

**The Egyptian Ankh was associated with life, eternity, the sun and light. The Celtic cross is where heaven meets earth. All Pagan cultures revered and worshipped the serpent and the sun. If a cross was made of squares, it folds into a cube. The Jews worship a cube, as they, at times, wear one on their heads to pray. Muslims worship the Kaaba cube at Mecca. This is because the New Jerusalem is the place where souls of the borg - the one, go when they die. This is a mass harvesting of human souls; a**

hypercube in space that is the pillars of heaven - the four corners of Yahweh. Souls are judged here to determine their ability to feed The One. NASA has photographed this. Satan's number is two for duality. The name Satan comes from the Far East and was originally SaTaNaMa (Sanskrit - world's oldest language from India) for birth life death and rebirth, but was stopped by the Jews (Hebrews) on Na to mean death. Ra meant sun in Sanskrit, but was changed to darkness and evil in Hebrew (Old Testament lexicon) Devi means divine in Sanskrit. Devi was perverted to devil. The trident of Shiva that represents three major energy centers of the soul was made into the devil's pitchfork. Satya/Satyan means 'Eternal Truth' in Sanskrit and are other names for Lord Satan. In Sumerian Enki meant lord of water. Ea (hEAven and EAth) from Babylon means house of water. Satan's signs are Aquarius and Capricorn the goat. Aquarius is water bearer. Poseidon represents Satan - who holds a trident. Shiva/Vishnu is Satan, Odin is Satan. Jesus translates back to Yeshu in Aramaic (Syrian Semitic dialect) meaning 'to deliver' but the Jews changed it to Yeshua to mean 'may his name be blotted out'. The Jews want Gentiles to believe they oppose Christ, as they blaspheme him in their Talmud, written in Babylon 200 AD and 500 AD. Christ was stolen from Krishna who, like Horus, was

born from a virgin and who had 12 disciples. Christ's story mimics Horus' story that is far older. Many Pagan Gods were born a virgin birth in the myths. There are 18+ Pagan gods hanging from trees in mythology that Jesus was taken from. These legends depicted the alchemical process of the original resurrection. By worshipping this Jewish archetypal thought-form of the Nazarene Jesus Christ - Gentiles never meditate and advance spiritually, which is why our god Satan created Gentiles. In the entire first century there is not one Greek or Roman religion scholar, historian, philosopher, politician or poet that mentions Jesus. The Council of Nicea of 325 AD writings were brought in and argued over and edited over several months so that at last emperor Constantine threatened to bring in his army to conclude the works. This gave birth to the New Testament. The Jews were involved in this. The pentagram represents the five elements and the inverted pentagram also represents the goat's head. The Laveyan pentagram with double circles around it that is encrypted with Hebrew - is highly offensive to Satan and the Gods. Cain and Abel is taken from Set and Osiris; Osiris slays as Set as the 'sun sets'. David killing Goliath is stolen from Norse Thor slaying the frost giant Hrungrnir. Like the 12 disciples of Christ - the Nazarene, the 12 Tribes of Israel were stolen from

the 12 signs of zodiac; Judah the lion was taken from Leo the lion. Jewish Noah's Ark was stolen from King Zuisudra. Jewish Samson was stolen from Heracles. Jewish Abraham is an anagram of Brahma god-head [nirvana/ascension]). Abraham was stolen from King Hariscandra. Moses was floated down the Nile river in a basket of reeds like Horus. Christian 'Amen' was stolen from Amon - the God Marduk/Amon Ra. The Ark of the Covenant was Egyptian in origin (at King Tutankhamen's grave site) copied by the Jews. Ancient Egyptian pharaoh mummies discovered were Aryan and Aryans came to Egypt and Sumer from India. Aryans are direct descendants of the Gods. Jews are at the center of letting Arabs into Europe - to exterminate Aryans. German chancellor Merkel is an example. Aryans are called the 'seed of Amalek' Twin serpent of Samael (Satan) 'the strange god' - by the Jews. This blasphemes the Kundalini serpent of yoga that is the source of the soul. The enemy Gods created Jews by giving them a Reptilian Shapeshifter Cohen/Levi genetic splice. Jewish souls are parasitic by nature and fundamentally differ from Gentile souls. Jews are missing aspects of the soul that Gentiles possess. Ancient reptilian looking statues appeared in Ubaid Iraq between 5,000-4,500 BC. Grey aliens are cyborgs with a hive mind that is controlled by Reptilians. Puma Punku in Bolivia is made with

