**Note 1 Description of Business and Basis of Presentation**

Zebra Technologies Corporation and its subsidiaries (“Zebra” or the “Company”) is a global leader providing innovative Enterprise Asset Intelligence solutions in the automatic identification and data capture solutions industry. We design, manufacture, and sell a broad range of products that capture and move data. We also provide a full range of services, including maintenance, technical support, repair, and managed services, including cloud-based subscriptions and solutions. End-users of our products and services include those in retail and e-commerce, transportation and logistics, manufacturing, healthcare, hospitality, warehouse and distribution, energy and utilities, and education industries around the world. We provide our products and services globally through a direct sales force and an extensive network of channel partners.

Management prepared these unaudited interim consolidated financial statements according to the rules and regulations of the Securities and Exchange Commission for interim financial information and notes. As permitted under Article 10 of Regulation S-X and the instructions of Form 10-Q, these consolidated financial statements do not include all the information and notes required by United States Generally Accepted Accounting Principles (“GAAP”) for complete financial statements, although management believes that the disclosures made are adequate to make the information not misleading. These consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2019.

In the opinion of the Company, these interim financial statements include all adjustments (of a normal, recurring nature) necessary to fairly present its Consolidated Balance Sheet as of September 26, 2020, the Consolidated Statements of Operations, Comprehensive Income, and Stockholders’ Equity for the three and nine months ended September 26, 2020 and September 28, 2019, and the Consolidated Statements of Cash Flows for the nine months ended September 26, 2020 and September 28, 2019. These results, however, are not necessarily indicative of the results expected for the full fiscal year ending December 31, 2020.

**Note 2 Significant Accounting Policies**

*Recently Adopted Accounting Pronouncements*

On January 1, 2020, the Company adopted Accounting Standards Update (“ASU”) 2016-13, *Financial Instruments-Credit Losses (Topic 326) - Measurement of Credit Losses on Financial Instruments* (“ASU 2016-13”). ASU 2016-13 requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. It replaces the existing incurred loss impairment model with an expected loss methodology, which will result in more timely recognition of credit losses. With respect to the Company’s financial assets, including trade receivables and contract assets, a cumulative effect transition approach was applied. In order to determine the transition impact of ASU 2016-13, the Company considered historical loss experience, the short duration of its trade receivables and durations of other financial assets, and expectations of the future economic environment. The adoption of ASU 2016-13 did not have a significant impact to the Company’s financial statements upon transition or for the nine months ended September 26, 2020.

*Recently Issued Accounting Pronouncements Not Yet Adopted*

In March 2020, the Financial Accounting Standards Board issued ASU 2020-04, *Reference Rate Reform (Topic 848) - Facilitation of the Effects of Reference Rate Reform on Financial Reporting* (“ASU 2020-04”). Subject to meeting certain criteria, ASU 2020-04 provides optional expedients and exceptions to applying contract modification accounting under existing generally accepted accounting principles, for contracts that are modified to address the expected phase out of the London Inter-bank Offered Rate (“LIBOR”) by the end of 2021. Some of the Company’s contracts with respect to its borrowings and interest rate swap contracts already contain comparable alternative reference rates that would automatically take effect upon the phasing out of LIBOR, while for others, the Company anticipates negotiating comparable replacement rates with its counterparties. At this stage of its contract assessment, the Company does not expect ASU 2020-04 to have a material impact to its financial statements.

### Note 3 Revenues

The Company recognizes revenue to depict the transfer of goods or services to a customer at an amount that reflects the consideration which it expects to receive for providing those goods or services.

We recognize revenue arising from performance obligations outlined in contracts with our customers that are satisfied at a point in time and over time. Substantially all revenue for tangible products is recognized at a point in time, whereby revenue for services and software is predominantly recognized over time.

#### Disaggregation of Revenue

The following table presents our Net sales disaggregated by category for each of our segments, Asset Intelligence & Tracking (“AIT”) and Enterprise Visibility & Mobility (“EVM”), for the three and nine months ended September 26, 2020 and September 28, 2019 (in millions):

Total	\$ 2,684	\$ 456	\$ 3,140	\$ 2,868	\$ 425	\$ 3,293

(1) Amounts included in Corporate, eliminations consist of purchase accounting adjustments.

In addition, refer to Note 16, *Segment Information & Geographic Data* for Net sales to customers by geographic region.

#### Performance Obligations

The Company’s remaining performance obligations primarily relate to repair and support services, as well as solutions offerings. The aggregated transaction price allocated to remaining performance obligations for these types of arrangements with an original term exceeding one year was \$874 million and \$724 million, inclusive of deferred revenue, as of September 26, 2020 and December 31, 2019, respectively. On average, remaining performance obligations as of September 26, 2020 and December 31, 2019 are expected to be recognized over a period of approximately two years.

#### Contract Balances

Progress on satisfying performance obligations under contracts with customers is recorded on the Consolidated Balance Sheets in Accounts receivable, net for billed revenues. Progress on satisfying performance obligations under contracts with customers related to unbilled revenues (“contract assets”) is reflected on the Consolidated Balance Sheets as Prepaid expenses and other current assets for revenues expected to be billed within the next 12 months, and Other long-term assets for revenues expected to be billed thereafter. The total contract asset balances were \$13 million and \$8 million as of September 26, 2020 and December 31, 2019, respectively. These contract assets result from timing differences between the billing and delivery schedules of products, services and software, as well as the impact from the allocation of the transaction price among performance obligations for contracts that include multiple performance obligations. Contract assets are evaluated for impairment and no impairment losses have been recognized during the three and nine months ended September 26, 2020 and September 28, 2019.

Deferred revenue on the Consolidated Balance Sheets consists of payments and billings in advance of our performance. The combined short-term and long-term deferred revenue balances were \$534 million and \$459 million as of September 26, 2020 and December 31, 2019, respectively. During the three and nine months ended September 26, 2020, the Company recognized \$47 million and \$204 million in revenue, respectively, which was previously included in the beginning balance of deferred revenue as of December 31, 2019. During the three and nine months ended September 28, 2019, the Company recognized \$41 million and \$168 million in revenue, respectively, which was previously included in the beginning balance of deferred revenue as of December 31, 2018.

#### Note 4 Inventories

#### Note 5 Acquisition

On September 1, 2020, the Company acquired all of the equity interests in Reflexis Systems, Inc. (“Reflexis”), a provider of task and workforce management, execution, and communication solutions for customers in the retail, food service, hospitality, and banking industries. Through its acquisition of Reflexis, the Company intends to enhance its solution offerings to customers in those industries by combining Reflexis’ platform with its existing software solutions.

The Reflexis acquisition was accounted for under the acquisition method of accounting for business combinations. The Company’s cash purchase consideration was \$548 million, net of Reflexis’ cash on-hand.

In connection with its acquisition of Reflexis, and in exchange for the cancellation of unvested Reflexis stock options, the Company granted replacement share-based compensation awards to certain Reflexis employees in the form of Zebra incentive stock options. A total of 38,228 replacement incentive stock options were granted, with a weighted average acquisition-date fair value per option of \$230. The total fair value of approximately \$9 million is primarily attributable to service to be rendered subsequent to acquisition and will be expensed over the remaining service period. As of the acquisition date, the weighted average future service period associated with the replacement options was 1.7 years, and the weighted average remaining contractual life was 7.7 years.

The Company incurred approximately \$19 million of acquisition-related costs during the third quarter of 2020, which primarily consisted of payments to settle certain existing Reflexis share-based compensation awards whose vesting was accelerated at the discretion of Reflexis contemporaneously with the acquisition. Those payments, as well as \$5 million of other acquisition-related costs primarily related to third-party transaction and advisory fees, are included within Acquisition and integration costs on the Consolidated Statements of Operations.

The acquisition of Reflexis was funded, in part, by the issuance of a new term loan (the “2020 Term Loan”) in the amount of \$200 million. The acquisition of Reflexis was otherwise funded using the Company’s cash on hand and borrowing under the Company’s existing Revolving Credit Facility. See additional details related to the Company’s debt arrangements in Note 10, *Long-Term Debt*.

The Company utilized estimated fair values as of September 1, 2020 to allocate the total purchase consideration to the identifiable assets acquired and liabilities assumed. The fair value of the net assets acquired was based on a number of estimates and assumptions, as well as customary valuation procedures and techniques, primarily income-based methodologies such as the excess earnings method for technology and patent intangible assets, as well as exit cost methodologies for liabilities such as deferred revenues. While we believe these estimates provide a reasonable basis to record the net assets acquired, the purchase price allocation is considered preliminary and subject to adjustment during the measurement period, which is up to one year from the acquisition date. The primary fair value estimates considered preliminary include intangible assets and income tax-related items.

The preliminary purchase price allocation to assets acquired and liabilities assumed was as follows (in millions):

Identifiable intangible assets	\$	204
Accounts receivable		20
Property, plant and equipment		10
Other assets acquired		17
Deferred revenue		(16)
Deferred tax liabilities		(49)
Other liabilities assumed		(14)
Net assets acquired	\$	172
Goodwill on acquisition		376
Total purchase consideration	\$	548

The \$376 million of goodwill, which will be non-deductible for tax purposes, has been allocated to the EVM segment and principally relates to the planned integration of Reflexis' solution offerings with the Company's existing solution offerings as well as the expansion in current and new markets and industries.

The preliminary purchase price allocation to identifiable intangible assets acquired was:

	Fair Value (in millions)	Useful Life (in years)
Technology and patents	\$ 160	8
Customer and other relationships	43	2
Trade names	1	2
Total identifiable intangible assets	\$ 204	

#### Note 6 Investments

The carrying value of the Company's investments was \$80 million and \$45 million as of September 26, 2020 and December 31, 2019, respectively, which are included in Other long-term assets on the Consolidated Balances Sheets. During the nine months ended September 26, 2020, the Company paid \$32 million for the purchases of long-term investments, which primarily related to the acquisition of additional shares in an existing investment in the second quarter of 2020. In connection with this additional investment in the second quarter of 2020, the Company identified an observable price change that resulted in a \$7 million gain on its existing investment. During the nine months ended September 26, 2020, the Company also received cash proceeds of \$6 million related to the sale of a long-term investment.

Net gains and losses related to the Company's investments are included within Other, net on the Consolidated Statements of Operations. During the three and nine months ended September 26, 2020, the Company recognized net investment gains of \$1 million and \$8 million, respectively. During the three and nine months ended September 28, 2019, the Company recognized net investment gains of \$0 million and \$3 million, respectively.

#### Note 7 Exit and Restructuring Costs

In the fourth quarter of 2019, the Company committed to certain organizational changes designed to generate operational efficiencies (collectively referred to as the "2019 Productivity Plan"). The organizational design changes under the 2019 Productivity Plan have principally occurred within the North America and Europe, Middle East, and Africa ("EMEA") regions, relate primarily to employee severance and related benefits, and are expected to be substantially completed by the end of 2020. Exit and restructuring charges for the 2019 Productivity Plan were \$1 million and \$7 million during the three and nine months ended September 26, 2020, respectively, and \$15 million cumulatively through the quarter ended September 26, 2020. Estimated remaining costs to be incurred in the fourth quarter of 2020 under the 2019 Productivity Plan are expected to be up to \$3 million.

As of September 26, 2020, the Company's total remaining obligations under its exit and restructuring programs were \$4 million, which are expected to be mostly settled within the next year and are reflected within Accrued liabilities on the Consolidated Balance Sheets.

## Note 8 Fair Value Measurements

Financial assets and liabilities are measured using inputs from three levels of the fair value hierarchy in accordance with Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements*. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into the following three broad levels:

- Level 1: Quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs (e.g. U.S. Treasuries and money market funds).
- Level 2: Observable prices that are based on inputs not quoted on active markets but corroborated by market data.
- Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs to the extent possible. In addition, the Company considers counterparty credit risk in the assessment of fair value.

The Company’s financial assets and liabilities carried at fair value as of September 26, 2020, are classified below (in millions):

	Level 1	Level 2	Level 3	Total
<b>Assets:</b>				
Money market investments related to the deferred compensation plan	\$ 26	\$ —	\$ —	\$ 26
Total Assets at fair value	<u>\$ 26</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 26</u>
<b>Liabilities:</b>

Liabilities related to the deferred compensation plan	26	—	—	26
Total Liabilities at fair value	<u>\$ 26</u>	<u>\$ 64</u>	<u>\$ —</u>	<u>\$ 90</u>

The Company’s financial assets and liabilities carried at fair value as of December 31, 2019, are classified below (in millions):

	Level 1	Level 2	Level 3	Total
<b>Assets:</b>				
Foreign exchange contracts <sup>(1)</sup>	\$ —	\$ 3	\$ —	\$ 3
Money market investments related to the deferred compensation plan	24	—	—	24
Total Assets at fair value	<u>\$ 24</u>	<u>\$ 3</u>	<u>\$ —</u>	<u>\$ 27</u>
<b>Liabilities:</b>

Liabilities related to the deferred compensation plan	24	—	—	24
Total Liabilities at fair value	<u>\$ 24</u>	<u>\$ 13</u>	<u>\$ —</u>	<u>\$ 37</u>

(1) The fair value of the foreign exchange contracts is calculated as follows:

- Fair value of regular forward contracts associated with forecasted sales hedges is calculated using the period-end exchange rate adjusted for current forward points.
- Fair value of hedges against net assets is calculated at the period-end exchange rate adjusted for current forward points unless the hedge has been traded but not settled at period end (Level 2). If this is the case, the fair value is calculated at the rate at which the hedge is being settled (Level 1).

(2) The fair value of forward interest rate swaps is based upon a valuation model that uses relevant observable market inputs at the quoted intervals, such as forward yield curves, and is adjusted for the Company’s credit risk and the interest rate swap terms.

## Note 9 Derivative Instruments

In the normal course of business, the Company is exposed to global market risks, including the effects of changes in foreign currency exchange rates and interest rates. The Company uses derivative instruments to manage its exposure to such risks and

may elect to designate certain derivatives as hedging instruments under ASC Topic 815, *Derivatives and Hedging* (“ASC 815”). The Company formally documents all relationships between designated hedging instruments and hedged items as well as its risk management objectives and strategies for undertaking hedge transactions. The Company does not hold or issue derivatives for trading or speculative purposes.

In accordance with ASC 815, the Company recognizes derivative instruments as either assets or liabilities on the Consolidated Balance Sheets and measures them at fair value. The following table presents the fair value of its derivative instruments (in millions):

		(Liability) Asset	
		Fair Values as of	
	Balance Sheet Classification	September 26, 2020	December 31, 2019

Activities related to derivative instruments are reflected within Net cash provided by operating activities on the Consolidated Statements of Cash Flows.

#### Credit and Market Risk Management

Financial instruments, including derivatives, expose the Company to counterparty credit risk of nonperformance and to market risk related to currency exchange rate and interest rate fluctuations. The Company manages its exposure to counterparty credit risk by establishing minimum credit standards, diversifying its counterparties, and monitoring its concentrations of credit. The Company’s counterparties are commercial banks with expertise in derivative financial instruments. The Company evaluates the impact of market risk on the fair value and cash flows of its derivative and other financial instruments by considering reasonably possible changes in interest rates and currency exchange rates. The Company continually monitors the creditworthiness of the customers to which it grants credit terms in the normal course of business. The terms and conditions of the Company’s credit policies are designed to mitigate concentrations of credit risk.

The Company's master netting and other similar arrangements with the respective counterparties allow for net settlement under certain conditions, which are designed to reduce credit risk by permitting net settlement with the same counterparty. We present the assets and liabilities of our derivative financial instruments, for which we have net settlement agreements in place, on a net basis on the Consolidated Balance Sheets. If the derivative financial instruments had been presented gross on the Consolidated Balance Sheets, the asset and liability positions each would have been increased by \$3 million as of September 26, 2020 and December 31, 2019.

#### Foreign Currency Exchange Risk Management

The Company conducts business on a multinational basis in a variety of foreign currencies. Exposure to market risk for changes in foreign currency exchange rates arises primarily from Euro-denominated external revenues, cross-border financing activities between subsidiaries, and foreign currency denominated monetary assets and liabilities. The Company manages its objective of preserving the economic value of non-functional currency denominated cash flows by initially hedging transaction exposures with natural offsets to the fullest extent possible and, once these opportunities have been exhausted, through foreign exchange forward and option contracts, as deemed appropriate.

The Company manages the exchange rate risk of anticipated Euro-denominated sales using forward contracts, which typically mature within twelve months of execution. The Company designates these derivative contracts as cash flow hedges. Unrealized gains and losses on these contracts are deferred in Accumulated other comprehensive income (loss) ("AOCI") on the Consolidated Balance Sheets until the contract is settled and the hedged sale is realized. The realized gain or loss is then recorded as an adjustment to Net sales on the Consolidated Statements of Operations. Realized amounts reclassified to Net sales were \$8 million of losses and \$10 million of gains for the three months ended September 26, 2020 and September 28, 2019, respectively. For the nine months ended September 26, 2020 and September 28, 2019, realized gains were \$6 million and \$32 million, respectively. As of September 26, 2020 and December 31, 2019, the notional amounts of the Company's foreign exchange cash flow hedges were €543 million and €564 million, respectively. The Company has reviewed its cash flow hedges for effectiveness and determined that they are highly effective.

The Company uses forward contracts, which are not designated as hedging instruments, to manage its exposures related to net assets denominated in foreign currencies. These forward contracts typically mature within one month after execution. Monetary gains and losses on these forward contracts are recorded in income and are generally offset by the transaction gains and losses related to their net asset positions. The notional values and the net fair value of these outstanding contracts are as follows (in millions):

	September 26, 2020		December 31, 2019	
Notional balance of outstanding contracts:				
British Pound/U.S. Dollar	£	11	£	14
Euro/U.S. Dollar	€	24	€	36
Canadian Dollar/U.S. Dollar	\$	1	\$	1
Australian Dollar/U.S. Dollar	A\$	4	A\$	42
Japanese Yen/U.S. Dollar	¥	233	¥	264
Singapore Dollar/U.S. Dollar	S\$	14	S\$	19
Mexican Peso/U.S. Dollar	Mex\$	114	Mex\$	115
Chinese Yuan/U.S. Dollar	¥	46	¥	—
South African Rand/U.S. Dollar	R	46	R	42
Net fair value of assets of outstanding contracts	\$	—	\$	—

The Company's use of non-designated forward contracts to manage Euro currency exposure is limited, as Euro-denominated borrowings under the Revolving Credit Facility naturally hedge part of such risk. See Note 10, *Long-Term Debt* for further discussion of Euro-denominated borrowings.

#### Interest Rate Risk Management

The Company's debt consists of borrowings under term loans ("Term Loan A" and the "2020 Term Loan"), Revolving Credit Facility and Receivables Financing Facilities, which bear interest at variable rates plus applicable margins. As a result, the Company is exposed to market risk associated with the variable interest rate payments on these borrowings. See Note 10, *Long-Term Debt* for further details about these borrowings.

The Company manages its exposure to changes in interest rates by utilizing interest rate swaps to hedge this exposure and to achieve a desired proportion of fixed versus floating-rate debt, based on current and projected market conditions.

In December 2017, the Company entered into a long-term forward interest rate swap agreement with a notional amount of \$800 million to lock into a fixed LIBOR interest rate base for its debt facilities, subject to monthly interest payments. Under the terms of the agreement, \$800 million in variable-rate debt will be swapped for a fixed interest rate with net settlement terms starting in December 2018 and ending in December 2022. During the third quarter of 2019, the Company entered into additional long-term forward interest rate swap agreements with a total notional amount of \$800 million, containing net settlement terms starting in December 2022 and ending in August 2024. The additional interest rate swap agreements effectively extend the risk management initiative of the Company to coincide with the maturities of Term Loan A and the Revolving Credit Facility. These interest rate swaps are not designated as hedges and changes in fair value are recognized immediately as Interest expense, net on the Consolidated Statements of Operations.

