

Forever Aloe2Go™

You love the benefits of Aloe Vera Gel. And you love the sweet, nutritious taste and the ORAC blast of Pomesteen Power, which contains Pomegranate, Pear, Mangosteen, Raspberry, Blackberry, Blueberry and Grape Seed Extract. Forever Living Products has taken the best of both drinks and combined them into a single-serving, convenient foil pouch! **Forever Aloe2Go™** is ready to drink anytime, anywhere - at your desk, on the trail, in the car, on the go. Just grab a pouch, tear at the notch, and drink in the tasty benefits of these two nutritious drinks!

Aloe2Go can give you the great-tasting energy boost you need by supporting your body with complex carbohydrates. By combining the refreshingly sweet flavor of the Mangosteen, (dubbed the "Queen of Fruits" for its exquisite taste) and Aloe Vera Gel, we have created the Ultimate Antioxidant Cocktail. Your immune system won't know what's keeping it in top form - but you will!

The Pomegranate has more antioxidants than blueberries, green tea or wine. The Mangosteen fruit has the highest content of xanthones found in any fruit. Some studies have shown that xanthones are even better than vitamins C and E for boosting the body's immune system! Aloe Vera Gel provides natural support for the immune system because of its high content of polysaccharides and other natural immune enhancers.

With these results in mind - along with its delicious taste and convenient pouch - you're going to want to make sure your supply of convenient Aloe2Go pouches never runs low!
