2019 FIESTA SEDAN & HATCHBACK

Subcompact Car Class¹
Models: S, SE (Sedan); SE, ST (Hatchback)

Fiesta SE Sedan. Hot Pepper Red Metallic Tinted Clearcoat. Available equipment.

Fun to drive and nimble-handling, Ford Fiesta gets the new ST-Line series popular in Europe for 2019. ST-Line is available with either manual or automatic transmission and includes body-color rocker molding and blacked-out roof, plus large rear spoiler and mirrors, along with iconic Ford honeycomb grille and rear fascia insert. Dual chrome exhaust tips, 16-inch black alloy wheels and ST-Line side badging round out the exterior features. Inside, 2019 Fiesta ST-Line gets sport cloth seating with red stitching and ST-Line embroidered logo. Metallic inserts in the pedals and shifter with leather-trimmed steering wheel featuring red stitching deliver a sporty look and feel. Series logo scuff plate and cloth mats with red stitching are standard.
New color: Oxford White

2019 **MUSTANG**
FASTBACK & CONVERTIBLE

High-Power Sports Car Class¹
Models: EcoBoost®, EcoBoost Premium, GT, GT Premium (Fastback);
EcoBoost, EcoBoost Premium, GT Premium (Convertible), Bullitt

Mustang EcoBoost Premium Fastback. Race Red. Available equipment.

The world's best-selling sports coupe gets new technology and special editions for 2019. The iconic Mustang Bullitt returns with an exclusive 480-horsepower 5.0-liter V8 engine, plus distinctive design and trim. Classic California Special returns with Shelby-inspired design and trim enhancements, along with distinctive five-spoke painted machined rims. Three new vintage-inspired stripes further enhance pony personalization. Rev-matching shifting comes to 6-speed Mustang GT, while EcoBoost® gets an optional quad-tip fully active exhaust. All-new custom-tuned 1,000-watt B&O PLAY by HARMAN high-performance sound system and available Apple CarPlay™ compatibility for Ford+Alexa and Waze via SYNC® 3 will satisfy audiophiles. FordPass™ Connect in-vehicle Wi-Fi replaces SYNC® Connect. It is now standard on Mustang EcoBoost and GT Premium editions.

New colors: Velocity Blue, Need for Green, Dark Highland Green (Bullitt only)

NEW 2019 FUSION

Midsized Sedan Class¹
Models: S, SE, SEL, Titanium, V6 Sport

Fusion Titanium. White Platinum Metallic. Available equipment.

With a refined new front and rear design and the most advanced suite of standard driver-assist technologies from any full-line brand, the 2019 Ford Fusion is the smartest, most attractive choice in the segment. Powerful and efficient 1.5-liter EcoBoost® engine is now standard on Fusion SE and SEL. With standard all-wheel drive, Ford Fusion V6 Sport remains the most powerful car in its class with 380 lb.-ft. of torque and 325 horsepower. For 2019, the car gets a new rear fascia design. As the first car to debut standard Ford Co-Pilot360™, Fusion now has Pre-Collision Assist with Automatic Emergency Braking, Blind Spot Information System with cross-traffic alert, Lane-Keeping System, rearview camera and auto high-beam headlamps. Additional driver-assist features available include Adaptive Cruise Control with Stop & Go, voice-activated touch screen navigation and new app integration with Ford+ Alexa and Waze compatibility through SYNC® 3. FordPass™ Connect in-vehicle Wi-Fi replaces SYNC® Connect, and is now standard on Fusion SE and above models. Four new wheel options are available as well.

New colors: Agate Black, Velocity Blue, Rich Copper Metallic Tinted Clearcoat

NEW 2019 FUSION ENERGI

Midsized Plug-in Hybrid Sedan Class¹
Model: Titanium

Fusion Energi Titanium. Agate Black. Available equipment.

Recharge your passion for driving in a Ford Fusion Energi for 2019. With upgraded 9.0-kilowatt-hour air-cooled lithium battery pack, Fusion Energi returns an EPA-estimated electric-only range of up to 25 miles (actual mileage will vary) – a near 20 percent gain over the previous model. Fusion Energi benefits from the launch of Ford Co-Pilot360™ that includes standard Pre-Collision Assist with Automatic Emergency Braking, Blind Spot Information System with cross-traffic alert, Lane-Keeping System, rearview camera and auto high-beam headlamps. Adaptive Cruise Control with Stop & Go and voice-activated navigation with SiriusXM Traffic and Travel Link® are standard for Fusion Energi Titanium and available for other models. Additional driver-assist features available include new app integration with Ford+ Alexa and Waze compatibility through SYNC® 3.
New colors: Agate Black, Rich Copper Metallic Tinted Clearcoat, Velocity Blue

