Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller's proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. In the event Seller receives an instruction, order, or advice that Seller deems to be a change from anyone other than Buyer's Authorized Procurement Representative, Seller shall immediately advise Buyer's Authorized Procurement Representative of that instruction, order, or advice. Seller shall not be entitled to any adjustment of the Order price, delivery schedule or other Order provisions because of actions taken by the Seller pursuant to said instruction, order or advice without a written Purchase Order Revision, Change Order, or Supplemental Agreement to this Order issued by Buyer's Authorized Procurement Representative.

3.3 The Seller shall not make any changes in the Work or end items (including assemblies, subassemblies, parts and components thereof) that do not conform to the requirements of this Order without the prior written consent of Buyer. Seller also agrees that any employee, subcontractor, or agent provided under this Agreement to Buyer will abide by and perform in accordance with the employment policies of Buyer, which address mandatory internal dispute resolution of all covered claims, sexual and other unlawful harassment, drug and alcohol abuse, and equal employment opportunity. Seller shall indemnify and hold Buyer harmless against any liability arising from a violation of such policies by Seller's employee, subcontractor, or agent. In addition to any other remedies available to Buyer, Buyer may, without notice and an opportunity to cure, expel from its property/Worksite, or the property or Worksite of Buyer's Customer(s), any employee, subcontractor or agent of Seller found violating any Buyer policy.

12. Acceptance and/or Rejection

12.1 Buyer shall accept the Goods or give Seller notice of rejection within thirty (30) days after delivery, notwithstanding any payment or prior test or inspection. Buyer may revoke acceptance of Goods if the Goods are not conforming and if Buyer's acceptance was reasonably induced either by the difficulty of discovery before acceptance or by the Seller's assurances.

12.2 If Seller delivers nonconforming Goods, Buyer may require Seller to promptly correct or re-perform the nonconforming Goods. 14. Termination Buyer may terminate all or any part of this Order by written notice to Seller if (i) termination is in the best interest of the Buyer, (ii) Seller fails to deliver the Goods within the time specified by this Order or any written extension; (iii) Seller fails to perform any other provision of this Order or fails to make progress, so as to endanger performance of this Order, and, in either of these two circumstances, does not cure the failure within ten (10) days after receipt of notice from Buyer specifying the failure; or (iv) in the event Seller declares bankruptcy, suspension of business, or initiates any reorganization and/or arrangement for the benefit of its creditors. 18. Governing Law and Venue Buyer and Seller agree that this Purchase Order shall be deemed to have been executed and delivered within the State of New York and the rights and obligations of the Parties shall be construed and enforced in accordance with, and governed by the laws of the State of New York without regard to conflict of laws rules. Seller further understands that Buyer is a defense contractor providing Work for the United States Government, and as such, is under certain mandatory security obligations with regard to access to its facilities and technology. Due to the fact that disclosure of certain information to any individual may be deemed an export,

Seller agrees that it will not assign any Worker to perform services under this Agreement (including the Seller him or herself) unless that person qualifies as a "U.S. person," defined as:

In addition to the foregoing requirements, Seller will comply with the Immigration Reform and Control Act of 1986 ("IRCA") and in particular, have all of its Workers fill out an I-9 form, verifying their authorization to Work in the United States.

19.3 Foreign Corrupt Practices Act and Anti-Bribery Laws Seller agrees that in connection with activities under this Agreement it shall not make or promise to make any improper payments, or provide or offer to provide anything of value, directly or indirectly, to government officials or other parties in violation of the Foreign Corrupt Practices Act or other applicable anti-bribery laws.

19.5 Indemnification Seller shall indemnify and hold Buyer harmless for all claims, demands, damages, costs, fines, penalties, attorneys' fees, and other expenses arising from Seller's failure to comply with this clause.

20. Rights and Remedies Any failures, delays or forbearances of either party in insisting upon or enforcing any provisions of this Order, or in exercising any rights or remedies under this Order, shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect. Except as otherwise limited in this Order, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the parties may have at law or in equity. If any provision of this Order is or becomes void or unenforceable by law, the remainder shall be valid and enforceable.

21. Dispute Resolution

21.1 Disputes Under This Agreement.

21.1.1 "Dispute" as used herein shall mean (i) any and all claims or disputes that in any way arise out of or relate to this Order, the negotiation or execution thereof, its performance, or the breach or enforcement thereof; (ii) any claims or disputes that in any way concern the conduct of any party in connection with this Order or the relationship or duties of the parties contemplated under this Order; or (iii) claims or disputes concerning the validity or scope of the terms and conditions of this Order (including, but not limited to, this Section). Buyer and Seller intend that the definition of "Dispute" shall have the broadest scope permitted by law and that, without limiting the generality of the foregoing, shall be deemed to include all claims between the parties, including, but not limited to, any claims for fraud, misrepresentation, negligence, libel and slander, misuse or theft of trade secrets or other confidential information, unfair competition, unfair trade practices, or other tort law claims.

21.1.2 The parties agree that any Dispute between them or against any agent, employee, successor, or assign of the other shall be settled, to the extent possible by good faith negotiations. Any Dispute which the parties cannot resolve by good faith negotiations within thirty (30) days or such longer period as the parties may mutually agree to shall be submitted and finally resolved by a court of competent jurisdiction.

