A celebration of in-person meetings and events

Jocelyn Brennan
President | CEO
South County Chambers of Commerce

Our first in-person event since last March: The State of South County breakfast on the rooftop at Inn at the Pier on June 17.

We are thrilled to be back to in-person meetings and events! Seeing our members face to face and having those meaningful conversations is so valuable. We know that some people may not be ready for in-person gatherings yet, so we still offer an option to call in to most meetings by phone.

On June 17 there was a sense of celebration in the air at our first in-person event in over a year: The State of South County breakfast on the rooftop at Inn at the Pier. We also enjoyed our first in-person mixer at Vespera Resort on Pismo Beach on June 23. Both of these outdoor events of-

fered us beautiful weather and amazing ocean views.

We are really excited about businesses opening up again, and one of the industries that was hit the hardest is venues/events.

More announcements: July 15 is the reopening of The Great American Melodrama in Oceano, and tickets are available now to see their opening show. The Clark Center for the Performing Arts is reopening as well, and they are now managing Stone Soup Music Festival, Food, & Street Fair. Save the dates for August 28-29 to enjoy this outdoor event in

Grover Beach. The new Exploration Discovery Center in Grover Beach, a fun place to bring the kids to inspire them to discover, explore, and dream, will have a soft opening on July 3 followed by a grand opening later this summer. The summer concerts are back in Arroyo Grande and Grover Beach starting July 4. And don't forget about Big Ditch Market in the Village of Arroyo Grande on the first Fridays of July (July 2), August (August 6), and September (September 3) from 4-8 pm for shopping, music, food trucks, and fun.

See more local events on this page in the righthand column.

Business of the Month: Avila Bay Athletic Club & Spa

The Marketing Committee of the South County Chambers of Commerce—a group of local business owners who represent various industries—selected Avila Bay Athletic Club & Spa as the Business of the Month for July. The club was nominated for their strict adherence to COVID safety protocols to keep their members safe.

Avila Bay Athletic Club & Spa is a full-service fitness tennis and swim club that incorporates a state-of-the-art fitness facility.

Located in the beautiful Avila Valley, they offer over four resort-like, tropical acres for all of your health and wellness needs.

Their members enjoy glittering ozone-filtered swimming pools and hot tubs, seven lighted tennis courts, state-of-the-art fitness facilities, cutting-edge group fitness/wellness classes, and healthy fresh food in the on-site cafe.

Avila Bay Athletic Club & Spa is a wonderful place to hold events, too. They also have their own Avila Bay Wine Club.

They are located at 6699 Bay Laurel Place in Avila Beach. Call (805) 595-7600 for details.

Update from Supervisor Lynn Compton, District 4: Oceano, Nipomo, and Arroyo Grande

Hi everyone! It was so nice to see many of your smiling faces at the South County Chamber event last month. After a year of lock-downs, it is extremely nice to be able to visit in person once again. As the year is in mid-swing, we are quite busy at the Board of Supervisors having just come out of our annual budget hearings for the 2021-2022 Budget cycle. This year was a little more challenging than most, as we were trying to mitigate the effects of the COVID-19 impact on our residents. The budget book can be found online [here](#). Besides recommendations, it contains a lot of interesting information about the County. It includes information about the top 20 employers, median household income, median home price and much more and general information on our county and statistics. As we have witnessed, the last 15 months have been unpredictable both in terms of the health of our residents and the impacts of this crisis to the various departments. Protective orders from the Governor's office have resulted in decreased consumer spending in some of our im-

portant business sectors, and this decrease has greatly impacted our revenues, both here and at the state level. While we have indeed received assistance from both the State and Federal government, we are aware that this assistance is a one-time event and cannot possibly address all of the budget deficiencies that have resulted from the virus.

With the cost of responding to the COVID-19 emergency and the anticipated shortfall of expected revenues, the Board of Supervisors modified the budget in order to be prudent. The lack of sales tax revenue, hotel tax revenue, and government revenue has resulted in an estimated shortfall of over \$25 million dollars to the original county budget. The Board of Supervisors and County administrators worked hard to address the expected shortfall early and worked to ensure we maintained the maximum level of service possible for our county residents.

The original budget for FY 2021-22 was close to \$700 million. The budget funds almost 50 County departments

and the almost 3000 employees who serve the citizens of our county. Our budget priorities are first and foremost to meet our legal mandates and meet our debt service requirements. Our short-term priorities include: Homelessness (including detox and rehabilitation services), COVID-19 pandemic responses, housing, and economic development. Our long-term priorities are public safety (we did not cut any funding to this area) and the maintenance of our roads/bridge systems.

