LEASING

B&H has joined forces with a national leasing company to offer flexible, competitive rates with a quick turn-around for establishments seeking additional equipment.

Leasing gives you the ability to conserve capital, establish credit value for future needs, and take advantage of upgrades quickly. (If structured properly, a lease has many important tax benefits. We suggest that you consult with your accountant or financial advisor.)

Various lease options are available to suit your individual requirements. We offer both the \$1.00 Buy-Out with minimal down-payment and the Fair Market Value Lease (True Lease). You may prefer a deferred payment or short term lease.

Regardless of the lease you opt for, our leasing department will help you work out a deal which will be best for your business. They will coordinate your lease/sale with our various depart-

ments and the finance company and keep you abreast of opportunities and joint ventures between B&H, manufacturers and leasing companies.

From small proprietorships to production companies, to schools and municipalities, your leasing experience with B&H is certain to be a positive one.

Call Judy Klein, our lease rep, at (212) 239-7760 #2334.

If the item has a manufacturer's warranty, and it is after the 7-day B&H Customer Satisfaction Guarantee, service calls for repairs should be referred directly to the manufacturer or their authorized service center.
