

SUBARU'S  
AWARDS AND ACCOLADES

**SUBARU CANADA, INC.**  
560 Suffolk Court  
Mississauga, ON  
L5R 4J7

\*To determine crashworthiness, IIHS rates vehicles good, acceptable, marginal or poor, based on performance in five tests. To qualify for 2017 Top Safety Pick+, a vehicle must earn good ratings in the small overlap front, moderate overlap front, side, roof strength and head restraints tests. Vehicles must also offer, as optional equipment, either forward collision warning and/or autonomous braking system(s) (Subaru EyeSight®) and earn an advanced or superior rating for front crash prevention. For more details, visit [www.iihs.org](http://www.iihs.org). The Insurance Institute of Highway Safety (IIHS) rates models with optional or standard front crash prevention systems as superior, advanced or basic based on the availability of autonomous braking (autobrake) and its effectiveness in 12 mph and 25 mph tests. \*ALG is the industry benchmark for residual values and depreciation data, [www.alg.com](http://www.alg.com). Based on ALG's 2017 Residual Value Award. The 2017 Outback was awarded the 2017 Residual Value Award in the Midsize Utility (2 Row) segment for the 7th year in a row. The 2017 WRX (including WRX STI) was awarded the 2017 Residual Value Award in the Sports Car segment. The 2017 Crosstrek was awarded the 2017 Residual Value Award in the Subcompact Utility segment. Subaru was awarded the 2017 Residual Value Award for the overall Mainstream Brand 3rd year in a row. \*Based on IHS Markit Automotive Canadian vehicles in operation data for MY 2007-2017 as of June 30, 2016. Actual longevity of any car will vary based upon operating conditions. \*AutoPlanner comparison of highway fuel economy for all 2016 full-time AWD vehicles within the Compact Sport Utility segment, as of February 12, 2016. Vehicle shown solely for purposes of illustration, and may not be equipped exactly as shown. See your local Subaru dealer for complete program details. # MODEL YEAR 2017 SUBARU FLEET PROGRAM

With a great model lineup to suit your business needs, it simply makes sense to add the safety, value and reliability of Subaru symmetrical full-time All-Wheel Drive vehicles to your fleet. Thanks to the Subaru symmetrical full-time All-Wheel Drive system, all Subaru fleet vehicles are uniquely equipped to offer unsurpassed control and safety in all types of weather conditions and on all types of road surfaces. Affordable acquisition costs, high residual value and volume fleet incentives make Subaru vehicles an excellent value and a smart investment. With the all-weather safety of All-Wheel Drive, outstanding value and the reliability of Subaru engineering, Subaru fleet vehicles will make a welcome and intelligent addition to any business.

## **2017 MODEL YEAR FLEET ASSISTANCE PROGRAM**

- Fleet program allowances apply only to commercial fleet accounts approved and registered with Subaru Canada, Inc.
- Fleet program allowances (credits) are passed through to the purchaser and are shown as a distinct line item on the bill of sale.
- Special fleet concessions (bid assistance) may be available in lieu of the published program for volume purchases. This will be done on a "stair step" system, and will be available retroactively based on vehicles actually purchased. All fleet concessions must be pre-approved in writing by the Director, Vehicle Operations and Fleet Sales.

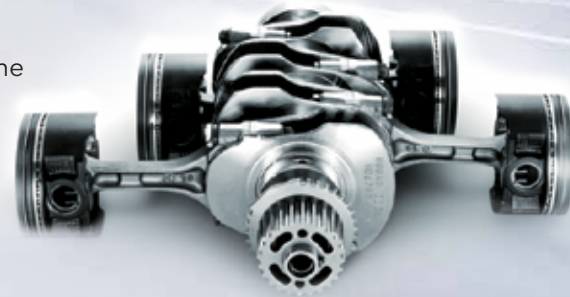

# SUBARU CORE TECHNOLOGY

## Innovation that moves you

In the automotive world, there can be no awards, no customer loyalty and no year-over-year sales increases without constant innovation. We have great respect for our competitors, which is why we are always working to stay at least one step ahead. Our innovative approach connects to all aspects of all our vehicles so that our customers feel more confident and connected to their vehicles.

## Subaru Boxer

For over 50 years, Subaru has developed, refined and perfected the SUBARU BOXER, the engine used in every one of our vehicles. In this layout, known generically as the flat or horizontally opposed engine, the pistons are laid flat and move parallel to the ground rather than straight up and down or at an angle. The SUBARU BOXER is a major reason why our vehicles deliver such a smooth, powerful and confidence-inspiring feeling behind the wheel.

