# 2019 NV<sup>®</sup> CARGO and NV<sup>®</sup> PASSENGER

## NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

### NV<sup>®</sup> CARGO AND NV<sup>®</sup> PASSENGER

Isn't it time you were passionate about the vehicle you drive?  
Welcome to the 2019 NV Cargo and NV Passenger.

Follow Nissan Canada on:

Innovation that excites

**CANADA'S BEST COMMERCIAL VAN WARRANTY**  
**5 YEARS/160,000 KILOMETRES<sup>1</sup>**  
**BUMPER-TO-BUMPER LIMITED WARRANTY**

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce Canada's Best Commercial Van Limited Warranty. A full bumper-to-bumper limited warranty for 5 years or 160,000 kilometres, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the limited warranty, please go to [ncv.nissan.ca](http://ncv.nissan.ca) or ask your Nissan Dealer.<sup>1</sup>

<sup>1</sup>Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage, and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

HEAT CHAMBER

STRUCTURAL STRENGTH

HIGH-SPEED OVAL

FRAME TWIST

To see how far we go to create a van you can trust, go to [ncv.nissan.ca](http://ncv.nissan.ca)

**The Nissan Arizona Testing Centre.** Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it - the most rugged commercial vans you can buy.

THE SHAKER

WATER DUMMIES

**OVER 1000000<sup>1</sup> KILOMETRES AND 7,000 QUALITY AND DURABILITY TESTS**

**One unshakeable commitment.** Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you. And for Nissan Commercial Vans, it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 62° C and humidity to 95% to break down seals and age interiors. We even have machines that can simulate nearly any road in the world, and we run our vans on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on your van to do your job. That's the motivation for us to do ours.

Nissan NV3500® HD SV Cargo Standard Roof shown in Glacier White. Image may not reflect actual product.

## NV CARGO HIGH ROOF

### THE STANDOUT THAT LETS YOU STAND TALL

**323** cu. ft.  
Cargo Capacity<sup>1</sup>

Cargo-carrying flexibility and interior room are the reasons you buy a van. The NV Cargo High Roof maximizes your opportunities with a huge 323 cubic feet (9,149 litres) of cargo capacity, stand-up room for someone 6'3" (190 cm) tall, and floor space that can carry up to two 40" x 48" pallets.<sup>1</sup>

Every NV Cargo model also pays big dividends when loading, with low step-in heights all around, a large sliding side door, and forklift-friendly rear doors that swing 243° wide and stay open thanks to powerful magnets. Once you're inside you'll appreciate big items like an upfit-friendly design that lets you customize your NV Cargo to your needs, and smart touches like available rear cargo door storage.

## NV CARGO STANDARD ROOF

### A BIG WORK AREA EVEN IN THE TIGHTEST SPACES

**234** cu. ft.  
Cargo Capacity<sup>1</sup>

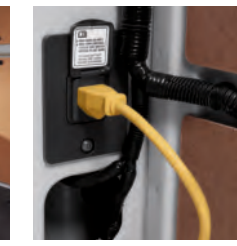

With NV Cargo Standard Roof, you've got easy access to the worksite, with a truck-like design that improves visibility and manoeuvrability, and a roof height that fits easily into an eight-foot-tall garage. Once you're there, you've got rear doors that open up to 243° and stay open thanks to magnetic door stops. You've also got an easy-sliding side door that opens nearly 3.5 feet wide. And with up to 21.0" (531 mm) step-in height front and rear, you've got easy access to 234 cubic feet (6,629 litres) of cargo space.<sup>1</sup> Easy to get there. Easy to get what you need. That's a standard every commercial vehicle should be held to.

DEALER APPROVED

<sup>1</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

# NISSAN UPFIT ENGINEERING INNOVATION THAT YOU CAN BUILD ON

With Nissan Upfit Engineering, NV Cargo has been designed to let you create a commercial vehicle that works especially hard for the unique needs of your business. Unlike most vans, the NV Cargo starts with a unique flat-wall interior design. This maximizes all-important floor space, plus opens up room at the top of the cargo-containment system. Add in interior integrated reinforced cargo-mounting points that ensure upfitting is easy and durable, and impressive interior space, and you'll find the North American-built NV Cargo is an ideal canvas for upfitters – and your own ingenuity.<sup>1</sup>

Integrated roof rack-mounting points help secure racks and reduce likelihood of rusting caused by drilling into sheet metal!