#### Note 10 Long-Term Debt

The following table shows the carrying value of the Company's debt (in millions):

	September 26, 2020	December 31, 2019
Term Loan A	\$ 917	\$ 917
Revolving Credit Facility	194	103
Receivables Financing Facilities	264	266

Less: Unamortized discounts	(3)	(3)
Less: Current portion of debt	(481)	(197)
Total long-term debt	\$ 1,086	\$ 1,080

As of September 26, 2020, the future maturities of debt, excluding debt discounts and issuance costs, were as follows (in millions):

2020	\$ 78
2021	416
2022	56
2023	81
2024	944
Total future debt maturities	\$ 1,575

All borrowings as of September 26, 2020 were denominated in U.S. Dollars, except for €72 million under the Revolving Credit Facility that was borrowed in Euros.

The estimated fair value of the Company's debt approximated \$1.6 billion and \$1.3 billion as of September 26, 2020 and December 31, 2019, respectively. These fair value amounts, developed based on inputs classified as Level 2 within the fair value hierarchy, represent the estimated value at which the Company's lenders could trade its debt within the financial markets and do not represent the settlement value of these liabilities to the Company. The fair value of the debt will continue to vary each period based on a number of factors, including fluctuations in market interest rates as well as changes to the Company's credit ratings.

#### 2020 Term Loan

In September 2020, the Company entered into a new term loan ("2020 Term Loan") with a principal of \$200 million, with the proceeds used to partly fund the acquisition of Reflexis. Principal on the 2020 Term Loan is due to be repaid in quarterly installments starting in December 2020, with the majority of principal due upon the August 31, 2021 maturity date. The Company may make prepayments against the 2020 Term Loan, in whole or in part, without premium or penalty. The Company would be required to prepay certain outstanding amounts in the event of certain circumstances or transactions. As of September 26, 2020, the 2020 Term Loan interest rate was 2.25%. Interest payments are made monthly and are subject to a variable rate plus an applicable margin. Costs associated with issuing the 2020 Term Loan were approximately \$1 million, which were capitalized and will be amortized over the term of the loan.

#### *Uncommitted Short-Term Credit Facility*

The Company also entered into an uncommitted short-term credit facility (“Uncommitted Facility”) in August 2020. The Uncommitted Facility matures on August 26, 2021 and allows for borrowings of up to \$20 million. Each borrowing must be repaid within 90 days, or earlier if the facility matures beforehand, and bears interest at a variable rate plus an applicable margin. Along with the Company’s Revolving Credit Facility, the Uncommitted Facility is available for working capital and other general business purposes. As of September 26, 2020, the Company had no outstanding borrowings under the Uncommitted Facility.

#### *Long-Term Credit Facilities*

In addition to the 2020 Term Loan, the Company’s long-term credit facilities consist of Term Loan A and the Revolving Credit Facility, both of which have a maturity of August 9, 2024.

The principal on Term Loan A is due in quarterly installments, with the next quarterly installment due in June 2021 and the majority due upon maturity. The Company may make prepayments against Term Loan A, in whole or in part, without premium or penalty. The Company would be required to prepay certain outstanding amounts in the event of certain circumstances or transactions. As of September 26, 2020, the Term Loan A interest rate was 1.40%. Interest payments are made monthly and are subject to variable rates plus an applicable margin.

The Revolving Credit Facility is available for working capital and other general business purposes, including letters of credit. As of September 26, 2020, the Company had letters of credit totaling \$4 million, which reduced funds available for borrowings under the Revolving Credit Facility from \$1 billion to \$996 million. As of September 26, 2020, the Revolving Credit Facility had an average interest rate of 1.34%. Interest payments are made monthly and are subject to variable rates plus an applicable margin. All remaining principal is due upon maturity.

During the third quarter of 2019, the Company entered into its second amendment to the Amended and Restated Credit Agreement (“Amendment No. 2”). Amendment No. 2 increased the Company’s borrowing under Term Loan A from \$608 million to \$1 billion and increased the Company’s borrowing capacity under the Revolving Credit Facility from \$800 million to \$1 billion. Amendment No. 2 also extended the maturities of Term Loan A and the Revolving Credit Facility to August 9, 2024. Additionally, in conjunction with entering into Amendment No. 2, a payment of \$445 million was made to fully pay off the Company’s Term Loan B.

The refinancing of the Company’s long-term credit facilities during the third quarter of 2019 resulted in non-cash accelerated amortization of debt discount and debt issuance costs of \$4 million and one-time charges of \$3 million, which included certain third party fees and the accelerated amortization of losses on terminated interest rate swaps released from AOCL. These items are included in Interest Expense, net on the Consolidated Statements of Operations. Additionally, issuance costs of \$6 million incurred related to this debt refinancing were capitalized and will be amortized over the remaining term of Term Loan A and the Revolving Credit Facility.

#### *Receivables Financing Facilities*

The Company has two Receivables Financing Facilities with financial institutions carrying total borrowing limits of up to \$280 million. As collateral, the Company pledges perfected first-priority security interests in its U.S. domestically originated accounts receivable. The Company has accounted for transactions under its Receivables Financing Facilities as secured borrowings. The Company’s first Receivables Financing Facility, which was originally entered into in December 2017 and was amended in May 2019, allows for borrowings of up to \$180 million and will mature on March 29, 2021. The Company’s second Receivable Financing Facility, which was entered into in May 2019 and was amended in May 2020, allows for borrowings of up to \$100 million and will mature on May 17, 2021.

As of September 26, 2020, the Company’s Consolidated Balance Sheets included \$494 million of receivables that were pledged under the two Receivables Financing Facilities. As of September 26, 2020, \$264 million had been borrowed, all of which was classified as current. Borrowings under the Receivables Financing Facilities bear interest at a variable rate plus an applicable margin. As of September 26, 2020, the Receivables Financing Facilities had an average interest rate of 1.04%. Interest is paid on these borrowings on a monthly basis.

Each of the Company’s borrowing arrangements described above include terms and conditions that limit the incurrence of additional borrowings and require that certain financial ratios be maintained at designated levels.

The Company uses interest rate swaps to manage the interest rate risk associated with its debt. See Note 9, *Derivative Instruments* for further information.

As of September 26, 2020, the Company was in compliance with all debt covenants.

#### Note 11 Commitments and Contingencies

##### Warranties

The following table is a summary of the Company's accrued warranty obligations, which are included in Accrued liabilities on the Consolidated Balance Sheets (in millions):

	Nine Months Ended	
	September 26, 2020	September 28, 2019
Balance at the beginning of the period	\$ 21	\$ 22
Warranty expense	22	18
Warranties fulfilled	(20)	(18)
Balance at the end of the period	\$ 23	\$ 22

##### Contingencies

The Company is subject to a variety of investigations, claims, suits, and other legal proceedings that arise from time to time in the ordinary course of business, including but not limited to, intellectual property, employment, tort, and breach of contract matters. The Company currently believes that the outcomes of such proceedings, individually and in the aggregate, will not have a material adverse impact on its business, cash flows, financial position, or results of operations. Any legal proceedings are subject to inherent uncertainties, and the Company's view of these matters and their potential effects may change in the future. The Company establishes an accrued liability for loss contingencies when the loss is both probable and estimable.

#### Note 12 Income Taxes

The Company's effective tax rates for the three and nine months ended September 26, 2020 were 15.9% and 11.3%, respectively. The variances from the 21% federal statutory rate was attributable to the benefits of lower tax rates on foreign earnings and U.S. tax credits. These benefits were partially offset by the impacts of foreign earnings and deemed royalties taxed in the U.S. The Company's effective tax rate also benefited from certain discrete items, primarily related to share-based compensation.

The Company's effective tax rates for the three and nine months ended September 28, 2019 were 14.5% and 10.5%, respectively. The variances from the 2019 federal statutory rate of 21% were each attributable to the benefits of lower tax rates on foreign earnings and U.S. tax credits. These benefits were partially offset by the impacts of foreign earnings and deemed royalties taxed in the U.S. The Company's effective tax rate also benefited from certain discrete items, primarily related to share-based compensation.

On March 27, 2020, the President of the United States signed into tax law the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The Company does not believe any of the provisions will materially impact its 2020 effective tax rate. Management continues to monitor developments and guidance on the CARES Act and other coronavirus tax relief throughout the world for potential impacts.

The Company earns a significant amount of its operating income outside of the U.S. Pre-tax earnings outside the U.S. are primarily generated in the United Kingdom, Singapore, and Luxembourg, with statutory rates of 19%, 17%, and 25%, respectively. The Company has received an incentivized tax rate by the Singapore Economic Development Board, which reduces the income tax rate to 10.5% from the statutory rate of 17%, and is effective for calendar years 2019 to 2023. The Company has committed to making additional investments in Singapore over the period 2019 to 2022. However, should the Company not make these investments in accordance with the agreement, any incentive benefit would have to be repaid to the Singapore tax authorities.

The Company is not permanently reinvested with respect to its U.S. directly-owned foreign subsidiaries. For periods after 2017, the Company is subject to U.S. income tax on substantially all foreign earnings under the Global Intangible Low-Taxed Income provisions of the Tax Cuts and Jobs Act (the "Act") enacted in December 2017, while any remaining foreign earnings are eligible for a dividends received deduction under the Act. As a result, future repatriations of earnings will no longer be subject to U.S. income tax but may be subject to currency gains or losses. Additionally, gains and losses on any future taxable dispositions of U.S.-owned foreign affiliates continue to be subject to U.S. tax.

Management evaluates all jurisdictions based on historical pre-tax earnings and taxable income to determine the need for valuation allowances on a quarterly basis. Based on this analysis, a valuation allowance has been recorded for any jurisdictions where, in the Company's judgment, tax benefits are not expected to be realized.

#### Uncertain Tax Positions

The Company is currently undergoing U.S. federal income tax audits for tax years 2017 and 2018. The U.S. federal income tax audit for tax year 2016 concluded during the third quarter of 2020 and did not have a material impact to the financial statements. Additionally, fiscal years 2004 through 2018 remain open to examination by multiple foreign and U.S. state taxing jurisdictions. As of September 26, 2020, no significant uncertain tax positions are expected to be settled within the next twelve months. Due to uncertainties in any tax audit or litigation outcome, the Company's estimates of the ultimate settlements of uncertain tax positions may change and the actual tax benefits may differ significantly from estimates.

#### Note 13 Earnings Per Share

Basic net earnings per share is calculated by dividing net income by the weighted average number of common shares outstanding for the period. Diluted earnings per share is computed by dividing net income by the weighted average number of shares assuming dilution. Dilutive common shares outstanding is computed using the Treasury Stock method and, in periods of income, reflects the additional shares that would be outstanding if dilutive stock options were exercised for common shares during the period.

#### Note 14 Accumulated Other Comprehensive Income (Loss)

Stockholders' equity includes certain items classified as AOCI, including:

- **Unrealized (loss) gain on anticipated sales hedging transactions** relates to derivative instruments used to hedge the exposure related to currency exchange rates for forecasted Euro sales. These hedges are designated as cash flow hedges, and the Company defers income statement recognition of gains and losses until the hedged transaction occurs. See Note 9, *Derivative Instruments* for more details.
- **Unrealized loss on forward interest rate swaps hedging transactions** relates to certain interest rate swaps that the Company previously entered into as part of its strategy to mitigate interest rate risk exposure associated with its variable rate debt. These particular interest rate swaps, which were designated as cash flow hedges, were terminated

prior to 2019, with remaining losses being reclassified out of AOCI through the third quarter of 2019. Pre-tax losses were reclassified into Interest expense, net on the Consolidated Statements of Operations.

- **Foreign currency translation adjustments** relate to the Company's non-U.S. subsidiary companies that have designated a functional currency other than the U.S. Dollar. The Company is required to translate the subsidiary functional currency financial statements to U.S. Dollars using a combination of historical, period end, and average foreign exchange rates. This combination of rates creates the foreign currency translation adjustment component of AOCI.

The components of AOCI for the nine months ended September 26, 2020 and September 28, 2019 are as follows (in millions):

	Unrealized (loss) gain on sales hedging	Unrealized gain (loss) on forward interest rate swaps	Foreign currency translation adjustments	Total

#### Note 15 Accounts Receivable Factoring

The Company has multiple Receivables Factoring arrangements, pursuant to which certain receivables are sold to banks without recourse in exchange for cash. Transactions under the Receivables Factoring arrangements are accounted for as sales under ASC 860, *Transfers and Servicing of Financial Assets*, with the sold receivables removed from the Company's balance sheet. Under these Receivables Factoring arrangements, the Company does not maintain any beneficial interest in the receivables sold. The banks' purchase of eligible receivables is subject to a maximum amount of uncollected receivables. The Company services the receivables on behalf of the banks, but otherwise maintains no significant continuing involvement with respect to the receivables. Sale proceeds that are representative of the fair value of factored receivables, less a factoring fee, are reflected in Net cash provided by operating activities on the Consolidated Statements of Cash Flows, while sale proceeds in excess of the fair value of factored receivables are reflected in Net cash provided by financing activities on the Consolidated Statements of Cash Flows.

In May 2020, the Company entered into a new Receivables Factoring arrangement with a bank, which allows for the factoring of up to €150 million of uncollected receivables originated from the EMEA and Asia-Pacific regions. The Company is required to maintain a portion of sales proceeds as deposits in a restricted cash account that is released to the Company as it satisfies its obligations as servicer of sold receivables, which totaled \$29 million as of September 26, 2020 and is classified within Prepaid expenses and other current assets on the Consolidated Balance Sheets.

The Company's other active Receivable Factoring arrangements, which were entered into prior to 2020, also allow for the factoring of up to \$125 million of uncollected receivables originated from the EMEA region.

During the nine months ended September 26, 2020 and September 28, 2019, the Company received cash proceeds of \$857 million and \$248 million, respectively, from the sales of accounts receivables under its factoring arrangements. As of September 26, 2020 and December 31, 2019, there were a total of \$92 million and \$60 million, respectively, of uncollected receivables that had been sold and removed from the Company's Consolidated Balance Sheets.

As servicer of sold receivables, the Company had \$106 million and \$33 million of obligations that were not yet remitted to banks as of September 26, 2020 and December 31, 2019, respectively. These obligations are included within Accrued liabilities on the Consolidated Balance Sheets, with changes in such obligations reflected within Net cash provided by (used in) financing activities on the Consolidated Statements of Cash Flows.

Fees incurred in connection with these arrangements were not significant.

#### Note 16 Segment Information & Geographic Data

The Company's operations consist of two reportable segments: Asset Intelligence & Tracking ("AIT") and Enterprise Visibility & Mobility ("EVM"). The reportable segments have been identified based on the financial data utilized by the Company's Chief Executive Officer (the chief operating decision maker or "CODM") to assess segment performance and allocate resources among the Company's segments. The CODM reviews adjusted operating income to assess segment profitability. To the extent applicable, segment operating income excludes purchase accounting adjustments, amortization of intangible assets, acquisition and integration costs, impairment of goodwill and other intangibles, exit and restructuring costs, and product sourcing diversification costs. Segment assets are not reviewed by the Company's CODM and therefore are not disclosed below.

Financial information by segment is presented as follows (in millions):

### Recent Developments

#### Acquisition of Reflexis

On September 1, 2020, the Company acquired all of the equity interests in Reflexis Systems, Inc. (“Reflexis”), a provider of task and workforce management, execution, and communication solutions for customers in the retail, food service, hospitality, and banking industries. Through its acquisition of Reflexis, the Company intends to enhance its solution offerings to customers in those industries by combining Reflexis’ platform with its existing software solutions, further empowering front line workers to execute the next best action using real time data. The operating results of Reflexis are included within the EVM segment.

The Company’s cash purchase consideration was \$548 million, net of cash acquired. In connection with its acquisition of Reflexis and in exchange for the cancellation of unvested Reflexis stock options, the Company granted replacement share-based compensation awards to certain Reflexis employees in the form of Zebra incentive stock options with a fair value of approximately \$9 million. This fair value will be expensed over the weighted average future service period of 1.7 years.

The Company incurred approximately \$19 million of acquisition-related costs during the third quarter of 2020, which primarily consisted of payments to settle certain existing Reflexis share-based compensation awards whose vesting was accelerated at the discretion of Reflexis contemporaneously with the acquisition. Those payments, as well as \$5 million of other acquisition-related costs primarily related to third-party transaction and advisory fees, are included within Acquisition and integration costs on the Consolidated Statements of Operations.

The acquisition of Reflexis was funded, in part, by the issuance of a new term loan (the “2020 Term Loan”) in the amount of \$200 million. The acquisition of Reflexis was otherwise funded using the Company’s cash on hand and borrowing under the Company’s existing Revolving Credit Facility. See additional details related to the Company’s debt arrangements in Note 10, *Long-Term Debt*.

#### COVID-19 Outbreak

In December 2019, a strain of the coronavirus (“COVID-19”) surfaced in Wuhan, China. During the first quarter of 2020, COVID-19 spread rapidly across nearly every region of the world and was declared a pandemic by the World Health Organization in March 2020. By the second quarter of 2020, we saw a broad number of governmental and commercial impacts, resulting in business slowdowns or shutdowns and significant travel restrictions. By the third quarter, most businesses have resumed operations and certain restrictions have been lifted. These events have resulted in significant declines in both global economic activity and significant volatility in financial market valuations, the duration of which is not reasonably estimable. Net sales and profitability have been negatively impacted by the direct and indirect effects of the pandemic.

We serve a diverse mix of customers. Some of our customers have experienced significant declines or suspensions to their operations, whereas others have experienced increases in their business volume. While many of our supply chain partners in China temporarily suspended or modified their business operations in early 2020 as a consequence of COVID-19, we have substantially mitigated the impact of supply chain disruptions by taking exceptional actions, including alternative modes of product delivery and fulfillment, as well as providing protective equipment and hazard pay premiums for our front-line employees.

The federal, state, and local governments as well as foreign governments, to varying degrees, have imposed, and continue to impose, protocols and regulations restricting the physical movement or other activities of individuals in an effort to limit the spread of COVID-19. We have implemented a number of measures in an effort to protect our employees’ health and well-being, including having the majority of office workers work remotely, limiting employee travel, and withdrawing from industry events. In addition, as governments continue to ease their restrictions and we continue to allow our employees to come back to work in our offices in a controlled approach, we have modified our business practices, including implementing social distancing protocols, office capacity restrictions, health screening, provision of personal protective equipment, tracking and tracing protocols, and extensively and frequently disinfecting our workspaces. Throughout the pandemic, distribution centers and repair centers have remained open at varying capacity levels to ensure continued support to our customers, many of whom provide essential goods and services to communities.

During the first three quarters of 2020, we considered the potential impacts of the global pandemic in qualitative impairment assessments of our long-lived assets, including goodwill and intangible assets, property, plant and equipment and right-of-use lease assets. We concluded that it is not more likely than not that any of our long-lived assets are impaired. Our analysis considered, among other factors:

- the nature of our products and services as well as our position within our industry;
- our highly variable cost structure;
- the assumption that the impact of COVID-19 will be temporary; and that
- the Company will continue generating strong positive operating cash flows over the long-term.

We have also considered the adequacy of our capital resources, inclusive of available borrowing capacity on debt and other financing facilities; the results of our most recent quantitative goodwill impairment assessment, as disclosed in our Form 10-K for the year ended December 31, 2019; and that our market capitalization as of the end of the third quarter still far exceeded total net assets. Finally, while we may experience an increase in working capital levels, we do not anticipate a material impact to the realizability of current assets, such as accounts receivable or inventories, at this time.

The situation related to the pandemic continues to be complex and rapidly evolving. There may be further external developments, such as restrictions imposed by government authorities or guidance issued by public health authorities, that are beyond our control and may impact our operating plans. Parts of our business have experienced, and may continue to experience, operational disruption and customer demand impacts. Since the onset of the pandemic, we have taken certain cost reduction actions to mitigate the impact to profitability and cash flow. We cannot reasonably estimate the duration of the pandemic or fully ascertain its long-term impact to our business.