### Better Handling

The low centre of gravity of the SUBARU BOXER improves stability in the corners, contributing to a more comfortable ride, and helps to make our vehicles more responsive in an accident-avoidance situation.

### Better Performance Efficiency

When pistons move side-to-side, an inherently better-balanced design, they create less vibration, improve performance and reduce wear and tear on moving parts.

### Better Acceleration

This engine type is compact, lightweight, and symmetrically positioned low in the chassis for smoother and more direct power delivery.

### Better Crash Worthiness

Due to the relatively small size and low profile of the SUBARU BOXER engine compared to similar displacement engines, it slides underneath the cabin in a severe frontal collision.

## Continuously Variable Transmission

The Lineartronic® CVT (Continuously Variable Transmission) is the ideal link between the smooth power of the SUBARU BOXER engine and the confident control of Subaru symmetrical full-time All-Wheel Drive. Thanks to this innovative transmission, your Subaru can achieve better acceleration, smoother performance and significantly improved fuel economy. This super-efficient technology is available on the 2017 Subaru Impreza, Crosstrek, Forester, Legacy and Outback. Also an exclusive sport-tuned version is available on the 2017 WRX.

## 40 Years of AWD

The Subaru symmetrical full-time All-Wheel Drive system is the result of over 40 years of continuous improvement, including a successful run in the FIA World Rally Championship. Any all-wheel drive system has the potential to create added confidence, particularly when the weather worsens, but the Subaru system enjoys a healthy advantage over the competition because it's full-time and, therefore, always on. This means that the system is always providing extra traction, safety and security under all driving conditions – when driving at speed, when cornering or when braking – without delay. The other advantage of the Subaru system is the symmetrical layout itself, which provides unmatched balance, superior efficiency and smooth power delivery. All of these qualities combine to make Subaru a leader in all-wheel drive technology and to give the Subaru driver unmatched confidence behind the wheel.

Symmetrical full-time All-Wheel Drive delivers maximized traction at all times...at all speeds...even when braking - without delay!

## Subaru Warranty Coverage

Every Subaru vehicle is designed and built to offer our customers the highest possible quality and reliability. We are proud of our vehicles and are also proud to stand behind them with a comprehensive warranty. For 2017 model year vehicles, the warranty on all Subaru vehicles consists of:

### New Vehicle Limited Warranty (36 month/60,000 km)

This warranty covers basic and major components for 36 months or 60,000 km.

### Major Component Limited Warranty (60 month/100,000 km)

This warranty continues to cover major components to 60 months or 100,000 km.

### Surface Corrosion Limited Warranty (36 month/60,000 km)

This warranty covers surface corrosion to visible painted body panels for 36 months or 60,000 km.

### Anti-Perforation Limited Warranty (60 month/Unlimited km)

This warranty covers perforation due to corrosion to body sheet metal panels for 60 months, regardless of kilometres.

### Emission Control System Limited Warranty

This warranty covers the majority of emissions components for 36 months or 60,000 km and the major parts of the emission control system for 96 months or 130,000 km.