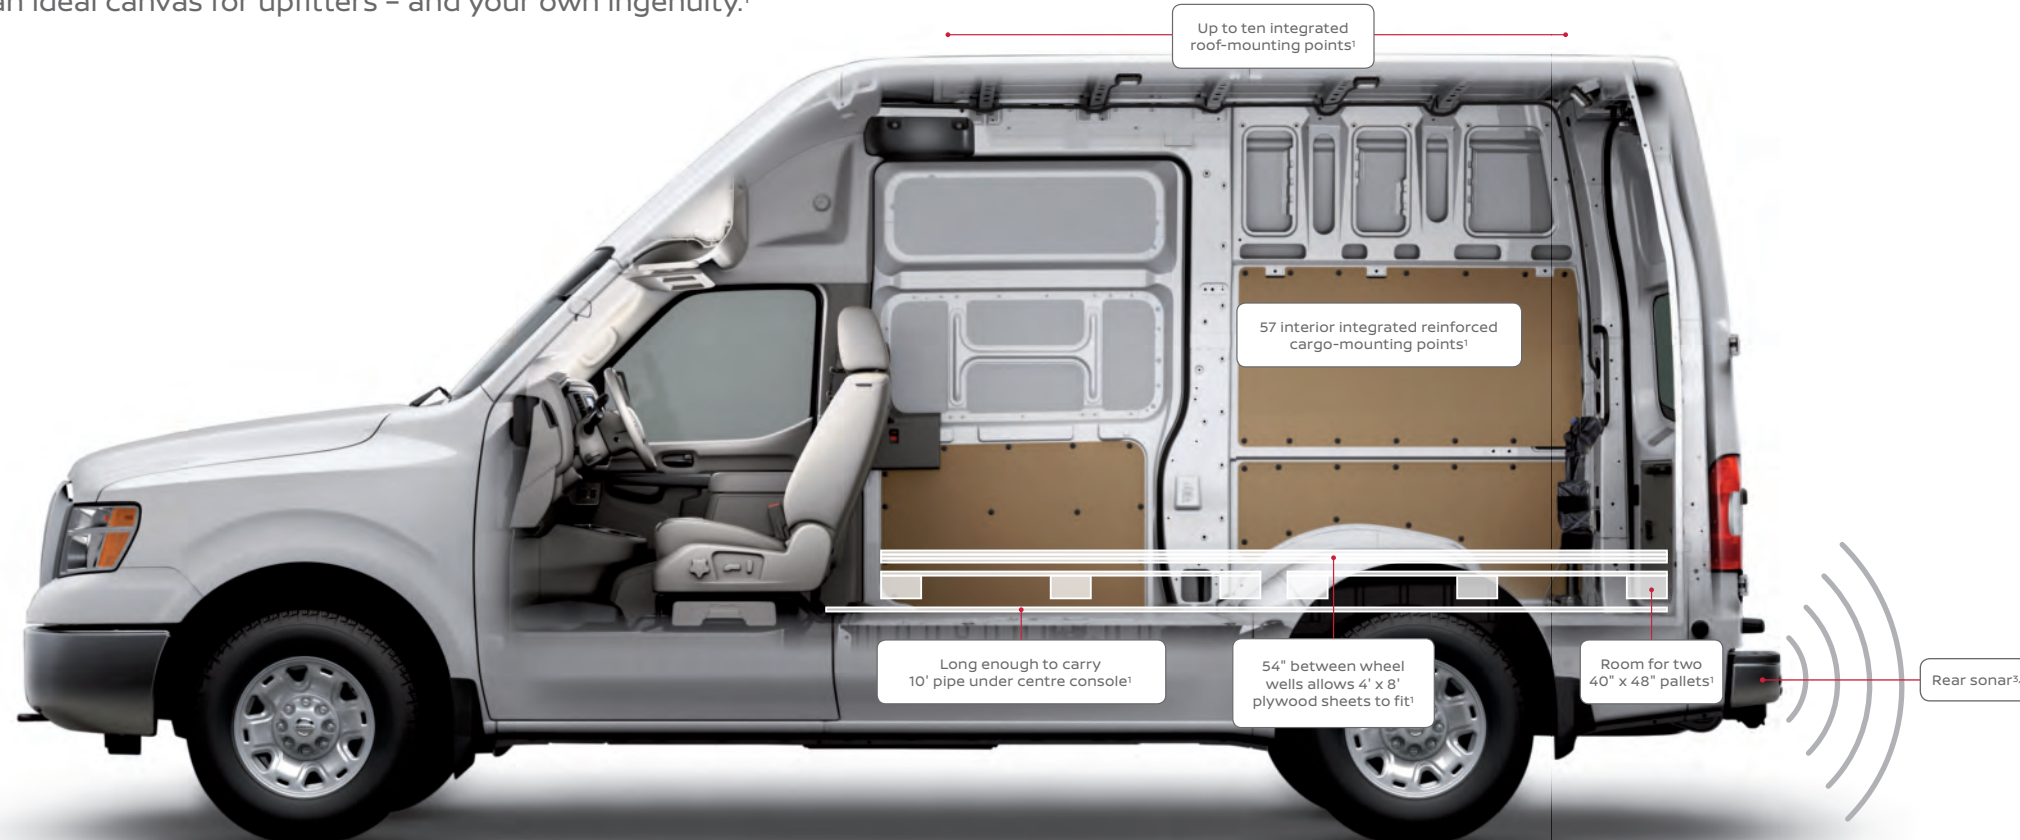

Three cargo lights make it easy to find what you need.<sup>3</sup>

Six floor-mounted D-ring tie-downs rated to 1124 lbs. (509 kg)!<sup>1</sup>

Flat wheel wells are designed to aid in stacking boxes!<sup>1</sup>

120-volt outlet is easily accessible when you're outside.<sup>3</sup>

Magnets hold the cargo doors securely in their fully open position.

**Fully boxed full-length ladder frame.** The core of every NV Cargo, it's tough, durable, and helps provide outstanding towing capabilities.<sup>2</sup> You don't need to be a structural engineer to know the obvious – when building, four walls are stronger.

<sup>1</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>2</sup>See Nissan Towing Guide and Owner's Manual for additional information. <sup>3</sup>Available feature. <sup>4</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information.

## A MOBILE OFFICE THAT KNOWS HOW TO GET WORK DONE

Nissan NV3500<sup>®</sup> HD SV Cargo Standard Roof shown in Grey Cloth. U.S. instrumentation shown.

Your van is your office. And with long days on the road, you need a workspace that's as comfortable as it is smart. And unlike many competitors, NV Cargo's truck-like design places the engine out front, giving plenty of leg room and foot space for driver and passenger. When you're ready to get down to business, you have class-exclusive features like a multitasking locking centre console<sup>1,2</sup> and a fold-down front passenger seat to create a convenient work desk. And with wear- and spill-resistant seats, while you're working hard today, you'll be looking good for years to come.