People often ask me where the money comes from for the budget and where it goes. Of the almost \$700M million dollar proposed budget, approximately 45% is revenue coming from the state and federal government. Most of that money is for specific mandated programs, many being health and welfare programs. 34% of the county's revenues come from taxes, including property tax, sales tax, hotel occupancy tax, and a few others. I think it is important to know that 61% of your property taxes go to your local

Update from Supervisor Dawn Ortiz-Legg, District 3: Avila Beach, Grover Beach, Pismo Beach, and San Luis Obispo

Hello South County Business Community! It has been a fast-paced return to "normal" these past few weeks. As Supervisor Compton wrote, the Board of Supervisors adopted the 2021-22 budget on June 14th. The next day, June 15th, the Board discussed and agreement on conceptual ways to invest SLO County's American Rescue Plan Act funds.

The consensus was to divide \$54.9 million dollar into the three allowable categories: Public Health, Restoration of Government Services and Water/Sewer/Broadband infrastructure.

It is important to note about receiving one time funding of this size. The allowable funding guidelines were established by the Federal Government; the funds will be made available to qualifying organizations through a "competitive" award process; and there

must be oversight and transparency to ensure proper expenditures.

The largest amount has been designated for "Public Health" at \$30 Million, where investments will be spread throughout the community at \$14M, Business, Non-profits, and child-care at \$9M, Housing and Homeless is \$6M and overall administration of executing these funds at \$1M.

Restoration of Government Services is a \$10M allocation. This category is designed to help restore county services that were cut or severely impacted due to Covid-19 pandemic.

The Water, Sewer and Broadband category is the type of infrastructure investment allowed under ARPA rules. This grouping was provided \$15M to invest throughout the county.

Supervisor Debbie Arnold and I were appointed to a sub-committee to deter-

mine how the ARPA funds are responsibly spent in these categories and equally shared among the hardest hit businesses and individuals in our County. Our sub-committee, along with County staff, and local business leaders and community advocates, will define a process to carefully determine qualifications and "competitive" award process I mentioned. All eyes will be upon this process.

Speaking of helping small businesses, recently the County of San Luis Obispo Board of Supervisors officially announced the successful completion of the Small Business Grant Program. The program is part of the Road to Recovery initiative to bring financial support to the small business community negatively impacted by COVID-19. By funding this

Arroyo Grande News

Hello Chamber Partners:

It is such a positive time to be writing to you this month. Independence Day is upon us. It is one of my very favorite holidays: when we gather as friends and family and celebrate what we all have in common as Americans. In an era when there are so many things that divide us, this is the one time we are All One. How special is that?!

I saw many of you at the State of the South County event a couple of weeks ago. As I presented the State of the City of Arroyo Grande, five minutes went by so quickly that I didn't get to finish my update. I am so pleased to report that Arroyo Grande has approved a structurally balanced budget yet again. Even though Covid has presented once-in-a-lifetime challenges, we got many important things done: the Bridge Street Bridge renovation, Ikeda Field ADA improvements, Olohan Alley repaving project, Housing Element Update, Circulation Plan Update, HASLO Project approval, and more. We

also specifically set our minds to helping our businesses during the shutdown, including approving no-cost encroachment permits for parklets, parking lot use, street closures, business assistance grants, Covid Superstar Awards, and more. We felt it was more important than ever to not only remove governmental barriers to business success, but we set out to give cash assistance and support. We successfully partnered with the Chambers to administer some of these programs as well. Our partnership with you all is stronger than ever.

If there is one thing we learned from this extraordinary experience, it's that when we work together with the business community as a team with a purpose, we can not only weather storms but we can thrive. I am so proud of our leadership, our staff, and our businesses for innovating, persevering, and team-building through this challenging time. Kudos to all.

Grover Beach News

Summer and the heat have arrived in Grover Beach and the South County. As we take a moment to enjoy all the businesses being open and hugging people that we may not have seen in person for many months, I wanted to take a moment to reflect on where Grover Beach is at.