perfectly symmetrically laser cut diorite, which is one of the world's hardest rocks. Arya means 'noble/esteemed' in Sanskrit. The three kings in the Bible that visit Bethlehem are taken from the three stars of the constellation of Orion. The three wise men were Magi - practitioners of witch-craft. This was corrupted in the Bible from spiritual alchemy that is transformation of the soul into purity. Christmas on December 25 is the birthday of the Persian god Mithras and the Roman holiday Saturnalias. Cesare Borgia is who White Jesus is depicted as. This was done to for the Vatican to justify the crusades against Arabs. The Nordic Old Gods are the Anunnaki, which in Sumerian means 'those who from the heavens came'. They're from Orion that the Giza pyramids align to mathematically. The pyramids are built to the spiraling phi ratio and the Giza pyramids around the earth are all aligned in a grid along a second equator. The Nordic Anunnaki came to Earth to mine for gold. They desired workers to extract the gold. Satan is a geneticist. He edited human DNA - shifting humanity's evolution to Homo sapiens from Homo erectus. Satan wouldn't destroy the humans when the work was done. He could not complete his genetic work on humans due to the forces of The Enemy. This is why the top of the Giza pyramids are flat. The Gods used used lasers to encrypt hieroglyphics to stand the test

of time. The Gods used the Giza pyramids for rituals. The Giza pyramids were not built by Nubian slaves. The blue eyed statues all over the world are these beings, including India, Egypt, Sumer and Peru. Satan and the Gods taught the Brotherhood of the Serpent in mystery schools for advancing Gentile souls, before being viciously attacked. There were thirteen mystery-schools along the Nile river. German secret societies knew of the underground structures and had contact with Nordic extraterrestrials. Shambhala is the abode of Shiva who is Satan. This is also known as Agartha which is inside the Earth. The Thule society is what brought Hitler to power. The Jews on top are trying to start world war three to exterminate Aryans and enslave the remaining Gentiles (non Jews) by microchipping them. The Jewish Talmud states that each Jew will own 2,800 slaves when their messiah returns. The Jews would run the New World Order from Israel and have all people hooked up with microchips to a database there. The Jews would have a Jewish male of the lineage of the Hebrew 'Davidic' kings be their messiah. The Jewish priests were of the line of 'Aaron'. In feudal times the landlord was almost always a Jew. Rothschild means 'red shield' and it is the 13 RH-negative blood-type Jewish families who run the world, owning the banks and the Vatican. Nearly all of the popes have been Jewish.

**Christianity is a program to remove spiritual knowledge. Jews own 96% of the world's media, as they run mainstream news and Hollywood. Hollywood relentlessly pushes Christianity. These 13 'royal' families funded the first two world wars. Jews infiltrated Gentile Freemasonry in the 1700s. This globalist Illuminati cabal is Jewish. They govern by the Committee of 300 at their 'Round Table' that consists of the Council of Foreign Relations (foreign policy), the United Nations, the Bilderberg Group (political elite from industry, finance, academia and media), the Club of Rome (think-tank for economics and environmental issues), the Royal Institute of International Affairs (non-government promotion of international issues and current affairs) and the Trilateral Commission (cooperation between the US, Western Europe and Japan). The Bohemian Grove in the Redwood forest in California is where these people gather for extra curricular activity where they worship a 40 foot Canaanite (Pagan) stone owl and fool the masses into thinking it's worship of Satan. Human sacrifice has allegedly been performed before this owl, as caught on tape by Alex Jones. The Protocols of the Learned Elders of Zion was the first Zionist Jewish conference held in Switzerland for planning their world domination. Anyone with a copy of this book in the USSR was executed. Neocon**