High Roof models feature durable overhead storage compartments to keep things within easy reach when you need them.<sup>3</sup>

NV Cargo's locking centre console is a major multitasker, with room for a laptop computer and hanging files. The console also features a cover that slides, creating a convenient work desk.<sup>1</sup>

Vinyl wear patches on inner and outer bolsters.

Under-seat driver's storage.<sup>3</sup>

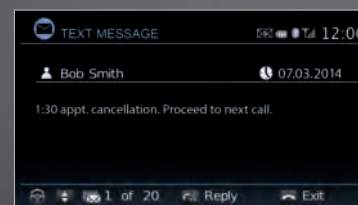

12-V and 120-V power outlets in centre console.<sup>1</sup>

Rear sonar senses objects up to 6 feet (1.8 m) away.<sup>1,4</sup>

## BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS

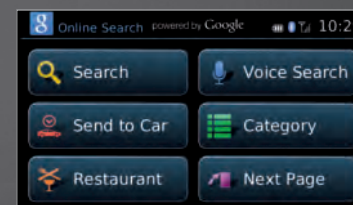

Never miss a beat with standard Hands-free Text Messaging Assistant,<sup>5</sup> Bluetooth<sup>®</sup> hands-free calling,<sup>6,7</sup> and RearView Monitor.<sup>8</sup> Or take it to the next level with the Navigation Package.<sup>1,9</sup> Featuring NissanConnect<sup>®</sup> with Navigation and Mobile Apps,<sup>6,7,10</sup> you've got a suite of high-tech features to help keep you in business, easily accessed through a 5.8" (147 mm) touch-screen display with Voice Recognition. The package also includes the advanced Nissan Navigation System,<sup>9</sup> NissanConnect Mobile Apps,<sup>6,7,10</sup> Nissan Voice Recognition for audio and navigation,<sup>9</sup> and SiriusXM<sup>®</sup> Traffic.<sup>7,10</sup>