STANDARD FEATURES

- 12V powerpoints (2)
- 110V power outlet
- Adaptive cruise control with stop-and-go
- Audio – AM/FM stereo/single-CD player with MP3 capability and 12 speakers
- Audio – SiriusXM® Radio with 6-month trial subscription
- BLIS® (Blind Spot Information System) with cross-traffic alert
- Brakes – Regenerative Braking System
- Dual-zone electronic automatic temperature control
- Easy Fuel® capless fuel filler
- Engine – 2.0L iVCT Atkinson-cycle I-4 PHEV with permanent-magnet AC-synchronous electric motor
- External charge port with LED-illuminated state-of-charge indicator
- Front-wheel drive (FWD)
- Heated steering wheel
- Intelligent Access with push-button start
- Lithium-ion battery

- Mirrors – Body-color, power, heated sideview with memory, security approach lamps, auto-dimming driver’s side, and integrated turn signal indicators
- MyFord® Mobile
- Pedestrian Alert Sounder
- Pre-Collision Assist with Pedestrian Detection and Automatic Emergency Braking
- Rear outboard inflatable safety belts
- Remote Start System
- Reverse Sensing System
- Rotary gear shift dial
- Seats – Heated and cooled front
- Seats – Leather-trimmed with 10-way power
- SmartGauge® with EcoGuide
- SYNC® 3 with 8-inch color LCD capacitive touchscreen with AppLink®, 911 Assist® and 2 smart-charging USB ports

2019 ECOSPORT

Mini Utilities Class¹
Models: S, SE, SES, Titanium

EcoSport Titanium. Blue Candy Metallic. Available equipment.

Ford's newest utility returns with the addition of the sporty SES Black Appearance Package. On EcoSport SES with Diamond White, Moondust Silver or Lightning Blue exterior paint, a black-painted roof and black hood decal are standard. With all other exterior colors, the roof and hood decal are body-color. Also on the SES model, the interior orange accent changes to Ano Gray. FordPass™ Connect replaces SYNC® Connect. EcoSport continues to offer available technology features subcompact utility buyers want. These include in-vehicle Wi-Fi, SYNC® 3 with Android Auto™ and Apple CarPlay™ compatibility, plus compatibility with Ford+ Alexa and Waze navigation, multiple USB charge ports and an 8-inch floating touch screen. EcoSport's award-winning 1.0-liter EcoBoost® engine carries over. *Exterior color choices carry over as well.*

STANDARD FEATURES

12V powerpoints (2)	Power windows and door locks

2019 ESCAPE

Small Utilities Class¹
Models: S, SE, SEL, Titanium

Escape Titanium. Shadow Black. Available equipment.

More of the features that make Ford Escape a top seller in the United States are packaged as standard equipment for 2019. SYNC® 3 and FordPass™ Connect, formerly SYNC® Connect, are standard on Escape SE, while a unique seating material is standard on SEL. Intelligent Access with push-button start and remote start are standard on SE, as is one-touch up or down front and rear power windows. Options for Escape SE include black roof rack side rails. SE and SEL customers can choose from an assortment of updated packages, including a Roof Package and a Sport Appearance or Sport Appearance Plus Package. A Safe and Smart Plus Package is optional for SE, SEL and Titanium customers. Panoramic Vista Roof is available on SE and SEL models as part of a package, and is available as a standalone option for Titanium. Escape continues to offer popular features such as a hands-free power liftgate, three powertrain options, and a host of driver-assist technologies, including enhanced active park assist and reverse sensing. All other content carries over. *New colors: Agate Black, Baltic Sea Green, Sedona Orange*

NEW 2019 **EDGE**

Midsized Utilities Class¹
Models: SE, SEL, Titanium, ST

Edge Titanium. Ruby Red Metallic Tinted Clearcoat. Available equipment.