I see a City with a great, hardworking staff that put together a strong, balanced budget. We continue to provide the essential services as well as the day-to-day services to our residents, businesses and visitors. We also have a very robust capital improvement program so be prepared to see lots of good work

happening around the city! We will be completing installation of the 16th Street play equipment and look forward to a ribbon cutting ceremony on August 3rd in conjunction with the Police Department's Annual Night Out event. In that same vicinity, the City will be upgrading the sports court area of Mentone Basin Park and keeping the basin open to the public. Additionally, we have several street repair projects either underway, including a light maintenance overlay project on numerous streets and a complete street reconstruction occurring on 10th Street/Manhattan/Seabright and Trouville. For more infor-

mation on street projects, visit [here](#) for weekly updates. I could go on and on about other projects – such as Skate Park upgrades, road work, street light improvements, water and sewer line upgrades, to name just a few – so, yes, please be on the lookout for a city improvement project near you!

If you want to learn more about the City's budget and the Capital Projects program – it can be found [here](#). Enjoy the summer, enjoy the outdoors, enjoy your families and know that - "We Got This"...#GBtogether

Pismo Beach News

The Fourth of July fireworks show on the pier is back! We are delighted that we can continue this fine tradition again post pandemic. The show starts at 9 PM and of course, there will be no fog getting in the way so visibility will be perfect! Our hotels continue to see strong demand for lodging as it did during the pandemic. Rates have risen as a result and downtown is as busy as ever.

Our Council approved paid parking on a portion of Price Street at our last Coun-

cil meeting. The purpose is to ensure that customers can find a place to park. The paid parking begins at noon until 6 PM on Friday and 10 AM to 6 PM Saturday and Sunday. Those are the times when visitors are likely to take over the parking on Price and head to the beach which leaves our businesses on Price Street with no place for their customers to park. The paid parking extends from Pomeroy Avenue to San Luis Avenue.

Paid parking is a means to manage parking and the rates are adjusted to ensure that at least 15% of the spaces are available. People will pay for parking either with their time (looking for a space) or their money. All of the revenue collected goes back to improving parking and circulation efforts.

Congrats, CoastHills Credit Union!

Congrats to Founding Level Chairman's Circle Chamber member CoastHills Credit Union on their ribbon cutting to celebrate the grand reopening of their Nipomo branch. After considering feedback from their Nipomo customers, who said they prefer an in-person experience versus using the Interactive Teller Machines (ITMs), CoastHills recently renovated their Nipomo branch to remove the ITMs and add a teller line. They also recently welcomed a new branch manager. Their Nipomo branch is located at 542 W Tefft St. For more information, please call (805) 733-7600.

Congrats, Vespera Resort on Pismo Beach!

We celebrated a ribbon cutting with Platinum Level Chairman's Circle Chamber member, Vespera Resort on Pismo Beach. Embodying an upscale beach house-inspired design, Vespera Resort offers a fun, active, and stylish escape for guests to relax, unwind, and enjoy the best of Pismo Beach. Their spacious, residential-style guest rooms and suites make you feel like you're in your own private beach house, enjoying the surrounding surf, sky, and sand. Most rooms provide oversized bathrooms and oceanview balconies. Their on-site restaurant, Somerset Grill Pismo Beach, serves market-fresh, regionally-inspired, classic seaside cuisine from their showcase open kitchen. Vespera Resort on Pismo Beach is located at 147 Stimson Ave. For more information, visit vesperapismo.com, or call (805) 773-1011.

Congrats, Vai Athletica!