conservatives tell of how it's communism versus Christianity, but they are two Jewish inventions to destroy the Aryan race. The Bolshevik Revolution occurred in 1917 when Zionist Jews assassinated the Russian Gentile Tsar aristocracy, giving birth to Russian communism. The Bolshevik Jews of Russia starved to death 10 million Aryan people behind the Iron Curtain of Communist Russia (Ukraine) in 1932-33; it's called the Holodomor. Bolshevik Gulag concentration camps in Siberia and Kolyma (East Russia) were used to intern and systematically work these poor people to death. These Gentiles were tortured beyond belief. Joseph Stalin killed about 26 million people. The Vatican seems to be against communism, but it works to advance it. The USSR even persecuted some Jews for show to fool the masses. The USSR would publicly support any nation against Israel, but were controlled by the Jewish KGB secret service. Joseph Stalin was a Jew. Karl Marx the Bolshevik philosopher and his revolutionary successor Vladimir Lenin were Jews. Ideological subversion is Jewish sorcery in which the masses are deceived via Marxism and Leninism. Marxism is socioeconomic analysis that analyses class relations and societal conflict using a materialist interpretation of historical development and a dialectical view of social transformation. Leninism is the political theory

for the organisation of a revolutionary vanguard party and the achievement of a dictatorship of the proletariat (working class), as political prelude to the establishment of socialism. Socialism dictates no one should own land and that the state owns all, but this is owned and controlled by an oligarchy. Leftists are used to do the oligarchy's bidding. They are instrumental in destabilizing a nation, by enforcing ideological subversion. They are then assassinated for speaking out against the establishment once they become radical. These are narcissistic people who become disillusioned. It takes 15-20 years to demoralize a nation via ideological subversion and then another 15-20 to reeducate the masses. Those who are victims of ideological subversion cannot assess facts as true. The USSR KGB used subversion as the CIA uses it in America. Much of the masses believe the government is about espionage and intelligence, however, this is not the case. The media brainwashes the masses. March 24, 1933 Jews of the the world unite and boycott German goods, while holding mass demonstrations. In 1948 the Rothschild controlled British government ordered the genocide of Palestine and Israel was established. Hitler was the Anti-Christ. The Nazis did not burn Jews alive. Most of the Jews died of typhus disease that spread rampantly through the camps. The Jews

were worked to death and were starved due to lack of food towards the end of the war. Zyklon B gas was used to fumigate clothing for sanitation. This has took many hours to dissipate. This was not dropped into the gas chambers as pellets and there were no shower head gassings or steam chambers for gassing. The Soviets modified the concentration camps after the war to make it appear that there was gas chambers. The Nazi bomb shelter at Auschwitz was transformed by the Russians to appear as a gas chamber; putting four holes with wood lids on the roof. This was at building Krema I. The shower rooms were not air tight, so the Nazis would have been gassed too and Zyklon B is highly flammable even at a deluded percentage that the furnace heat would have caused it to combust. Zyklon B cyanide gas and carbon monoxide leave bodies blotchy red not blue like holocaust survivors state the bodies were. No Diesel engine gassing occurred at Treblinka - the German concentration camp. The 52 muffle ovens at Auschwitz were never used simultaneously. Auschwitz II had 46 ovens. Holocaust historians state that they cremated a body in ten minutes, but it takes bodies an hour and a half to cremate. Jamming multiple bodies in the ovens at once would have taken more time. There was not enough coal to burn multitudes of bodies. In one day there could have

been no more than 430,600 bodies burned in all of the Nazi camps combined. No more bodies could have been cremated from 1941-1944 than 85,092 at Auschwitz-Birkenau. The pits Jewish corpses were allegedly burned in did not have enough oxygen and the Nazis didn't have that fuel recourse. Less than 1 million Jews died in Nazi camps - not 6 million. Ash deposits were not found at any of the camps. War time photos above Auschwitz did not show the massive plume of smoke that was allegedly always above the camp. The gas chamber shower room had a two inch off the ground wooden door, not a metal door. Treblinka was a transit camp not a camp for extermination, as many were sent to Majdanek to work for the war effort. Many of the casualties of the Holocaust were not Jewish. There were never more than three million Jews in any Nazi occupied territory. The world almanac of Jews went from 16,588,259 in 1938 to after the war when the New York Times published that world Jews were at a minimum of 15,600,000 to a maximum of 18,700,000, which is less disparity than 6,000,000. That 6 million number has been used again and again in Jewish mass deaths because it is a number they use in their witchcraft that was stolen from Egyptian kabalistic numeric magick. Old NY Times articles prove how many times 6 million was used. It's a lie to fool us. After the Nuremberg

