Combined Arms is a dynamic, ever-evolving collaborative impact organization that is using an innovative approach to technology and service delivery to disrupt the veteran transition experience. By providing comprehensive support to military members and their families as they transition to civilian life, we are accelerating veteran transition in order to deliver maximum impact on Houston.

Combined Arms streamlines the connection between veterans and their families from all branches of the military with organizations that serve them. We've created a new veteran service model, focusing on collective impact-reinventing what it means to serve veterans by creating pathways for them to access resources based on exactly what they've asked for, leaving the outdated model of "services in silos" behind.