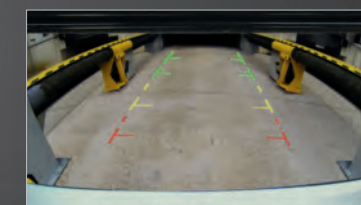

**Text-to-speech<sup>5</sup>** A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.

**Navigation<sup>9</sup>** Real-time traffic updates help keep you clear of traffic jams,<sup>6,7,10</sup> while 3-D viewing makes it easy to find your way. Need more? Key Points of Interest include ATMs, restaurants, and gas stations.<sup>6,7,10</sup>

**Google<sup>®</sup> Send-to-Car<sup>7</sup>** Send an address to your NV Cargo from any computer.<sup>7</sup> When you start the vehicle, the directions will be delivered and loaded into the navigation system.<sup>9</sup>

**RearView Monitor<sup>8</sup>** This standard feature helps you negotiate tight parking situations. It can also help you place the vehicle close to unloading points.

<sup>1</sup>Available feature. <sup>2</sup>Based on *Global Automakers of Canada (GAC) Full Size Van Market Segmentation*, 2019 NV vs. 2019 and 2018 Large Van segment sourced from *Autodata* on October 15, 2018. <sup>3</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. <sup>4</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. <sup>5</sup>Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. <sup>6</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. <sup>7</sup>Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. **For more information, see Dealer or Owner's Manual.** <sup>8</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>9</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>10</sup>XM<sup>®</sup> and SiriusXM<sup>®</sup> Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](http://siriusxm.ca/terms). All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius<sup>®</sup> XM, and SiriusXM<sup>®</sup> names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG, Inc. Google<sup>®</sup> is a registered trademark of Google LLC. The Sirius<sup>®</sup> XM, and SiriusXM<sup>®</sup> names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners.

Nissan NV3500® HD SV Cargo High Roof shown in Brilliant Silver.

## POWER TO CHOOSE

NV Cargo gives you two powerful choices to suit your needs. The 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency. Step up to the direct injected 32-valve, 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction for smooth response and less wear and tear. Backed up by a 7-speed automatic transmission (5-speed in the V6), and with its body-on-frame design and full-length, fully boxed ladder frame, NV Cargo is built to tow heavy loads.<sup>1</sup>

## MAXIMUM PAYLOAD – LBS. (KG)<sup>2</sup>

	NV1500® S	NV2500® S	NV2500® SV	NV3500® S	NV3500® SV
Std. Roof (V6)	2730 (1238)	3280 (1448)	3140 (1424)	-	-
Std. Roof (V8)	-	3060 (1388)	2920 (1324)	3850 (1746)	3720 (1687)
High Roof (V6)	-	3110 (1411)	2980 (1352)	-	-
High Roof (V8)	-	2900 (1315)	2760 (1252)	3690 (1674)	3550 (1610)

**V6** 261 horsepower / 281 lb.-ft. of torque  
NV Cargo: up to 6900 lbs. (3130 kg)  
towing capacity<sup>3</sup>

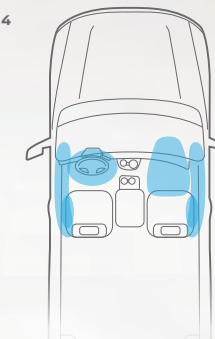

**V8** 375 horsepower / 387 lb.-ft. of torque  
NV Cargo: up to 9400 lbs. (4264 kg)  
towing capacity<sup>3</sup>

## ENGINEERED TO PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defence, helping to absorb impact and protect everyone on board.

### Six Airbags<sup>4</sup>

- (2) Dual-stage supplemental front airbags<sup>4</sup>
- (2) Seat-mounted driver and passenger side-impact supplemental airbags<sup>4</sup>
- (2) Roof-mounted curtain side-impact airbags with rollover sensor for front outboard occupant head protection<sup>4</sup>

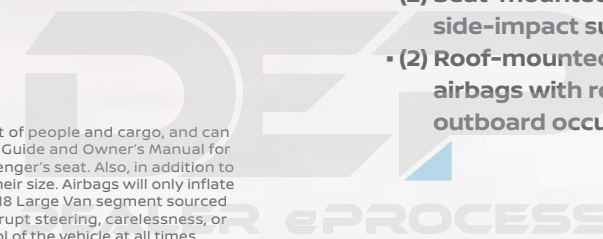

## EQUIPPED TO RESPOND

When you need to respond to a potentially harmful situation, you'll appreciate these standard technologies, along with NV Cargo's powerful 14.2" brakes, which are the largest in its class.<sup>5</sup>

- Vehicle Dynamic Control<sup>6</sup>
- Traction Control System
- Anti-lock Braking System
- Brake Assist<sup>7</sup>

<sup>1</sup>Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for additional information. <sup>2</sup>Payload rating represents maximum allowable weight of people and cargo, and can be reduced by the weight of optional equipment. See Nissan Towing Guide and Owner's Manual for additional information. <sup>3</sup>Standard on V8 models. See Nissan Towing Guide and Owner's Manual for additional information. <sup>4</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. <sup>5</sup>Based on Global Automakers of Canada (GAC) Full Size Van Market Segmentation. 2019 NV vs. 2019 and 2018 Large Van segment sourced from Autodata on October 15, 2018. <sup>6</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>7</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.