#### Product Sourcing Diversification Initiative

The Company commenced efforts in 2019 to diversify its product sourcing footprint to include sourcing products from Taiwan, Vietnam, and Malaysia, thereby reducing its reliance on Chinese-based manufacturing and the impacts of related customs duties (“tariffs”) on U.S imports from China. In conjunction with this initiative, the Company has incurred total one-time costs of \$20 million, including \$7 million and \$15 million during the three and nine months ended September 26, 2020, respectively, which are primarily reflected within Operating expenses on the Consolidated Statements of Operations. The Company also made \$7 million of incremental equipment purchases during the nine months ended September 26, 2020. The Company anticipates incurring additional one-time operating costs of up to \$5 million, as well as making additional equipment purchases of up to \$3

million during the fourth quarter of 2020. We have substantially completed the primary actions of this initiative and began sourcing some products from these alternative locations in the second quarter. As of the end of the third quarter, these actions, along with certain U.S. pricing actions, have substantially mitigated the ongoing financial impacts of Chinese import tariffs. We expect to fully complete this initiative by the end of this fiscal year.

#### Restructuring Programs

In the fourth quarter of 2019, the Company committed to certain organizational changes designed to generate operational efficiencies (collectively referred to as the “2019 Productivity Plan”). The organizational design changes under the 2019 Productivity Plan have principally occurred within the North America and EMEA regions, relate primarily to employee severance and related benefits, and are expected to be substantially completed by the end of 2020. Exit and restructuring charges for the 2019 Productivity Plan were \$1 million and \$7 million during the three and nine months ended September 26, 2020, respectively, and \$15 million cumulatively through the quarter ended September 26, 2020. Estimated remaining costs to be incurred in the fourth quarter of 2020 under the 2019 Productivity Plan are expected to be up to \$3 million. See Note 7, *Exit and Restructuring Costs* in the Notes to Consolidated Financial Statements.

Consolidated Organic Net sales growth is a non-GAAP financial measure. See the *Non-GAAP Measures* section at the end of this item.

(1) Operating results reported in U.S. Dollars are affected by foreign currency exchange rate fluctuations. Foreign currency translation impact represents the difference in results that are attributable to fluctuations in the currency exchange rates used to convert the results for businesses where the functional currency is not the U.S. Dollar. This impact is calculated by translating the current period results at the currency exchange rates used in the comparable prior year period, inclusive of the Company's foreign currency hedging program.

(2) For purposes of computing Organic Net sales growth, amounts directly attributable to business acquisitions are excluded for twelve months following their respective acquisition dates.

#### Third quarter 2020 compared to third quarter 2019

Net sales increased \$2 million or 0.2% compared with the prior year, reflecting growth in North America that was largely offset by continued declines in our Asia-Pacific and Latin America regions. Excluding the effects of acquisitions and unfavorable currency changes, the increase in Consolidated Organic Net sales was 0.3%, primarily due to higher sales of mobile computing products and our service and software offerings, which were largely offset by lower sales of printing and data capture products reflecting continued customer demand declines resulting from the COVID-19 pandemic.

Gross margin decreased to 43.6% for the current quarter compared to 47.3% for the prior year. Gross margins were lower in both the AIT and EVM segments reflecting unfavorable business mix, including larger deal size, and premium freight costs. These declines were partially offset by productivity gains within our service and software offerings.

Operating expenses for the quarter ended September 26, 2020 and September 28, 2019, were \$343 million and \$350 million, or 30.3% and 31.0% of Net sales, respectively. As a percentage of Net sales, operating costs continue to trend favorably. The

decrease in Operating expenses over the prior period is primarily due to lower discretionary spending, lower employee compensation costs resulting from temporary salary reductions, expiring late in the third quarter, and lower intangible asset amortization expense. These reductions were partially offset by higher Acquisition and integration costs, higher costs associated with the diversification of the Company's product sourcing footprint, as well as the inclusion of costs associated with business acquisitions.

Operating income decreased 18.9% to \$150 million for the current quarter compared to \$185 million for the prior year. The decrease was due to lower Gross profit, partially offset by the benefits of lower Operating expenses.

Total Other expenses, net was \$12 million for the current quarter compared to \$26 million for the prior year. The decline from the prior year was primarily due to lower average outstanding debt levels and interest rates, and the prior year quarter including \$7 million of debt refinancing costs.

The Company's effective tax rates for the three months ended September 26, 2020 and September 28, 2019 were 15.9% and 14.5%, respectively. The increase in the effective tax rate compared to the prior year period was primarily due to the reduction in the benefit of discrete items. These items were primarily related to the favorable release of uncertain tax position reserves in the prior year.

*Year to date 2020 compared to year to date 2019*

Net sales decreased \$153 million or 4.6% compared with the prior year, reflecting continued declines in our Asia-Pacific, Latin America and EMEA regions, that were partially offset by growth in North America. Excluding the effects of acquisitions and unfavorable currency changes, the decrease in Consolidated Organic Net sales was 4.2%, primarily due to continued customer demand declines resulting from the COVID-19 pandemic. Declines were broad-based across the majority of our tangible product offerings and most pronounced within our printing and data capture businesses, partially offset by higher sales of our service and software offerings.

Gross margin decreased to 44.1% for the current period compared to 47.3% for the prior year. Gross margins were lower in both the AIT and EVM segments reflecting unfavorable business mix, including larger deal size, premium freight costs, and Chinese import tariffs. These declines were partially offset by productivity gains within our service and software offerings.

Operating expenses for the period ended September 26, 2020 and September 28, 2019, were \$965 million and \$1,052 million, or 30.7% and 31.9% of Net sales, respectively. As a percentage of Net sales, operating costs continue to trend favorably. The decrease in Operating expenses over the prior period was primarily due to lower discretionary spending, lower employee compensation costs resulting from temporary salary reductions, expiring late in the third quarter, as well as lower incentive-based compensation, and lower intangible asset amortization expense. These reductions were partially offset by the inclusion of operating expenses associated with business acquisitions, costs associated with the diversification of the Company's product sourcing footprint, and higher Exit and restructuring costs.

Operating income decreased 16.7% to \$420 million for the current period compared to \$504 million for the prior year. The decrease was due to lower Net sales and Gross profit, partially offset by the benefits of lower Operating expenses.

Total Other expenses, net was \$76 million for the current period compared to \$85 million for the prior year. The increase in foreign exchange and interest rate swap losses in the current period were more than offset by lower interest expense, net driven by lower average outstanding debt levels and interest rates, and the prior year period including \$7 million of debt refinancing costs. The current period also included higher gains in our investment portfolio.

The Company's effective tax rates for the nine months ended September 26, 2020 and September 28, 2019 were 11.3% and 10.5%, respectively. The increase in the effective tax rate compared to the prior year period was primarily due to the reduction in the benefit of discrete items. These items were primarily related to the favorable release of uncertain tax position reserves in the prior year and a decrease in share-based compensation from the prior year.

***Results of Operations by Segment***

The following commentary should be read in conjunction with the financial results of each operating business segment as detailed in Note 16, *Segment Information & Geographic Data* in the Notes to Consolidated Financial Statements. To the extent applicable, segment results exclude purchase accounting adjustments, amortization of intangible assets, acquisition and integration costs, impairment of goodwill and other intangibles, exit and restructuring costs, and product sourcing diversification costs.

AIT Organic Net sales growth is a non-GAAP financial measure. See the *Non-GAAP Measures* section at the end of this item.

- (1) Operating results reported in U.S. Dollars are affected by foreign currency exchange rate fluctuations. Foreign currency translation impact represents the difference in results that are attributable to fluctuations in the currency exchange rates used to convert the results for businesses where the functional currency is not the U.S. Dollar. This impact is calculated by translating the current period results at the currency exchange rates used in the comparable prior year period, inclusive of the Company's foreign currency hedging program.
- (2) For purposes of computing AIT Organic Net sales growth, amounts directly attributable to the acquisition of Temptime Corporation ("Temptime") are excluded for twelve months following the February 21, 2019 acquisition date.

#### Third quarter 2020 compared to third quarter 2019

Net sales for AIT decreased \$27 million or 7.2% compared to the prior year, including the impacts of unfavorable currency changes. AIT Organic Net sales decline of 7.1% was primarily due to lower sales of printing products and supplies across all regions associated with continued COVID-19 induced customer demand declines.

Gross margin decreased to 46.8% in the current quarter compared to 50.1% in the prior year, primarily due to unfavorable product mix, lower sales volumes, and premium freight costs.

Operating income decreased 15.1% in the current quarter compared to the prior year. The decrease was due to lower Net sales and Gross profit, partially offset by the benefits of lower Operating expenses.

#### Year to date 2020 compared to year to date 2019

Net sales for AIT decreased \$108 million or 9.8% compared to the prior year, including the impacts of the Temptime acquisition and unfavorable currency changes. AIT Organic Net sales decline of 9.8% was primarily due to lower sales of printing products and supplies across all regions associated with COVID-19 induced customer demand declines.

Gross margin decreased to 47.0% in the current period compared to 50.3% in the prior year, primarily due to unfavorable product mix, lower sales volumes, premium freight costs, and Chinese tariffs.

Operating income decreased 19.7% in the current period compared to the prior year. The decrease was due to lower Net sales and Gross profit, partially offset by the benefits of lower Operating expenses.

#### Third quarter 2020 compared to third quarter 2019

Net sales for EVM increased \$31 million or 4.1% compared to prior year, including unfavorable foreign currency changes and the benefit of acquisitions. EVM Organic Net Sales growth of 4.0% was primarily due to higher sales of mobile computing products and support services, partially offset by lower sales of data capture products in most regions associated with continued COVID-19 induced customer demand declines.

Gross margin decreased to 42.4% in the current quarter compared to 46.4% in the prior year, primarily due to unfavorable business mix, including larger deal size, and premium freight costs. These declines were partially offset by productivity gains within our service and software offerings.

Operating income for the current quarter decreased 9.8% primarily due to lower Gross profit despite higher Net sales, partially offset by the benefits of lower Operating expenses.

#### Year to date 2020 compared to year to date 2019

Net sales for EVM decreased \$43 million or 2.0% compared to prior year, including unfavorable foreign currency changes and the benefit of acquisitions. EVM Organic Net Sales decline of 1.4% was primarily due to lower sales of data capture and mobile computing products in most regions associated with COVID-19 induced customer demand declines, partially offset by growth in support services.

Gross margin decreased to 43.0% in the current period compared to 46.0% in the prior year, primarily due to unfavorable business mix, including larger deal size, premium freight costs, and Chinese tariffs. These declines were partially offset by productivity gains within our service and software offerings.

Operating income for the current quarter decreased 13.3% primarily due to lower Net sales and Gross profit, which were partially offset by the benefits of lower Operating expenses.

#### New Accounting Pronouncements

On January 1, 2020, the Company adopted Accounting Standards Update 2016-13, *Financial Instruments-Credit Losses (Topic 326) - Measurement of Credit Losses on Financial Instruments*, which did not have a significant impact to the Company's consolidated financial statements. See Note 2, *Significant Accounting Policies* in the Notes to Consolidated Financial Statements for further information related to the Company's adoption of this new accounting pronouncement.

#### Liquidity and Capital Resources

The primary factors that influence our liquidity include the amount and timing of our revenues, cash collections from our customers, cash payments to our suppliers, capital expenditures, repatriation of foreign cash and investments, acquisitions, and share repurchases. While the effects of the COVID-19 pandemic have had a negative impact on our operating results and cash flows, cash flows from operations are higher on a year-to-date basis and are expected to remain strong for the full fiscal year based on Management's current business plans and operational expectations. Management believes that our existing capital resources, inclusive of available borrowing capacity on debt and other financing facilities and funds generated from operations, are sufficient to meet anticipated capital requirements and service our indebtedness.

The following table summarizes our cash flow activities for the periods indicated (in millions):

	Nine Months Ended		
	September 26, 2020	September 28, 2019	\$ Change
<b>Cash flows provided by (used in) from:</b>			
Operating activities	\$ 531	\$ 420	\$ 111
Investing activities	(623)	(310)	(313)
Financing activities	131	(120)	251
Effect of exchange rates on cash	(1)	(1)	—
Net increase (decrease) in cash and cash equivalents, including restricted cash	\$ 38	\$ (11)	\$ 49

The change in our cash and cash equivalents balance during the nine months ended September 26, 2020 compared to the prior year period is reflective of the following:

- The increase in cash provided by operating activities was primarily due to the favorable timing of collections on accounts receivables, in part due to accounts receivable factoring programs, as well as favorable timing of vendor payments. Those increases were partially offset by an increase in inventory levels and lower net income.
- The increase in net cash used in investing activities was primarily due to the Company's acquisition of Reflexis in the current quarter, which consisted of \$548 million cash paid, net of cash acquired, as well as \$32 million in cash paid in the current year for additional long-term investments. The prior year's cash used in investing activities primarily included cash paid for the acquisitions of Temptime and Profitect totaling \$255 million, as well as \$21 million in cash paid for long-term investments.
- Net cash provided by financing activities during the nine months ended September 26, 2020 was primarily due to net borrowings of \$286 million and favorable timing of unremitted cash collections from the servicing of factored receivables of \$73 million, partially offset by common stock repurchases of \$200 million. Net cash used by financing activities during the nine months ended September 28, 2019 was primarily due to net debt repayments of \$68 million, net payments related to share-based compensation plans of \$36 million and common stock repurchases of \$20 million.

#### Company Debt

The following table shows the carrying value of the Company's debt (in millions):

	September 26, 2020	December 31, 2019
Term Loan A	\$ 917	\$ 917
Revolving Credit Facility	194	103
Receivables Financing Facilities	264	266
2020 Term Loan	200	—
Total debt	\$ 1,575	\$ 1,286
Less: Debt issuance costs	(5)	(6)
Less: Unamortized discounts	(3)	(3)
Less: Current portion of debt	(481)	(197)
Total long-term debt	\$ 1,086	\$ 1,080

#### *New Borrowing Arrangements*

During the third quarter of 2020, the Company entered into two new borrowing arrangements, a \$200 million term loan (the “2020 Term Loan”) with a maturity of August 31, 2021, and a \$20 million uncommitted credit facility (the “Uncommitted Facility”) with a maturity of August 26, 2021.

The 2020 Term Loan was used to partially fund the Company’s acquisition of Reflexis, along with cash available from the Company’s operations and Revolving Credit Facility. Principal payments on the 2020 Term Loan are due starting in December 2020, with the majority of principal due upon maturity. The 2020 Term Loan bears interest at a variable rate plus an applicable margin, which was 2.25% as of September 26, 2020. Costs associated with issuing the 2020 Term Loan were approximately \$1 million, which were capitalized and will be amortized over the term of the loan.

The Uncommitted Facility is available for working capital and other general business purposes. As of September 26, 2020, the Company had no outstanding debt under the Uncommitted Facility.

See Note 10, *Long-Term Debt* in the Notes to Consolidated Financial Statements for further details related to the 2020 Term Loan and Uncommitted Facility.

#### *Long-Term Credit Facilities*

The Company also has long-term credit facilities consisting of Term Loan A and the Revolving Credit Facility, both of which have a maturity of August 9, 2024. Borrowings under these facilities bear interest at a variable rate plus an applicable margin, for which the Company has entered into interest rate swap contracts to manage interest rate risk exposure.

All borrowings under the credit facilities as of September 26, 2020 were denominated in U.S. Dollars, except for €72 million in Euro-denominated borrowings under the Revolving Credit Facility. The average interest rates as of September 26, 2020 for Term Loan A and the Revolving Credit Facility were 1.40% and 1.34%, respectively. Interest is paid for each instrument on a monthly basis. The Company is required to prepay certain amounts in the event of certain circumstances or transactions. Also, the Company may make prepayments against Term Loan A, in whole or in part, without premium or penalty.

During the third quarter of 2019, the Company entered into its second amendment to the Amended and Restated Credit Agreement (“Amendment No. 2”). Amendment No. 2 increased the Company’s borrowing under Term Loan A from \$608 million to \$1 billion and increased the Company’s borrowing capacity under the Revolving Credit Facility from \$800 million to \$1 billion. Amendment No. 2 also extended the maturities of Term Loan A and the Revolving Credit Facility to August 9, 2024. Additionally, in conjunction with entering into Amendment No. 2, a payment of \$445 million was made to fully pay off the Company’s Term Loan B. This refinancing reduced the Company’s ongoing interest cost while meeting anticipated capital requirements.

See Note 10, *Long-Term Debt* in the Notes to Consolidated Financial Statements for further details related to the Company’s long-term credit facilities.

#### *Receivables Financing Facilities*

The Company has two Receivables Financing Facilities with financial institutions carrying total borrowing limits of up to \$280 million. As collateral, the Company pledges perfected first-priority security interests in its U.S. domestically originated accounts receivable. The Company has accounted for transactions under its Receivables Financing Facilities as secured borrowings. As of September 26, 2020, \$494 million of receivables were pledged as collateral, of which \$264 million were

borrowed against. The average interest rate associated with these borrowings as of September 26, 2020 was 1.04%. Interest is paid on these borrowings on a monthly basis. The first Receivables Financing Facility, which was originally entered into in December 2017 and was amended in May 2019, allows for borrowings of up to \$180 million and will mature on March 29, 2021. The second Receivable Financing Facility, which was entered into in May 2019 and amended in May 2020, allows for borrowings of up to \$100 million and will mature on May 17, 2021. Both the Revolving Credit Facility and Receivables Financing Facilities include terms and conditions that limit the incurrence of additional borrowings and require that certain financial ratios be maintained at designated levels.

See Note 10, *Long-Term Debt* in the Notes to Consolidated Financial Statements for further details related to the Company's Receivables Financing Facilities.

#### *Receivables Factoring*

Transactions under the Receivables Factoring arrangements are accounted for as sales under Accounting Standards Codifications 860, *Transfers and Servicing of Financial Assets*, with the sold receivables removed from the Company's balance sheet. Under these Receivables Factoring arrangements, the Company does not maintain any beneficial interest in the receivables sold. The banks' purchase of eligible receivables is subject to a maximum amount of uncollected receivables. The Company services the receivables on behalf of the banks, but otherwise maintains no significant continuing involvement with respect to the receivables. Sale proceeds, that are representative of the fair value of factored receivables, less a factoring fee, are reflected in Net cash provided by operating activities on the Consolidated Statements of Cash Flows, while sale proceeds in excess of the fair value of factored receivables are reflected in Net cash provided by (used in) financing activities on the Consolidated Statements of Cash Flows.

In May 2020, the Company entered into a new Receivables Factoring arrangement with a bank, which allows for the factoring of up to €150 million of uncollected receivables originated from the EMEA and Asia-Pacific regions. This new Receivables Factoring arrangement expands upon the Company's existing Receivables Factoring arrangements, which allow for the factoring of up to \$125 million of uncollected receivables originated from the EMEA region.

As of September 26, 2020 and December 31, 2019 there were a total of \$92 million and \$60 million, respectively, of uncollected receivables that had been sold and removed from the Company's Consolidated Balance Sheets.

As servicer of sold receivables, the Company had \$106 million and \$33 million of obligations that were not yet remitted to banks as of September 26, 2020 and December 31, 2019, respectively. These obligations are included within Accrued liabilities on the Consolidated Balance Sheets, with changes in such obligations reflected within Net cash provided by (used in) financing activities on the Consolidated Statements of Cash Flows.

See Note 15, *Accounts Receivable Factoring* in the Notes to Consolidated Financial Statements for further details.

