

Software withdrawal: Selected per Processor Passport Advantage and Passport Advantage Express part numbers – Replacements available

In conjunction with the processor Value Unit licensing for middleware, announced in Software Announcement 206-154, dated July 25, 2006, selected per processor Passport Advantage® and Passport Advantage Express part numbers will be withdrawn from marketing. The effective date of the withdrawal will be November 10, 2006.

Value Unit part numbers will replace the previous per processor part numbers.

The processor Value Unit licensing for middleware encompasses several announcements including processor Value Unit licensing, processor Value Unit part numbers, withdrawing per processor part numbers, and related per processor multi-core licensing policies. Refer to the **Description** section for additional information.

Effective withdrawal date

November 10, 2006

Description

Related announcements

The processor Value Unit licensing for middleware is described in the following three announcements:

- Software Announcement 206-154, dated July 25, 2006, Processor Value Unit licensing for middleware available in Passport Advantage — evolving the structure to provide a foundation for the future
- Software Announcement 206-155, dated July 25, 2006, New part numbers for the new processor Value Unit licensing for middleware
- Withdrawal Announcement 906-141, dated July 25, 2006, Selected per processor Passport Advantage and Passport Advantage Express part numbers.

In addition, the multi-core licensing terms from the following announcements are being withdrawn:

- Marketing Announcement 305-080, dated May 31, 2005, IBM middleware software licensing on x86 Architecture and selected OpenPower™ platform dual-core chips
- Software Announcement 206-048, dated March 7, 2006, IBM middleware software licensing on BladeCenter® JS21 servers with IBM PowerPC® 970 dual-core chips
- Software Announcement 206-063, dated March 28, 2006, IBM middleware software licensing on Sun servers with UltraSparc T1 chips

The effective date of the withdrawal of the multi-core licensing terms is November 10, 2006.

Trademarks

OpenPower is a trademark of International Business Machines Corporation in the United States or other countries or both.

Passport Advantage, BladeCenter, and PowerPC are registered trademarks of International Business Machines Corporation in the United States or other countries or both.

Other company, product, and service names may be trademarks or service marks of others.