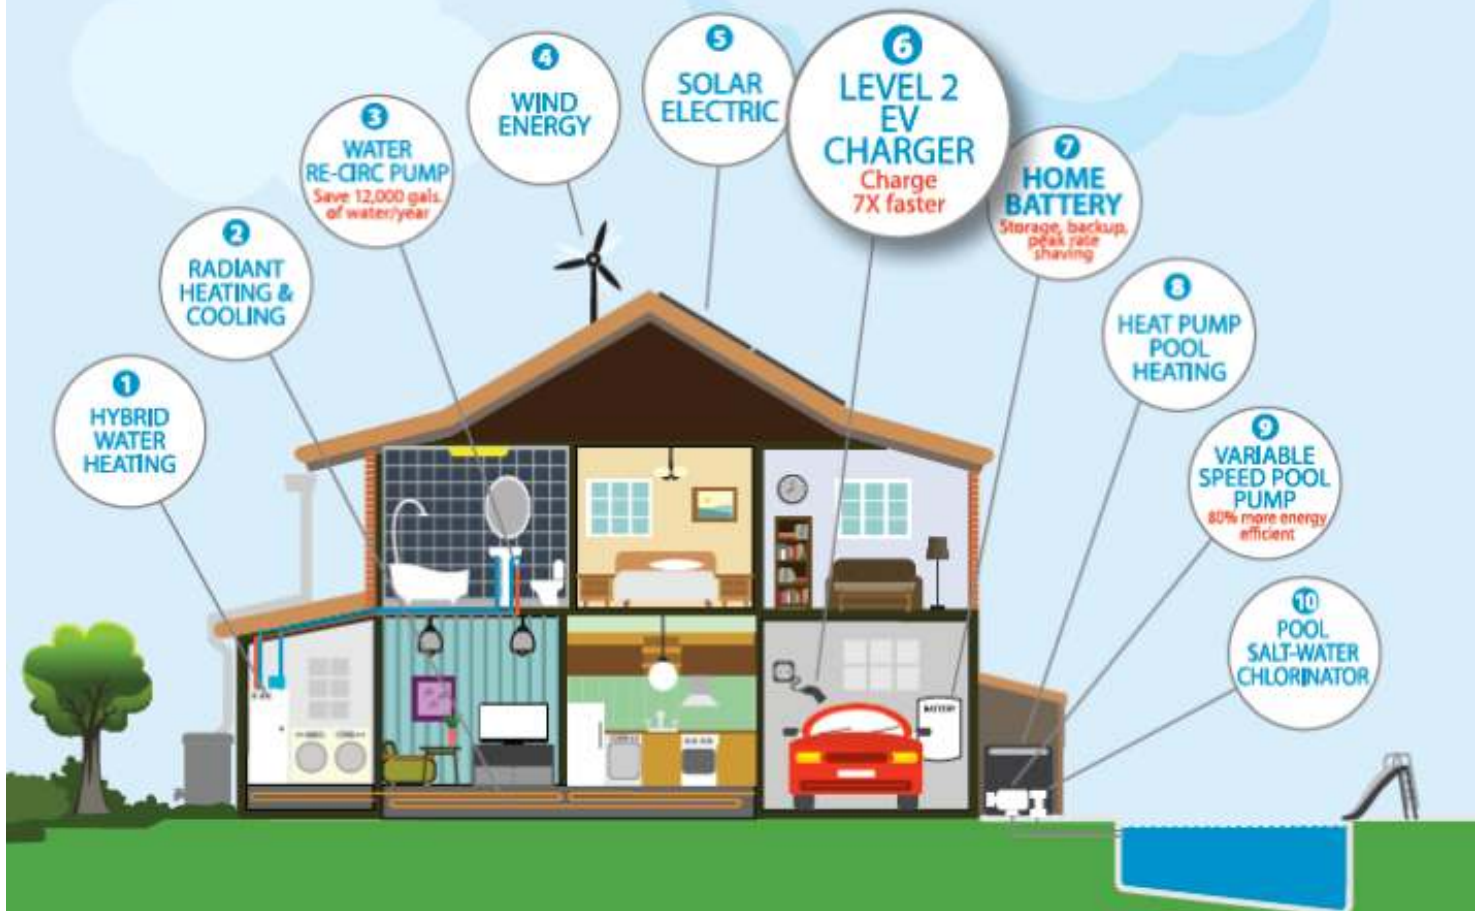

We celebrated a ribbon cutting with new Chamber member Vai Athletica at our Chamber office in Arroyo Grande. Based in Arroyo Grande, Vai Athletica was started by three women with a shared goal to enhance and improve women's athletic wear. Their product, a utility-based sports bra, provides four main functions to hold essential items and keep your day hands free. Their sports bra is suited for every lifestyle regardless of activity level. Vai Athletica sports bras are available online and also locally at The Natural Toolbox in the Pismo Beach Premium Outlets. Their locally made trucker hats—available online—support a local woman-owned business and over 10% of each sale benefits a local cancer recovery center. Vai Athletica hosts live Instagram Interviews every month with local, small-business owners especially women-owned businesses. For more information, visit vaiathletica.com, or call (805) 400-3123.

Congrats, Arroyo Grande Community Hospital!

We celebrated a ribbon cutting with Chairman's Circle Chamber member Arroyo Grande Community Hospital to commemorate their new emergency department. In recognition of this accomplishment, hospital staff, physicians, volunteers, board members, donors, and South County Chambers of Commerce were invited to attend the ceremony in the hospital's Legacy Garden. The new addition, which altered the façade of the hospital, features 20 private treatment rooms compared to the 11-bed ward and semi-private rooms that previously existed. There is also a specialized exam room and a remodeled lobby.