#### *Share Repurchases*

On July 30, 2019, the Company announced that its Board of Directors authorized a share repurchase program for up to an aggregate amount of \$1 billion of its outstanding shares of common stock. The share repurchase program supersedes the Company's prior share repurchase program, which was authorized in November 2011, and does not have a stated expiration date. The level of the Company's repurchases depends on a number of factors, including its financial condition, capital requirements, cash flows, results of operations, future business prospects and other factors its management may deem relevant. The timing, volume, and nature of repurchases are subject to market conditions, applicable securities laws and other factors and may be amended, suspended or discontinued at any time. Repurchases may be effected from time to time through open market purchases, including pursuant to a pre-set trading plan meeting the requirements of Rule 10b5-1(c) of the Securities Exchange Act of 1934. During the first quarter of 2020, the Company repurchased 948,740 shares of common stock for \$200 million under this program. The Company did not repurchase any shares during the second or third quarters of 2020. As of September 26, 2020, the remaining amount of share repurchases authorized under the plan was \$753 million.

#### **Significant Customers**

The Net sales to significant customers as a percentage of the Company's total Net sales, by segment, were as follows:

	Nine Months Ended					
	September 26, 2020			September 28, 2019		
	AIT	EVM	Total	AIT	EVM	Total
Customer A	4.8 %	11.6 %	16.4 %	5.5 %	13.1 %	18.6 %
Customer B	4.6 %	7.6 %	12.2 %	4.8 %	9.1 %	13.9 %
Customer C	6.1 %	12.6 %	18.7 %	6.3 %	10.2 %	16.5 %

These customers accounted for 16.5%, 5.1%, and 24.6% of outstanding accounts receivable, respectively, as of September 26, 2020. No other customer accounted for more than 10% of total Net sales during the periods ended September 26, 2020 and September 28, 2019, or more than 10% of total outstanding accounts receivables as of September 26, 2020. All three of the above customers are distributors of the Company's products and not end users.

- Market acceptance of the Company's products and solution offerings and competitors' offerings and the potential effects of technological changes,
- The effect of global market conditions, including North America; EMEA; Latin America; and Asia-Pacific regions in which we do business,
- The impact of foreign exchange rates due to the large percentage of our sales and operations being outside the U.S.,
- Our ability to control manufacturing and operating costs,
- Risks related to the manufacturing of the Company's products and conducting business operations in non-U.S. countries, including the risk of depending on key suppliers who are also in non-U.S. countries,
- The Company's ability to purchase sufficient materials, parts, and components to meet customer demand, particularly in light of global economic conditions,

The Company has provided reconciliations of the supplemental non-GAAP financial measures, as defined under the rules of the Securities and Exchange Commission, presented herein to the most directly comparable financial measures calculated and presented in accordance with GAAP.

These supplemental non-GAAP financial measures – Consolidated Organic Net sales growth, AIT Organic Net sales growth, and EVM Organic Net sales growth – are presented because our management evaluates our financial results both including and excluding the effects of business acquisitions and foreign currency translation, as applicable. Management believes that the supplemental non-GAAP financial measures presented provide additional perspective and insights when analyzing the core operating performance of our business from period to period and trends in our historical operating results. These supplemental non-GAAP financial measures should not be considered superior to, as a substitute for, or as an alternative to, and should be considered in conjunction with the GAAP financial measures presented.

**Item 3. Quantitative and Qualitative Disclosures About Market Risk**

There were no material changes in the Company’s market risk during the quarter ended September 26, 2020. For additional information on market risk, refer to Item 7A, “Quantitative and Qualitative Disclosures About Market Risk” in the Annual Report on Form 10-K for the year ended December 31, 2019.

**Item 4. Controls and Procedures**

**Management’s Report on Disclosure Controls**

Our management is responsible for establishing and maintaining adequate disclosure controls as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act to ensure that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission rules and forms and (ii) accumulated and communicated to the Company’s management, including its principal executive officer and principal financial officer, as appropriate to allow timely decisions regarding required disclosure. Our management assessed the effectiveness of our disclosure controls as of September 26, 2020. Based on this assessment and those criteria, our management believes that, as of September 26, 2020, our disclosure controls are effective.

**Changes in Internal Controls over Financial Reporting**

During the quarter ended September 26, 2020, there have been no changes in our internal controls that have materially affected, or are reasonably likely to materially affect, our internal controls over financial reporting.

**Inherent Limitations on the Effectiveness of Controls**

The Company’s management, including the Chief Executive Officer and Chief Financial Officer, does not expect that the disclosure controls and procedures or the internal controls over financial reporting will prevent all errors and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple error or mistake. Controls can also be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls. The design of any system of controls is based in part on certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Projections of any evaluation of controls effectiveness to future periods are subject to risks. Over time, controls may become inadequate because of changes in conditions or deterioration in the degree of compliance with policies or procedures.

## PART II - OTHER INFORMATION

### Item 1. Legal Proceedings

See Note 11, *Commitments and Contingencies* in the Notes to Consolidated Financial Statements included in this report.

### Item 1A. Risk Factors

In addition to the other information included in this report, you should carefully consider the factors discussed in Part I, Item 1A. “Risk Factors” in the Annual Report on Form 10-K for the year ended December 31, 2019, and the factors identified under “Safe Harbor” at the end of Part I, Item 2 of this Quarterly Report on Form 10-Q, which could materially affect our business, financial condition, cash flows, or results of operations. The risks described in the Annual Report are not the only risks facing the Company. Additional risks and uncertainties not currently known to the Company or that the Company currently considers immaterial also may materially adversely affect its business, financial condition, and/or operating results. There have been no material changes to the risk factors included in our Annual Report for the year ended December 31, 2019, other than as described below.

***The effects of the COVID-19 pandemic have and may continue to adversely affect our business, financial results, and results of operations.*** In December 2019, a strain of the coronavirus (“COVID-19”) surfaced in Wuhan, China, and over the course of the first quarter 2020, the World Health Organization escalated its assessment of the COVID-19 threat, finally characterizing it as a pandemic on March 11, 2020. The situation relating to the COVID-19 pandemic is complex and rapidly evolving. By the second quarter of 2020, we saw a broad number of governmental and commercial efforts to contain the spread of COVID-19 globally. In the second and third quarters of fiscal 2020, the COVID-19 pandemic adversely impacted our business, primarily related to lower customer demand and higher fulfillment costs. The duration and extent of the impact of the COVID-19 pandemic on our business, operations and financial results depends on factors that cannot be accurately predicted at this time, such as the severity and transmission rate of COVID-19, the extent and effectiveness of containment actions, the likelihood of a resurgence of COVID-19, and the impact of these and other factors on our employees, customers, industry partners, suppliers and third party dealers, distributors, and resellers.

The federal, state, and local governments as well as foreign governments, to varying degrees, have imposed, and continue to impose, several protocols and regulations restricting the physical movement or other activities of individuals in an effort to limit the spread of COVID-19. We have implemented a number of measures in an effort to protect our employees’ health and well-being, including having the majority of office workers work remotely, limiting employee travel, and withdrawing from industry events. In addition, as governments continue to ease their restrictions and we continue to allow our employees to come back to work in our offices in a controlled approach, we have modified our business practices, including implementing social distancing protocols, office capacity restrictions, health screening, provision of personal protective equipment, tracking and tracing protocols, and extensively and frequently disinfecting our workspaces. However, there is no guarantee that such protocols will be successful in preventing the spread of COVID-19 amongst our employees. As a result of concerns over the pandemic, we have experienced higher than normal employee absentee rates for employees who are unable to work from home, and even as employees return to our offices, we may be prevented from conducting business activities at full capacity for an indefinite period of time. The potential negative effects to our operations, including reductions in production levels, research and development activities, and increased costs resulting from our efforts to mitigate the impact of COVID-19, may adversely affect our ability to provide our services and solutions.

Similarly, many of our suppliers, customers, distributors, and resellers have temporarily suspended or modified their business operations as a result of the continued spread of the COVID-19. We have experienced disruptions and delays in our supply chain and such disruptions and delays may resume or worsen, which could decrease our sales, earnings and liquidity or otherwise adversely affect our business and result in increased costs. In addition, we have also experienced, and may continue to experience, unpredictable reductions or increases in demand for certain of our products. Moreover, existing travel restrictions, prolonged quarantines and other government orders have, and may continue to, significantly impact our ability to support our sites and service customers in impacted locations. Our customers, distributors, and resellers may be limited in their abilities to make timely payments or they may seek to suspend or terminate existing agreements, and prospective customers may experience delays in their purchasing decisions. A decrease in demand or pricing for our products could materially adversely affect our business, financial condition, and results of operations.

In addition, the continued spread of COVID-19 has led to disruption and volatility in the worldwide credit and financial markets, which could limit our ability to obtain external financing and result in a higher rate of losses on our accounts receivables due to credit defaults, adversely affecting our liquidity. While the COVID-19 pandemic has not materially impacted our liquidity and capital resources to date, the duration and severity of any further economic or market impact of the

pandemic remains uncertain and there can be no assurance that it will not have an adverse effect on our liquidity and capital resources, including our ability to access capital markets, in the future.

Certain known consequences from the COVID-19 pandemic on our business and operations are disclosed in the financial statements contained in this Form 10-Q and under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operation.” If COVID-19 becomes more prevalent in the locations where our customers, suppliers, or we conduct business, we may experience more pronounced disruptions in our operations. If we are not able to respond to and manage the impact of such events effectively, our business and results of operations in future periods may be adversely affected. Moreover, the impacts of the COVID-19 pandemic may exacerbate other pre-existing risks, such as global economic conditions, political, regulatory, social, financial, operational and cybersecurity as well as similar risks relating to our suppliers and customers, any of which could have a material adverse effect on our business.

## Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

The following table sets forth information with respect to repurchases of the Company’s common stock for the three months ended September 26, 2020:

Period	Total Number of Shares Purchased	Average Price Paid per Share	Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs <sup>(1)</sup>	Approximate Dollar Value of Shares that May Yet Be Purchased Under the Plans or Programs (in millions) <sup>(1)</sup>

July 26, 2020 - August 22, 2020	—	—	—	753
August 23, 2020 - September 26, 2020	—	—	—	753
Total	—	\$ —	—	\$ 753

- (1) On July 30, 2019, the Company announced that its Board of Directors authorized a share repurchase program for up to an aggregate amount of \$1 billion of its outstanding shares of common stock. The share repurchase program supersedes the Company’s prior share repurchase program, which was authorized in November 2011 and under which the Company had not repurchased any shares. discount to par, which shall be a range (the “Discount Range”) of percentages of the par principal amount of the Loans (i.e., a 5% to 10% Discount Range would represent \$50,000 to \$100,000 per \$1,000,000 principal amount of Loans, with a 10% discount being deemed a “higher” discount than 5% for purposes of an Auction) at issue that represents the discounts applied to calculate the range of purchase prices that could be paid in the Auction; provided that the Discount Range may, at the option of the Auction Party, be a single percentage, (iv) the date on which the Auction will conclude, on which date Return Bids will be due at the time provided in the Auction Notice (such time, the “Auction Expiration Time”), as such date and time may be extended upon notice by the Auction Party to the auction manager before any prior Auction Expiration Time, and (v) the identity of the auction manager, and shall indicate if such auction manager is an Affiliate of the Borrower. Each offer to purchase Loans in an Auction shall be offered on a pro rata basis to all the Eligible Auction Lenders.

(B) Reply Procedures. In connection with any Auction, each Eligible Auction Lender may, in its sole discretion, participate in such Auction and, if it elects to do so (any such participating Eligible Auction Lender, a “Participating Lender”), shall provide, prior to the Auction Expiration Time, the auction manager with a notice of participation (the “Return Bid”) which shall be in a form and substance prepared by the Borrower and shall specify (i) a discount to par that must be expressed as a percentage of par principal amount of Loans expressed in percentages (the “Reply Discount”), which must be within the Discount Range, and (ii) a principal amount of Loans, which must be in a minimum amount of \$1,000,000 with minimum increments of \$500,000, that such Eligible Auction Lender is willing to offer for sale at its Reply Discount (the “Reply Amount”). An Eligible Auction Lender may avoid the minimum amount conditions solely when submitting a Reply Amount equal to such Eligible Auction Lender’s entire remaining amount of such Loans. Eligible Auction Lenders may only submit one Return Bid per Auction but each Return Bid may contain up to three bids, only one of which can result in a Qualifying Bid (as defined below). In addition to the Return Bid, each Participating Lender must execute and deliver, to be irrevocable during the pendency of the Auction and held in escrow by the auction manager, an assignment agreement pursuant to which such Participating Lender shall make the representations and agreements substantially consistent with the terms of Section 2.11(i)(C). Any Eligible Auction Lender that fails to submit a Return Bid at or prior to the Auction Expiration Time shall be deemed to have declined to participate in the Auction.

(C) Acceptance Procedures. Based on the Reply Discounts and Reply Amounts received by the auction manager, the auction manager, with the consent of the Auction Party, will, within 10 Business Days of the Auction Notice (or such other time agreed by the Borrower), determine the applicable discount (the “Applicable Discount”) for the Auction, which will be the highest Reply Discount at which the Auction Party can complete the Auction at the Auction Amount; provided that, in the event that the Reply Amounts are insufficient to allow the Auction Party to complete a purchase of the entire Auction Amount, the Auction Party shall either, at its election, (i) withdraw the Auction or (ii) complete the Auction as set forth below. Unless withdrawn, the Auction Party shall notify the Participating Lenders of the Applicable Discount no later than one Business Day after it is determined (the “Applicable Discount Notice”). The Auction Party shall, within

three Business Days of the Applicable Discount Notice, purchase Loans from each Participating Lender with a Reply Discount that is equal to or higher than the Applicable Discount (“Qualifying Bids”) at a discount to par equal to the Reply Discount of such Participating Lender, with the applicable Loans of the Participating Lender(s) with the highest Reply Discount being purchased first and then in descending order from such highest Reply Discount to and including the applicable Loans of the Participating Lenders with a Reply Discount equal to the Applicable Discount (the “Applicable Order of Purchase”); provided that if the aggregate proceeds required to purchase all Loans subject to Qualifying Bids would exceed the Auction Amount for such Auction, the Auction Party shall purchase such Loans of the Participating Lenders in the Applicable Order of Purchase, but with the Loans of Participating Lenders with Reply Discounts equal to the Applicable Discount being purchased pro rata until the Auction Amount has been so expended on such purchases. If a Participating Lender has submitted a Return Bid containing multiple bids at different Reply Discounts, only the bid with the highest Reply Discount that is equal to or more than the Applicable Discount will be deemed the Qualifying Bid of such Participating Lender. In no event shall any purchase of Loans in an Auction be made at a Reply Discount lower than the Applicable Discount for such Auction.

(D) Additional Procedures. Once initiated by an Auction Notice, the Auction Party may withdraw or modify an Auction only prior to the delivery of the Applicable Discount Notice (and if any Auction is withdrawn or modified, notice thereof shall be delivered to the Administrative Agent and the Eligible Auction Lenders no later than the first Business Day after such withdrawal). Furthermore, in connection with any Auction, upon submission by a Participating Lender of a Qualifying Bid, such Lender will be obligated to sell the entirety or its allocable portion of the Reply Amount, as the case may be, at the Applicable Discount.

In the event that any Accounting Change (as defined below) shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Agreement, then the Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Change with the desired result that the criteria for evaluating the Borrower's and the Subsidiaries' consolidated financial condition shall be the same after such Accounting Change as if such Accounting Change had not been made. Until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders, all financial ratios, covenants, standards and terms in this Agreement shall continue to be calculated or construed as if such Accounting Change had not occurred. "Accounting Change" refers to any change, after the Existing Credit Agreement Restatement Date, in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants or, if applicable, the SEC.

Notwithstanding anything in this Agreement to the contrary, any existing requirement of, or any change in, GAAP or the application or interpretation thereof that would require operating leases to be treated similarly as a capital lease shall not be given effect in the definitions of Indebtedness or Liens or any related definitions or in the computation of any financial ratio or requirement.

Section 1.05 Pro Forma Calculations. With respect to any period during which the Transactions or any Specified Transaction occurs, for purposes of calculation of the Consolidated Interest Coverage Ratio, Total Net Leverage Ratio, Total Secured Net Leverage Ratio, First Lien Net Leverage Ratio, Consolidated EBITDA and Consolidated Total Assets or for any other purpose hereunder with respect to such period, such calculation shall be made on a Pro Forma Basis.

statements delivered pursuant to Section 5.01(a) or (a) and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Swap Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness. No Default or Event of Default shall arise as a result of any limitation or threshold set forth in Dollars in Section 5.10, Section 5.11, Section 5.12, Section 5.17, Section 6.01, Section 6.02, Section 6.03, Section 6.04, Section 6.05, Section 6.06, Section 6.11 or Section 7.01(f), (g), (j) or (l), being exceeded solely as a result of changes in currency exchange rates from those rates applicable on the last day of the fiscal quarter immediately preceding the fiscal quarter in which such determination occurs or in respect of which such determination is being made.

Section 1.07 Rounding. Any financial ratios required to be maintained pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up for five). For example, if the relevant ratio is to be calculated to the hundredth decimal place and the calculation of the ratio is 5.125, the ratio will be rounded up to 5.13.

Section 1.08 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on (or before) a day which is not a Business Day, the date of such payment (other than as described in the definition of “Interest Period”) or performance shall extend to the immediately succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

Section 1.09 [Reserved].

Section 1.10 Certifications. All certifications to be made hereunder by an officer or representative of a Loan Party shall be made by such a Person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party’s behalf and not in such Person’s individual capacity.

Section 1.11 Compliance with Article VI. In the event that any Lien, Investment or Indebtedness (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof) meets the criteria of one or more than one of the categories of transactions then permitted pursuant to any clause of such Sections in Article VI, the Borrower, in its sole discretion, may classify or later divide, classify or reclassify such transaction and shall only be required to include the amount and type of such transaction in one of such clauses.

Section 1.12 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

Section 1.13 Interest Rates; Eurocurrency Rate Notification. The interest rate on Eurocurrency Loans is determined by reference to the Eurocurrency Rate, which may be derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. In the event that the London interbank offered rate is no longer available or in certain other circumstances as set forth in Sections 2.14(b) through (d) of this Agreement, such Sections 2.14(b) through (d) provide a mechanism for determining an alternative rate of interest. The Administrative Agent will notify the Borrower, pursuant to Section 2.14, in advance of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “Eurocurrency Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Sections 2.14(b) through (d), will be similar to, or produce the same value or economic equivalence of, the Eurocurrency Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

## ARTICLE II The Credits

Section 2.01 Commitments. Subject to the terms and express conditions set forth herein, each Lender severally agrees to make a single term loan to the Borrower on the Closing Date in Dollars in a principal amount equal to its Commitment. Amounts repaid or prepaid in respect of Loans may not be reborrowed. The Commitments will terminate in full upon the making of the Loans.

### Section 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Type made to the Borrower by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder, provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required.

---

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan, provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$1,000,000 and not less than \$2,000,000. Borrowings of more than one Type may be outstanding at the same time.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.03 Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurocurrency Borrowing, not later than 11:00 a.m., New York City time, two Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be confirmed promptly by hand delivery, electronic communication (including Adobe pdf file) or facsimile to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information:

- (i) the aggregate amount of such Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (iv) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period;" and
- (v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.05 [Reserved].

Section 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (i) 1:00 p.m., New York City time, in the case of a Eurocurrency Borrowing for which notice has been provided by 11:00 a.m., New York City time, at least two Business Days prior to the date of the proposed Borrowing, or (ii) 3:00 p.m., New York City time, in the case of an ABR Borrowing for which notice has been provided by 12:00 p.m., New York City time, on the date of the proposed Borrowing, in each case to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by wire transfer of the amounts so received, in immediately available funds, to an account of the Borrower, in each case designated by the Borrower in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed time of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent, within three Business Days of written notice, such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) Each of the Administrative Agent and each Lender at its option may make any Loan or otherwise perform its obligations hereunder through any office or offices of such Person described as such in such Person's Administrative Questionnaire, or such other office or offices as such Person may from time to time notify the Borrower and the Administrative Agent; which office may include any Affiliate of such Person or any domestic or foreign branch of such Person or such Affiliate (each, a "Designated Lender"); provided that any exercise of such option shall not affect the obligation of the Borrower to repay any Loan in accordance with the terms of this Agreement. Any Designated Lender shall be considered a Lender; provided that in the case of an Affiliate or branch of a Lender, all provisions applicable to a Lender shall apply to such Affiliate or branch of such Lender to the same extent as such Lender; provided that in no event may a Disqualified Lender become a Designated Lender.

