

## **Instructions for the PSE&G Residential Application for Electric Service**

**The Residential Application Form must be filled out completely in order to avoid delays in providing service.**

Residential electric load data sheet to be used for new service/changes to electric load for Single Family or Multi Family (Up To Three Residential Units, Plus House Meter).

Please use the commercial form for buildings having 4 or more Residential Units.

**For permanent electric requests,  
site plans are required for engineering to begin when no foundation is at the site.**  
Plans must be full size and to scale; include footprint of building and show at least one cross street  
Site plans may be mailed to the appropriate address below.

**For Construction Inquiry purposes,  
PSE&G service territory is divided into Northern & Southern Counties.**
