Notification of a Retail Marijuana License Application

Please accept this notification in compliance with Grand County Resolution No. 2014-1-26, Ordinance #14, Section 9(a) Notice of Applications. To view the Grand County Marijuana License Ordinance, please go www.co.grand.co.us. A map of the property and photo of the proposed location is enclosed.

Applicant: jc's YuYo dostipos LLC dba YuYo
Location: 12365 Highway 34, Grand Lake, Colorado 80447
Legal Description: Pine Beach Subdivision, Lot 13, Block 8
License Type: Retail Marijuana Store

I would like to take this opportunity to describe the process that the County will follow with regard to Retail Marijuana Licenses.

- The applicant makes application to the Marijuana Enforcement Division of the Colorado Department of Revenue for a retail license (retail marijuana stores, retail marijuana cultivation facilities, retail marijuana products manufacturers, retail marijuana testing facilities, and warehouse permits) within unincorporated Grand County.
- Within seven days of receiving an application, the Marijuana Enforcement Division sends a duplicate of the state application as notification to the County.
- The County starts the process by notifying the applicant that the state application has been received by the County. The applicant will be provided with a Grand County application and a list of additional items needed by the County if an application has not already been provided.
- The County makes notification of the application to the County Planning and Zoning Department, the County Sheriff, and local fire department. In addition, the County will make courtesy notification to the taxing entities and adjacent taxing entities for the licensed premises as well as property owners within a 1000-foot radius of the premises. Note: No retail or medical marijuana license shall be issued within 1,000 feet of any school, childcare establishment, alcohol or drug treatment facility or church.
- Submission is considered complete once the applicant has completed the requirements of the County application including submitting a copy of the approved provisional state license. Any questions regarding zoning, water, sewer, or building permits should be directed to Grand County Community Development at 970-725-3347, ext 292.
- A notice will be posted on the property and a legal notice will be published in the legal newspaper for Grand County (Middle Park Times) informing the public of the hearing that will be held before the Board of County Commissioners.
- A Public Hearing will be held no less than 30 days after receipt of a complete application. At the hearing the Board of County Commissioners will consider the needs of the neighborhood and the desires of the adult inhabitants as expressed through public comment. The BOCC generally considers the neighborhood to be the 2-mile radius around the proposed location. Comments and concerns may be submitted in writing to grandclerk@co.grand.co.us or in person at the public hearing. The Public Hearing File will be posted on the county website at www.co.grand.co.us/720.
- If the County approves the license, the State license will no longer be a provisional license and the applicant will have a license to do business in Grand County.

If you have any questions, please don't hesitate to contact me at 970-725-3110 or by email at srosene@co.grand.co.us.

Sincerely,
Sara L. Rosene, Grand County Clerk and Recorder