#### Section 2.07 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be confirmed promptly by hand delivery, electronic communication (including Adobe pdf file) or telecopy to the Administrative Agent of a written Interest Election Request substantially in the form of Exhibit B and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

---

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default under Sections 7.01(a), 7.01(b), 7.01(h) or 7.01(i) has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as such Event of Default is continuing, no outstanding Borrowing may be continued for an Interest Period of more than one month's duration.

#### Section 2.08 Termination of Commitments.

(a) The Commitments shall automatically terminate in full on the Closing Date after the proceeds of the Loans have been funded in full in accordance with Section 2.01.

#### Section 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan of such Lender as provided in Section 2.10(a)(i).

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender to the Borrower, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the Borrower, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall, absent manifest error, be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans made to the Borrower and pay interest thereon in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and substantially in the form of Exhibit F, provided that, except as set forth in Section 4.01(a)(C), the delivery of any such note shall not be a condition precedent to the Closing Date or any Acquisition or Investment. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to such payee and its registered assigns (and ownership shall at all times be recorded in the Register).

(ii) Without limiting the foregoing, to the extent not previously paid, all Loans shall be due and payable on the Maturity Date.

(b) Any prepayment shall be applied (i) in the case of prepayments made pursuant to Section 2.11(a) or (e), to reduce the subsequent scheduled repayments of the Borrowings to be made pursuant to this Section as directed by the Borrower and (ii) in the case of prepayments made pursuant to Section 2.11(c) or Section 2.11(d), to reduce the subsequent scheduled repayments of the Borrowings to be made pursuant to this Section in direct order of maturity.

(c) Prior to any repayment of any Borrowings, the Borrower shall select the Borrowing or Borrowings to be repaid and shall notify the Administrative Agent by telephone (confirmed by electronic communication (including Adobe pdf file) or telecopy) of such election not later than 1:00 p.m., New York City time, on the scheduled date of such repayment. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Borrowings shall be accompanied by accrued interest on the amount repaid.

(d) Subject to paragraph (f) and (g) of this Section 2.11, following the end of each fiscal year of the Borrower, the Borrower shall prepay Loans in an aggregate amount equal to the Required ECF Percentage of Excess Cash Flow for such fiscal year, provided that such amount shall be reduced by (1) the aggregate principal amount of prepayments (other than prepayments pursuant to Section 2.11(c), (d) or (e)) of Loans and Other Applicable Indebtedness (but in the case of Other Applicable Indebtedness consisting of revolving loans, only to the extent of a corresponding reduction of the related commitment) made during such fiscal year or following the end of such fiscal year but on or prior to the date that is 30 Business Days after the end of such fiscal year and (2) the aggregate amount of Excess Cash Flow attributable to Foreign Restricted Subsidiaries for such fiscal year and, at the option of the Borrower and without duplication across periods, after such fiscal year and prior to the date that is 30 Business Days after the end of such fiscal year. Each prepayment pursuant to this paragraph shall be made not later than the fifth Business Day after the date on which financial

statements are required to be delivered pursuant to Section 5.01(a) for the fiscal year with respect to which such prepayment is made (such earlier date, the “ECF Due Date”); provided, further, that the Borrower shall not be obligated to make any prepayment otherwise required by this paragraph unless and until the aggregate amount of prepayments of Excess Cash Flow required to be made pursuant to this paragraph exceeds \$10,000,000 in any fiscal year of the Borrower; but then from all such Excess Cash Flow. Notwithstanding anything herein to the contrary, the Borrower shall first be permitted to use any such Net Proceeds to prepay any Indebtedness under the Existing Credit Agreement to the extent required pursuant to the Existing Credit Agreement, in which case, the amount of prepayment required to be made pursuant to this Section 2.11(d) shall be reduced by the outstanding principal amount of such Indebtedness under the Existing Credit Agreement required to be prepaid and actually prepaid pursuant to the Existing Credit Agreement.

(e) Subject to paragraph (f) and (g) of this Section 2.11, in the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Restricted Subsidiary in respect of any Prepayment Event referred to in paragraph (c) of the definition thereof, the Borrower shall, within five Business Days after such Net Proceeds are received, prepay the principal amount of Loans on a pro rata basis, in each case in accordance with Section 2.11(g) and in an aggregate amount equal to 100% of the amount of such Net Proceeds (which prepayment of principal shall be accompanied by payment of accrued and unpaid interest, premiums and fees and expenses associated with such principal amount prepaid); provided that such prepayment shall be subject to the second sentence of Section 2.11(a). Notwithstanding anything herein to the contrary, the Borrower shall first be permitted to use any such Net Proceeds to prepay any Indebtedness under the Existing Credit Agreement to the extent required pursuant to the Existing Credit Agreement, in which case, the amount of prepayment required to be made with respect to such Net Proceeds pursuant to this Section 2.11(e) shall be reduced by the outstanding principal amount of such Indebtedness under the Existing Credit Agreement required to be prepaid and actually prepaid pursuant to the Existing Credit Agreement.

(f) Notwithstanding any other provisions of this Section 2.11, (i) to the extent that any or all of the Net Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) (a “Foreign Disposition”), the Net Proceeds of any Prepayment Event from a Foreign Subsidiary (a “Foreign Prepayment Event”), or Excess Cash Flow would be (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational or constitutive documents or any agreement or (z) subject to other onerous organizational or administrative impediments, from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(d), or the Borrower shall not be required to make a prepayment at the time provided in Section 2.11(c) or Section 2.11(e), as the case may be, and instead, such amounts may be retained by the applicable Foreign Subsidiary (the Borrower hereby agreeing to use reasonable efforts (as determined in the Borrower’s reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all actions reasonably required by the applicable local law, applicable organizational or constitutive document or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have

---

been required, such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, applicable organizational or constitutive document or other impediment, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation could be made) applied (net of additional taxes, costs and expenses payable or reserved against as a result thereof) (whether or not repatriation actually occurs) to the repayment of the Loans pursuant to this Section 2.11 to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Disposition, Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have an adverse tax cost consequence with respect to such Net Proceeds or Excess Cash Flow (which for the avoidance of doubt, includes, but is not limited to, any prepayment where by doing so the Borrower, any Restricted Subsidiary or any of their respective affiliates and/or equity partners would incur a tax liability, including a tax dividend, deemed dividend pursuant to Code Section 956 or a withholding tax), the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(d), or the Borrower shall not be required to make a prepayment at the time provided in Section 2.11(c) or Section 2.11(e), as the case may be, and instead, such amounts may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

(g) In connection with any optional or mandatory prepayment of Borrowings hereunder the Borrower shall, subject to the provisions of this paragraph and paragraph (k) of this Section, select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (h) of this Section. The Administrative Agent will promptly notify each Lender of the contents of the Borrower's prepayment notice and of such Lender's pro rata share of the prepayment. Each such Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Loans required to be made pursuant to clause (c), (d) or (e) of this Section 2.11 by providing notice to the Administrative Agent at or prior to the time of such prepayment. Any Declined Proceeds remaining thereafter shall be retained by the Borrower ("Retained Declined Proceeds").

(h) The Borrower shall notify the Administrative Agent by telephone (confirmed by electronic communication (including Adobe pdf file) or telecopy) of any prepayment hereunder; (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment, provided that a notice of optional prepayment may state that such notice is conditional upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of any other specified event, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date) if such condition is not satisfied. Promptly following receipt of any such

---

notice, the Administrative Agent shall advise the Lenders of the contents thereof. Except as otherwise provided herein, each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(i) Notwithstanding anything to the contrary contained in this Agreement, so long as no Event of Default has occurred and is continuing or would result therefrom, the Borrower or any Restricted Subsidiary (in such case, the foregoing being herein referred to as the "Auction Parties" and each, an "Auction Party") may repurchase outstanding Loans on the following basis:

(A) Such Auction Party may repurchase all or any portion of any Loan pursuant to a Dutch Auction (or such other modified Dutch auction conducted pursuant to similar procedures as the Borrower and the Administrative Agent may otherwise agree);

(B) Following repurchase by any Auction Party pursuant to this Section 2.11(i), the Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by any Auction Party) for all purposes of this Agreement, and the principal amount of the Loans so repurchased shall be applied on a pro rata basis to reduce the scheduled remaining installments of principal on such Loans. In connection with any Loans repurchased and cancelled pursuant to this Section 2.11(i), the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any payment made by any Auction Party in connection with a repurchase permitted by this Section 2.11(i) shall not be subject to any of the pro rata payment or sharing requirements of this Agreement. Notwithstanding anything in this Agreement or any other Loan Documents to the contrary, failure by an Auction Party to make any payment to a Lender required by an agreement permitted by this Section 2.11(i) shall not constitute a Default or an Event of Default;

(C) Each Lender that sells its Loans pursuant to this Section 2.11(i) acknowledges and agrees that (i) the Auction Parties may come into possession of additional information regarding the Loans or the Loan Parties at any time after a repurchase has been consummated pursuant to an Auction hereunder that was not known to such Lender or the Auction Parties at the time such repurchase was consummated and that, when taken together with information that was known to the Auction Parties at the time such repurchase was consummated, may be information that would have been material to such Lender's decision to enter into an assignment of such Loans hereunder ("Excluded Information"), (ii) such Lender will independently make its own analysis and determination to enter into an assignment of its Loans and to consummate the transactions contemplated by an Auction notwithstanding such Lender's lack of knowledge of Excluded

---

Information and (iii) none of the Auction Parties or any other Person shall have any liability to such Lender with respect to the nondisclosure of the Excluded Information. Each Lender that tenders Loans pursuant to an Auction agrees to the foregoing provisions of this clause (C). The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.11(i) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment requirements) (it being understood and acknowledged that purchases of the Loans by an Auction Party contemplated by this Section 2.11(i) shall not constitute Investments by such Auction Party) or any other Loan Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.11(i).

(j) Notwithstanding any of the other provisions of this Section 2.11, if any prepayment of Eurocurrency Loans is required to be made under this Section 2.11, prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.11 in respect of any such Eurocurrency Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit with the Administrative Agent in the currency in which such Loan is denominated, the amount of any such prepayment otherwise required to be made hereunder until the last day of such Interest Period (and no Default or Event of Default shall occur solely as a result thereof), at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.11. Such deposit shall constitute cash collateral for the Eurocurrency Loans to be so prepaid; provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.11.

(k) In connection with any voluntary prepayments by the Borrower pursuant to Section 2.11(a), any voluntary prepayment thereof shall be applied first to ABR Loans to the full extent thereof before application to Eurocurrency Loans, in each case in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.16. In connection with any mandatory prepayments by the Borrower of the Loans pursuant to Section 2.11, such prepayments shall be applied on a pro rata basis to the then outstanding Loans being prepaid irrespective of whether such outstanding Loans are ABR Loans or Eurocurrency Loans; provided that if no Lenders exercise the right to waive a given mandatory prepayment of the Loans pursuant to Section 2.11(g), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Loans that are ABR Loans to the full extent thereof before application to Loans that are Eurocurrency Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.16.

#### Section 2.12 Fees.

- (a) [Reserved].
- (b) [Reserved].

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) All fees payable hereunder shall be paid by the Borrower on the dates due, in immediately available funds, to the Administrative Agent for distribution (in the case of fees payable for the benefit of the Lenders) to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

(e) The Borrower agrees to pay to the Administrative Agent for the account of each Lender on the Closing Date the fees payable for the benefit of the Lenders as described in the Fee Letter. Such fees will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter and may be netted against the Loans made by such Lender to the Borrower.

#### Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee payable by the Borrower hereunder is not paid when due (after the expiration of any applicable grace period), whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section (including the Applicable Margin) or (ii) in the case of any other amount, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided that no default rate shall accrue on the Loans of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on written demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted Eurocurrency Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14 Alternate Rate of Interest. (a) Subject to clauses (b), (c), (d) and (e) of this Section 2.14, if prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted Eurocurrency Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, electronic communication (including Adobe pdf file) or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or any continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective, and such Borrowing shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto; and (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the Eurocurrency Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendment from Lenders comprising the Required Lenders; provided that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the Eurocurrency Rate with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.

(c) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark

Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective, and such Borrowing shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto, (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

#### Section 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate);

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender; or

(iii) subject any Lender to any additional Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except, in each case, for (A) Indemnified Taxes indemnifiable under Section 2.17, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Taxes that are imposed as a result of a present or former connection between such Recipient and the jurisdiction imposing such Tax (other than connections arising from such Recipient having executed, delivered, become a party to, performed its obligations under, received payments under, received or perfected a security interest under, engaged in any other transaction pursuant to or enforced any Loan Document, or sold or assigned an interest in any Loan or Loan Document), and that either are imposed on or measured by net income (however denominated) or are franchise Taxes or branch profits Taxes),

and the result of any of the foregoing shall be to materially increase (or in regards to clause (iii), increase) the cost to such Lender of making, converting to, continuing or maintaining any Eurocurrency Loan (or in regards to clause (iii), any Loan) (or of maintaining its obligation to make any such Loan) of the Borrower or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) from the Borrower, then

the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines in good faith that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to the Borrower to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital and liquidity adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 120 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, and provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 120-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment by the Borrower of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion by the Borrower of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure by the Borrower to borrow, convert into, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(h) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (other than loss of profit). In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for

such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any costs incurred more than 270 days prior to the date that such Lender notifies the Borrower of the event giving rise to such costs.

#### Section 2.17 Taxes.

(a) Each payment by or on account of any Loan Party under any Loan Document shall be made without withholding for any Taxes, unless such withholding is required by any Requirement of Law. If any applicable withholding agent is so required to withhold Taxes, then such withholding agent shall so withhold and shall timely pay the full amount of withheld Taxes to the relevant Governmental Authority in accordance with any applicable law. To the extent such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section 2.17), the applicable Recipient receives the amount it would have received had no such withholding been made.

(b) [Reserved.]

(c) In addition, each Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(d) As promptly as possible after any payment of Indemnified Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment.

(e) The Loan Parties shall indemnify each Recipient for the full amount of any Indemnified Taxes that are paid or payable by such Recipient in connection with any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) or for which such Loan Party has failed to remit to the Administrative Agent the required receipts or other required documentary evidence and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted; the indemnity under this paragraph (e) shall be paid within 30 days after the Recipient (or the Administrative Agent, on behalf of such Recipient) delivers to the applicable Loan Party a certificate stating the amount of Indemnified Taxes so payable by such Recipient. Such certificate shall be conclusive of the amount so payable absent

manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent.

(f) (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to U.S. backup withholding or information reporting requirements, or any other U.S. or non-U.S. withholding requirements. Upon the reasonable request of the Borrower or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.17(f). If any form or certification previously delivered pursuant to this Section 2.17(f) expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrower and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so.

(ii) Without limiting the generality of the foregoing and solely with respect to the Obligations, any Lender shall, if it is legally eligible to do so, deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a party hereto, two duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, IRS Form W-8 BEN or W-8 BEN-E (or any successor form);

(C) in the case of a Foreign Lender for whom payments under any Loan Document constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States, IRS Form W-8ECI (or any successor form);

(D) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code both (1) IRS Form W-8BEN or W-8BEN-E (or any successor form) and (2) a certificate substantially in the form of the applicable Exhibit H (a "U.S. Tax Certificate");

(E) in the case of a Foreign Lender that is not the beneficial owner of payments made under any Loan Document (including a partnership or a

---

participating Lender), (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), (D) and (F) of this paragraph (f)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more of its partners are claiming the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax together with such supplementary documentation necessary to enable the Borrower or the Administrative Agent to determine the amount of Tax (if any) required by law to be withheld.

(iii) Solely with respect to the Obligations, if a payment made to any Lender would be subject to U.S. federal withholding Tax imposed under FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Borrower and the Administrative Agent as may be necessary for the Administrative Agent and the Borrower to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments after the Closing Date.

(iv) Notwithstanding any other provision of this clause (f), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(g) If any Recipient determines, in its sole discretion (in good faith), that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including additional amounts paid by any Loan Party pursuant to this Section 2.17), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of such Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of such Recipient, shall repay to such Recipient the amount paid to such indemnifying party pursuant to the previous sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Recipient is required to repay such refund to such Governmental Authority. This Section 2.17(g) shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

---

(h) On or before the date it becomes a party to this Agreement, any successor or supplemental Administrative Agent that is not a U.S. Person shall deliver to the Borrower with respect to the Obligations two duly completed copies of IRS Form W-8IMY certifying that it is a "U.S. branch" and that the payments are not effectively connected with the conduct of a trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a U.S. Person with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a U.S. Person with respect to such payments as contemplated by Treasury Regulation Section 1.1441-1(b)(2)(iv)(A)). JPMorgan Chase Bank, N.A. as the Administrative Agent, and any successor or supplemental Administrative Agent that is a U.S. Person, shall, on or before the date it becomes a party to this Agreement, deliver to the Borrower two duly completed copies of IRS Form W-9, or any subsequent versions or successors to such form, certifying that it is exempt from U.S. federal backup withholding. Notwithstanding anything to the contrary, nothing in this Section 2.17(h) shall require JPMorgan Chase Bank, N.A. or any successor or supplemental Administrative Agent to deliver any form that it is not legally eligible to deliver as a result of any Change in Law after the Closing Date.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees or of amounts payable under Section 2.15, Section 2.16, Section 2.17 or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 12:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in same day funds not later than 12:00 p.m., New York City time on the date specified herein. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent's Office, except that payments pursuant to Section 2.11, Section 2.11(i), Section 2.12(c), Section 2.15, Section 2.16, Section 2.17 and Section 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Unless otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Except as otherwise set forth in any Loan Document, all payments under each Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder,

ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If, other than as provided elsewhere herein, any Lender shall, by exercising any right of setoff or counterclaim or otherwise (including without limitation by receipt of amounts from or in respect of any Loan Party pursuant to or in connection with (A) any event, action or proceeding of the type referred to in clauses (h) or (i) of Section 7.01, (B) any liquidation, sale or other disposition of, or realization on, substantially all of the Collateral and (C) any distribution by an Agent in connection with the foregoing clauses (A) and (B)), obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans, provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to (x) any payment or prepayment made by or on behalf of the Borrower or any other Loan Party pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant or the termination of any Lender's commitment and non-pro rata repayment of Loans pursuant to Section 2.19(b), or (z) transactions in connection with an open market purchase or a Dutch Auction. For the avoidance of doubt, this Section shall not limit the ability of the Borrower or any Restricted Subsidiary to purchase and retire Loans pursuant to an open market purchase or a Dutch Auction.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) (i) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(a) or (a), Section 2.18(d) or Section 9.03(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid

---

and/or (ii) hold such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clause (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

#### Section 2.19 Mitigation Obligations; Replacement of Lender

(a) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not be inconsistent with its internal policies or otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender ceases to make Eurocurrency Loans as a result of any of the conditions in Section 2.14 or Section 2.15, or if any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) repay the Loans of such Lender on a non-pro rata basis, or (2) require such Lender (and such Lender shall be obligated) to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, other than in the case of a Defaulting Lender, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments.