## NV CARGO TRIM BUILD

## NV<sup>®</sup> CARGO

NV1500 S

### NV1500<sup>®</sup> S

- 4.0-litre DOHC V6 engine
- Engine block heater
- 5-speed automatic transmission
- 14" Vented disc brakes front/rear
- 17" Steel wheels with LT245/70R17 tires
- Water-repellent seats with vinyl wear patches on inner and outer bolsters
- Vertical sidewall design
- Full-length, fully boxed ladder frame
- Six floor-mounted D-rings in cargo area with 1124-lb. (509-kg) rating per ring<sup>1</sup>
- 57 Total integrated reinforced cargo-mounting points<sup>1</sup>
- Ten exterior roof rack-mounting points<sup>1</sup>
- Power windows with driver's one-touch down with auto-reverse
- Power door locks with auto-locking feature
- Remote keyless entry
- Cruise control with steering wheel-mounted controls
- AM/FM audio system with 7" (178 mm) colour touch-screen display
- Bluetooth<sup>®</sup> Hands Free Phone System<sup>2,3</sup>
- Hands-free Text Messaging Assistant<sup>4</sup>
- Streaming audio via Bluetooth<sup>®</sup> wireless technology<sup>2,3</sup>
- USB connection port<sup>5</sup>
- RearView Monitor<sup>6</sup>

NV2500 HD S

### NV2500<sup>®</sup> HD S INCLUDES NV1500 S CONTENTS PLUS:

- Payload increase over NV1500 S<sup>7</sup>
- 17" Styled steel wheels
- Black dual power outside mirrors
- Multi-functional lockable centre console with 12-volt outlet

## NV PASSENGER

### ROOM FOR 12 AND A BEST-IN-CLASS 324 SEATING CONFIGURATIONS<sup>1</sup>

With the 2019 Nissan NV Passenger, there's always room for more. Whether it's sharing a multi-family vacation, taking little leaguers and gear to the game, or being the king of the carpool, NV Passenger transports your expectations as well as your passengers. You've got easy access to seating with a sliding side door and a low step-in height. Confidence comes along for the ride with integrated headrests and seat belts and standard roof-mounted side-impact supplemental airbags with rollover sensor for every row.<sup>2</sup> Innovative heating and cooling keeps everyone comfortable, too. The out-front engine design provides improved driver comfort, easier engine access for servicing, the durability of a full-length, fully boxed ladder frame, and the biggest brakes in its class! It all adds up to a team player we can all cheer for: the 2019 NV Passenger.

Nissan NV3500® HD SL Passenger shown in Super Black.

DEALER eP

<sup>1</sup>Based on *DesRosiers* Large Van Segmentation. 2019 NV vs. 2019 and 2018 Large Van competitors from manufacturers' websites. <sup>2</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for additional information.

Nissan NV3500® HD SL Passenger shown in Beige Leather.

## PACK IT IN, MOVE 'EM OUT

NV Passenger not only gives you space, it gives you unbeatable flexibility when it comes to carrying passengers and cargo. A choice of fore or aft positions in the 2nd- and 3rd-row seats means impressive stretch-out room; a real plus for taller or larger family members. And with six individually removable seats, you can do amazing things like having room for eight while fitting items up to ten feet long – all without the hassle of using a roof rack!<sup>1</sup>

<sup>1</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Maximum passengers

Easy entry and exit

Room for eight and cargo<sup>1</sup>

Up to 10' long items<sup>1</sup>

Maximum cargo<sup>1</sup>

**Opens wide and says more.** NV Passenger makes it easy to use every inch of space. The rear doors swing wide, opening 243°, and are held in place with powerful magnetic door stops. The easy-sliding side door opens wide and features a low step-in height. And when you need to make the big haul, remove the 2nd-, 3rd-, and 4th-row seats, and enjoy a massive 218.9 cu. ft. (6,198 litres) of cargo space!<sup>1</sup>

## COMFORT, CONTROL, AND CONVENIENCE

Driving isn't just driving anymore. With today's crazy schedules, you can end up feeling like a part-time skycap, cashier, entertainment director – even company representative. No matter which hat you end up wearing today, NV Passenger helps you excel at all of them, providing outstanding room and superior visibility for easier manoeuvring. There's dedicated storage to help keep things in order, and available advanced technology to help keep you on time. Job well done.