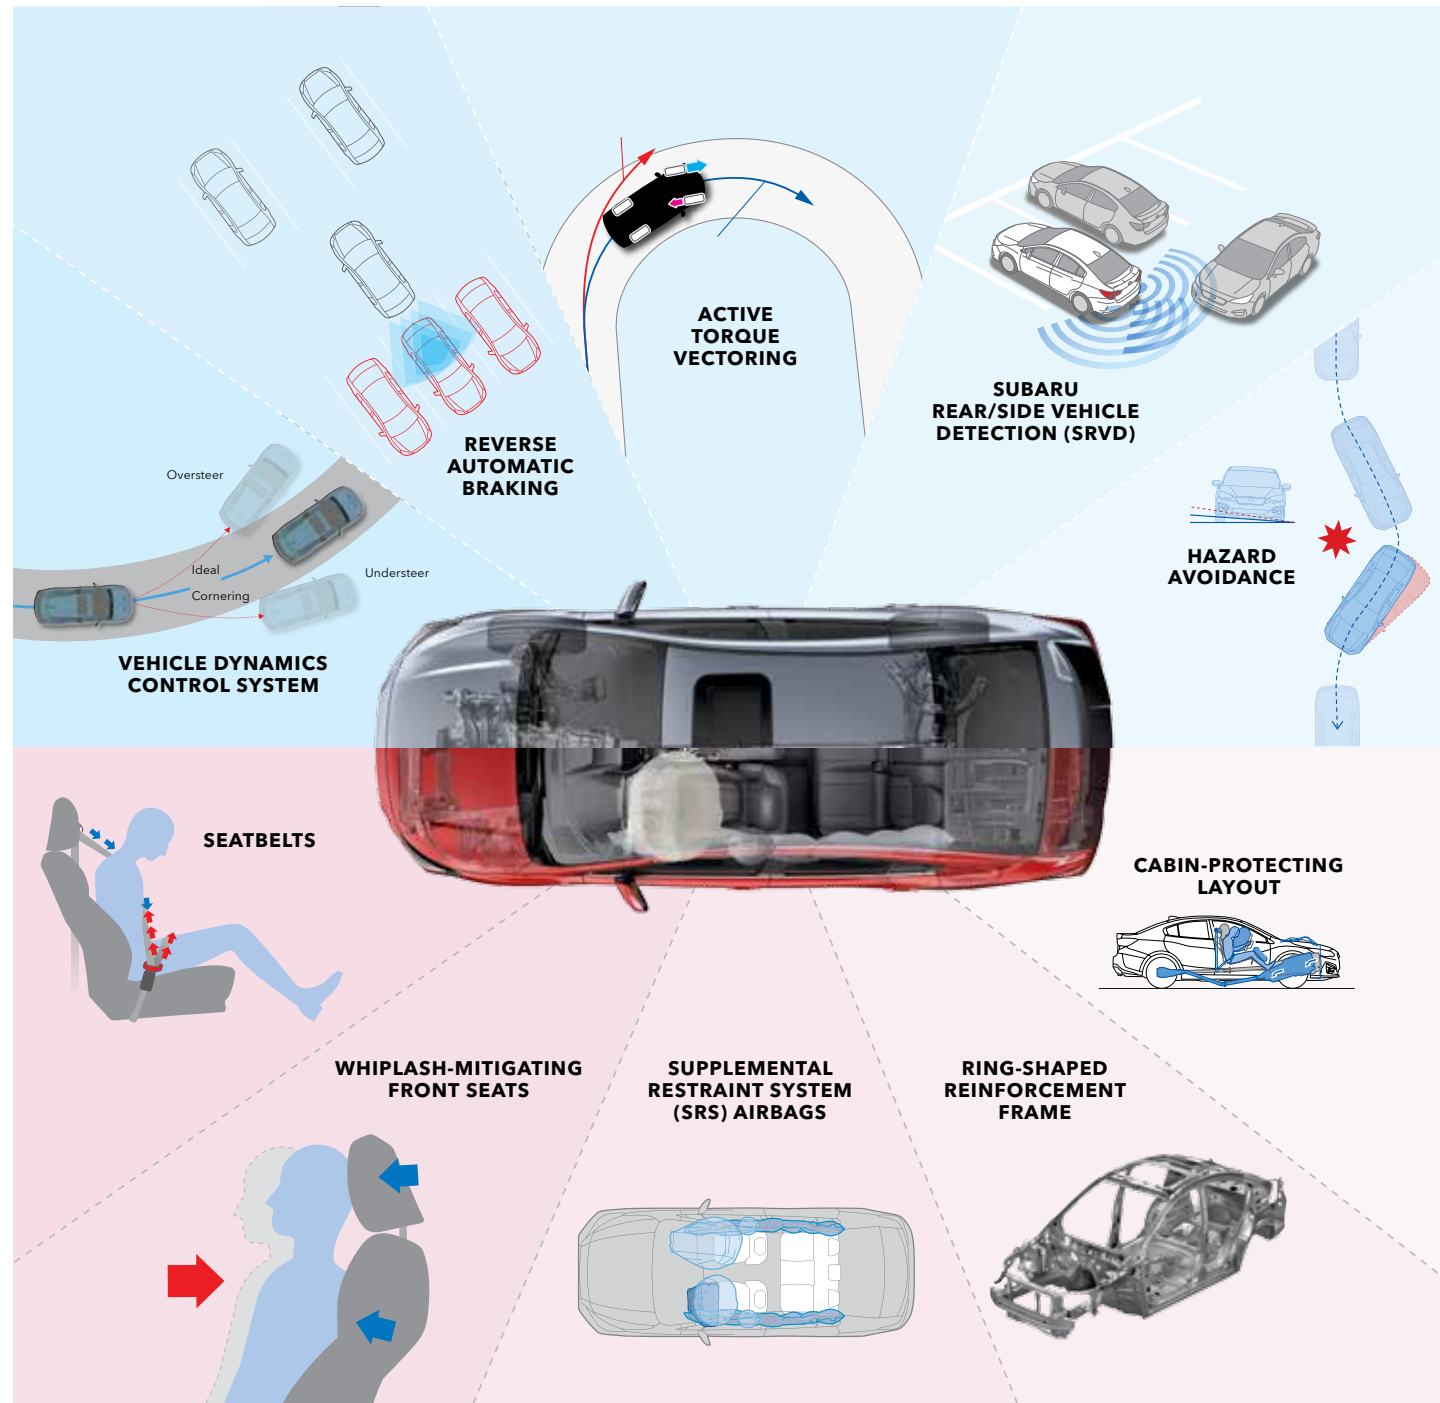

### Parts and Accessories Limited Warranty

This warranty covers Subaru parts and accessories installed by the dealer prior to retail delivery of the vehicle for 36 months or 60,000 km and Subaru parts and accessories installed by the dealer after the retail delivery of the vehicle for 12 months or 20,000 km from the date of the installation.

Note: The above information is an overview of warranty coverage and is not a warranty statement. Please refer to your Subaru warranty booklet for full warranty coverage, including limitations and restrictions.

