

Readiris™ Pro 16

Convert and edit your documents instantly.

Readiris™ Pro 16 is a powerful OCR solution designed for private users and self-employed workers. Use IRIS' world-reknowned OCR software to save the precious time you would lose retyping information from documents! Readiris™ Pro 16 automatically recognizes the text and layout from an image, a PDF or a scanned document and turns it into an editable digital file (Word, Excel, PDF, HTML, TXT, ePub, etc.). Readiris™ Pro 16 also converts your MS Office files (Word, Excel, PowerPoint) into PDF files. To convert, simply right-click on your file and get the result instantly!

Key features

- Convert scans, images and PDF files into editable documents
- Create, edit and merge multipage PDF files
- Compress searchable PDF files up to 10 times for optimized archiving and sharing
- Store and manage your converted files directly in the Cloud
- Access your smart documents from any computer, smartphone or tablet