Nissan NV3500<sup>®</sup> HD SL shown in Beige Leather. U.S. instrumentation shown.

## YOUR PERSONAL ORGANIZER

**Best of both worlds.** Whether it's running a business, or just keeping a big team on the go, NV Passenger uses some smart thinking to help keep things organized. The lockable centre console is roomy enough for a laptop computer and hanging files, while the sliding cover makes a great work desk. Fold the front passenger seat and you've got even more workspace, or a handy tray when grabbing a bite on the road. And with the under-seat storage drawer, you've got a secure place to store loose papers!

## BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS

Never miss a beat with standard Hands-free Text Messaging Assistant,<sup>2</sup> Bluetooth<sup>®</sup> hands-free calling,<sup>3,4</sup> and RearView Monitor.<sup>5</sup> Or take it to the next level with NissanConnect<sup>®</sup> Mobile Apps.<sup>3,4,6</sup> It serves up a suite of high-tech features to help keep you in business, easily accessed through a 5.8" (147 mm) touch-screen display with Voice Recognition. And with technology including the Advanced Nissan Navigation System,<sup>7</sup> NissanConnect Mobile Apps,<sup>3,4,6</sup> Nissan Voice Recognition for audio and navigation,<sup>7</sup> and SiriusXM<sup>®</sup> Traffic,<sup>3,6</sup> you're in touch with the things that matter most.

**Text-to-speech<sup>2</sup>** A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.

**Navigation<sup>7</sup>** Real-time traffic updates help keep you clear of traffic jams,<sup>3,4,6</sup> while 3-D viewing makes it easy to find your way. Need more? Key Points of Interest include ATMs, restaurants, and gas stations.<sup>3,4,6</sup>

**Google<sup>®</sup> Send-to-Car<sup>3,4,6</sup>** Send an address to your NV Passenger from any computer.<sup>3</sup> When you start the vehicle, the directions will be delivered and loaded into the navigation system.<sup>7</sup>

**RearView Monitor<sup>5</sup>** This standard feature helps you negotiate tight parking situations. It can also help you place the vehicle close to unloading points.

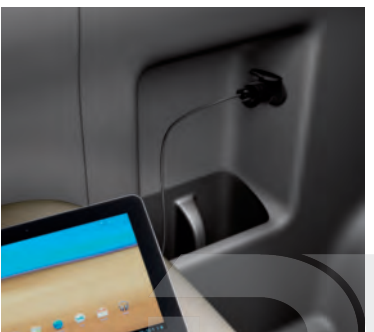

**Cool and comfortable**  
Each passenger row has two adjustable overhead air conditioning vents.

**Warm and toasty**  
Two floor-mounted heater vents per row make sure every seating position gets warm.

**Convenient cup holders**  
Second and third rows each feature two underseat slide-out cup holders.<sup>1</sup>

**Rear power outlet**  
A standard 12-volt power outlet in the 3rd row is ideal for charging a cell phone or tablet.

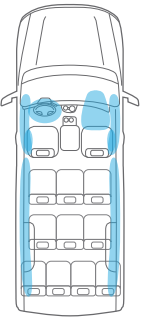

<sup>1</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>2</sup>Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. <sup>3</sup>Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see Dealer or Owner's Manual. <sup>4</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. <sup>5</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>6</sup>XM<sup>®</sup> and SiriusXM<sup>®</sup> Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](http://siriusxm.ca/terms). All fees and programming subject to change. ©2019 Sirius XM Canada Inc. ## NISSAN SAFETY SHIELD PHILOSOPHY INNOVATION THAT LOOKS OUT FOR YOU

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

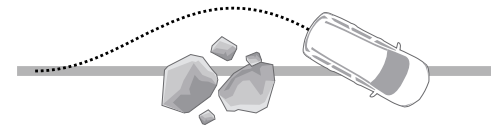

**8** STANDARD AIRBAGS<sup>5</sup>

### RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond in a potentially harmful situation.

- Vehicle Dynamic Control<sup>2</sup>
- Traction Control System
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist<sup>4</sup>

### PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defence, helping to absorb impact and protect everyone on board.