‘Visit Grover Beach’ tourism campaign launched June 30

GROVER BEACH — The City of Grover Beach, in partnership with South County Chambers of Commerce, just released a new website, logo, and social media channels to promote Grover Beach tourism.

The new tourism brand, Visit Grover Beach, showcases the unique community, businesses, recreational opportunities, and attractions to visitors who are considering Grover Beach as a destination in their Central Coast travels.

“Last year the City Council approved a business expansion and attraction strategy to continue achieving a resilient and diverse economy in Grover Beach,” said Grover Beach City Manager Matt Bronson. “The Chamber and City identified tourism and tourism-related businesses as a priority sector along with specialized construction including engineering and architecture, technology companies, and businesses that require a broadband fiber network, cannabis, and ancillary businesses.”

“We are very excited to launch tourism marketing for Grover Beach at a time

when COVID restrictions are lifting and businesses and events are finally reopening to serve more tourists,” said South County Chambers of Commerce President/CEO Jocelyn Brennan. “Grover Beach is underrepresented in the tourism space, so this is a perfect opportunity to heighten awareness of this unique community in South San Luis Obispo County.”

Lovely Day Adventure Company—a local, creative consulting agency—developed the website, logo, and social media for Visit Grover Beach after working with a stakeholder group representing multiple industries that reflected the diverse community of Grover Beach. The

stakeholder group comprised of Grover Beach businesses in the lodging, retail, restaurant, salon, and personal service sectors. In addition, the Mayor, City Manager, and a City Councilmember participated along with staff of South County Chambers of Commerce. The Grover Beach City Council reviewed and approved the tourism marketing campaign plan for Visit Grover Beach at their meeting on June 28.

The Visit Grover Beach website highlights things to do, places to stay, food options, shopping opportunities, local art, and events. There are fun itineraries available to plan a day in Grover Beach such as thrift store hunting, family fun, “cannabliss” tours, and food/drink possibilities. There is also a special Spotify playlist for Visit Grover Beach that captures the Grover Beach vibe. More attractions and features will continue to be added.

Please share and stay connected with Visit Grover Beach via their website and social media channels.

District 4 Update from page 2

school district. The County retains 23 cents on each dollar for county services.

Of our expenditures, 40% goes to our Health & Human Services division (\$276M), 27% goes to our Public Protection division (Sheriff, Probation, etc.), 9% goes to Land Based Services (\$63K), and 5% is usually reserved for contingencies.

With the cost of responding to the COVID-19 emergency, and the anticipated shortfall of expected revenues, the county made cuts to the budget and may need to make more as the year goes on. The lack of sales tax revenue, hotel tax revenue, and government revenue has resulted in an estimated shortfall of over \$32 million dollars to the original county budget. The Board of Supervisors and County Administration are working hard to address this expected shortfall early and ensure the maximum level of service possible for the county citizens.

While this has been a challenging year thus far, we are in the process of putting together some financial programs to assist all the small businesses that are struggling out there. Stay tuned for more updates from me on this subject.

I appreciate the difficult sacrifices made by our local businesses these last few months and look forward to our businesses being able to safely reopen. For questions regarding the ongoing safe reopening and COVID-19 in our county, please visit readyslo.org. It has certainly been a challenging one, and I know many of us are eager to return to normal.

Again, thank you for all each and every one of you do to support our community. It is an honor to serve you all. As always, please don't hesitate to call my office if you have any questions or concerns about anything related to the County.

program before the American Rescue Plan Act was signed into law, the County took a preemptive step at delivering local relief dollars to the community.

The Small Business Grant Program originally earmarked \$50,000 in micro-grants for small businesses in unincorporated areas. Due to demand, this was extended to \$82,000 and helped 50 business, all under 50 employees, at different award levels.

This grant program was done with the tremendous help from the Workforce Development staff as they provided the needed resources to create, review and authenticate all the applications. I am very grateful to Dawn Boulanger and her staff at the Workforce Development Board for their expertise assisting in this process. In closing, I know the County Board of Supervisors wants to ensure wise and fair investment throughout the County and help the business community and working families to rebound better than ever.

New Chamber Member Highlights

Welcome to the Chamber, Foundation for the Performing Arts Center!

In partnership with the City of San Luis Obispo and Cal Poly, the Foundation provides essential funding for the Performing Arts Center in San Luis Obispo, a place of great beauty and pride for our entire community. They also support the School Matinee Programs, which bring thousands of children to live performances every year. Their contribution to the PAC comes from the support of people and businesses in our community. Business partners receive numerous benefits for clients and employees and prominent recognition. By becoming a Business Partner, your company will help the Foundation ensure that arts and culture thrive in our region. Your business will reach the Central Coast's many arts patrons. For more information, please visit fpacslo.org.

