

Frequency® Lavatory System FL-Series Service Kits

Overview

The FL-Series Service Kits are designed to provide replacement parts for each section of the FL-Series lavatory systems. The FL-Series Service Kits tech data document is similar to other tech data, providing necessary options for ordering the kits. Complete the tech data for each service kit required for your system.

Construction

Terreon® Solid Surface Material (Bowl)

The continuous bowl is constructed of Terreon®, a densified solid surface material composed of a bio-based resin, or TerreonRE, a densified solid surface material composed of a bio-based resin and preconsumer recycled granules. Terreon and TerreonRE are resistant to chemicals, stains, burns and impact. Surface damage can be easily repaired with everyday cleansers or fine grit abrasives.

FL-Series Bowl Only Assembly

FL-1H-BOWL-ONLY, FL-1L-BOWL-ONLY, FL-2H-BOWL-ONLY, FL-2L-BOWL-ONLY, FL-3H-BOWL-ONLY and FL-3L-BOWL-ONLY

These kits are just for a replacement Terreon or TerreonRE bowl.

Code Compliance & Certifications

ANSI Standards

Terreon and TerreonRE are certified by Home Innovation Lab to meet CSA B45.5/IAPMO Z124.

Terreon and TerreonRE are GREENGUARD certified as low-emitting materials.
