Super Break star ratings

Super Break star ratings are simply a guide to help you choose between our hotels. They won't necessarily relate to those awarded by other organisations. Our stars symbolise the level of service and range of facilities that you can expect at each property, ranging from 1 star: hotels with the simplest range of facilities, to 5 stars: luxury hotels with an impressive range of facilities.

**Please note that different countries have different standards and star ratings may differ according to the country where the hotel is located.

Special Requirements

We are not a specialist disabled holiday company, but we will do our utmost to cater to any special requirements you may have. If you or any member of your party has any medical problem or disability that may affect your trip, please tell us before you confirm your booking. We can advise and assist you when considering the suitability of your chosen break.

One of our team is here to help, please call us on 01904 420 440.

With over 30 years' experience in providing great hotel packages, we understand that you want a good idea of what the hotel is really like, even before you make a booking. To give you an impartial view of the products we have on offer, we've teamed up with TripAdvisor to display ratings, reviews and opinions from millions of travellers to help you plan your perfect break.

Les Misérables

Set against the backdrop of 19th-century France, Cameron Mackintosh's legendary production of Les Misérables tells an enthralling story of broken dreams and unrequited love, passion, sacrifice and redemption – a timeless testament to the survival of the human spirit.

Queen's Theatre

The Phantom of the Opera

This multi-award winning musical continues to captivate audiences at Her Majesty's Theatre in London's West End, after more than 13,000 performances. Andrew Lloyd Webber's mesmerising score along with jaw-dropping scenery and breathtaking special effects, magically combine to bring this tragic love story to life each night.

Her Majesty's Theatre

Mary Poppins

Disney and Cameron Mackintosh's multi award-winning musical MARY POPPINS returns to its original West End home at the Prince Edward Theatre from 23 October 2019. Starring Zizi Strallen in the title role and Charlie Stemp as Bert, the magical story of the world's favourite Nanny is triumphantly and spectacularly brought to the stage with dazzling choreography, incredible effects and unforgettable songs.

Prince Edward Theatre

My first night at the theatre, I was eight years old, was a truly magical experience. That memory has never left me, and my goal is that audiences seeing any of my shows such as Les Misérables, (now also on an international tour), The Phantom of the Opera and Mary Poppins (returning in October 2019), see a performance that is truly magical and exceeds all their expectations.

And with The Phantom of the Opera and Les Misérables now the longest running shows in West End history, audiences are discovering that these masterpieces of musical theatre are as fresh and as captivating as on their First Night. I want our audiences to leave the theatre having had an emotional and uplifting experience which will stay with them long after their night out in the West End "The theatre capital of the world".

When making a booking, the party leader must give full details of the group booking requirements at the time of booking. A rooming list giving the names of those occupying each room must be given in writing a minimum of 14 days before the date of travel. Please note that any additions to the booking may be charged at a higher rate as Super Break reserves the right to change the price of its services at any time before booking.

Your Booking

You will be required to make full payment on booking. A binding contract between us comes into existence when either we dispatch our confirmation invoice or, for on line bookings, when the final page of the booking confirmation procedure gives you a booking reference. When you buy an ATOL protected flight or flight inclusive holiday, all money accepted from you by a travel agent acting as our agent is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail. In the unlikely event of our financial failure, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

Changes, Cancellations and Transfers of Bookings by You Before Departure should you wish to make any changes to your confirmed break, you must notify us (by post, telephone or email) as soon as possible. Where changes are possible we reserve the right to apply the amendment fees/cancellation charges shown on our full booking conditions on our website. Any alteration requested by you within 7 days of departure will be treated as a cancellation by you and you will have to pay the cancellation charges set out on our website. Please note that any requested amendments will only be approved at our discretion and no refunds will be made for tickets or services booked but not used. Since we incur costs in changing or cancelling your arrangements, you will have to reimburse us in respect of the reasonable losses we suffer. We will notify you of those charges when you contact us to request a change or cancellation and full details of the likely charges we will impose can be found in our full booking conditions on our website. Please note that in some cases, charges may be 100% or more of the original cost and charges will increase the closer to the date of departure that you notify us of a cancellation or change.

Transfer of Booking:

If you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- that person is introduced by you and satisfies all the conditions applicable to the holiday;
- we are notified not less than 7 days before departure;
- you pay any outstanding balance payment, an amendment fee of £50 per person transferring, as well as any additional fees, charges or other costs arising from the transfer; and
- the transferee agrees to these booking conditions and all other terms of the contract between us.

