BARBARIAN GNOME

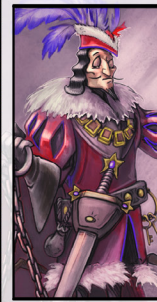

Standing a little over 2ft tall, Brogan the Barbarian Gnome is no ordinary lawn ornament! Brogan's fuse is just as short as his stature, so make sure you don't mention his size unless you're ready for a fight! For over a thousand years, Brogan has been the protector of Empress Quiana's mystical mushroom patch, and has no plans to retire. As loyal as he is tough, Brogan is an unstoppable force to be reckoned with! Protect your ankles around The Barbarian Gnome!

MISCHIEVOUS IMP

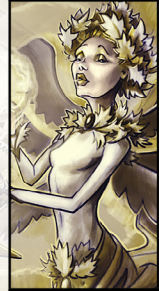

The Mischievous Imps are devilish little creatures known for their tricks and mischief! They are capabilities range from tying your shoes together to creating mass hysteria! You can try to run and hide when a swarm comes your way, but they are relentless in their attacks. Don't even attempt to try and capture The Mischievous Imps, their tiny wings move so fast they are as sharp as razors and can cut through bone! Beware The Mischievous Imps, they feed on misery and anger!

LORD OF THE QUARRY

Vincenzo Ricchi, also known as The Lord Of The Quarry, is a dashing charlatan capable of convincing one to give up every last penny. He is an extravagant man, wears only the finest clothes and the shiniest of jewels. Son of a thief and a corrupt tax collector, Vincenzo Ricchi was born into deception and greed. He has travelled the world under numerous aliases and has ripped off and stolen from countless victims. Watch your wallets when in the vicinity of The Lord of the Quarry!

HEAVENLY SERAPH

The Heavenly Seraph is just as beautiful as she is fair and just. Some believe she is a spirit of the underworld who makes final judgement on the souls of Quarriors. Aside from her divine responsibilities, the Heavenly Seraph is a cunning warrior for what is right and good. She is a lover of all things and has great compassion for those who lead good lives, and disdain for those who choose lives of villainy and evil. Be sure to stay on the Heavenly Seraph's good side, or pay the price with eternal damnation!

TROLL BEHEMOTH

Don't let the two heads fool you, The Troll Behemoth still only has half a brain! The Troll Behemoth brothers, Grigor and Carl were born and raised in the deep, dark Quarry Caves where no man is brave enough to explore. With its great size and the strength of a hundred men, The Troll Behemoth can take on any and all enemies, even the Quake Dragon himself! It is told that The Troll Behemoth wiped out an entire village with its body odor alone! So be warned and stay away from The Troll Behemoth!

VOODOO DOLL

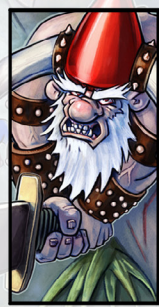

Many years ago a notorious witch doctor was madly in love with a woman who did not love him in return. The witch doctor decided he would make a Voodoo doll of her to torture her till she loved him back. Well the witch doctor did not put the correct amount of goblin's blood in his spell and he trapped his own soul inside the doll! Now as insane and unstable as ever, the Voodoo doll is a devious trickster and torturer of souls!