# SUBARU CORE TECHNOLOGY

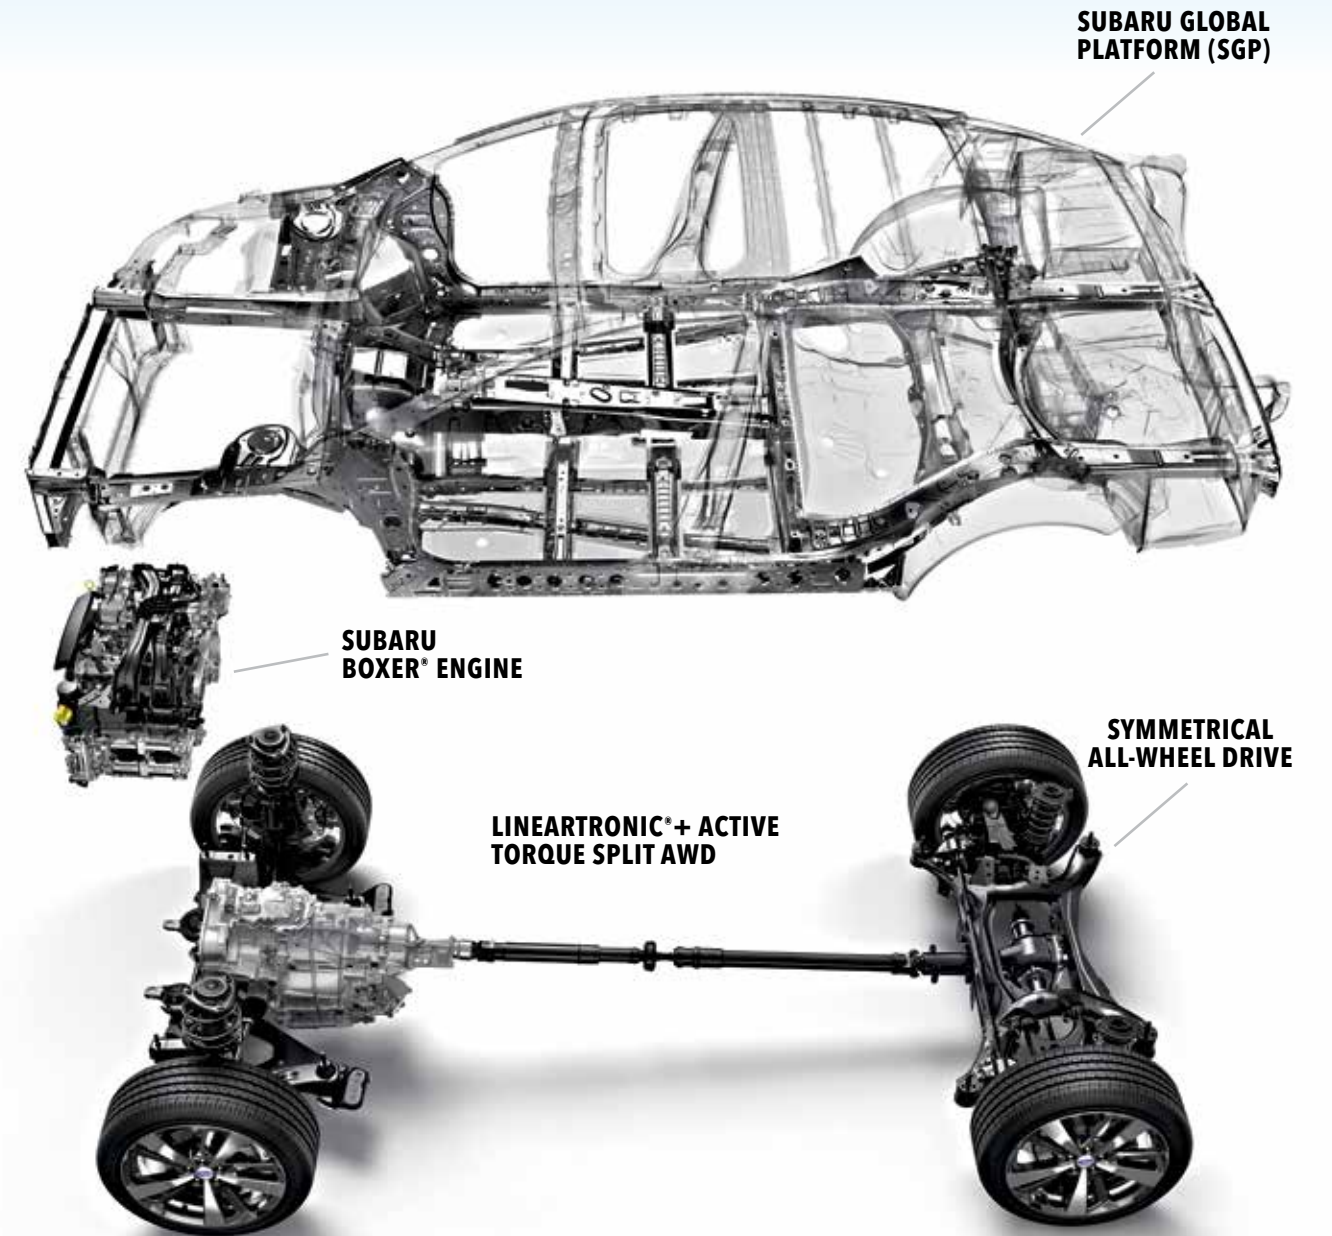

## Some things are worth protecting.

Subaru's core technologies define the Subaru brand and give you the unique driving feel you can only find in a Subaru. These core systems allow Subaru vehicles to live up to their standards in performance, confort and safety while keeping it's promise - to deliver enjoyment and peace of mind to all passengers

## Subaru Global Platform (SGP)

The all-new Subaru Global Platform (SGP) is the chassis that will underpin the next generation of Subaru vehicles. Setting new standards in safety and performance, it's the single biggest advancement in all-around performance. It goes beyond better safety performance to offer a driving feel you can only find in a Subaru. It's the future of Subaru, and it delivers even more enjoyment and peace of mind to all drivers and passengers.

# 2017 IMPREZA

**HIGHEST RATED SMALL CAR IN ALL IIHS EVALUATIONS\***

\*As of February, 2017. With optional Eyesight® & Steering Responsive Headlights.

COMPACT IN SIZE,  
**HUGE IN STYLE  
AND SUBSTANCE.**

The all-new 2017 Subaru Impreza raises the bar in the compact segment, striking a chord with drivers who never sit still and reject compromise at every turn. Armed with the legendary Subaru symmetrical full-time AWD system, the SUBARU BOXER® engine and an all-new platform, the new Impreza is stronger, safer and higher performing than ever before. Whether you choose the 4-door or 5-door version, you'll be thrilled by the bolder styling, new infotainment systems, increased connectivity, and stratospheric levels of comfort and control. To top it all off, the new Impreza packs a bigger punch in terms of value, with more standard features for the same low base price than in years past. So there's no reason to be a spectator now... step into the Impreza and get ready to experience all that life has to offer.

