

NOKIA MANUFACTURER'S LIMITED WARRANTY FOR NOKIA WITH WINDOWS PHONE

NOTE! This Manufacturer's Limited Warranty ("Warranty") is applicable only for authentic Nokia products with Windows Phone sold through authorised Nokia retail, and which Nokia has intended for sale in the European Union, Iceland, Norway, Switzerland, and Turkey since 1 September 2011.

NOTE! This Warranty does not limit the rights you may have under any mandatory consumer protection laws of your country.

GENERAL

Nokia Corporation ("Nokia") provides this Warranty for the Nokia product(s) included in the original sales package ("Product").

Your Product is a sophisticated electronic device. Nokia strongly encourages you to read and follow its user guide. Please also note that your Product may contain parts, which can be damaged if not handled very carefully.

During the warranty period, Nokia or a Nokia authorised service centre will remedy defects in materials and workmanship free of charge and in a commercially reasonable time by either repairing or replacing your Product at its option.

WARRANTY PERIOD

The warranty period starts when the Product is sold to an end-user for the first time. This can be evidenced either by (i) the proof of purchase issued by the first retailer or (ii) the date Your Product has first been registered by Nokia.

Nokia warrants the items in the sales pack as follows:

- (i) Twenty four (24) months for the main device;
- (ii) Twelve (12) months for the main device battery and accessories;
- (iii) Six (6) months for the charger;
- (iv) Three (3) months for the CD-ROM.

No repair or replacement will renew or extend the warranty periods. However, original or replacement parts or replacement

Products provided under this Warranty will be covered by this Warranty for the remainder of the original warranty period or for sixty (60) days from the date of repair or replacement, whichever is longer.

HOW TO OBTAIN YOUR WARRANTY SERVICE:

If you suspect that your Product may require service under this Warranty, please first visit www.nokia.com and follow any instructions on how to troubleshoot the suspected issue and how to proceed. You can also call a Nokia call centre for assistance (national or premium rates may apply). You can find information about Nokia call centres and Nokia authorised service centres in the sales package, or from local Nokia web pages, where available. If you call a Nokia call centre or use other available support, please have the following information readily available:

- Your name, address, telephone number, Nokia user account details, and other contact information;
- Your Product type, name, model number, product code, and serial number, which are available from the sales package of your Product;
- Date and place of purchase, as well as the name of the retailer from whom your Product was first purchased; and
- A short description of the issue affecting your Product.

If you visit a Nokia authorised service centre for assistance under this Warranty, please remember to bring along a copy of the original proof of purchase.

You must inform Nokia or a Nokia authorised service centre of the issue affecting your Product within a reasonable time from noticing it and always before the applicable warranty period expires (see section 2 above).

Nokia recommends that you register your Product with Nokia or activate a Nokia user account, which may in some circumstances enable Nokia to provide you a more personalised warranty service.
