Xybix Systems, Inc.

Dear Eliie & my Xybix Installation Team,

I wanted to take a moment to express my thanks during our workstation upgrade earlier this year. Our Dispatch Center was live during this installation and John and his team were amazing and professional at all times.

We began this installation at the beginning of the pandemic Covid-19 and we didn't know we were going into a Nationwide shutdown, but that's what happened. With Xybix's professionalism and commitment to having a completed center, they kept working to complete the project and it turned out amazing.

Thank you for your professionalism and commitment to our upgrade.

Sincerely,

Annette Goley
