Highlights

Always clear sound

Perfectly tuned 30 mm drivers give clear, sparkling sound with great bass — perfect for everything you love to watch. The full-size ear cups have an over-ear fit for great passive noise isolation. You won't miss a line of dialogue and you won't disturb others.

Auto-tuned FM wireless connect

These wireless TV headphones automatically select the best available FM connection, giving you crystal-clear sound with no latency. You won't have to adjust anything and with a 100 m range you can easily listen anywhere in your home.

Lightweight and comfortable

The lightweight design is super-comfortable — perfect if you're bingeing a late-night series and don't want to wake the baby! The cushioned headband and ear cups are adjustable, making it easy to find the best fit for you.

18 hours play time

The included pair of rechargeable AAA batteries gives you up to 18 hours play time from a single charge. Charging takes 6 hours.
