Oscar members on specific plans in Houston, Dallas and Austin are eligible for cost share waivers for specialist visits and other healthcare services, which means Oscar will cover the charge in full. When a member is eligible for one of these free visits or services, the provider should bill for the service after the visit and should refrain from collecting a copay or coinsurance at the point-of-care. To check whether a member is eligible for these free services, call provider services at 1-855-672-2755. If a member is eligible for a free service, and is charged a copay or cost share in error, it is the provider's obligation to refund the patient for any over-billed amount.

Prior authorization at a glance

Certain services at Oscar require prior authorization. It is important to submit any elective or pre-service requests in advance to ensure everything is in place for your patients to get the right care. To confirm requirements for a specific code or service, request authorization, or check the status of an existing authorization, reference the Authorization Procedure Lookup tool within Oscar's Provider Portal. To access or sign up for the provider portal, visit provider.hioscar.com or call 855-672-2755. If prior authorization is not obtained for a service that requires it, the service is subject to post-service (retrospective) review.