## 2.0i Convenience 4-door and 5-door

- 152-hp 2.0-litre 4-cylinder SUBARU BOXER® engine with direct injection
- Subaru Symmetrical Full-Time All-Wheel Drive
- 5-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- 16-inch steel wheels with covers
- Power-adjustable, heated, body-colour side mirrors
- Cloth upholstery
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- Manually adjustable air conditioning system with air filtration
- One-touch turn signal
- Information display
- Electronic cruise control
- Rearview Camera
- 6.5-inch infotainment system: AM/FM/CD/MP3/WMA audio system with high-resolution touchscreen display, Apple CarPlay™, Android Auto™, STARLINK™ smartphone integration (including Aha™ radio), 4 speakers, USB port/iPod® control, auxiliary audio input, steering wheel-integrated controls, Bluetooth® mobile phone connectivity with voice activation and Bluetooth® streaming audio

## 2.0i Touring 4-door and 5-door

Includes 2.0i Convenience key features and adds/upgrades:

- 16-inch aluminum-alloy wheels
- Fog lights
- Auto-on/off headlights
- Leather-wrapped steering wheel
- Automatic climate control
- Dual-mode heated front seats
- Windshield wiper de-icer
- Steering wheel-mounted paddle shifters (CVT only)
- Rear centre armrest with cupholders
- 6 speakers
- Gauge cluster with colour LCD display
- 6.3-inch colour multifunction display
- Cargo area tonneau cover (5-door)

## 2.0i Sport 4-door and 5-door

Includes 2.0i Touring key features and adds/upgrades:

- 17-inch aluminum-alloy wheels

## 2017 LEGACY

**IIHS TOP SAFETY PICK+ WINNER\***  
\*With optional Eyesight® & HID Headlights.

### A MID-SIZE SEDAN, SUPER-SIZED RETURNS.

The 2017 Subaru Legacy delivers on all the qualities for which Subaru has become famous: rock-solid reliability, superior dependability and excellent value for the money. But this family sedan is also designed to be more engaging, more comfortable and more confidence-inspiring than most. The superior engineering of the Legacy extends from the efficient performance of the engines to the class-leading driving dynamics. The safety systems, which have garnered top results for the Legacy in the past, have been enhanced for the new model year. To cap it off, the new Sport model features more dynamic styling inside and out, making this accomplished award-winner a more compelling proposition than ever before.

#### 2.5i

- 175-hp 2.5-litre 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical Full-Time All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- Active Torque Vectoring
- Heated front seats
- 10-way power adjustable driver's seat, including lumbar support
- 6.2-inch Infotainment System: AM/FM/CD/MP3/WMA audio system with high-resolution touchscreen display, STARLINK™ smartphone integration (including Aha™ radio), 4 speakers, USB port/iPod® control, auxiliary audio input, steering wheel-integrated controls, Bluetooth® mobile phone connectivity with voice activation and Bluetooth® streaming audio, and SiriusXM® Satellite Radio
- 3.5-inch colour multifunction display
- Rearview Camera
- Available PZEV Option: Includes PZEV emissions equipment and rear badge

#### 2.5i Sport

Includes 2.5i Touring key features and adds:

- 18-inch aluminum-alloy wheels
- Sidesill spoiler with chrome trim
- Satin chrome door mirrors
- Platinum Grey Two-Tone interior with blue stitching

## 2017 CROSSTREK

### SUBARU CROSSTREK Canadian Black Book Best Retained Value Award - Compact Car\*

\*2017 Canadian Black Book Best Retained Value Award winner - Compact Car category. Based on value retained from original MSRP for 2013 model year vehicles as published by CBB, as of January 1, 2017. See CanadianBlackBook.com for complete details.

### THE GAME-CHANGING COMPACT CROSSOVER

The 2017 Subaru Crosstrek is the perfect choice for urban types who crave fun, inside or outside the city limits. With this value-packed vehicle, you have all the benefits of a true crossover (generous ground clearance, ample cargo space, excellent versatility) combined with the advantages of driving a sporty hatch (crisp response, superior handling, stellar fuel efficiency). Under the skin, the Crosstrek benefits from Subaru symmetrical full-time All-Wheel Drive, the robust SUBARU BOXER engine, rock-solid reliability and class-leading safety systems, which have been enhanced for the new model year on select models. The new Subaru Crosstrek Kazan Edition – available in limited quantities – gains a sportier look courtesy of aluminum pedals, mesh grille, sunroof, a rear spoiler, red interior stitching and trim accents, 5-spoke alloy wheels and an exclusive Pure Red exterior paint treatment.