#### Eight Standard Airbags<sup>5</sup>

- (2) Dual-stage supplemental front airbags<sup>5</sup>
- (2) Front seat-mounted side-impact supplemental airbags<sup>5</sup>
- (2) Roof-mounted curtain side-impact supplemental airbags with rollover sensor for front occupant head protection<sup>5</sup>
- (2) Roof-mounted curtain side-impact supplemental airbags with rollover sensor for 2nd-, 3rd-, and 4th-row outboard occupant head protection<sup>5</sup>

## BUILT FOR THE LONG HAUL

NV Passenger has been engineered from the bottom up to give you the kind of reliability and durability you need to ensure a solid bottom line for your business. It's built on a full-length, fully boxed ladder frame for a long service life. The biggest brakes in its class provide confident stopping power,<sup>1</sup> while standard Vehicle Dynamic Control (VDC) helps keep you on your steered path.<sup>2</sup> Whether you choose a fuel-efficient V6 or powerhouse V8 engine, you ride with state-of-the-art technology. With up to 8,700-lb. towing capacity, you can bring what you need, when you need it.<sup>3</sup> And since both engines run so efficiently, you'll never have to worry about logging idling time again.

**Vehicle Dynamic Control (VDC)**  
NV Passenger's VDC system helps you stay on your steered path by reducing engine speed and/or applying appropriate brake pressure to specific wheels.<sup>2</sup>

**POWERFUL CHOICES**  
**V6 V8**

NV Passenger's 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency.

Step up to the direct injected 32-valve 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength.

**Suspension and ride**  
Based on the heavy-duty components of NV Cargo, Nissan engineers specially tuned the suspension of NV Passenger for rider comfort.

Front  
sonar,<sup>6,7</sup>  
standard  
rear sonar<sup>7</sup>

<sup>1</sup>Based on Global Automakers of Canada (GAC) Full Size Van Market Segmentation. 2019 NV vs. 2019 and 2018 Large Van segment sourced from Autodata on October 15, 2018. <sup>2</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>3</sup>V8 models only. See Nissan Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. When towing at or near Maximum Trailer Weight, the allowable vehicle cargo and/or number of passengers is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight Rating. If the vehicle has cargo and passengers, the allowable Maximum Trailer Weight is reduced. <sup>4</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. <sup>5</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. <sup>6</sup>Available feature. <sup>7</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information.

You've decided which Nissan NV Passenger you want, now here comes the best part: choose your favourite colour and decide what it's going to look like.

## THERE'S AN NV PASSENGER PERFECT FOR YOUR NEEDS

NV3500 HD SV

### NV3500<sup>®</sup> HD SV

- 4.0-litre DOHC V6 engine
- Optional 5.6-litre DOHC V8 engine
- 5-speed automatic transmission (V6)
- 7-speed automatic transmission (V8)
- Heavy-duty battery
- 14" Vented disc brakes front/rear
- 17" Chrome-clad wheels
- Chrome exterior trim
- Air conditioning
- Water-repellent cloth seats with vinyl wear patches on inner and outer bolsters
- 12-passenger seating capacity
- 324 Seating configurations
- Ten exterior roof rack-mounting points
- 243" Maximum opening range for rear cargo doors
- Nissan Navigation System with 5.8" (147 mm) colour touch-screen display
- NissanConnect<sup>®</sup> Mobile Apps<sup>1,2,3</sup>
- Nissan Voice Recognition for audio and navigation
- Bluetooth<sup>®</sup> Hands Free Phone System<sup>1,2</sup>
- SiriusXM<sup>®</sup> Traffic<sup>1,3</sup>
- Hands-free Text Messaging Assistant
- AM/FM/CD audio system with six speakers
- MP3/WMA CD playback capability
- USB connection port
- SiriusXM<sup>®</sup> Radio<sup>1,3</sup>
- Streaming audio via Bluetooth<sup>®</sup> wireless technology<sup>1,2</sup>
- Steering wheel-mounted audio and cruise controls
- Multi-functional lockable centre console
- 8-way power driver's seat with manual lumbar
- Driver's under-seat storage tray
- Driver's seat storage pocket
- Fold-down front passenger's seat with seatback tray table
- Power door locks and front windows
- Carpeted floor
- Eight cup holders and three bottle holders
- 12 Rear passenger heating and cooling vents
- Entry lighting for driver and front passenger
- Dual overhead front passenger map lights
- Six rear passenger area map lights
- Three additional 12-volt DC power outlets
- Two 120-volt AC power outlets rated at 400 watts
- Three assist grips
- Side and rear window privacy glass
- Rear Sonar System and RearView Monitor
- Pre-wiring for electrical and telematics upfitting
- Eight standard airbags
- Vehicle Dynamic Control (VDC)
- Vehicle Security System with remote keyless entry
- Nissan Vehicle Immobilizer System