**Trials of 1945 top Nazi scientists were taken to America and Russia because they had knowledge of nuclear engineering. Jew J. Robert Oppenheimer (director) created the nuclear bomb via the Manhattan Project. He was accompanied by other Jews. The Jews call us Gentiles goyim which means cattle; opposite of Vedic Indian yogim/yogin for human that reached nirvana through serpent yoga. The serpent of Satan also represents the DNA helix. The Cherubim Angel outside the gates of 'Eden' that stood before a tree with a flaming tree. This represents the cutting off the Serpent from the root Chakra, thus preventing its ascension. The energy of the serpent ascending the spine in this yoga gives consciousness to the soul after death. It looks like a snake as it coils up the spine through the third eye, which is why the snake climbs up the tree to seduce Eve. The apple represents the heart. The morula of the heart is its atomic structure, which appears as an apple when viewed under an electron microscope and is the first thing to grow in a life form. Hence Snow White is given an apple by the wicked Jew witch. Fairy tales, like Pagan legends, are allegories for truths - aspects of life and the soul. Daemon means genius spirit' in Greek. The Jews blasphemed the Pagan Gods as monsters. Lucifer means Morningstar in Latin. Venus is the morning star and Venus is the planet Satan**

rules. Solomon is Sol (Latin) Om (Sanskrit) and On (Egyptian) [as in turn on the light] these all are mantras for the sun, but this was made into an allegorical character like all things in the Bible to fool Gentiles. Solomon was the the empire of the Jews where our Aryan Demon Gods were imprisoned, like slave in the mirror of Snow White and genie in the lamp. The SolOmOn temple was built in Jerusalem- the Solar Plexus Chakra of the Earth. The Black Sun is the Astral Sun that represents the Negrado stage of Magnum Opus - death of the ego before rebirthing into god-head - immortality of the soul - that is the true Holy Grail.  $666 = \text{Satan's number of } 9. 6+6+6=18 \text{ and } 1+8=9; 74 \times 9=666.$  The internet is a gift of information from Father Satan; WWW equals 666 in numerology. The Vedic swastika is the wheel of Dharma - the soul's path to destiny. Jerusalem was originally a Pagan concept for god-head. Our Gods were outnumbered and the Hyksos Hebrews and enemy Gods, who conquered with their magick as they bound our Gods. Evil reptilian beings that lack empathy allied with Angels - Nordic Anunnaki against humanity. Atlantis was ruled by Satan and destroyed by the deluge - and the Pagan Gods were defeated. There are pyramids in the Bermuda Triangle where Atlantis sank. The Founding Fathers were Satanic. George Washington held the pose of Baphomet - a half man half woman