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in clause 6 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

Cancellation by You due to Unavoidable & Extraordinary Circumstances

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of 'unavoidable and extraordinary circumstances' occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity. For the purposes of this clause, 'unavoidable and extraordinary circumstances' means warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

Delay, complaints and special requests

If there is a problem during your holiday, you must report it to your supplier immediately. If issues cannot be resolved directly with a supplier, you must contact Super Break Customer Services on 01904 420440 or email customerservice@superbreak.com. Any complaints made after travel must be made in writing by emailing cr@superbreak.com or posted to Super Break, Artemis House, Eboracum Way, YO51 7RE. All complaints must be received within 28 days of your return.

Failure to follow the procedure set out in this clause may affect ours and the applicable supplier's ability to investigate your complaint, and could affect your rights under our agreement.

Complaints received will be acknowledged and replied to within 28 days after the date we acknowledge it as per the ABTA code of conduct.

We are a Member of ABTA, membership number Y1453. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

You can also access the European Commission Online Dispute Resolution (ODR) platform at <http://ec.europa.eu/consumers/odr/>.

If you have any special request, you must advise us in writing at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met unless we have specifically confirmed this.

In the event of a significant delay to any transportation booked as part of a Super Break package you should always in the first instance speak with a representative of the transportation provider in order to gain immediate assistance.

For further information on flight delays, please visit <https://www.caa.co.uk/Passengers/Resolving-travel-problems/Delays-cancellations/Making-a-claim/Claiming-for-costs-and-compensation/>

If you encounter a delay on a train, you may be able to claim under the delay repay scheme directly through the rail company. You must apply directly and supply your rail ticket and cost of journey. Please note - some tickets are exempt from the delay repay scheme.

Insolvency Protection

For those booking travel arrangements departing from the UK (including Northern Ireland) We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 10518 issued by the Civil Aviation Authority of CAA, House, 45-59 Kingsway, London WC2B 6TE, claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us are protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA (ABTA Ltd, The Travel Association 30 Park Street London SE1 9EQ www.abta.co.uk). This arrangement means your money will be refunded or you will be brought back to the UK (where your contracted holiday arrangements include return travel to the UK) if already abroad in the unlikely event of our being unable to provide your break due to our insolvency.

For accommodation only bookings overseas, all customer monies are held in a Trust Account provided by Natwest and they can be contacted at the following address: SBR Trust Account, York City Centre, Corporate Banking, RBS, 3rd Floor, 1 Spinningfields Square, Manchester, M3 9AP Tel: +44 (0) 161 862 4039. This arrangement means your money for this type of booking will be refunded in the unlikely event of our being unable to provide your accommodation due to our insolvency.

Airline Failure

Your holiday is protected in the event of failure of your airline. In the unlikely event that the airline that you are travelling with ceases trading during your holiday, you must contact us, in order that we can make alternative arrangements. We will not be liable for any additional costs incurred if you make your own arrangements.

Prices

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays.

There will be no change made to the price of your holiday once we have confirmed your booking.

Our Responsibility

1. In relation to bookings of 'packages'

(a) We accept responsibility as an 'organiser' under the Package Travel and Linked Travel Arrangements Regulations 2018 as set out below and, as such, we are responsible for the proper provision of all travel services included in your package as set out in your confirmation invoice. Subject to these booking conditions, if we or our suppliers negligently perform or arrange those services and we don't remedy or resolve your complaint within a reasonable period of time, we will pay you reasonable compensation. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(b) Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to 'unavoidable and extraordinary circumstances', we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs in advance. For the purposes of this clause, 'unavoidable and extraordinary circumstances' mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

2. In relation to all other bookings where a 'package' is not formed/ Hotel Only Bookings

We have a duty to select the suppliers of the services making up your booking with us with reasonable skill and care. Except as stated otherwise in these terms, we have no liability to you for the actual provision of the services, except in cases where it is proved that we have breached that duty and damage to you has been caused. Therefore, providing we have selected the suppliers with reasonable care and skill, we will have no liability to you for anything that happens during the service in question or any acts or omissions of the supplier, its employees or agents.

