

Your Marketing Matters.

Welcome to the **PRO Portal!**

Our new digital asset management tool, the **PRO Portal** is here! The PRO Portal is an online tool for you to access a library of digital marketing materials that can be downloaded, customized (available on some assets), printed and delivered at your convenience.

WHO can access the PRO Portal?

You and Nortek Control Customers!

WHEN can we access the PRO Portal?

Phase 1 of The PRO portal is now live. Phase 2 of the PRO Portal is launching at the end of November.

WHAT is in the PRO Portal?

Sell sheets, current logos, brochures, brand photography and more. There is also a customizable section within the portal where select collateral templates may be created with dealer/customer logos and contact information with ease.

DOES the PRO Portal cost anything?

All digital assets are free to download. Printed materials may be purchased by our customers. Customers may use their MDF funds to purchase marketing materials from the PRO Portal.

WHERE is the PRO Portal?

Access the PRO Portal by clicking on this ICON in your MyApps menu.

HOW do I use the PRO Portal?

Use the search bar to find your desired asset. If you're not sure of the specific name of the asset, type in a common keyword and be taken to a selection of available marketing materials.

LOGIN Information

Please use your email address for your username and your default password is **welcome1**. We strongly advise you change your password once you login.

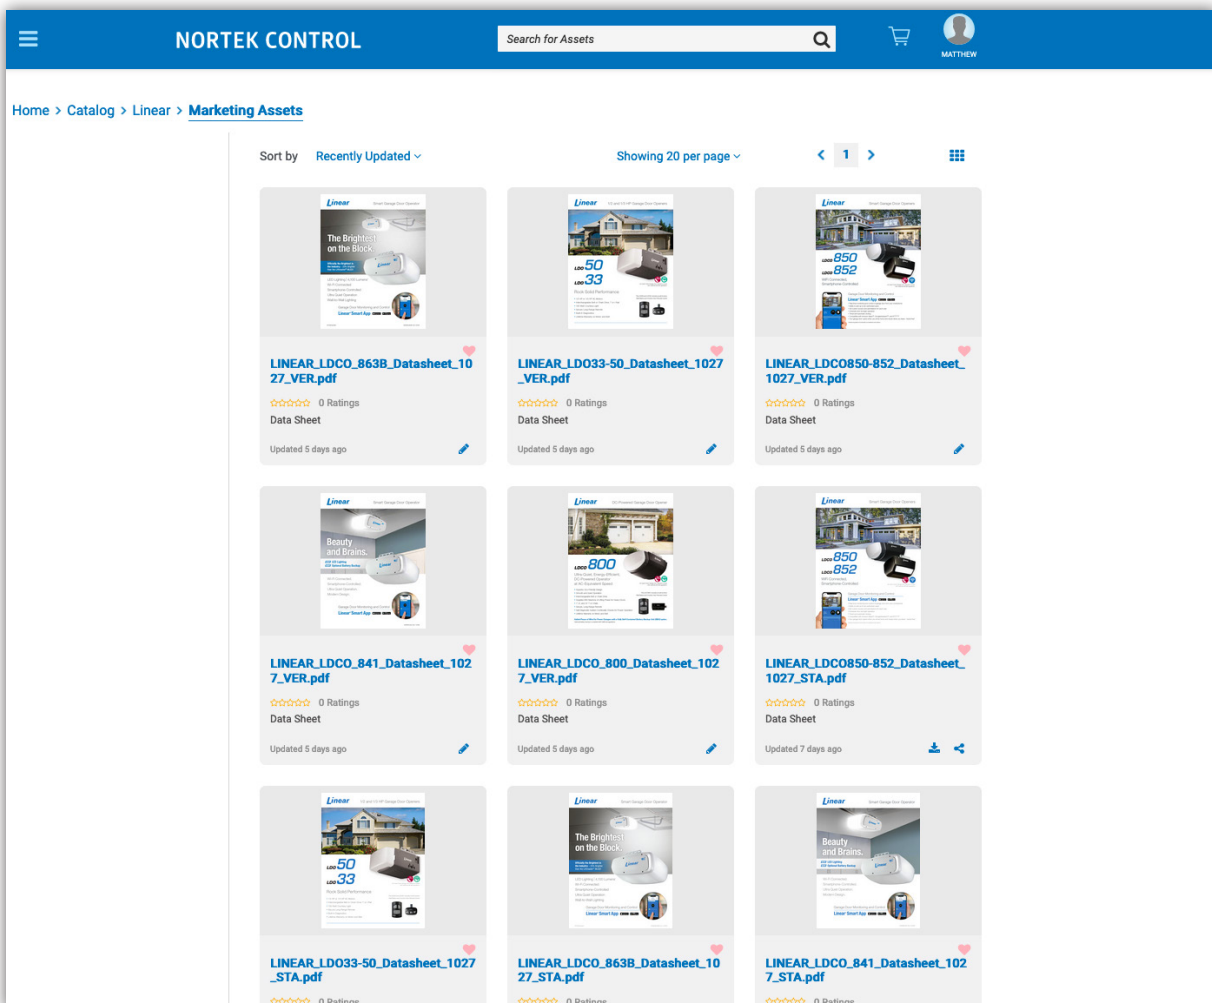

NSC Customers will receive login information after registering and being assigned to a User Group.

AVAILABLE ASSETS

The PROPortal is being populated every week with more and more items that are easy to find and download.

If you need something right away that you do not see on the PRO Portal, please reach out to the Marketing Department and we will send the item directly to you.

The screenshot displays the PRO Portal interface for NORTEK CONTROL. The header includes a search bar, a shopping cart icon, and a user profile icon labeled "MATTHEW". The breadcrumb trail shows "Home > Catalog > Linear > Marketing Assets". The main content area is a grid of 9 asset cards, each featuring a thumbnail image, a title, a rating, and a "Data Sheet" link. The assets are sorted by "Recently Updated" and show 20 per page.