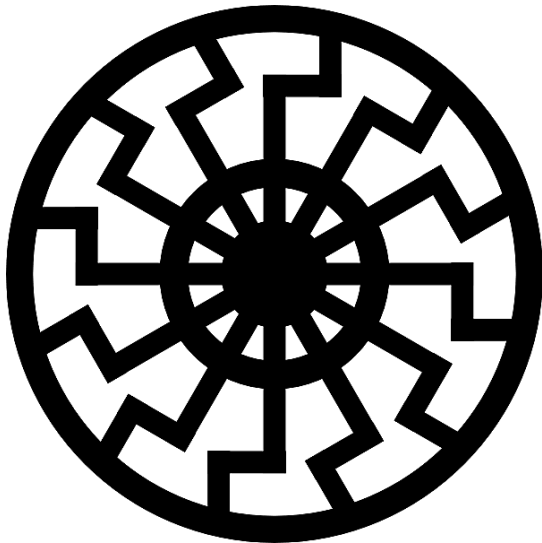

body with a goat head, pointing at heaven and earth. This idol was worshipped by the Knights Templar. In the 1300s the French Knights Templar was a poor order of knights that had a sigil of two men on one horse. They were to protect the 'holy land' during the crusades. They were ordered to excavate the SolOmOn temple and they found the truth. They acquired great wealth through banking in Jerusalem. October 13 1307 (during the inquisition) (auspicious Friday the 13th) 140 Templar knights were arrested, after being accused by the Vatican of devil worship and vile sexual behavior. Jacques de Molay, their leader, was made to wear a crown of thorns for seven years before being burnt at the stake. The Shroud of Turin is Jacques de Molay, not Jesus. This is a medieval embroidery of a bearded man wearing a crown of thorns that is stained in blood. It doesn't even carbon date back far enough to be Jesus, but many believe it is 'him'. Molay cursed pope Clement IV and king Philip V and they both died that year. Vlad Dracula Tepes was a Luciferian Freemason. He, like his father, was in the Order of the Dragon. Dracula means dragon. Most of the African Diaspora slave owners were Jewish. The Jews owned most of the African slave ships. Many pagan libraries were burned to the ground. The concept of Christian Hell is stolen from the Norse goddess Hel of the underworld. The

**Arch Angels were stolen from the four Crowned Princes of Hell. The Tower of Babel represented the chakras. The seven stories of baked bricks was really the seven Chakras. Seventh Heaven is a code word for the Crown Chakra. The iron cross is the symbol of a Chakra. Chakra means wheel in Sanskrit. Thor's hammer is an inverted cross where the Kundalini resides at the base of the spine, as the serpent of the soul resides dormant in the Sacral Chakra. Tibetan Buddhism was originally the Bon warrior class, who worshipped the Demon Goddess Astaroth/Inanna/Ishtar/Isis. They were persecuted by Buddhist rulers in the seventh century. They could levitate and astral project at will. 9/11 World Trade Center attacks was a Zionist Jewish controlled demolition; this can be seen on the videos. Molybdenum Spherule (iron microspheres) were found in the dust of the collapsed Twin Towers. This can only be caused by thermite. This was to initiate world war three; the High Priests freed the Demons in 2003. Capitalism is Torah applied to economics. Money lending with interest is Jewish usury. The New Testament Bible forbade Christians from lending money. The Gods do not except human/animal sacrifices like preformed in many shamanic Pagan cultures. The Abrahamic god of the Bible and Koran demands slavish worship and blood sacrifice. Jewish**

**Blood Libel is when Jews kidnap a Gentile child and bring them to their synagogue at night, during Passover. The Rabbi ties the child to a cross and drains the child of blood Kosher style to give the Nazarene thought-form power. There is no historical evidence for Exodus, where the Jews were enslaved by Egyptians. This is why Jews celebrate Passover. Exodus was supposed to have occurred during the year 1,446 BC. Thutmose III would have been the pharaoh of Exodus. Roman general Titus sieged Jerusalem during the Jewish rebellion and destroyed their temple in 70 AD. This brought on the Jewish Diaspora where Jews spread out to Asia, Europe and Africa, where Jews race mixed with Gentiles. Islam is the eastern counterpart to Christianity to create wars. An Angel Gabriel appeared to Mohammad and told him that everyone needed to be converted to Islam. Many Angels are thought-forms created by Rabbis over the millennia. Exorcism is a way Angels scare unknowing vulnerable individuals deeply into Christianity. A person's mental issues can be viewed in their astrological chart. Astrology is very advanced and when a reader talks about growth in one's life progression then they are not adept enough to predict events in the life. Astrology is a void with magnetic bodies that forms a calculus. The power of Christian prayer is a a powerful force because of the human**

**soul. Astrology dictates events that would otherwise seem like the will of 'God'. The Jewish Torah is the Old Testament book of spells that are based on algorithmic tones from the Hebrew Kabbalah, stolen from the Egyptian Kabbalah that originates from the Vedic language. The Old Testament Bible verses when spoken in Hebrew are their Mantras. The Bible is a tool of Hebrew Jewish sorcery that even establishes a subliminal connection with someone sleeping in a room with one. The Joy of Satan Ministries chants these Torah verses in reverse and are now saving the world from the Jew New World Order!**

**Black Sun 666**