21.1.3 Until final resolution of any Dispute hereunder, Seller shall proceed diligently with the performance of this Order unless otherwise directed by Buyer in writing.

21.1.4 Buyer's rights under the terms and conditions of this Order are cumulative and in addition to any other rights available at law or equity.

21.2 Disputes Under Prime Contract Provision

21.2.1 Notwithstanding Section 21.1, any Dispute arising under or related to this Order, which Buyer could include in a claim or other demand under the disputes provisions of the prime contract shall be resolved, at Buyer's option, as follows: (i) Seller shall provide Buyer with a fully supported written claim, properly certified, within twenty (20) days after the claim accrues; (ii) Seller shall cooperate with Buyer in prosecuting Seller's timely made claim or demand and will be bound by the resulting decision; and (iii) Seller shall pay its proportional costs in pursuing the claim. If Seller fails to provide Buyer with a written claim for any Dispute that could fall within this Section within twenty (20) days after the claim arises, Seller is deemed to have waived the claim and may not bring the claim under Section 21.1 or 21.2.

21.2.2 Buyer's entire liability to Seller with respect to any matter prosecuted under the prime contract disputes clause shall be limited to the recovery obtained against the Government (or prime contractor) for Seller's claims, less markups specifically allowed Buyer. If Seller is affected by the resulting decision and Buyer elects to appeal, Seller shall pay to Buyer Seller's proportion of the appeal costs. If Buyer elects not to appeal the decision, Buyer shall notify Seller of such decision within thirty (30) days. If Seller submits a timely request to Buyer to appeal such decision, Buyer shall file an appeal, at Seller's sole cost, if Buyer may do so in good faith. Buyer has the right to review, prior to submission, any pleading or other papers Seller wants to file in such appeal. Seller agrees to delete any admissions or statements in the pleadings or papers to which Buyer reasonably objects. If Buyer appeals such decision, whether or not at Seller's request, any decision regarding such appeal shall be binding on Buyer and Seller as it relates to this Order. Section 21.1 does not apply to disputes and appeals prosecuted under the prime contract.

21.3 Until final resolution of any Dispute hereunder, Seller shall proceed diligently with the performance of this Order unless otherwise directed by Buyer in writing.

21.4 Seller is expressly precluded from filing a direct claim or direct course of action against the U. S. Government as a result of this Order.

21.5 Buyer's rights under the terms and conditions of this Order are cumulative and in addition to any other rights available at law or equity.

22. Transfer/Assignment, and Subcontracting No right or interest of Seller or Buyer hereunder or arising out of this Order may be assigned or transferred, whether by operation of law or otherwise, and/or all or substantially all of its performance of this Order without the prior written consent of Buyer or Seller, respectively, which shall not be unreasonably withheld. Notwithstanding the foregoing, Buyer may assign this Order without Seller's consent to a successor company resulting from a restructuring, consolidation, merger or other combination within General Dynamics. Seller shall not delegate any of its duties or obligations under this Order. Seller may assign its right to monies due or to become due. No assignment, transfer, delegation or subcontracting by Seller, with or without Buyer's consent, shall relieve Seller of any of its obligations under this Subcontract or prejudice any of Buyer's rights against Seller whether arising before or after the date of any assignment or transfer. This article does not limit Seller's ability to purchase standard commercial supplies or raw materials. Any unauthorized transfer or assignment is void.

23. Gratuities Seller warrants that neither it nor any of its employees, agents or representatives have offered or given, or will offer or give, any gratuities to Buyer's employees, agents or representatives for the purpose of securing this Order or securing favorable treatment under this Order.

24. Publicity Except as required by law, Seller shall not issue any press release or make any other public statement relating to this Agreement, any Work done under this Agreement or any of the transactions contemplated by this Agreement without obtaining the prior written approval of Buyer as to the contents and the manner of presentation and publication of such press release or public statement.

25. Order of Precedence The rights and obligations of the parties to this Order shall be subject to and governed by the Statement of Work, these Terms and Conditions, and any proposals, specifications or other documents or provisions which are made a part of this Order by reference or otherwise. To the extent of any inconsistency between (i) the Statement of Work and these Terms and Conditions and (ii) proposals, specifications or other documents or provisions which are made a part of this Order by reference or otherwise, the Statement of Work and these Terms and Conditions shall control. To the extent of any inconsistency between (i) the Statement of Work and (ii) these Terms and Conditions, the Statement of Work shall control.

26. Organizational Conflict of Interest Seller certifies that to the best of its knowledge performance of this Order does not constitute an organizational conflict of interest as defined in FAR Part 9.5. If during the course of performance Seller becomes aware of any possible organizational conflict of interest due to its performance or the SOW under this Order, Seller shall promptly notify Buyer.

Buyer and/or its customer will duly notify Seller of any such claim, suit or action; and Seller will, at its own expense, fully defend such claim, suit or action on behalf of indemnitees.

Seller will have no obligation under this article with regard to any infringement arising from (a) Seller's compliance with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (b) use or sale of Goods in combination with other items when such infringement would not have occurred from the use or sale of those Goods solely for the purpose for which they were designed or sold by Seller.

For purposes of this article only, the term Buyer will include the General Dynamics Corporation, all of its subsidiaries, all officers, agents, and employees of Buyer.