With a new look for 2019, and a host of new features as standard equipment, including most standard drive assist technologies than any other midsize SUV, Ford also introduces to the line-up an all-new Edge ST, the first utility from Ford Performance (see Ford Performance Vehicles section for details). Edge offers SE, SEL and Titanium trim levels – all wearing sportier new front and rear fascia, grille, hood and liftgate. Edge features a new 8-speed automatic transmission and Auto Start-Stop is standard across the range. Edge is the first utility with standard Ford Co-Pilot360[™] including Pre-Collision Assist with Automatic Emergency Braking, Blind Spot Information System with cross-traffic alert, Lane-Keeping System, rearview camera and auto high-beam headlights. Post-impact braking and rain-sensing wipers are also standard. Ford Co-Pilot360 Assist+[™] Ford Co-Pilot360 Assist+ Ford Co-Pilot360 Assist+ is available on SEL, Titanium and ST and includes Adaptive Cruise Control with Stop & Go and Lane Centering, Evasive Steering Assist and voice-activated navigation with SiriusXM Traffic and Travel Link[®], making the 2019 Edge the smartest Edge ever. SiriusXM[®] Radio is standard on all series. A 12-speaker B&O PLAY premium audio system by HARMAN is standard on Titanium and ST. FordPass[™] Connect, previously SYNC[®] Connect, is standard across the lineup. Edge is compatible with popular tech features such as available Android Auto[™], Apple CarPlay[™], Ford+Alexa and Waze navigation.

Exterior enhancements include available bi-LED front lighting and new fog lamps available on SEL models and above. Five newly styled wheels are available, including an 18-inch bright-machined aluminum wheel with premium dark stainless-painted pockets. Interior changes include a standard rotary gearshift and wireless charge pad, which is standard on Edge Titanium and available on Edge SEL and ST. The console features two new storage bins. Silver roof rack side rails are standard on Edge SEL and Titanium not equipped with available Panoramic Vista Roof. The rearview camera now includes a lens washer. A front air curtain is standard across the range. ActiveX, a unique seating material is available for Edge SEL. New Titanium Elite Appearance Package includes 20-inch bright-machined aluminum wheels with premium dark stainless-painted pockets, body-color front bumper and lower fascia with chrome inserts, body-color rear bumper and body-color side cladding with bright chrome inserts. SE fleet Driver's Package includes 10-way power driver's seat and reverse sensing system. *New colors: Agate Black, Baltic Sea Green, Stone Gray*

2019 EXPLORER

Large Utilities Class¹
Models: Explorer, XLT, Limited, Sport, Platinum

Explorer Sport. Ruby Red Metallic. Available equipment.

The country's best-selling three-row SUV makes more technology available to more drivers for 2019. FordPass™ Connect, formerly SYNC® Connect, is standard on Ford Explorer Limited, Sport and Platinum models, and is included in the Driver Connect Package on XLT. Ford Safe and Smart Package – a suite of driver-assist features including Adaptive Cruise Control, forward collision warning with brake support and Lane-Keeping System – is standard for Platinum and available on XLT, Limited and Explorer Sport. Blind Spot Information System is no longer part of the Ford Safe and Smart Package, but is standard on XLT, Limited, Sport and Platinum models. XLT technology feature bundle includes voice-activated touch screen navigation with pinch-to-zoom capability, Siri-usXM® Traffic and Travel Link® and a universal garage door opener. Also new for 2019 is an XLT Appearance Package called Desert Copper that includes 20-inch polished aluminum wheels, chrome mirror caps, Ebony Black door trim panels with unique inserts, first- and second-row Ebony Black leather-trimmed seats with unique inserts and third-row Ebony Black vinyl seats with unique stitching. Available new Limited Luxury Package features 20-inch premium painted machined aluminum wheels, chrome mirror caps, door trim and leather inserts, multicontour front seats with Active Motion, Nirvana leather seats with micro-perforation and a leather steering wheel.

Other changes include standard paddle shifters on Explorer Sport and Platinum. Heated second-row seats are available for Explorer Sport. A molded-in-color black rear bumper is standard across the range, while power and heated side mirrors are standard on base and XLT models. LED fog lamps are standard on Explorer Limited, Sport and Platinum models and available on XLT. A power liftgate is standard on XLT. All other content – including available intelligent four-wheel drive with Terrain Management System™ and Hill Descent Control™ – is carryover. *New color: Agate Black Metallic*

ALL-NEW 2019 **RANGER**

Midsize Pickups Class¹
Models: XL, XLT, LARIAT

Ranger Lariat. Lightning Blue. Available equipment.

Ford Ranger makes a triumphant return for 2019 – a midsize pickup engineered Built Ford Tough, ready for adventure and packed with driver-assist technologies to enable easier driving both on- and off-road. Anchored by a high-strength steel frame and powered by a 2.3-liter EcoBoost® paired to an efficient 10-speed automatic, the all-new Ranger is available in either SuperCab or SuperCrew configuration. It can be optioned with 4x2 or 4x4, and comes in three trim levels – XL, XLT and Lariat. Chrome and Sport Appearance Packages are available. Technology comes built-in, starting with an 8-inch touch screen for available SYNC® 3, while a single or dual LCD productivity screen is available for real-time vehicle, navigation and audio information. Ranger has standard Pre-Collision Assist with Automatic Emergency Braking. A Lane-Keeping System that includes lane-keeping assist, lane-departure warning, reverse sensing and class-exclusive Blind Spot Information System with trailer coverage is standard on XLT and Lariat. Adaptive Cruise Control is standard on Lariat. Ranger’s muscular body features a high beltline, while a raked grille and windshield lend an athletic appearance and aid in aerodynamics and reduced wind noise. Short overhangs mean better approach and departure angles off-road.

