

Verizon Partner Solutions (VPS) Operational Notification

Notice Number: C19-0668	Notice Date: 02/14/2019	Date Effective: 05/04/2019
Region: Verizon - East	Area Affected: Local and Access	Process Affected: Daily Usage EMI Files Change to 7 Day Creation

Details:

Currently, the EMI (Exchange Message Interface) Daily Usage Files (DUF) for Maryland, Delaware, and Virginia daily usage are sent or available for pickup five (5) days per week, excluding weekends and holidays. Verizon is enhancing this process to generate the DUF files seven (7) days per week beginning on or after 5/4/2019. The file layout and distribution methods for these DUF files are not changing. In the future, Verizon might extend this change to additional states. In such case, Verizon would send a further notification, at such time.