(c) Any Lender being replaced pursuant to Section 2.19(b) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's outstanding Loans (provided that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register) and (ii) deliver all Notes, if any, evidencing such Loans to the Borrower, the Administrative Agent or the assignee Lender, as applicable. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's outstanding Loans, (B) all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid

---

in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with the execution and delivery of such Assignment and Assumption, together with any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 2.16 as a consequence of such assignment and (C) upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Note or Notes executed by the Borrower; the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

Section 2.20 [Reserved].

Section 2.21 [Reserved].

Section 2.22 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Any payment of principal, interest, fees, indemnity payments or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement; third, to the payment of any amounts owing to the non-Defaulting Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fourth, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and fifth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts

---

owed by a Defaulting Lender pursuant to this Section 2.22(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender; and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender shall not be entitled to receive any default rate of interest pursuant to Section 2.13(c) for any period during which that Lender is a Defaulting Lender.

(b) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with the Commitments in effect immediately prior to their termination (giving effect to any assignments of Loans that occurred following the termination of the Commitments), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

### ARTICLE III Representations and Warranties

The Borrower represents and warrants to the Lenders that (it being understood that the following representations and warranties shall be deemed made with respect to any Foreign Subsidiary only to the extent relevant under applicable law):

Section 3.01 Organization; Powers. Each of the Borrower and its Restricted Subsidiaries (a) is duly organized or incorporated and validly existing, (b) to the extent such concept is applicable in the corresponding jurisdiction, is in good standing under the laws of the jurisdiction of its organization or incorporation and (c) has all requisite organizational or constitutional power and authority to (i) carry on its business as now conducted and as proposed to be conducted and (ii) execute, deliver and perform its obligations under each Loan Document to which it is a party, except, in the case of clause (b) only, where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.02 Authorization; Enforceability. This Agreement (and the lending transactions contemplated hereby to occur on the Closing Date) has been duly authorized by all necessary corporate or other organizational action by the Borrower; and each other Loan Document to which any Loan Party is a party has been duly authorized by all necessary corporate, shareholder or other organizational action by such Loan Party, and each Loan Document constitutes, or when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such other Loan Party (as the case may be), enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency,

reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Loan Parties for the benefit of the Secured Parties.

Section 3.03 Governmental Approvals; No Conflicts. The execution, delivery and performance by the Loan Parties of the Loan Documents to which such Loan Parties are a party (a) do not require any material consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, in each case as of the Closing Date, (ii) filings and registrations of charges necessary to perfect Liens created under the Loan Documents and to release existing Liens (if any), and (iii) those consents, approvals, registrations, filings or other actions, the failure of which to obtain or make would not reasonably be expected to result in a Material Adverse Effect, (b) will not violate any Organizational Document of the Borrower or any other Loan Party, (c) will not violate any Requirement of Law applicable to the Borrower or any Restricted Subsidiary, (d) will not violate or result in a default under any indenture, agreement or other instrument in each case constituting Material Indebtedness binding upon the Borrower or any Restricted Subsidiary or their respective assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any Restricted Subsidiary or give rise to a right of, or result in, termination, cancellation or acceleration of any obligation thereunder, in each case as of the Closing Date, and (e) will not result in the creation or imposition of any Lien on any asset of the Borrower or any Restricted Subsidiary, except Liens created under the Loan Documents and Liens permitted under Section 6.02, except in the cases of clauses (a), (c) and (d) above where such violations, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.04 Financial Condition; No Material Adverse Change.

(a) Each of (i) the audited consolidated balance sheet and related statements of income, stockholders' equity and cash flows of the Borrower for December 31, 2019 and for the fiscal year then ended and (ii) the unaudited consolidated balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower for March 28, 2020 and June 27, 2020 and for the fiscal quarter and portion of the Borrower's fiscal year then ended, present fairly, in all material respects, the consolidated financial position and the consolidated results of operations and consolidated cash flows of the Borrower as of such dates and for such periods in accordance in all material respects with GAAP (except, in the case of the unaudited financial statements, as permitted by the SEC), subject, in the case of the unaudited financial statements, to normal year-end audit adjustments and to any other adjustments described therein (including the notes thereto), the absence of footnotes and the inclusion of explanatory notes.

(b) Since December 31, 2019, no event, change or condition has occurred that has had, or would reasonably be expected to have, a Material Adverse Effect.

Each Lender and the Administrative Agent hereby acknowledges and agrees that the Borrower and its Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP, or the respective interpretation thereof or otherwise, and that such restatements will not result in a Default or an Event of Default under the Loan Documents.

### Section 3.05 Properties.

(a) Each of the Borrower and its Restricted Subsidiaries has good title to, valid leasehold interests in, or rights to use, all of its real and personal property material to its business, except for Liens permitted under Section 6.02 and except where the failure to have such title, interest or right would not reasonably be expected to have a Material Adverse Effect.

(b) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect (i) the Borrower and its Restricted Subsidiaries own, or are licensed to use, all Intellectual Property that is necessary for the operation of their respective businesses as currently conducted, free and clear of all Liens (other than Liens permitted under Section 6.02), (ii) to the knowledge of the Borrower, all registered and issued Intellectual Property rights owned by the Borrower and its Restricted Subsidiaries are valid and enforceable, (iii) the conduct of, and the use of Intellectual Property in, the respective businesses of the Borrower and its Restricted Subsidiaries does not infringe, misappropriate, or otherwise violate the rights of any other Person, and (iv) there are no claims, actions, suits or proceedings pending against or, to the knowledge of the Borrower, threatened in writing against the Borrower or any Restricted Subsidiary (A) alleging any infringement, misappropriation or violation by the Borrower or any Restricted Subsidiary of any Intellectual Property right of any other Person, or (B) challenging the ownership, use, validity or enforceability of any Intellectual Property owned by or licensed to the Borrower or any Restricted Subsidiary.

### Section 3.06 Litigation and Environmental Matters.

(a) There are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against the Borrower or any Restricted Subsidiary as to which there is a reasonable possibility of an adverse determination and that, if adversely determined would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (other than the Disclosed Matters).

(b) Except for the Disclosed Matters and except with respect to any other matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any Restricted Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability or (iii) has received written notice of any claim with respect to any Environmental Liability.

### Section 3.07 Compliance with Laws.

Each of the Borrower and the Restricted Subsidiaries is in compliance with all Requirements of Law applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.08 Investment Company Status. None of the Borrower nor any other Loan Party is required to be registered as an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

Section 3.09 Taxes. Each of the Borrower and its Restricted Subsidiaries (a) has timely filed or caused to be filed all material Tax returns and reports required to have been filed and (b) has paid or caused to be paid all material Taxes required to have been paid by it, except any Taxes that are being contested in good faith by appropriate proceedings for which adequate reserves have been provided in accordance with GAAP or applicable foreign accounting principles.

Section 3.10 ERISA. (a) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, would reasonably be expected to result in a Material Adverse Effect, (b) with respect to each employee benefit plan as defined in Section 3(3) of ERISA, each of the Borrower and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder, (c) there exists no Unfunded Pension Liability with respect to any Plans that would reasonably be expected to result in a Material Adverse Effect, and (d) each Foreign Pension Plan is in compliance in all material respects with all Requirements of Law applicable thereto and the respective requirements of the governing documents for such plan. With respect to each Foreign Pension Plan, neither the Borrower, any Subsidiaries or any of their respective directors, officers, employees or agents has engaged in a transaction which would subject the Borrower or any Subsidiary, directly or indirectly, to a tax or civil penalty which could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. With respect to each Foreign Pension Plan, reserves have been established in the financial statements furnished to the Lenders in respect of any unfunded liabilities in accordance with applicable law and prudent business practice or, where required, in accordance with ordinary accounting practices in the jurisdiction in which such Foreign Pension Plan is maintained. The aggregate unfunded liabilities with respect to such Foreign Pension Plans would not reasonably be expected to result in a Material Adverse Effect; the present value of the aggregate accumulated benefit liabilities of all such Foreign Pension Plans (based on those assumptions used to fund each such Foreign Pension Plan) did not, as of the last annual valuation date applicable thereto, exceed by more than \$50,000,000 the fair market value of the assets of all such Foreign Pension Plans.

Section 3.11 Disclosure. The representations and warranties of the Borrower contained in any Loan Document or in any other documents, certificates or written statements furnished by or on behalf of the Borrower or any Restricted Subsidiary to the Administrative Agent in connection with the transactions contemplated hereby (other than projections, estimates, budgets, forecasts, pro forma financial information and other forward-looking information and information of a general economic or general industry nature and other general market data), when taken as a whole, do not, as of the date furnished, contain any untrue statement of a material fact or omit to state any material fact (known to the Borrower, in the case of any document not furnished by it) necessary to make the statements therein not materially misleading in the light of the circumstances under which they were made (after giving effect to all supplements thereto from time to time). Any projections and pro forma financial information contained in such materials (including any Projections) were prepared in good faith based upon

---

assumptions believed by the Borrower to be reasonable at the time of delivery thereof, it being understood by the Administrative Agent and the Lenders that (i) such projections as to future events (A) are not to be viewed as facts, (B) are subject to significant uncertainties and contingencies, many of which are beyond the control of the Loan Parties, and (C) are not a guarantee of performance, (ii) no assurance is given by the Loan Parties that the results forecast in any such projections will be realized and (iii) the actual results during the period or periods covered by any such projections may differ from the forecast results set forth in such projections and such differences may be material.

Section 3.12 Labor Matters. As of the Closing Date, there are no strikes, work stoppages or material labor disputes against the Borrower or any Restricted Subsidiary pending or, to the actual knowledge of the Borrower, threatened in writing, in each case, that would reasonably be expected to have a Material Adverse Effect.

Section 3.13 Subsidiaries. As of the Closing Date, Schedule 3.13 sets forth the name of, and the ownership by the Borrower and its Subsidiaries in, each Subsidiary (other than Foreign Subsidiaries which are inactive, dormant or have only de minimis assets) and identifies each Subsidiary that is a Loan Party as of the Closing Date; provided that inaccuracies in the name and ownership of any Foreign Subsidiary that is not a Material Subsidiary shall be deemed not material for all purposes under this Agreement and the other Loan Documents.

Section 3.14 Solvency. As of the Closing Date, after giving effect to the consummation of the Transactions, the Borrower and its Restricted Subsidiaries, when taken as a whole, are Solvent.

Section 3.15 Federal Reserve Regulations.

(a) None of the Borrower or any Restricted Subsidiary is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock.

(b) No part of the proceeds of the Loans will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of the provisions of the Regulations of the Board, including Regulation T, U or X.

Section 3.16 Senior Indebtedness; Subordination. The Obligations hereunder and under the other Loan Documents are within the definition of "Senior Debt" (or any comparable term) and "Designated Senior Debt" (or any comparable term), to the extent applicable, under and as defined in the subordination provisions in the documentation governing Subordinated Indebtedness, if any.

Section 3.17 Use of Proceeds. The proceeds of the Loans will be used in accordance with Section 5.09.

Section 3.18 Security Documents. The Security Documents are effective to create in favor of the Collateral Agent for the benefit of the applicable Secured Parties legal, valid and enforceable (subject to (a) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles

of equity, regardless of whether considered in a proceeding in equity or at law, (b) any filings, notices and recordings and other perfection requirements necessary to create or perfect the Liens on the Collateral granted by the Loan Parties for the benefit of the Secured Parties (which filings, notices or recordings shall be made to the extent required by any Security Document) and (c) with respect to enforceability against Foreign Subsidiaries or under non-U.S. laws, the effect of non-U.S. laws, rules and regulations as they relate to pledges, if any, of Equity Interests in Foreign Subsidiaries and intercompany Indebtedness owed by Foreign Subsidiaries) first priority Liens on, and security interests in, the Collateral (subject to Liens permitted under Section 6.02) and, (i) when all appropriate filings, notices or recordings are made in the appropriate offices, corporate records or with the appropriate Persons as may be required under applicable laws and any Security Document (which filings, notices or recordings shall be made to the extent required by any Security Document) and (ii) upon the taking of possession or control by the Collateral Agent of such Collateral with respect to which a security interest may be perfected only by possession or control (which possession or control shall be given to the Collateral Agent to the extent required by any Security Document), the Collateral Agent will have fully perfected Liens on, and security interests in, all right, title and interest of the Loan Parties in such Collateral to the extent such Liens and security interests can be perfected by such filings, notices, recordings, possession or control.

#### Section 3.19 OFAC; FCPA; Patriot Act.

(a) None of the Borrower or any of its Restricted Subsidiaries, nor any director or officer thereof, nor, to the knowledge of the Borrower, any employee, agent or Affiliate of the Borrower or any of its Restricted Subsidiaries is a Person that is, or is owned or controlled by Persons that are: (i) the subject of any sanctions administered or enforced by the U.S. Department of the Treasury's Office of Foreign Assets Control or the U.S. State Department, the United Nations Security Council, the European Union, Her Majesty's Treasury, or other relevant sanctions authority (collectively, "Sanctions"), or (ii) located, organized or resident in a country or territory that is, or whose government is, the subject of Sanctions (including, without limitation, Crimea, Cuba, Iran, North Korea and Syria).

(b) The Borrower and the other Loan Parties are in compliance in all material respects with the Patriot Act (to the extent applicable) and all applicable anti-corruption laws, anti-money laundering laws and Sanctions. The Borrower has implemented and maintains policies and procedures reasonably designed to ensure compliance by the Borrower and its Subsidiaries with all applicable anti-corruption laws (including without limitation the United States Foreign Corrupt Practices Act of 1977 (the "FCPA")) and Sanctions.

Section 3.20 Beneficial Ownership Certification. As of the Closing Date, the information included in the applicable Beneficial Ownership Certification delivered on or prior to such date is true and correct in all respects.

Section 3.21 Affected Financial Institution. No Loan Party is an Affected Financial Institution.

ARTICLE IV  
Conditions

Section 4.01 Closing Date. This Agreement and the obligations of the Lenders to make the extensions of credit to be made hereunder on the Closing Date shall not become effective until the date on which each of the following express conditions is satisfied or waived:

(a) The Administrative Agent or the Collateral Agent (or their counsel), as applicable, shall have received: (A) from each party hereto counterparts of this Agreement signed on behalf of such party, together with all Schedules hereto, (B) from each party thereto executed counterparts of the Collateral Agreement, the Subsidiary Guaranty and the Intercreditor Agreement, (C) from the Borrower, a Note executed by the Borrower for each Lender that requests such a Note at least three Business Days in advance of the Closing Date, (D) with respect to each Loan Party, a UCC-1 financing statement in a form appropriate for filing in the state of organization of such Loan Party, (E) executed IP Security Agreements (as defined in the Collateral Agreement) as required pursuant to the Collateral Agreement, (F) delivery of stock certificates for certificated Equity Interests of each material Domestic Restricted Subsidiary that constitutes Collateral, together with appropriate instruments of transfer endorsed in blank, (G) all agreements or instruments representing or evidencing the Collateral accompanied by instruments of transfer and stock powers undated and endorsed in blank and (H) the results of a search of the UCC filings and of such tax and judgment lien searches and such searches from the U.S. Patent and Trademark Office and the U.S. Copyright Office as reasonably requested by the Administrative Agent at least 3 Business Days prior to the Closing Date, and copies of the financing statements (or similar documents) disclosed by such search; provided, that the Collateral Agent hereby acknowledges that each of the items described in the foregoing clauses (F) and (G) was previously delivered to the Collateral Agent in its capacity as collateral agent under the Existing Credit Agreement, and it is in possession of each such item as of the Closing Date.

(a) The Borrower may designate (or re-designate) any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that immediately before and after such designation, no Event of Default shall have occurred and be continuing. The designation of any such Subsidiary as an Unrestricted Subsidiary after the Closing Date in accordance with this Section 5.12(a) shall constitute an Investment by the Borrower or the relevant Restricted Subsidiary, as applicable, therein at the date of designation in an amount equal to the fair market value (as determined in good faith by the Borrower) of the Investments held by the Borrower and/or the applicable Restricted Subsidiaries in such Unrestricted Subsidiary immediately prior to such designation. Upon any such designation (but without duplication of any amount reducing such Investment in such Unrestricted Subsidiary pursuant to the definition of "Investment"), the Borrower and/or the applicable Restricted Subsidiaries shall receive a credit against the applicable clause in Section 6.04 that was utilized for the Investment in such Unrestricted Subsidiary for all Returns in respect of such Investment. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary in accordance with this Section 5.12 shall constitute the incurrence by such Restricted Subsidiary at the time of designation of any Indebtedness or Liens of such Restricted Subsidiary outstanding at such time (to the extent assumed).

(b) The Borrower may designate (or re-designate) any Restricted Subsidiary that is an Excluded Subsidiary, as an Electing Guarantor. The Borrower may designate (or re-designate) any Electing Guarantor as an Excluded Subsidiary; provided that (i) after giving effect to such release, such Restricted Subsidiary shall not be a guarantor of the obligations under the Existing Credit Agreement, any Credit Agreement Refinancing Indebtedness, any Additional Term Notes, any Unrestricted Additional Term Notes, any Term Loan Exchange Notes or any Additional Debt, (ii) such redesignation shall constitute an Investment by the Borrower or the relevant Restricted Subsidiary, as applicable, therein at the date of designation in an amount equal to the fair market value (as determined in good faith by the Borrower) of the Investments held by the Borrower and/or the Restricted Subsidiaries in such Electing Guarantor immediately prior to such re-designation and such Investments shall otherwise be permitted hereunder and (iii) any Indebtedness or Liens of such Restricted Subsidiary (after giving effect to such release) shall be deemed to be incurred at the time of such release by such Electing Guarantor and such incurrence shall otherwise be permitted hereunder.

Section 5.13 Conduct of Business. From and after the Closing Date, the Borrower and its Restricted Subsidiaries will engage only in lines of business of the type engaged in by the Borrower and its Restricted Subsidiaries on the Closing Date and similar, ancillary, supportive, complementary, synergetic or related businesses or reasonable extensions thereof (and non-core incidental businesses acquired in connection with any Acquisition or permitted Investment or other immaterial businesses).

Section 5.14 Maintenance of Ratings. The Borrower will use commercially reasonable efforts to maintain a public corporate credit rating from S&P and a public corporate family rating from Moody's, in each case in respect of the Borrower, but not, in each case, any specific rating.

Section 5.15 [Reserved].

Section 5.16 Post-Closing Covenants. The Borrower agrees to deliver, or cause to be delivered, to the Administrative Agent, the items described on Schedule 5.16 on the dates and by the times specified with respect to such items, or such later time as may be agreed to by the Administrative Agent in its reasonable discretion. Until the expiration of the time periods set forth in Schedule 5.16 for each applicable requirement or such later time as the Administrative Agent may agree, no Default or Event of Default shall have occurred and be continuing or be deemed to have occurred solely due to the failure to satisfy such requirement, and each applicable representation, warranty and covenant herein or in any other Loan Document shall be deemed modified to permit such requirement to be outstanding.

