for issuance under the Plan;
    - (ii) reduce the exercise price for any option;
    - (iii) extend the term of an option;
-

- (iv) increase any limit on grants of options to insiders of the Corporation set out in the Plan;
  - (v) amend section 7(e) or the definitions of “Eligible Assignee”, “Eligible Corporation”, “Eligible Family Trust” or “Eligible Person”;
  - (vi) permit the granting of options under the Plan to any director of the Corporation who is not otherwise an employee or officer of the Corporation; or
  - (vii) grant additional powers to the Board of Directors of the Corporation to amend the Plan or entitlements without the approval of shareholders.