Available FX4 Off-Road Package features off-road-tuned suspension, all-terrain tires, frame-mounted heavy-gauge steel front bash plate and skid plates, rear locking differential, innovative Terrain Management System™ with four distinct drive modes and Trail Control™. Ranger makes for a great piece of off-road gear, but it also gets work done on the pavement. Its rugged steel bumper with available integrated trailer hitch receiver means towing campers, ATVs or watercraft is a breeze. *New colors: Shadow Black, Oxford White, Ingot Silver, Magnetic, Blue Lightning, Saber, Hot Pepper Red, White Platinum Tri-Coat*

STANDARD FEATURES

18.0-gal. fuel tank capacity	Power windows and door locks
Auto Start-Stop Technology	Seats – Front buckets with flow-through console

2019 F-150

Full-Size Pickups Under 8,500 lbs. GVWR Class¹
Models: XL, XLT, LARIAT, KING RANCH,[®] PLATINUM, LIMITED, RAPTOR

F-150 King Ranch SuperCrew.[®] Oxford White. Available equipment.

Tough, smart and capable, Ford F-150 from America's truck leader enters 2019 with exciting new upgrades. A 3.3-liter V6 with 6-speed automatic remains the standard powerplant. The 2.7-liter EcoBoost[®] V6, 5.0-liter V8, 3.0-liter Power Stroke[®] turbodiesel V6 and 3.5-liter EcoBoost V6 are all paired with a 10-speed automatic transmission. Trim levels include XL, XLT, Lariat, King Ranch and Platinum trucks. Range-topping F-150 Limited gets a serious power upgrade with the high-output 3.5-liter EcoBoost engine previously only available on F-150 Raptor, plus a new high-flow dual-exhaust system and redesigned interior. F-150's Navy Pier interior color scheme changes to Camel Back two-tone. FordPass[™] Connect is now standard for F-150 XLT, while the CD player is deleted. XLT Sport Appearance Package gets new five-inch angular step bars. *New colors: Agate Black, Abyss Gray, Silver Spruce*

STANDARD FEATURES

- 23.0-gal. fuel tank capacity
- 2-speed automatic 4WD (4x4 LARIAT and above)

NEW 2019 TRANSIT CONNECT CARGO VAN

Small Vans Class¹
Models: XL, XLT

Transit Connect XLT Cargo Van. Silver. Available equipment.

America's best-selling compact van, Ford Transit Connect is significantly updated for 2019 to provide more technology, versatility and comfort and to help lower costs for personal and small business customers. Available in two models, a cargo van and passenger wagon, and with two wheelbase choices accommodating five, six or seven passengers, plus three trim levels – XL, XLT and Titanium – there's a Transit Connect for everyone. Major changes under the hood include an all-new powertrain – and the first diesel engine available for Transit Connect. A new 2.0-liter gasoline direct injection I-4 is standard, while a new 1.5-liter EcoBlue® turbocharged direct injection diesel is available early in 2019. Both engines feature standard Auto Start-Stop and are paired with a new 8-speed SelectShift® automatic transmission. Fleet customers can opt for a 2.5-liter iVCT I-4 gas engine with CNG/LPG gaseous fuel prep package. Inside, upgraded front seating provides all-day comfort, while a standard embedded 4G LTE modem with Wi-Fi can support up to 10 devices with available wireless charge pad. A 6.5-inch floating touch screen – running SYNC® 3 with Apple CarPlay™ and Android Auto™ capability – is standard on XLT and Titanium trim levels and optional for XL.

Transit Connect gets a major upgrade for 2019 with new technologies and the most driver-assist features in its class. Both cargo van and passenger wagon come with standard Pre-Collision Assist with Automatic Emergency Braking, side wind stabilization and a rearview camera. Available features include Blind Spot Information System with cross-traffic alert, Lane-Keeping System and Adaptive Cruise Control. New front-end styling for bumper cover and grille gives Transit Connect a freshened appearance, while new headlights add available high-intensity discharge technology; new LED fog lamps are optional. Five new 16-inch wheel designs in either steel or aluminum are available. *New colors: Kapoor Red, Blue Metallic, Diffused Silver*