Section 5.17 Transactions with Affiliates. The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions with, any of its Affiliates, with a fair market value in excess of \$10,000,000 except (a) transactions at prices and on terms and conditions (taken as a whole) not materially less favorable to the Borrower or such Restricted Subsidiary than could reasonably be expected to be obtained on an arm's-length basis from unrelated third parties (as determined in good faith by the Borrower); (b) transactions between or among the Borrower and the Loan Parties (or any entity that becomes a Loan Party as a result of such transaction) not involving any other Affiliate; (c) loans or advances to employees, officers and directors permitted under Section 6.04; (d) payroll, travel and similar advances to cover matters permitted under Section 6.04; (e) the payment of reasonable fees and reimbursement of out-of-pocket expenses to directors of the Borrower or any Restricted Subsidiary; (f) compensation (including bonuses) and employee benefit arrangements paid to, indemnities provided for the benefit of, and employment and severance arrangements entered into with, directors, officers, managers, consultants or employees of the Borrower or the Subsidiaries in the ordinary course of business, including in connection with any transaction permitted hereunder; (g) any issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment agreements, stock options and stock ownership plans; (h) payment of fees and expenses pursuant to the Transactions; (i) any Restricted Payment and payments on Indebtedness not prohibited by Section 6.06; (j) any transaction among the Borrower and its Subsidiaries for the sharing of liabilities for taxes so long as the payments made pursuant to such transaction are made by and among the members of the Borrower's "affiliated group" (as defined in the Code); (k) transactions between and among the Borrower and the other Loan Parties which are in the ordinary course of business; (l) [reserved]; (m) the existence and performance of agreements and transactions with any Unrestricted Subsidiary that were entered into prior to the designation of a Restricted Subsidiary as such Unrestricted Subsidiary to the extent that the transaction was permitted at the time that it was entered into with such Restricted Subsidiary and transactions entered into by an Unrestricted Subsidiary with an Affiliate prior to the redesignation of any such Unrestricted Subsidiary as a Restricted Subsidiary; (n) any customary transaction in connection

with a Receivables Facility or Qualified Securitization Financing or with a Securitization Subsidiary effected as part of a Qualified Securitization Financing; (o) any Intercompany License Agreements; (p) transactions set forth on Schedule 5.17, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this covenant or to the extent not more disadvantageous to the Secured Parties in any material respect (taken as a whole); (q) payments to or from, and transactions with, joint ventures (to the extent any such joint venture is only an Affiliate as a result of Investments by the Borrower and the Restricted Subsidiaries in such joint venture) in the ordinary course of business; (r) loans and other transactions by and among the Borrower and its Restricted Subsidiaries; (s) transactions by the Borrower and its Restricted Subsidiaries with customers, clients, joint venture partners, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement that are fair to the Borrower and the Restricted Subsidiaries, as determined in good faith by the board of directors or the senior management of the relevant Person, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party; (t) any transaction between or among the Borrower or any Restricted Subsidiary and any Affiliate of the Borrower or a Joint Venture or similar entity that would constitute an Affiliate transaction solely because the Borrower or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate, Joint Venture or similar entity; and (u) transactions in which the Borrower or any Restricted Subsidiary, as the case may be, delivers to the Administrative Agent a letter from an independent financial advisor stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of this Section 5.17.

Section 6.09 Amendment of Material Documents. The Borrower will not, nor will the Borrower permit any Subsidiary Loan Party to, amend or otherwise modify (i) any of its Organizational Documents in a manner that would reasonably be expected to cause a Material

Adverse Effect or (ii) in any manner materially adverse to the interests of the Lenders any term or condition of any Material Indebtedness required to be subordinated in right of payment to the Obligations except as permitted pursuant to or reasonably necessary to effect a Permitted Refinancing thereof.

Section 6.10 Change in Nature of Business. The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to, engage in any material line of business substantially different from those lines of business conducted by the Borrower and the Restricted Subsidiaries on the Closing Date or any business reasonably related, complementary, corollary, synergistic or ancillary thereto (including related, complementary, synergistic or ancillary technologies) or reasonable extensions thereof.

Section 6.11 Financial Covenants.

The Borrower will not permit the Total Net Leverage Ratio, calculated as of the last day of the most recent fiscal quarter of the Borrower for which financial statements were required to have been furnished to the Administrative Agent pursuant to Section 5.01, to exceed 3.50 to 1.00; provided that, subject to the limitations set forth in the definition of Qualifying Material Acquisition (including the delivery of a QMA Notice within the required time period set forth in the definition of Qualifying Material Acquisition and compliance with the financial covenant), such ratio shall be increased to 4.00:1.00 for the twelve month period following the delivery of the QMA Notice (such period, the “Financial Covenant Increase Period”).

(d) the Borrower shall default in the performance or compliance of Section 5.02(a) (provided that the delivery of a notice of Default or Event of Default at any time will cure an Event of Default under Section 5.02(a) arising from the failure of the Borrower to timely deliver such notice of Default or Event of Default), Section 5.03 (solely with respect to the existence of the Borrower in its jurisdiction of incorporation) or in Article VI; provided that any breach of Section 6.11 shall not constitute an Event of Default unless and until the Administrative Agent (with the consent, or at the request, of the Required Lenders) has declared all outstanding Loans to be immediately due and payable in accordance with this Agreement and such declaration has not been rescinded on or before such date;

(e) any Loan Party shall default in the performance of or compliance with any term contained in any Loan Document (other than those specified in paragraph (a), (b) or (d) of this Section 7.01), and such default shall continue unremedied and unwaived for a period of 30 days after receipt by the Borrower of written notice thereof from the Administrative Agent or the Required Lenders;

(g) (i) any breach or default (after all applicable grace periods having expired and all required notices having been given) by the Borrower or any Restricted Subsidiary of any Material Indebtedness if the effect of such breach or default is to cause such Material Indebtedness to become due prior to its scheduled maturity or that enables or permits (with all applicable grace periods having expired and all required notices having been given) the holder or holders of such Material Indebtedness or any trustee or agent on its or their behalf to cause such Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity, provided that this paragraph (g) shall not apply to (A) secured Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property

(h) subject to Section 7.02, (i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking liquidation, reorganization or other relief in respect of the Borrower or any Restricted Subsidiary, or of all or a substantial part of its assets, under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the involuntary appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Restricted Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding shall continue undismissed and unstayed for 60 consecutive days without having been dismissed, bonded or discharged or an order of relief is entered in any such proceeding;

(k) an ERISA Event shall have occurred that would reasonably be expected to result in a Material Adverse Effect;

(l) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be (other than in an informational notice to the Administrative Agent), a valid and perfected (if and to the extent required to be perfected under the applicable Security Document) Lien on any Collateral with a fair value in excess of \$30,000,000 at any time, with the priority required by the applicable Security Document (subject to Liens permitted under Section 6.02), except (i) as a result of the release of a Loan Party or the sale, transfer or other disposition of the applicable Collateral (including as a result of the designation of a Restricted Subsidiary as an Unrestricted Subsidiary) in a transaction permitted under the Loan Documents or the occurrence of the Termination Date or (ii) as a result of any action of the Administrative Agent, Collateral Agent or any Lender or the failure of the Administrative Agent, Collateral Agent, or any Lender to take any action that is within its control;

(m) at any time after the execution and delivery thereof, any material portion of the Guarantee of the Obligations under the Subsidiary Guaranty shall for any reason other than the occurrence of the Termination Date or as expressly permitted hereunder or thereunder (including as a result of a transaction permitted hereunder) cease to be in full force and effect, or any Loan Party shall contest the validity or enforceability in writing or repudiate, rescind or deny in writing that it has any further liability or obligation under any Loan Document other than as a result of the occurrence of the Termination Date, the sale or transfer of such Loan Party (including the designation as an Unrestricted Subsidiary) or as a result of a transaction permitted hereunder or thereunder; or

(n) a Change in Control shall have occurred;

then, (I) in every such event (other than (x) an event described in paragraph (d) of this Section 7.01 in respect of a default of performance of or compliance with the covenants under Section 6.11 or (y) an event with respect to the Borrower described in paragraph (h) or (i) of this Section 7.01; provided that in the case of clause (x), the actions hereinafter described will be permitted to occur only if the express conditions of the last proviso contained in Section 7.01(d) have been satisfied), and at any time thereafter during the continuance of such event, the Administrative Agent with the consent of the Required Lenders may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times (except in the case of an event under paragraph (d) of this Section 7.01 in respect of a failure to observe or perform the covenants under Section 6.11, the following actions may not be taken until the express conditions in the last proviso contained in Section 7.01(d) have been satisfied): (i) terminate the Commitments (if any), and thereupon the Commitments shall terminate immediately and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter, during the continuance of such event, be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower (to the extent permitted by applicable law); (II) in the case of an event under paragraph (d) of this

## ARTICLE VIII

### The Administrative Agent and Collateral Agent

Section 8.01 Appointment of Agents. Each of the Lenders hereby irrevocably appoints JPMorgan Chase Bank, N.A. to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents, and authorizes the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Unless otherwise specifically set forth herein, the Collateral Agent shall have all the rights and benefits of the Administrative Agent set forth in this Article.

The Collateral Agent shall act as the “collateral agent” under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties pursuant to the Security Documents to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Section 9.03 (as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. The Lenders acknowledge and agree that the Collateral Agent may also act as the collateral agent for lenders under the Existing Credit Agreement.

---

Section 8.02 Rights of Lender. Each bank serving as the Administrative Agent or Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or Collateral Agent, and with respect to any of its Loans or Commitments hereunder, the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or Collateral Agent hereunder and without any duty to account therefor to the Lenders.

Section 8.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent, (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law and (c) shall not, except as expressly set forth herein or in the other Loan Documents, have any duty to disclose, and shall not be liable to the Lenders for the failure to disclose, any information relating to the Borrower or any Subsidiary that is communicated to or obtained by the bank serving as the Administrative Agent, Collateral Agent or any of their respective Affiliates in any capacity. The Administrative Agent and the Collateral Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as the Administrative Agent shall believe in good faith shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or express conditions set forth in any Loan Document or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent’s reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or the creation, perfection or priority of any Lien purported to be created by the Security Documents or that the

Liens granted to the Collateral Agent pursuant to any Security Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Administrative Agent shall have no obligation to monitor whether any amendment or waiver to any Loan Document has properly become effective or is permitted hereunder or thereunder except to the extent expressly agreed to by the Administrative Agent in such amendment or waiver.

Section 8.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it in good faith to be genuine and to have been signed or sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it in good faith to be made by the proper Person, and shall not incur any liability to the Lenders for relying thereon. Each of the Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan.

Section 8.05 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. Each of the Administrative Agent and the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent, the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent or Collateral Agent.

Section 8.06 Resignation of Agents; Successor, Administrative Agent and Collateral Agent. The Administrative Agent and the Collateral Agent may at any time resign by giving 30 days' prior written notice of its resignation to the Lenders and the Borrower. If the Administrative Agent or the Collateral Agent is a Defaulting Lender pursuant to clause (d) of the definition of "Defaulting Lender" (for purposes of this Section 8.06, clause (d) of the definition of "Defaulting Lender" shall not include a direct or indirect parent company of the Administrative Agent or the Collateral Agent), either the Required Lenders or the Borrower may upon 10 days' prior notice remove the Administrative Agent or the Collateral Agent, as the case may be. Upon receipt of any such notice of resignation or delivery of such removal notice, the Required Lenders shall have the right, with the consent of the Borrower (provided that such

---

consent shall not be unreasonably withheld or delayed and that such consent shall not be required at any time that an Event of Default under Section 7.01(a), (h) or (i) shall have occurred and be continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation or the delivery of such removal notice, then (a) in the case of a retirement, the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above (including the consent of the Borrower) or (b) in the case of a removal, the Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent or Collateral Agent, as applicable, shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Required Lenders notify the Borrower, or the Borrower notifies the Lenders, as the case may be, that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall continue to hold such collateral security, as bailee, until such time as a successor Administrative Agent or Collateral Agent, as applicable, is appointed and, with respect to its rights and obligations under the Loan Documents, until such rights and obligations have been assigned to and assumed by the successor Administrative Agent or Collateral Agent, as applicable), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent or Collateral Agent, as applicable, shall instead be made by or to each Lender directly (and each Lender will cooperate with the Borrower to enable the Borrower to take such actions), until such time as the Required Lenders or the Borrower, as applicable, appoint a successor Administrative Agent or Collateral Agent, as applicable, as provided for above in this Section 8.06 and (iii) the Borrower and the Lenders agree that in no event shall the retiring Administrative Agent or Collateral Agent or any of their respective Affiliates or any of their respective officers, directors, employees, agents, advisors or representatives have any liability to the Loan Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising solely out of the failure of a successor Administrative Agent or Collateral Agent to be appointed and to accept such appointment. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as applicable, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Administrative Agent or Collateral Agent, as applicable, and the retiring (or retired) or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents (if not already discharged therefrom as provided above in this Article). The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent shall be the same as those

payable to its predecessor unless otherwise agreed between the Borrower and such successor. After any retiring Administrative Agent's or Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent was acting as the Administrative Agent or the Collateral Agent, as applicable.

Section 8.07 Non-Reliance on Agents and Other Lenders. Each Lender represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing), (iii) it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon any Loan Document or any related agreement or any document furnished thereunder.

Section 8.08 No Other Duties. Notwithstanding anything herein to the contrary, none of the Agents, Joint Lead Arrangers, Joint Bookrunners, Documentation Agents or Syndication Agents listed on the cover page hereof shall have any powers, duties or responsibilities under any Loan Document, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

Section 8.09 Collateral and Guaranty Matters. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. Each of the Lenders irrevocably authorizes the Administrative Agent and the Collateral Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Loan Document (i) upon the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder or under any other Loan Document to a Person that is not a Loan Party or in connection with the designation of any

---

Restricted Subsidiary as an Unrestricted Subsidiary, (iii) that constitutes Excluded Property, (iv) if the property subject to such Lien is owned by a Loan Party, upon the release of such Loan Party from the Subsidiary Guaranty or otherwise in accordance with the Loan Documents, (v) as to the extent, if any, provided in the Security Documents or (vi) if approved, authorized or ratified in writing in accordance with Section 9.02;

(b) to release any Subsidiary Loan Party from its obligations under the Subsidiary Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder;

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted under Section 6.02(d) and Section 6.02(e);

(d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, in each case to the extent such agreements are substantially consistent with the terms set forth on (i) Exhibit K-1 or K-2 annexed hereto together with (A) any immaterial changes and (B) material changes thereto in light of prevailing market conditions, which material changes shall be posted to the Lenders and, unless the Required Lenders shall have objected in writing to such changes within five Business Days after such posting, then the Required Lenders shall be deemed to have agreed that the Collateral Agent's entering into such subordination or intercreditor agreement (with such changes) is reasonable and to have consented to such subordination or intercreditor agreement (with such changes) and to the Collateral Agent's execution thereof, in each case in form and substance reasonably satisfactory to the Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Obligations); and

(e) to enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents for the benefit of the Lenders and the other Secured Parties.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders (or such greater number of Lenders as may be required pursuant to Section 9.02(b)(v) or (vi)) will confirm in writing the Administrative Agent's or the Collateral Agent's, as the case may be, authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Subsidiary Guaranty pursuant to this Section 8.09. In each case as specified in this Section 8.09, the Administrative Agent and the Collateral Agent will (and each Lender hereby authorizes the Administrative Agent and the Collateral Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Loan Party from its obligations under the Subsidiary Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 8.09.

Section 8.10 [Reserved].

Section 8.11 Withholding Tax. To the extent required by any applicable law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority of any jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lenders shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for, and shall make payable in respect thereof within 10 days after demand therefor, all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.11. The agreements in this Section 8.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 8.12 Administrative Agent and Collateral Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, administration, administrative receivership, reorganization, voluntary arrangement, scheme of arrangement, arrangement, adjustment or composition under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent and the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent or the Collateral Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations, in each case, that are owing and unpaid by such Loan Party and to file such other documents as may be necessary or advisable in order to have such claims of the Lenders, the Administrative Agent and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the Administrative Agent and the Collateral Agent under Section 2.12 and Section 9.03 which are payable by such Loan Party) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator, examiner, administrative receiver, administrator, compulsory manager or other similar official in any such judicial proceeding is hereby authorized by each Lender to

make such payments to the Administrative Agent and, if the Administrative Agent shall consent, to the making of such payments directly to the Lenders, to pay to the Administrative Agent (and Lenders, as applicable) any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.12 and Section 9.03 in each case which are reimbursable or payable by such Loan Party.

Nothing contained herein shall be deemed to authorize the Administrative Agent or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent or the Collateral Agent to vote in respect of the claim of any Lender or in any such proceeding, in each case subject to Section 14(d) of the Collateral Agreement.

#### Section 8.13 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of

subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any other Loan Document or any other documents related hereto or thereto).

#### ARTICLE IX Miscellaneous

Section 9.01 Notices. Except in the case of notices and other communications expressly permitted to be given by telephone, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile, as follows:

(a) if to the Borrower or any other Loan Party, to it at Zebra Technologies Corporation, 3 Overlook Point, Lincolnshire, IL 60069, Attention of each of Treasurer and General Counsel, and a copy (which shall not constitute notice) to Baker & McKenzie, LLP, 300 East Randolph Street, Suite 5000, Chicago, IL 60601, Attention of Jai Khanna (Email: Jai.Khanna@bakermckenzie.com);

(b) if to the Administrative Agent or the Collateral Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 9.01;

(c) if to any other Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire.

Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. Subject to Section 9.15, notices and other communications to the Lenders hereunder may also be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to

notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.14, in Section 9.16 or as otherwise specifically provided below or otherwise provided herein or in any other Loan Document, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent, the Collateral Agent and the Loan Party or Loan Parties that are parties thereto (except as otherwise expressly provided therein), in each case with the consent of the Required Lenders (other than with respect to any amendment, modification or waiver contemplated in clauses (i) through (viii) of this Section 9.02(b), which shall only require the consent of the Lenders expressly set forth therein and not Required Lenders), provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent in Section 4.01 of this Agreement or the waiver of any covenant, Default, Event of Default or mandatory prepayment or reductions shall not constitute an increase of any Commitment of a Lender), (ii) reduce or forgive the principal amount of any Loan owed to a Lender or reduce the rate of interest thereon owed to such Lender, or reduce any fees or premiums payable hereunder owed to such Lender, without the written consent of such Lender directly and adversely affected thereby, provided that any waiver of Default or Event of Default or default interest, waiver of a mandatory prepayment or any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof in this Agreement shall not constitute a reduction or forgiveness in the interest rates or the fees or premiums for purposes of this clause (ii), (iii) except as otherwise provided hereunder, postpone the scheduled maturity of any Loan, the date of any scheduled

---

repayment (but not prepayment) of the principal amount of any Loan under Section 2.10 or any date for the payment of any interest, fees or premiums payable hereunder; or reduce or forgive the amount of, or waive or excuse any such repayment (but not prepayment), without the written consent of each Lender directly and adversely affected thereby (it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, covenant, Default, Event of Default, waiver of default interest or mandatory prepayment shall constitute a postponement of any date scheduled for the payment of principal or interest or an extension of the final maturity of any Loan), (iv) change any of the provisions of this Section 9.02(b) or reduce the percentage set forth in the definition of the term "Required Lenders" or reduce the percentage in any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender; (v) release all or substantially all of the value of the Guarantees under the Subsidiary Guaranty (except as provided herein or in any other applicable Loan Document), without the written consent of each Lender; (vi) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided herein or in any other applicable Loan Document), without the written consent of each Lender (it being understood that any subordination of a Lien permitted hereunder shall not constitute a release of a Lien under this Section and the granting of any pari passu Liens in connection with the incurrence of debt or the granting of Liens otherwise permitted hereunder from time to time (including pursuant to amendments) shall not constitute a release of Liens), (vii) modify the provisions of Section 9.04(e) in a manner that adversely affects the protections afforded to an SPV pursuant to the provisions of Section 9.04(e), without the written consent of each Granting Lender all or any part of whose Loans are being funded by an SPV at the time of such amendment, modification or waiver or (viii) change Sections 2.18, 7.03 or any other similar section in a manner that would alter the pro rata sharing or priority of payments required thereby without the written consent of each Lender; provided, further, that no such agreement shall directly adversely amend or modify the rights or duties of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be. In the event an amendment to this Agreement or any other Loan Document is effected without the consent of the Administrative Agent or the Collateral Agent (to the extent permitted hereunder) and to which the Administrative Agent or the Collateral Agent is not a party, the Borrower shall furnish a copy of such amendment to the Administrative Agent. Notwithstanding the foregoing, no Lender consent is required to effect any amendment, modification or supplement to any intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, for the purpose of adding the holders of such Indebtedness (or their Senior Representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, in each case as contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable, together with (A) any immaterial changes and (B) material changes thereto in light of prevailing market conditions, which material changes shall be posted to the Lenders and, unless the Required Lenders shall have objected in writing to such changes within five Business Days after such posting, then the Required Lenders shall be deemed to have agreed that the Collateral Agent's entering into such intercreditor agreement or arrangement (with such changes) is reasonable and to have consented to such intercreditor agreement or arrangement (with such changes) and to the Collateral Agent's execution thereof, in each case

in form and substance reasonably satisfactory to the Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Obligations).