#### Crosstrek Touring

- 148-hp 2.0-litre 4-cylinder SUBARU BOXER® engine (PZEV-rated)
- Subaru Symmetrical Full-Time All-Wheel Drive
- 5-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- 220 mm of ground clearance
- 17-inch aluminum-alloy wheels
- Auto-on/off headlights
- Welcome lighting
- Fog lights
- Roof rails
- Roofline spoiler with integrated brake light
- Premium cloth upholstery with orange accent stitching
- Heated front seats and side mirrors
- Automatic climate control
- One-touch turn signal
- Rearview Camera
- 6.2-inch infotainment system: AM/FM/CD/MP3/WMA audio system with 6.2-inch high-resolution touchscreen display, STARLINK™ smartphone integration (including Aha™ radio), 6 speakers, USB port/iPod® control, auxiliary audio input, steering wheel-integrated controls, Bluetooth® mobile phone connectivity with voice activation and Bluetooth® streaming audio, and SiriusXM® Satellite Radio

#### Crosstrek Sport

Includes Touring key features and adds:

- Large roofline spoiler with integrated brake light
- HID headlights
- Power tilting and sliding glass sunroof
- Leather-wrapped steering wheel and shift knob
- Subaru Rear/Side Vehicle Detection (SRVD) with Blind-Spot Detection (BSD) and Rear Cross-Traffic Alert (RCTA)
- 2.0i Sport with Technology Package Option: Includes EyeSight® Driver Assist Technology, Proximity Key with Push-button Start and Steering Responsive Fog Lights

#### Crosstrek Limited

Includes Sport key features and adds:

- Leather-trimmed upholstery with orange accent stitching
- Body-colour side mirrors with integrated turn signals
- Roofline spoiler with integrated brake light
- Piano black shift bezel with leather shift boot
- Dual-zone automatic climate control system
- Aluminum pedals
- Body-colour door handles with chrome accents
- 7-inch infotainment system with navigation: AM/FM/CD/MP3/WMA audio system with 7-inch high-resolution capacitive touchscreen display with GPS navigation system, STARLINK™ smartphone integration (including Aha™ radio), 6 speakers, dual USB port/iPod® control, auxiliary audio input, SMS text messaging capability, Bluetooth® mobile phone connectivity with voice activation and Bluetooth® streaming audio, and SiriusXM® Satellite Radio with Advanced Audio Features, SiriusXM® Traffic® and Travel Link® (optional services)
- SUBARU Map Update Program
- 2.0i Limited with Technology Package Option: Includes EyeSight® Driver Assist Technology, Proximity Key with Push-button Start and Steering Responsive Fog Lights

# 2017 FORESTER CROSSTREK

## 2017 FORESTER

## 2017 FORESTER Canadian Utility Vehicle of the Year

### THE COMPACT SUV THAT SIMPLY FITS

Already a standout performer, the Subaru Forester has been redesigned inside and out to put even more distance between itself and the competition. This compact SUV offers an unbeatable combination of all-road/all-weather capability, superior reliability, advanced safety features, exceptional value and sheer driving enjoyment. The Subaru symmetrical full-time AWD is augmented by X-MODE, a system that offers added control when conditions are at their worst, as well as an improved ride and steering. The two SUBARU BOXER engines available are lightweight, responsive, fun and frugal – the Forester delivers best-in-class fuel efficiency among compact SUVs with full-time AWD. The enhanced passenger cabin is a spacious environment with excellent visibility, a higher-quality feel and a versatile cargo compartment. All told, the 2017 Subaru Forester represents a refreshing combination of features that accommodates each and every direction your life may take.

#### 2.5i

- 170-hp 2.5-litre 4-cylinder PZEV SUBARU BOXER® engine
- Subaru Symmetrical Full-Time All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT

# 2017 FORESTER

## 2017 OUTBACK

**IIHS TOP SAFETY PICK+ WINNER\***  
\*With optional Eyesight® & HID Headlights.

### THE MIDSIZE SUV ALTERNATIVE THAT SIMPLY FITS

The 2017 Subaru Outback is the mid-size SUV alternative designed to help you get more enjoyment out of life's adventures. There are two different SUBARU BOXER engines to choose from, both of which deliver potency, efficiency and ultimate satisfaction. The Subaru symmetrical full-time AWD system is complemented by X-MODE for even more rugged capability, while the car-like handling makes the open road equally enticing. The Outback also features impressive refinement, incredible utility, generous passenger space and ample amenities to make even the most adventurous drive feel unexpectedly civilized. For the new model year, new advanced safety systems have been added to select models. The new Outback 2.5i and 3.6R Premier with Technology Package, featuring a sleeker exterior and a more refined vibe inside and out, have joined the line-up.

