REMEMBER...

Remember, has been said by some, to be the most important word in our language. To be able to retain in our memory, keep in mind, and to remain aware of particular events help us become better people.

"Remember who you are!" is a common challenge given to teenagers by parents as they go out for an evening of activities with their friends. This exhortation is given with the hope that youth will remember right and wrong principles that will help them make choices that reflect the beliefs and values of their family.

Most of us consider ourselves to be patriotic. The fourth of July celebrations gives us the opportunity to remember important events and principles of our great country.

"We hold these truths to be self-evident", (States the Declaration of Independence), "that all men are created equal, that they are endowed by their creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness, that to secure these rights governments are instituted among men."

It is our right and duty to provide for and secure the rights and freedoms of our citizens. "We must value principle above popularity and work for political principles which are wise and just. (Ezra Taft Benson)

We should remember the founding fathers of our country, who were led by God, to establish a land of freedom and liberty.

We should remember those men and women who have fought and sacrificed so much to preserve and protect this great country.

We should remember our police, EMS, and fire fighters who risk personal injury and lives provide the safety we desire.

My challenge for each of us is to, "Remember who WE are". A people and a country who values the principles of life, liberty, property, and the pursuit of happiness, and "we mutually pledge to each other our lives, our fortunes, and our sacred honor" to maintain such.

Van Broderick, Councilmember

Over the years Lindon Days has grown into a major event attracting many visitors from neighboring cities. What began as a gathering among neighbors has become a traditional celebration for everyone to enjoy! Lindon Days events includes continuous entertainment and events including a Flag Raising Ceremony, Mayor’s Breakfast, an exhilarating 5K Race through the streets of our town, a Saturday morning Parade down Center Street, our awesome Car Show (one of the largest in the State), and many fun events in our own beautiful horse arena. And last but not least, our much-anticipated Concert in the Park culminating with a huge fireworks show! We even have our very own Lindon Days Royalty to reign over the festivities! The Parade Theme this year is "Red, White & Blue". America's flag of freedom waves brightly over Lindon City as we celebrate a great country, great freedom and great people! Please join us in our celebration by participating in the Grand Parade.

Parade Application

Please know there are opportunities for everyone, young and old, to participate and contribute to the success of Lindon Days each year! It is a big undertaking to prepare for this event and our success depends on the volunteering hands from all of our neighbors. If you would like to volunteer for this long standing city tradition please contact Hannah Silvey, Lindon Days Coordinator, at (801)769-8625 or by email hsilvey@lindoncity.org. After completion of the interviews, Dustin Sweeten was selected and appointed by motion of the Council to fill the vacancy for the remainder of the term ending in January 2018 and was sworn into office at the City Council meeting held on July 5th. Congratulations Councilmember Sweeten, you will serve the City well as a member of the City Council!

LINDON MONTHLY RECYCLE FACTS

July: Styrofoam has a recycle symbol on it. Why can't I recycle it?

Have you ever wondered why Styrofoam is on the "Do Not Recycle" list when it comes to commingled recycling? There is a lot of Styrofoam out there after all, and it even has a recycle symbol on the bottom! It takes specialized machinery to heat Styrofoam enough to break it down into a reusable form. It would have to be shipped several states away in order to process it. This is believed to do more harm to the environment than good. Make sure to throw away Styrofoam material and use alternative material when possible!

If you are interested in ordering a recycling can please contact the Lindon City Utilities Clerk at 801-785-5043 or by email at slaidler@lindoncity.org.

Public Works Pointers

As a reminder, when fertilizing your lawns, please sweep the excess off the sidewalks and back on to the lawn. Fertilizer and pesticides go down our storm drains and harm the fish and aquatic life. It's easy to over fertilize, so please follow manufacturer's instructions. And please don't dump any landscaping material into the street as it clogs up the storm drains.

Also remember in order to conserve our limited water resources, we do require outdoor watering to take place between the hours of 6 pm and 10 am. Thank you for observing these watering hours, and remember to turn off your sprinklers if it's raining! Also, in order to prevent flooding, please make sure that our storm drains are kept free from debris.

Thank you for your help and cooperation this watering season. If you have any questions please contact the Public Works offices at 801-796-7954.

FIREWORKS DISCHARGE RESTRICTIONS

Because of a result of extreme fire danger along our mountain interface and our west wetland area, Lindon City has a permanent fireworks and open fire restriction in place. These areas include all land west of Interstate 15 within the Lindon City limits, including the Lindon Marina. This also includes all "Undeveloped Land" within the City Limits as well as all City Parks. Restriction warning signs will be posted near the border of restricted areas. Please help us all to be safe and to protect our beautiful natural environment and watershed. Please reference the maps below for exact boundaries. Fireworks are not allowed in all Lindon City Parks (signs will be posted)!
