1. Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting. Certain features/software are available in English language only. Internet access required and must be purchased separately. Fax capabilities are for sending a fax only and may require additional purchase. For more information, see hpsmart.com/mobile-fax.
2. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting.
3. Compared to majority of OEM mobile printing apps for inkjet and laser printers and all-in-ones for home and home office, priced less than or equal to \$429.99 USD. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Claim based on lab testing and research of printer manufacturers' mobile print apps and Keypoint Intelligence – Buyers Lab study commissioned by HP. See September 2018 report at keypointintelligence.com/HPSmartApp.
4. Mobile device needs to support Bluetooth v5.0+ and be enabled. A mobile app such as HP ePrint or HP Smart must be installed and opened for printing. Mobile device must be within 5 feet of the printer. For details, see hp.com/go/bleprinting.
5. USB cable not included; purchase separately.
6. Based on internal HP testing. Average timing estimate based on: (a) downloaded HP Smart app on mobile device, (b) setting up Smart Tasks shortcut, (c) scanning jobs which have more than two to three tasks associated with them (scan to email, save and rename, store to cloud, etc.). Average timing savings comparison based on using printer and desktop scan software to complete similar scanning tasks. Requires the HP Smart app download and supported HP printer. For details on local printing requirements, see hp.com/go/mobileprinting.
7. Compared to the majority of competing in-class consumer colour desktop inkjet all-in-ones <\$299 USD. Keypoint Intelligence – Buyers Lab 2018 research study commissioned by HP and based on research survey of printer manufacturers' published specifications, sustainability reports, and press releases as of 12/15/2018 and not confirmed by lab testing. Market share as reported by IDC CYQ3 2018 Hardcopy Peripherals Tracker, CYQ3 2018 Release. The ability to automate work is defined as having the capability to use the OEM mobile print app to create a multistep workflow on mobile device and have a shortcut appear on the app and/or on the control panel of printer; and/or use intelligent Optical Character Recognition to name a scanned file based on the first few words of a document. For more details, see keypointintelligence.com/HPOfficeJetPro.
8. Print speeds vary by model.
9. Made with more than 20% recycled plastic by weight in models made after August 2020.