3. All Bookings:

- Many of the services which make up your break are provided by independent suppliers (for example, where applicable, rail carriers, airlines and accommodation owners). Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions (see clause 6 below). Copies of the relevant parts of these terms and conditions are available on request from the supplier concerned.
- In any event we will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:
 - the act(s) and/or omission(s) of the person(s) affected;
 - the act(s) and/or omission(s) of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable; or
 - unusual or unforeseeable circumstances beyond ours or our supplier(s) control, the consequences of which could not have been avoided even if all due care had been exercised; or
 - an event which either ourselves or suppliers could not, even with all due care, have foreseen or forestalled.
- We will not be responsible or pay you compensation:
 - for services or facilities which do not form part of our agreement or where they are not advertised by us. For example, any excursion you book while away, or any service or facility which your hotel or any other supplier agrees to provide for you.
 - for any damage, loss or expense or other sum(s) of any description which on the basis of the information given to us by you concerning

your arrangements prior to them being confirmed, we could not have foreseen you would suffer or incur if we breached our contract with you; or that relate to any business.

- (iv) Any compensation that is payable will be calculated taking into consideration all relevant factors for example (but not limited to):
 - whether or not you have followed the complaints procedure as described in these conditions. It is a condition of our acceptance of liability under this clause that you notify any claim to ourselves and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.
 - the extent to which our directors or our employees' or suppliers' negligence affected the overall enjoyment of your arrangements.
 - when making any payment, we are entitled to deduct any money which you have received or are entitled to receive from any transport provider or hotelier for the complaint or claim in question.

(Please also note that where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.)

(v) We limit our responsibility to you in the following situations:

- Luggage or personal possessions and money
The maximum amount we will have to pay you in respect of any claim for loss of and/or damage to any luggage or personal possessions or money is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.
- Claims covered by an International Convention
When arranging transportation for you, we rely on the terms and conditions contained within any applicable International Conventions. The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air), The Athens Convention (with respect to sea travel), The Berne/Coast Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask us for copies of these Conventions.
- Claims not falling under (a) or (b) above and which don't involve injury, illness or death

The maximum amount we will have to pay you in respect of all claims not falling under (a) or (b) above and which don't involve injury, illness or death these claims is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from our arrangements.

In addition, we will not be responsible where you do not enjoy your break or suffer any problems because of a reason you did not tell us about when you booked your break or where any problems you suffer did not result from any breach of our contract or other fault of ourselves or, if you have booked a package holiday from us and we were responsible for them, our suppliers or agents or where any losses, expenses, costs or other sum you have suffered relate to any business.

We cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your accommodation provider or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure or on our website and we have not agreed to arrange them.

In relation to all other bookings where a 'package' is not formed/ Hotel Only Bookings

We have a duty to select the suppliers of the services making up your booking with us with reasonable skill and care. Except as stated otherwise in these terms, we have no liability to you for the actual provision of the services, except in cases where it is proved that we have breached that duty and damage to you has been caused. Therefore, providing we have selected the suppliers with reasonable care and skill, we will have no liability to you for anything that happens during the service in question or any acts or omissions of the supplier, its employees or agents.

Many of the services which make up your break are provided by independent suppliers (for example, where applicable, rail carriers, airlines and accommodation owners). Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions (see clause 10 (v)). Copies of the relevant parts of these terms and conditions are available on request from the supplier concerned.

Force Majeure

Except where otherwise expressly stated in these booking conditions, we regret we cannot accept liability or pay any compensation if our contractual obligations to you are affected by 'Force Majeure'. For the purposes of these Booking Conditions, Force Majeure means any event beyond our or our supplier's control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include warfare and acts of terrorism (and threat thereof), civil strife, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, labour strikes, lock closure, natural or nuclear disaster, chemical or biological disaster, unavoidable technical problems with transport and all similar events outside our or our supplier(s) control.

Behaviour

If in our opinion or in the opinion of any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any of our other guests or any third party or damage to property, or to cause a delay or diversion to transportation, we reserve the right to terminate your arrangements with us immediately. You must reimburse us fully for any costs or losses we incur as a result of your failure to comply with this clause.

Travel Insurance

It is a condition of booking with us that you take out appropriate travel insurance. It is really important that you purchase travel insurance to protect against the need to cancel the holiday in certain circumstances and to provide assistance if you are injured or ill on your holiday. You must reimburse us fully for any costs or losses we incur as a result of your failure to comply with this clause.

Information re passport/VISA requirements and health formalities

Up to date travel advice can be obtained from the Foreign and Commonwealth Office, visit www.fco.gov.uk.
