Model Year 2018
Edition 2a

VOLVO XC60
NEW

YOUR OWN XC60 IS IN REACH

The new Volvo XC60 is an evolution of the dynamic Swedish SUV experience, with style, prestige and presence. It perfectly encapsulates both Volvo's XC and luxury values, so whether you're after a refined city drive or an exhilarating adventure, this in-command SUV is intuitive to use, a pleasure to drive and beautiful to behold.

Contemporary Scandinavian design is inspired by ingenuity and creativity to make the everyday less complex in the pursuit of a high standard of living. Volvo's refreshing purity of form stands out in a world of excessive styling. This means a strong silhouette, perfect proportions and an elegance that inspires you every time you drive your car.

Volvo's central interface, Sensus, puts you in control of a wealth of advanced technologies; with its intuitive approach it makes the way that you interact with your Volvo so easy and natural. Sensus gives you all the information you need, when you need it, whilst connecting you to the world around you, making sure that when you are on the road you are never offline.

Volvo's reputation as leader in safety continues with the new XC60, offering a range of technologies designed to support your daily drive. Known as Intellisafe, these technologies prevent accidents and protect you, helping to accomplish our vision that by 2020, nobody shall be killed or seriously injured in a new Volvo car.

¹⁾ P11D value for BIK purposes is the retail price plus delivery charge. BIK % shown for the 2017/18 tax year.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2017 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

VOLVO XC60 NEW FEATURE EXPLANATION

CITY SAFETY WITH FRONT COLLISION WARNING AND AUTOBRAKE

Included as standard in your new XC60 is City Safety, which senses potential collisions, even when it is dark, and can activate the brakes automatically should you not react in time. City Safety provides three levels of intervention; warning, brake support and autonomous braking and uses a complex array of instruments and sensors to constantly monitor surrounding conditions.

PEDESTRIAN, CYCLIST AND ANIMAL DETECTION

The groundbreaking Pedestrian, Cyclist and Animal Detection technology detects and automatically brakes the vehicle in the event of a pedestrian, cyclist or large animal (such as a deer) stepping/swerving out in front of the car. The advance sensor system scans the area ahead and will prompt you to act with a flashing warning light on the windscreen, along with an audible alarm. If you do not react to the warning, and a collision is imminent, the car immediately brakes with full braking force.

REAR COLLISION MITIGATION

Rearward facing radar detects if a rear impact is imminent, and safety belts are tightened in advance in order to protect the occupants. Lights also start flashing to warn the driver behind and brakes are activated to help reduce the impact.

DRIVER ALERT CONTROL WITH LANE KEEPING AID

Cameras constantly monitor the XC60's position on the carriageway, warning the driver by audible sound and/or taking action by automatically correcting the steering - if roadside markings are crossed without obvious reason such as the use of the turn indicator. And if the Driver Alert Control determines a deterioration in driving behaviour, a warning sound and display message encourages the driver to take a break.

ROAD SIGN INFORMATION

The new XC60 can also help you stay informed by displaying road sign information within your instrument display. This function also has the ability to warn the driver should the vehicle exceed the current road speed limit.

ACTIVE HIGH BEAM

This feature enables the car itself to switch between low and high beam when oncoming traffic approaches.

PILOT ASSIST

Fitted as an option is Volvo's next generation of autonomous driving. The Adaptive Cruise Control feature maintains the desired set vehicle speed but utilises radar to monitor the vehicle in front and automatically slows down or speeds up as necessary. In an evolution of this, Pilot Assist also takes care of the steering (up to 80mph) by continually monitoring the area in front of the vehicle, making the necessary steering, accelerator and brake inputs as required to keep to the desired speed, distance and within the lane markings.

PARK ASSIST PILOT

This function takes over the steering of the car leaving the driver to follow the instructions provided in the instrument cluster with regards to acceleration, braking and selection of gears. In addition to automatic parallel parking, parking at 90° to road is also supported.

VISUAL PARK ASSIST 360°

During low speed manoeuvres, the Visual Park Assist 360° provides the driver with additional information relating to the car's surroundings. A birds-eye view of the car is provided via four hidden cameras, digitally stitched together to create a seamless image in the centre screen.

FOUR CORNER ELECTRONIC AIR SUSPENSION

Featuring up to five different modes according to personal preferences, air suspension also ensures that the vehicle remains level irrespective of passenger and load configuration. At high speeds, the car automatically lowers the suspension for increased stability and reduced fuel consumption returning to a regular ride-height as speed reduces.

RUN-OFF ROAD PROTECTION

Should your vehicle inadvertently leave the road, the front seat belts are automatically tightened whilst the front seat frames contain a collapsible section designed to reduce vertical forces by up to one third - thus reducing the likelihood of spinal injuries.

AUTOBRAKE AT JUNCTIONS

Should your XC60 detect that you have turned in front of an oncoming vehicle (at a junction or intersection for example) the brakes will be automatically applied in order to mitigate the risk of a collision. In addition, at speeds above 18mph, and if a collision is unavoidable, the front seat belts are automatically tightened.

VOLVO XC60 NEW TAKE THE WHEEL

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

FLEXIBLE FINANCE

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

SERVICE PROGRAMME

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to volvocars.co.uk/servicepromise

INSURANCE

Volvo Car Insurance is rated 5 stars by Defaqto¹ and designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value, a range of exclusive benefits and a UK-based 24-hour claims team. **Call now for your insurance quote² on 0330 102 7960.**

VOLVO ON CALL

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit volvocars.co.uk

ROADSIDE ASSISTANCE

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to volvocars.co.uk/volvoassistance

WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3-year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. The battery in the T8 Twin Engine is covered by a warranty for 8 years or 100,000 miles - whichever comes first. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

¹⁾ For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

²⁾ All diesel models are fitted with a particulate filter.

³⁾ The results do not express or imply any guarantee of the fuel consumption of a particular car.

⁴⁾ Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.

⁵⁾ Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750kg.

⁶⁾ Vehicles with a retail price over £40,000 (including paint, options, packs and delivery costs) when new, pay an additional rate of £310 per year on top of the Standard Rate, for five years.

⁷⁾ For D4 AWD and T5 AWD, first figure shown refers to all Momentum variants, second refers to all other variants - see page 3 for more detail.

LUGGAGE COMPARTMENT - D4 AWD, D5 POWERPULSE AWD & T5 AWD

Volume to glass line – rear seats up, litres	505
Volume to roof – rear seats up, litres	635
Volume to roof – rear seats down, litres	1,432
Max. cargo height, mm	616
Max. cargo width between wheelhouses, mm	1,055

LUGGAGE COMPARTMENT - T8 TWIN ENGINE

Volume to glass line – rear seats up, litres	468
Volume to roof – rear seats up, litres	598
Volume to roof – rear seats up, litres	1,395
Max. cargo height, mm	616
Max. cargo width between wheelhouses, mm	1,055

VEHICLE DIMENSIONS

Length / wheelbase, mm	4,688 / 2,865
Width with extended / folded exterior mirrors, mm	2,117 / 1,999
Height, mm	1,658
Track front / rear, mm	1,653 / 1,657
Max. headroom front / rear, mm	1,037 / 988
Max. legroom front / rear, mm	1,055 / 965
Max. shoulder room front / rear, mm	1,478 / 1,430
Max. interior load length 2 seat / 5 seat mode, mm	1,616 / 758

GROUND CLEARANCE

Vehicle unladen / with 2 persons, mm	216 / 211
Wading depth, mm	400