(c) In connection with any proposed departure, amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders (or, in the case of a consent, waiver or amendment involving directly and adversely affected Lenders, such directly and adversely affected Lenders having Loans representing at least 50.1% of the aggregate outstanding Loans of such directly and adversely affected Lenders) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a "Non-Consenting Lender"), then, the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (a) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (b) the Borrower or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in clause (b)(ii) of Section 9.02 and (c) such assignee shall have consented to the Proposed Change or (ii) repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that in the case of any such termination of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders and terminated Lenders after giving effect hereto) to cause the adoption of such Proposed Change.

(d) [Reserved].

(e) The Lenders and all other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall, at the sole cost and expense of the Borrower, be automatically released (i) upon the occurrence of the Termination Date, (ii) upon the sale or other disposition of such Collateral (as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Loan Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary, to the extent such sale or other disposition is made in compliance with the terms of this Agreement, (iii) to the extent such Collateral is comprised of property leased to a Loan Party, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 9.02), (v) to the extent such property constitutes Excluded Property, (vi) to the extent the property constituting such Collateral is owned by any Subsidiary Loan Party, upon the release of such Subsidiary Loan Party from its obligations

under the Subsidiary Guaranty (in accordance with the penultimate sentence of this Section 9.02(e)) to the extent such release of a Subsidiary Loan Party is made in compliance with the terms of this Agreement and (vii) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of Excluded Property or otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders and all other Secured Parties, hereby irrevocably agree that each Subsidiary Loan Party shall be released from the Subsidiary Guaranty upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders and all other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Loan Party's Guarantee under the Subsidiary Guaranty or its Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or other Secured Party.

(f) No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders pursuant to Sections 9.02 (b)(v) or 9.02(b)(v) or each directly and adversely affected Lender pursuant to Sections 9.02(b)(ii) or 9.02(b)(iii) that, by its terms, adversely affects any Defaulting Lender disproportionately in relation to other affected Lenders shall require the consent of such Defaulting Lender.

(g) This Agreement may be amended (or amended and restated) solely with the written consent of the Required Lenders and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(h) [Reserved].

(i) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrower without the need to obtain the consent of any other Lender if such amendment is delivered in order to (x) correct or cure ambiguities, errors, omissions, defects, (y) effect administrative changes of a technical or immaterial nature or (z) correct or cure incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document, in each case if the same is not objected to in writing by the Required Lenders within five Business Days

following receipt of notice thereof. Guarantees, collateral documents, security documents, intercreditor agreements, and related documents executed in connection with this Agreement may be in a form reasonably determined by the Administrative Agent or the Collateral Agent, as applicable, and may be amended, modified, terminated or waived, and consent to any departure therefrom may be given, without the consent of any Lender if such amendment, modification, waiver or consent is given in order to (x) comply with local law or advice of counsel or (y) cause such guarantee, collateral document, security document or related document to be consistent with this Agreement and the other Loan Documents.

Section 9.03 Expenses; Limitation of Liability; Indemnity; Etc. (a) The Borrower shall pay within 30 days after receipt of reasonably detailed documentation therefor, (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent, including the reasonable and documented fees, charges and disbursements of a single outside counsel for the Administrative Agent and the Collateral Agent, taken as a whole (in addition to one local counsel in each relevant jurisdiction), in connection with the preparation and administration of the Loan Documents and not paid on the Closing Date or any amendments, modifications or waivers of the provisions thereof (whether or not the transactions contemplated thereby shall be consummated), and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent, including the reasonable and documented fees, charges and disbursements of a single outside counsel for the Administrative Agent, the Collateral Agent, the Lenders, and other Secured Parties (in addition to a single local counsel in each relevant jurisdiction, and in the event a conflict of interest arises, one additional primary counsel for the conflicted parties (taken as a whole)) in connection with the enforcement of any rights under this Agreement or any other Loan Documents, including rights under this Section, or in connection with the Loans made hereunder; provided, the Borrower shall not be obligated to pay for any third party advisor or consultants (in addition to those set forth in the immediately preceding clause (ii)), except following an Event of Default with respect to which the Required Lenders have accelerated the Loans or are pursuing remedies, in which case the Borrower shall pay the reasonable and documented out-of-pocket expenses of one additional advisor to the extent the Borrower has provided its prior written consent thereto (in its sole discretion).

(b) To the extent permitted by applicable law (i) the Borrower and any other Loan Party shall not assert, and the Borrower and each other Loan Party hereby waives, any claim against the Administrative Agent, the Joint Lead Arrangers, the Joint Bookrunners, any Documentation Agent, any Syndication Agent and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a “Lender-Related Person”) for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet), in each case, except to the extent any such Liabilities are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of, or material breach of this Agreement or any other Loan Document by, such Lender-Related Person (or its officers, directors, employees, Related Parties or Affiliates), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other

Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; provided that, nothing in this Section 9.03(b) shall relieve the Borrower and each other Loan Party of any obligation it may have to indemnify an Indemnitee, to the extent provided in Section 9.03(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee.

(c) Without duplication of the expense reimbursement obligations pursuant to paragraph (a) above, the Borrower shall indemnify the Administrative Agent, the Collateral Agent, the Joint Lead Arrangers, the Joint Bookrunners, the Documentation Agents and the Syndication Agents and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”), against, and hold each Indemnitee harmless from, any and all reasonable and documented out-of-pocket costs, Liabilities and related expenses, excluding in any event lost profits, but (x) including the reasonable and documented fees, charges and disbursements of a single outside counsel for the Indemnitees (in addition to one local counsel in each relevant jurisdiction and, in the event a conflict of interest arises, one additional counsel (plus local counsel in each relevant material jurisdiction) for the conflicted Indemnitees (taken as a whole)) and (y) excluding (i) any allocated costs of in-house counsel and (ii) any third party or consultants (in addition to those set forth in the immediately preceding clause (x)), except in the case of this clause (y)(ii) following an Event of Default with respect to which the Required Lenders have accelerated the Loans or are pursuing remedies, in which case the Borrower shall pay the reasonable and documented out-of-pocket expenses of one additional advisor to the extent the Borrower has provided its prior written consent thereto (in its sole discretion), incurred by or asserted against any Indemnitee by any third party or by the Borrower or any Restricted Subsidiary arising out of, in connection with, or as a result of (A) the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby and (B) any actual or alleged presence or Release of Hazardous Materials involving or attributable to the Borrower or any of its Restricted Subsidiaries, whether or not any such Indemnitee shall be designated as a party or a potential party thereto and whether or not such matter is initiated by the Borrower or any of its respective Affiliates or shareholders, and any fees or expenses incurred by Indemnitees in enforcing this indemnity (collectively, the “Indemnified Liabilities”), provided that, no Indemnitee will be indemnified (a) for its (or any of its Affiliates’ or any of its or its Affiliates’ officers’, directors’, members’, employees’, agents’, representatives’ and controlling persons’) willful misconduct, bad faith or gross negligence (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (b) for its (or any of its Affiliates’ or any of its or its Affiliates’ officers’, directors’, employees’, agents’, representatives’ and controlling persons’) material breach of its obligations under the Loan Documents (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (c) for any dispute among Indemnitees that does not involve an act or omission by the Borrower or any Restricted Subsidiary (other than any claims against an Agent, the Joint Lead Arrangers, the Joint Bookrunners, a Documentation Agent or a Syndication Agent in their capacity as such and subject to clause (a) above), (d) in its capacity as a financial advisor of the Borrower or its subsidiaries in connection with any potential acquisition or as a co-investor in any potential acquisition or (e) in connection with any settlement effected without the Borrower’s prior written consent, but if settled with the Borrower’s prior written consent (not to be unreasonably withheld or delayed) or if there is a

final judgment against an Indemnitee in any such proceedings, the Borrower will indemnify and hold harmless each Indemnitee from and against any and all actual Liabilities and expenses by reason of such settlement or judgment in accordance with this Section; provided further that (1) the Borrower shall not have any obligation to any Indemnitee under this Section 9.03 that is a Defaulting Lender or that is an Indemnitee by virtue of being a Related Party of a Defaulting Lender for any Indemnified Liabilities arising from such Defaulting Lender's failure to fund its Commitment and (2) to the extent of any amounts paid to an Indemnitee in respect of this Section 9.03 for Indemnified Liabilities, such Indemnitee, by its acceptance of the benefits hereof, agrees to promptly refund and return any and all amounts paid by the Borrower to it if, pursuant to operation of any of the foregoing clauses (a) through (e), such Indemnitee was not entitled to receipt of such amount.

(d) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under paragraph (a) or (c) of this Section, and without limiting the Borrower's obligation to do so, each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified Liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the outstanding Loans at the time. The obligations of the Lenders under this paragraph (d) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (d)).

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower of the commencement of any proceeding; provided, however, that the failure to do so will not relieve the Borrower from any liability that it may have to such Indemnitee hereunder, except to the extent that the Borrower is materially prejudiced by such failure. Notwithstanding the above, following such notification, the Borrower may elect in writing to assume the defense of such proceeding, and, upon such election, the Borrower will not be liable for any legal costs subsequently incurred by such Indemnitee (other than reasonable costs of investigation and providing evidence) in connection therewith, unless (i) the Borrower has failed to provide counsel reasonably satisfactory to such Indemnitee in a timely manner, (ii) counsel provided by the Borrower reasonably determines its representation of such Indemnitee would present it with a conflict of interest or (iii) the Indemnitee reasonably determines that there are actual conflicts of interest between the Borrower and the Indemnitee, including situations in which there may be legal defenses available to the Indemnitee which are different from or in addition to those available to the Borrower.

(f) Except to the extent otherwise expressly provided herein, all amounts due by the Borrower under this Section shall be payable within 30 days after receipt by the Borrower of reasonably detailed documentation therefor.

(g) This Section 9.03 shall not apply to Taxes, except for Taxes which represent costs, losses, claims, etc. with respect to a non-Tax claim.

#### Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as otherwise permitted herein, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any such attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section (and any attempted assignment or transfer by such Lender otherwise shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (solely to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the express conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of (A) the Borrower, provided that no consent of the Borrower shall be required for an assignment of all or any portion of a Loan to a Lender, an Affiliate of a Lender or an Approved Fund (as defined below), or if an Event of Default under Sections 7.01(a), 7.01(b), 7.01(h) or 7.01(i) has occurred and is continuing, and provided that the Borrower shall be deemed to have consented to any such assignment unless the Borrower shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after a Responsible Officer of the Borrower has received written notice thereof and (B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan to a Lender or an Affiliate of a Lender.

(ii) Assignments shall be subject to the following additional express conditions: (A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 (it being understood and agreed that such minimum amount shall be aggregated for two or more simultaneous assignments by or to two or more Approved Funds), unless the Borrower and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(a), 7.01(b), 7.01(h) or 7.01(i) has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, (C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Assumption, via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and

---

recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent), provided that assignments made pursuant to Section 2.19 or Section 9.02(c) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and any tax forms and information required by Section 2.17(f).

For purposes of paragraph (b) of this Section, the terms "Approved Fund" and "CLO" have the following meanings:

"Approved Fund" means (a) a CLO and (b) with respect to any Lender that is a fund that invests in bank loans and similar extensions of credit, any other fund that invests in bank loans and similar extensions of credit and is managed by the same investment advisor as such Lender or by an Affiliate of such investment advisor.

"CLO" means an entity (whether a corporation, partnership, trust or otherwise) that is engaged in making, purchasing, holding or otherwise investing in bank loans and similar extensions of credit in the ordinary course and is administered or managed by a Lender or an Affiliate of such Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and related interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, with respect to its own interests only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section

---

9.04(b)(iv) shall be construed so that the Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire and any tax forms and information required by Section 2.17(f), as applicable (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (to the extent required) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of, a natural person), any Defaulting Lender or any Direct Competitor or Disqualified Lender to the extent the lists thereof have been made available to the Lenders) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of the Loans owing to it), provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (D) such Participant shall not be entitled to exercise any rights of a Lender under the Loan Documents.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (ii), (iii), (v)Section 9.02(b)(v) or (v) of the first proviso to Section 9.02(b) that directly or adversely affects such Participant. Subject to the paragraph below, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(f) and Section 2.19 (it being understood that the U.S. tax documentation required by Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment

pursuant to paragraph (b) of this Section. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. This Section shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

A Participant shall not be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent the right to a greater payment results from a Change in Law after the Participant becomes a Participant or the sale of the participation to such Participant is made with the Borrower's prior written consent.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank and including any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender (including to any trustee for, or any other representative of, such holders), and this Section shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle organized and administered by such Granting Lender (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan, (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) the Granting Lender shall for all purposes, including approval of any consent, amendment, waiver or other modification of the Loan Documents, remain the Lender hereunder. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against,

---

or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof, provided that each Lender designating any SPV hereby agrees to indemnify and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPV during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent), other than Disqualified Lenders and Direct Competitors, providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 9.13, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV, in each case other than any Disqualified Lender or Director Competitor. The Borrower agrees that each SPV shall be entitled to the benefits of Section 2.15 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(f) and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. An SPV shall not be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPV, except to the extent the grant to such SPV is made with the Borrower's prior written consent.

(f) No such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), or (B) to a natural person (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of, a natural person).

(g) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other express conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with the Commitments in effect immediately prior to their termination (giving effect to any assignments of Loans that occurred following the termination of the Commitments). Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(h) Disqualified Lenders and Direct Competitors. The Borrower and the Lenders expressly acknowledge that the Administrative Agent (in its capacity as such or as an arranger, bookrunner or other agent hereunder) shall not have any obligation to monitor whether assignments or participations are made to Disqualified Lenders or Direct Competitors and none of the Borrower, the Lenders or any Affiliate thereof will bring any claim to such effect.

Section 9.05 Survival. All representations and warranties made by the Loan Parties in the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 9.06 Counterparts; Integration. (a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Borrower, the Administrative Agent, or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, waiver, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and

---

each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each other Loan Party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the other Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) agrees that the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against any U.S. Person for any liabilities arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any liabilities arising as a result of the failure of the Borrower and/or any other Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent and the Required Lenders, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not any tax accounts, trust accounts, withholding or payroll accounts) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, but only to the extent then due and payable; provided that in the event that any Defaulting Lender shall exercise any such right

---

of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the other Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees promptly to notify the Borrower and the Administrative Agent of such setoff and application made by such Lender, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflict of laws principles thereof to the extent such principles would cause the application of the law of another state.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Notwithstanding the foregoing, nothing in any Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Borrower or its property in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY

---

OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Confidentiality. Each of the Administrative Agent, the other Agents and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel and other advisors on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the relevant Agent or Lender shall be responsible for such compliance and non-compliance), (b) to the extent requested by any regulatory authority, provided that, other than in connection with routine regulatory examinations, prior notice shall have been given to the Borrower, to the extent permitted by applicable laws or regulations, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, provided that prior notice shall have been given to the Borrower, to the extent permitted by applicable laws or regulations, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, in each case, except to any Direct Competitor or Disqualified Lender to the extent that a list thereof is made available to the Lenders, (g) with the written consent of the Borrower, (h) to the extent such Information (I) becomes publicly available other than as a result of a breach of this Section or (II) becomes available to the Administrative Agent, such other Agent or such Lender on a nonconfidential basis from a source other than the Borrower (provided that the source is not actually known (after due inquiry) by such disclosing party to be bound by confidentiality obligations owed to the Borrower or its Affiliates or any other agreement containing provisions similar to or substantially the same as those contained in this confidentiality provision) or (i) on a confidential basis to (x) any rating agency in connection with rating of the Borrower or the facilities hereunder or (y) the CUSIP Service Bureau, Clearpar or Loanserv or any similar agency in connection with the issuance and monitoring of CUSIP numbers, settlement of assignments or other general administrative functions with respect to the facilities. For the purposes of this Section, the term "Information" means all information received from or on behalf of the Borrower relating to the Borrower or any of its Subsidiaries or any of its or their respective businesses, other than any such information that is available to the Administrative Agent, any other Agent or any Lender

on a nonconfidential basis prior to disclosure by or on behalf of the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that Information furnished to it pursuant to this Agreement may include material non-public information concerning the Loan Parties and their respective Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including federal and state securities laws.

All Information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering, this Agreement will be syndicate-level Information, which may contain material non-public information about the Loan Parties and their respective Related Parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive Information that may contain material non-public information in accordance with its compliance procedures and applicable law.

Section 9.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively, the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

Section 9.14 USA Patriot Act. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Patriot Act.

Section 9.15 Direct Website Communication. The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is

---

obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials (all such communications being referred to herein collectively as “Communications”), by (a) posting such documents, or providing a link thereto, on the Borrower’s website, (b) such documents being posted on the Borrower’s behalf on an Internet or Intranet website, if any, to which the Administrative Agent has access (whether a commercial third-party website or a website sponsored by the Administrative Agent) or (c) transmitting the Communications in an electronic/soft medium to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) promptly following written request by the Administrative Agent, the Borrower shall continue to deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 9.15 shall prejudice the right of the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address specified in Section 9.01 shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender’s e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

Each of the Borrower and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number,

telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

Section 9.16 Intercreditor Agreement Governs. Each Lender and Agent (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof (including the Intercreditor Agreement), (b) hereby authorizes and instructs the Collateral Agent to enter into each intercreditor agreement entered into pursuant to the terms hereof (including the Intercreditor Agreement) and to subject the Liens securing the Obligations to the provisions thereof and (c) hereby authorizes and instructs the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then existing intercreditor agreement to provide for, the terms described in the definition of the terms "Permitted First Priority Replacement Debt" or "Permitted Second Priority Replacement Debt" or "First Lien Senior Secured Notes", as applicable, or as otherwise provided for by the terms of this Agreement; provided that in each case, such intercreditor agreement is substantially consistent with the terms set forth on Exhibit K-1 or K-2 annexed hereto together with (A) any immaterial changes and (B) material changes thereto in light of prevailing market conditions, which material changes shall be posted to the Lenders and, unless the Required Lenders shall have objected in writing to such changes within five Business Days after such posting, then the Required Lenders shall be deemed to have agreed that the Collateral Agent's entering into such intercreditor agreement (with such changes) is reasonable and to have consented to such intercreditor agreement (with such changes) and to the Collateral Agent's execution thereof, in each case in form and substance reasonably satisfactory to the Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Obligations).

Section 9.17 [Reserved].

Section 9.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the other Agents, the Joint Lead Arrangers, the Joint Bookrunners, the Documentation Agents and the Syndication Agents and the making of the Loans and Commitments by the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the other Agents, each Joint Lead Arranger, each Joint Bookrunner, the Documentation Agents, the Syndication Agents and the Lenders, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and express conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Agent, the Joint Lead Arrangers, the Joint Bookrunners, each Documentation Agent and each Syndication Agent and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and

(B) none of the Administrative Agent, any other Agent, any Joint Lead Arranger, any Joint Bookrunner, any Documentation Agent, any Syndication Agent or any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Agents, any Joint Lead Arranger, any Joint Bookrunner, the Documentation Agents, the Syndication Agents and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and none of the Administrative Agent, any other Agent, any Joint Lead Arranger, any Joint Bookrunner, any Documentation Agent any Syndication Agent or any Lender has any obligation to disclose any of such interests to the Borrower or any of its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the other Agents, the Joint Lead Arrangers, the Joint Bookrunners, the Documentation Agents, the Syndication Agents and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.19 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.20 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit

Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
