LOCAL OPERATOR ASSISTANCE (cont'd)**D. Exemptions**

1. Operator Assistance (OA) may be provided at no charge to persons who are unable to use a telephone due to a disability which can be confirmed by a physician or certifying agent. (C)
Operator Assistance service charges will not be charged to the approved telephone number. (C)
To obtain an exemption, the customer must complete the appropriate form and have it (N)
certified by a registered physician or certifying agent. Operator Assistance exemption
eligibility may be verified periodically and recertification may be required. Failure to provide
the required documentation may result in loss of the exemption. Operator Assistance usage
will be monitored by AT&T and is subject to review and investigation. Misuse of the
exemption by a customer could result in its removal. Operator Assistance exemption is a
voluntary program of AT&T that may be terminated at any time. (N)
2. Local calls originating from manual mobile and marine stations are to be exempted from the charges specified in paragraph C., above.
3. Local calls established by an operator due to trouble in the network.