#### 2.5i

- 175-hp 2.5-litre 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical Full-Time All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- X-MODE® (CVT only)
- Active Grille Shutter
- Roof rails with integrated swing-in-place and adjustable cross bars
- Multireflector halogen fog lights
- Roof spoiler
- 10-way power adjustable driver's seat with lumbar support
- Heated front seats
- 6.2-inch Infotainment System: AM/FM/CD/MP3/WMA audio system with high-resolution touchscreen display, STARLINK™ smartphone integration (including Aha™ radio), 4 speakers, USB port/iPod® control, auxiliary audio input, steering wheel-integrated controls, Bluetooth® mobile phone connectivity with voice activation and Bluetooth® streaming audio, and SiriusXM® Satellite Radio
- Rearview Camera
- Available PZEV Option: Includes PZEV emissions equipment and rear badge

#### 2.5i and 3.6R Limited

Includes 2.5i and 3.6R Touring key features and adds:

- Lineartronic® CVT (Continuously Variable Transmission)
- X-MODE®
- 18-inch aluminum-alloy wheels
- HID (High Intensity Discharge) low-beam headlights
- Perforated leather seating surfaces
- Two-position driver's seat memory
- 4-way power adjustable front-passenger's seat
- Heated rear seats and heated steering wheel
- Rear climate control vents
- 7-inch Infotainment System with Navigation: AM/FM/CD/MP3/WMA audio system with high-resolution capacitive touchscreen display with GPS navigation system, STARLINK™ smartphone integration (including Aha™ radio), Siri® Voice Recognition, dual USB port/iPod® control, auxiliary audio input, SMS text messaging capability, Bluetooth® mobile phone connectivity with voice activation and Bluetooth® streaming audio, and SiriusXM® Satellite Radio with Advanced Audio Services, SiriusXM® Traffic® and Travel Link®
- 12-speaker, 576-watt equivalent Harman Kardon® audio system
- SUBARU Navigation Map Update Program
- Technology Package Option: Includes EyeSight® Driver Assist Technology with Lane Keep Assist, Proximity Key with Push-button Start, 5-inch multi-information display, Steering Responsive Fog Lights, Auto-dimming compass mirror with HomeLink®, Reverse Automatic Braking and High Beam Assist

#### 2.5i and 3.6R Touring

Includes 2.5i key features and adds:

- 175-hp 2.5-litre 4-cylinder SUBARU BOXER® engine or optional 256-hp 3.6-litre 6-cylinder SUBARU BOXER® engine with high-torque Lineartronic® CVT (Continuously Variable Transmission)
- 17-inch aluminum-alloy wheels
- Power tailgate
- Power tilting and sliding glass sunroof
- Auto-dimming, heated side mirrors with integrated LED turn signals and approach lighting
- Auto-dimming rearview mirror with HomeLink®
- Windshield wiper de-icer
- Leather-wrapped 3-spoke steering wheel and shifter handle

# 2017 OUTBACK

## SUBARU'S AWARDS AND ACCOLADES

There are many different reasons to choose a vehicle, but the Subaru difference just might be the most compelling reason of all. Our commitment to designing and engineering high-quality, safe, fun-to-drive vehicles is second to none.

Our approach is designed to give the Subaru driver an unsurpassed level of confidence behind the wheel.

This dedication has also helped us to consistently rank as one of the industry's top manufacturers. But there's no need to take our word for it; just read on and learn about all the awards and accolades Subaru has received in the recent past.

### IIHS TOP SAFETY PICK WINNERS

### 2017 BEST MAINSTREAM BRAND

Subaru holds its value better than all other mainstream brands in Canada.  
3 Consecutive Wins

### 2017 FORESTER - CANADIAN UTILITY VEHICLE OF THE YEAR

### 2017 Best Retained Value Award for Overall Brand - Car.

### HIGHEST RATED SMALL CAR IN ALL IIHS EVALUATIONS\*

## GETTING INVOLVED AND STAYING INVOLVED

Subaru Canada takes great pride in its sponsorship and involvement with many sporting events and charitable causes in Canada. We view our involvement as a way to ensure that great people and great organizations get the help they need. From our sponsorship of the Subaru Ironman Canada Triathlon and the Subaru Canada Triathlon Series to our proud support of

and  
Golf Fore the Cure.

GOLF fore  
the CURE.

To us, getting involved isn't a choice, it's the only option.
