

The Library and Knowledge Service has a number of ways to keep busy health care staff up to date with the steady flow of evidence. Below is a selected list of resources and services available for your use. For all resources see the Library and Knowledge Service website - www.bsuh.nhs.uk/library

To access most of the online resources listed you will need an ***OpenAthens account**. Register for your account at: <https://openathens.nice.org.uk>

**Note: access may be limited to specific organisations; contact uhsussex.library@nhs.net for advice.*

Exam Preparation and Clinical Skills

We provide access to various online exam resources, including OnExamination and PassMedicine. Full details are on the Study for Exams page on our website.

You can also access **evidence-based nursing procedures** at [Clinicalskills.net](#) or [The Royal Marsden Manual](#)

**The Royal Marsden Manual of
Clinical Nursing Procedures**

Evidence Searching

We provide evidence to answer questions about patient care, service improvement, research and clinical teaching. Recent searches for Obstetrics and Gynaecology include:

- Safety, success, and complication rates of hysterectomy in patients who have had previous pelvic radiotherapy”
- *Long acting reversible contraception in vulnerable groups*
- *Women presenting to gynae oncology or peritoneal TB mimicking gynae disease*
- *Passive second stage in women in labour*

Information Skills Teaching

We offer a wide range of skills sessions to support evidence based healthcare. For more information, see the [teaching](#) section on our website or contact uhsussex.library@nhs.net

Save yourself time and ensure you are up-to-date on the latest developments with KnowledgeShare, our award-winning current awareness service. It also links you with colleagues in other trusts to enable sharing of research and best practice on Obstetrics and Gynaecology.

Log in with your NHS OpenAthens account at www.knowledgeshare.nhs.uk or contact us on uhsussex.library@nhs.net for more information.