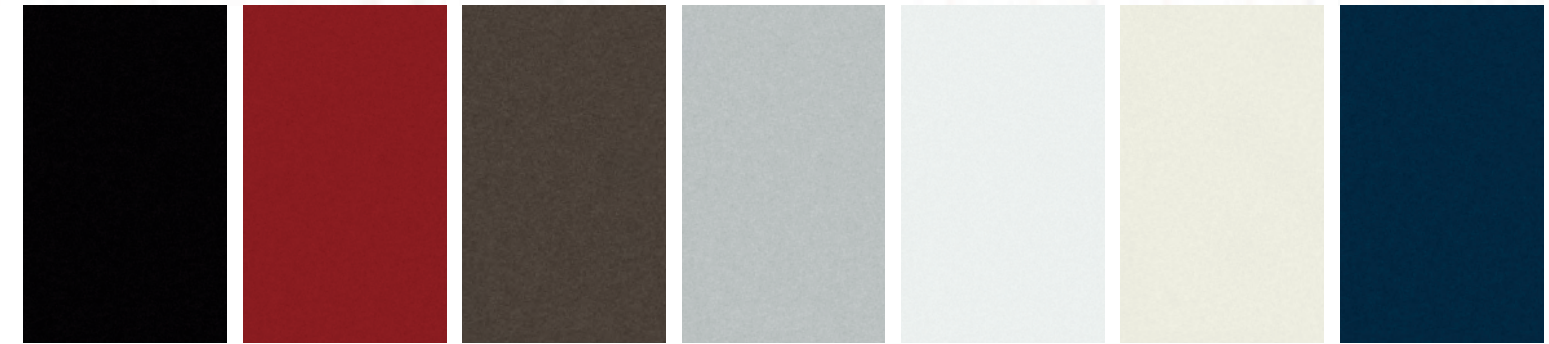

NV3500 HD SL

### NV3500<sup>®</sup> HD SL

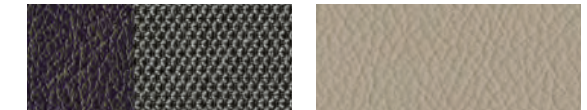

INCLUDES NV3500 HD SV CONTENTS PLUS:

- 5.6-litre DOHC V8 engine
- 7-speed automatic transmission
- Fog lights
- Front Sonar System
- Leather-appointed seats
- Heated front seats
- Leather-wrapped steering wheel
- Auto-dimming rearview mirror with compass
- Dual Zone Automatic Temperature Control
- Power heated chrome extendable tow mirrors
- Two front tow hooks
- Class IV tow hitch receiver<sup>4</sup>
- 7-pin connector/brake controller pre-wiring<sup>4</sup>

Super Black KH3 Cayenne Red<sup>5</sup> NAH Java Metallic<sup>5</sup> CAJ Brilliant Silver<sup>5</sup> K23 Glacier White QAK Pearl White<sup>5</sup> QAB Arctic Blue Metallic<sup>5</sup> RBG

■ Standard  
□ Optional

<sup>1</sup>Payload rating represents maximum allowable weight of people and cargo, and can be reduced by the weight of optional equipment. See Nissan Towing Guide and Owner's Manual for additional information. <sup>2</sup>See Nissan Towing Guide and Owner's Manual for additional information. <sup>3</sup>With available tow hitch accessory for V6 and V8 models. See Nissan Towing Guide and Owner's Manual for additional information. <sup>4</sup>With standard factory tow hitch, V8 models only. See Nissan Towing Guide and Owner's Manual for additional information. <sup>5</sup>Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features

BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website [Nissan.ca/finance](http://Nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2019 Nissan Commercial Vehicle is covered by a 5 year/160,000 km<sup>8</sup> Comprehensive New Vehicle Warranty, a 5 year/160,000 km<sup>8</sup> Powertrain Warranty, an 8 year/130,000 km<sup>8</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Protection Warranty. As a Nissan owner, you'll also receive a Roadside Assistance program available to you 24 hours a day throughout the New Vehicle Warranty period. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

are provided by independent companies not within Nissan's control. Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents. Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply.
