Prior authorization at a glance

Certain services at Oscar require prior authorization. It is important to submit any elective or pre-service requests in advance to ensure everything is in place for your patients to get the right care. To confirm requirements for a specific code or service, request authorization, or check the status of an existing authorization, reference the Authorization Procedure Lookup tool within Oscar's Provider Portal. To access or sign up for the provider portal, visit provider.hioscar.com or call 855-672-2755. Authorization requests may also be submitted by faxing the authorization request form found in the Provider Manual to 844-965-9053. Please note that authorization requirements may be updated throughout the year. To access Oscar's Provider Manual for your state please visit: hioscar.com/providers/resources.

Coverage of these benefits may vary by plan, and the Prior Authorization list is subject to change. To verify coverage or prior authorization requirements, please call 855-672-2755. If prior authorization is not obtained for a service that requires it, the service is subject to post- service (retrospective) review.