Welcome, Mike's Record Rack!

Welcome to the Chamber, Mike's Record Rack of Grover Beach! Owner Mike Leming has been in the record and music business for over 40 years. He's always on the lookout for collections to buy and uses his extensive experience to find great buys through various suppliers to pass on to his customers. He buys vinyl, CDs, and tapes in good condition. His store features new and used records, CDs, cassettes, guitars, and more. Their grand opening celebration is scheduled for Saturday, July 3, from 10 am to 6 pm. There will be musical performances by Terry Lawless (11 am to 2 pm) and Natalie Haskins (3 pm to 5 pm). Mike's Record Rack is located at 201 W. Grand Ave. in Grover Beach. For more information, please visit mikesrecordrackgb.com, or call (805) 202-8027.

The Great American Melodrama reopens in mid July

The wait may have been long, but that makes reuniting all the more sweet. With the recent steps forward in the state's reopening process, The Melodrama is pleased to announce they are reopening on July 15th.

After 15 long months, they get to return to what they do best: making a room full of the best patrons in the world laugh themselves silly.

They have three stellar shows lined up to fill the rest of your year with fun, and they will open this season with Comedy Tonight, a two-act vaudeville revue filled with puns, parodies, song, and dance starring some of your Melodrama favorites. Jam packed with laughter at every turn, Comedy Tonight will have you rolling in your seat. This will only be a two-act, two-hour evening.

For more information on upcoming shows, ticket sales, and their health/safety guidelines, please visit their website at americanmelodrama.com.

Exploration Discovery Center nears grand opening

The Exploration Discovery Center is thrilled to announce they are getting so close to opening their Grover Beach location. Over the coming weeks they will be posting some sneak peaks on their Facebook page (be sure to follow them to get the details). They also will be having a soft opening starting on July 3rd from 10am-7pm. Grand Opening details will be announced soon.

All exhibits are now finished in the Exploration Discovery Center. The water activity and the Egyptian pyramid were very last. The aquaponics is stocked with two turtles and 40 koi fish. The Music Hut is full with toy instruments to play with including a roll-out piano to step on. They are happy to provide a safe, fun, and interactive environment for kids to explore, dream, and discover the world. Visit them at 867 Ramona Ave. in Grover Beach.

Nominate a Business of the Month

Local businesses contribute to our economy, provide jobs, and demonstrate leadership. Many of these local leaders also invest time and money by giving back to our community. This deserves recognition and celebration. For this reason, South County Chambers of Commerce recognizes a *Business of the Month*.

The SCCC Business of the Month Criteria:

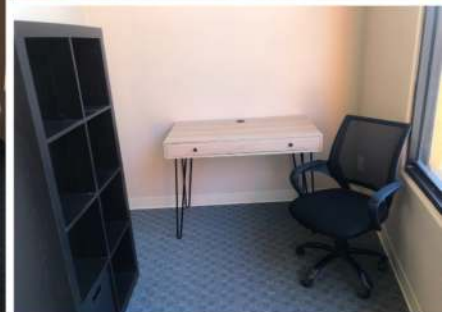

1. The business is a current SCCC Member in good standing.
2. They conduct responsible, ethical business in South San Luis Obispo County: Avila Beach, Pismo Beach, Grover Beach, Oceano, Arroyo Grande, or Nipomo.
3. They contribute significantly to the local economy and/or the local workforce.
4. They have demonstrated leadership in the business community.

The business of the month is recognized in the South County Chambers (SCCC) newsletter, on social media, and on the radio. The SCCC Business of the Month is an automatic nominee for the SCCC Business of the Year Award. The SCCC Business of the Year is celebrated at the Annual Dinner and Recognition Awards at Villa Loriana later this fall. (Businesses are allowed to nominate themselves and SCCC Marketing Committee Members may also nominate businesses.)

Please help us by nominating a local company for *business of the month*. Visit southcounty Chambers.com, and click on the Resources tab to nominate a business—it could even be your own.

ASK US ABOUT OUR BUSINESS HIGHLIGHT OPPORTUNITIES TO SHOWCASE YOUR BUSINESS OR NONPROFIT AT OUR NEXT IN-PERSON EVENT OR WEBINAR. CALL OUR OFFICE AT (805) 489-1488 FOR FURTHER DETAILS.
